CLL332

Question

"Goods" have been rendered as any chattels personal, other than things in action and money. This definition can be found in

Answer

section 20(1) Hire Purchase Act

Question

The Minister with reference to the Hire Purchase Act refers to

Answer

Minister for Trade and Tourism

Question

In an action to press for the right to recover possession of goods from the hirer subsequent to the payment or tendering of the relevant portion of the hire purchase price, the court is given wide powers to make such orders as the court thinks just for the purpose of protecting the goods from damage or depreciation. The action under reference here relates to the provision of _____ that outlaws self help and other extra judicial actions.

Answer

section 9 Hire Purchase Act

Question

"The principal put the agent in his place to do that class of acts and he must be answerable for the manner in which that agent has conducted himself in doing the business which it was the act of his master to place him in". In your firm view, this audacious statement relates to

Answer

agency of disclosed principal

Question

The doctrine of irrevocable authority evokes the character and aura of irrevocability. Nevertheless, it has been several times that this is not cast in concrete and therefore the myth of irrevocability can be smashed under certain circumstances including one of the following

Answer

where the authority was made by deed for a valuable consideration

Question

In ____ Lord Buckley distinguished between "customary course of business" as against "ordinary course of business".

Answer

Oppenheimer v Attenborough (1708)

Question

"A commissioned agent is therefore saddled with dual responsibility. The first being an agent to his principal with equal rights and obligation of any other agent. The second is that who does not bind his principal contractually to third parties. Instead, he stands in his own right in the position of principal to such third parties." Peculiarly the commissioned agent "who supplies goods to a commissioned agent has no authority to pledge the credit of his principal for them". This statement by ____ was in Ireland v Livingstone (1872) AC 395

Answer

Lord Blackburn

Question

Advertisement for the purpose of hire purchase business is not illegal. However it is subject to controls under the regime. To ensure the provisions of the law are complied the law criminalises certain acts in contravention thereto. One of the defences to latch onto and escape conviction is to the effect the matters contained in the advert, in whole or in part, were not devised by him or any person deriving authority from him. This defence can be found in

Answer

section 17(2)(b) Hire Purchase Act

Question

An agreement with reference to goods which are the subject of a contract but collateral to the main purpose of the contract, the breach of which gives rise to a claim for but not to a right to reject the goods and treat the contract as repudiated. Within the purview of the Hire Purchase Act this is otherwise called

Answer

a warranty

Question

The Nigerian Hire Purchase Act donates certain powers to the Minister to require information respecting the conduct and operation of hire purchase business, among others in Nigeria. What section contains this provision?

Answer

section 18(1) Hire Purchase Act

Question

The doctrine of undisclosed principal in agency relationships n has been aptly described as one that tends to create anomalous situation. This is because the doctrine is antithetical to

Answer

doctrine of privity of contract

Question

The development of the business or trading arrangement under the hire purchase system is arguably said to be one of the greatest inventions of, and very important contribution to the commercial development of the world by

Answer

lawyers

Question

Like tortious wrongs; like criminal wrongs. So goes the argument that nothing is wrong if the principal is made to vicariously answer for the crimes committed by the agent in the course of his employment. Nevertheless the courts still preferred a measured approach and has in the case of ____ laid out the law with respect to the vicarious responsibility of the principal where a crime is committed by the agent.

Answer

Gammon Hon Kong Ltd & Ors v Attorney General of Hong Kong (1984) 3 WLR 437

Question

Beyond its scope and application to usual hire purchase agreements, the Hire Purchase Act 1965 the other specie of transaction which finds application within the purview of the Act is also

Answer

credit sales transactions

Question

A driver waiting to be served at a petrol station struck a match on his cigarette. This action set the petrol station ablaze. Who would be responsible, and on what authority?

Answer

the principal who is liable for all wrongs by the agent: *Construction Ind Co Ltd v Bank of North* (1968)

Question

Chief BabaSlow collected on hire purchase three units of tricycle, popularly known as Keke Marwa or Keke NAPEP depending on the geopolitical zone, from two different entities. By 22 November 2019, he would be due to pay the instalments on all agreements. However, the wife just delivered triplets. What options are available to him?

Answer

He has a common law as well as statutory right to appropriate the payments

Question

In law we create condition-sensitive scenarios to define situations. For example, where the assertion of representation is one of law as distinct from one of fact; where the principal subsequently and effectively ratifies the said transaction; and where the third party knows or ought to know that the agent had no authority are usually used to carve out

Answer

the exceptions to cases of implied warranty of authority

Question

Mr Luckyman entered into a hire purchase agreement. However, immediately after the signing the contract he discovered that the motor vehicle, the subject of the contract, was not roadworthy. On account of this, he renounced his obligation under the contract and refused to go on with it. How can you describe the action of Mr Luckyman?

Answer

This amounts to termination by breach and repudiation

Question

Chief Smartshow entered into the contract for purchase of property at a choice location in Abuja. He told the vendors that he was merely an agent. In real sense, he was the real principal and was actually acting for himself. What is the position of the law here?

Answer

He can act in dual capacities of an agent and principal under the transaction

Question

The first Hire Purchase Act, which, by the way of English legal origin, was a statute of general application until the enactment of the Nigerian Hire Purchase Act 1965 was made in

Answer

in the year 1938

Question

"Goods" have been rendered as any chattels personal, other than things in action and money. This definition can be found in

Answer

the principal who is liable for all wrongs by the agent: Construction Ind Co Ltd v Bank of North (1968)

Question

Chief Baba Slow collected on hire purchase three units of tricycle, popularly known as Keke Marwa or Keke NAPEP depending on the geopolitical zone, from two different entities. By 22 November 2019, he would be due to pay the instalments on all agreements. However, the wife just delivered triplets. What options are available to him?

Answer

He has a common law as well as statutory right to appropriate the payments

Question

In law we create condition-sensitive scenarios to define situations. For example, where the assertion of representation is one of law as distinct from one of fact; where the principal subsequently and effectively ratifies the said transaction; and where the third party knows or ought to know that the agent had no authority are usually used to carve out

Answer

the exceptions to cases of implied warranty of authority

Question

Mr Luckyman entered into a hire purchase agreement. However, immediately after the signing the contract he discovered that the motor vehicle, the subject of the contract, was not roadworthy. On account of this, he renounced his obligation under the contract and refused to go on with it. How can you describe the action of Mr Luckyman?

Answer

This amounts to termination by breach and repudiation

Question

Chief Smartshow entered into the contract for purchase of property at a choice location in Abuja. He told the vendors that he was merely an agent. In real sense, he was the real principal and was actually acting for himself. What is the position of the law here?

Answer

He can act in dual capacities of an agent and principal under the transaction

Question

The first Hire Purchase Act, which, by the way of English legal origin, was a statute of general application until the enactment of the Nigerian Hire Purchase Act 1965 was made in

Answer

in the year 1938

Answer

Yes

Question

Legal histories as well as legal traditions differ as between nations. Although there are noticeable differences, scholars have formulated the concept of categorisation in an attempt to discover legal origins. For instance, the Warsaw Convention of 1929 birthed the United Kingdom_____

Answer

Carriage by Sea Act

Question

It is indubitable that risk may not pass if the seller fails to provide sufficient information to enable the buyer to insure the goods. On the other hand, by the authority of ____ risk will usually pass on shipment, even if the property in the goods has not passed.

Answer

Inglis v Stock (1885) 10 AC 26

Question

Messrs Lohead based in Sambisa Industrial Layout, Maiduguri entered into an FOB contract for the sale of heavy duty equipment to Worldwide EPC Services Ltd, a Senegalese construction firm. As between the parties, who is considered the shipper?

Answer

the buyer

Question

A contract which fetters and destroys the right of the buyer to reject the goods, except in circumstances where it can be shown that the goods are at variation with the specifications under the contract is known as _____

Answer

Cost, Insurance and Freight contract

Question

One of the bases by which a buyer can fall short of his obligations, and thus be in breach, under a contract of cost, insurance and freight is proven case of _____

Answer

failure or refusal to furnish the consideration

Question

The Nigerian courts do not shy away from its responsibility to superintend contractual relations of the parties. In this regard, the courts would not hesitate to strike down and order specific performance of a contract pursuant to s 52 Sale of Goods Act. However, it must be noted that this remedy is usually granted on equitable grounds because it is a _____

Answer

discretionary remedy

Question

The law promotes evenness and fairness as between contracting parties. This is why it views strongly where the mortgagee behaves unconscionably as against the mortgagor, because it always seems in such contracts that equality of bargaining power was absent. In a related case of a CIF contract the parties have rights and one of such rights in the context of the seller includes the right to withhold delivery, the right of stoppage in transit and the right of resale. Such rights of the seller is analogous to the right of

Answer

an unpaid seller

Question

In a contract of cost, insurance and freight the property and risk in the goods pass immediately they goods are shipped. By implication, if the goods are lost or damaged, the buyer loses its right of action under _____

Answer

Bill of Lading Act

Question

An FOB is a contract in whereby the seller undertakes to supply the goods and takes steps to place them free on board the ship designated by the buyer. When goods are sold in Lagos free on board the destination, who bears the cost of shipment?

Answer

the seller

Question

It is no brainer that where the seller fails to deliver, the buyer can bring an action against the seller for the damages of non-delivery. This is pursuant to

Answer

Section 51(1) Sale of Goods Act

Question

Whatever one does, certain things in life are inescapable. For instance, burden and benefit, which hovers and tilts depending on the swing of the pendulum. In the same vein, the carrier of goods is always labour under the sword of Damocles of liability. Luckily, he can escape liability by proving that he and his agents took all positive measures to avoid the _____

Answer

damage

Question

The principle that ordains that where the buyer of goods instructs a bank in his country to open a credit with a bank in the seller's country in favour of the seller specifying the documents which the seller has to deliver to the bank if he wishes to be paid for his goods is called _____

Answer

Answer

failure or refusal to furnish the consideration

Question

The Nigerian courts do not shy away from its responsibility to superintend contractual relations of the parties. In this regard, the courts would not hesitate to strike down and order specific performance of a contract pursuant to s 52 Sale of Goods Act. However, it must be noted that this remedy is usually granted on equitable grounds because it is a _____

Answer

discretionary remedy

Question

The law promotes evenness and fairness as between contracting parties. This is why it views strongly where the mortgagee behaves unconscionably as against the mortgagor, because it always seems in such contracts that equality of bargaining power was absent. In a related case of a CIF contract the parties have rights and one of such rights in the context of the seller includes the right to withhold delivery, the right of stoppage in transit and the right of resale. Such rights of the seller is analogous to the right of

Answer

an unpaid seller

Question
