Family Day Newsletter

Here is where the presentation begins

Contents of This Template

Here’s what you’ll find in this **Slidesgo** template:

1. A slide structure based on a newsletter, which you can easily adapt to your needs. For more info on how to edit the template, please visit **Slidesgo School** or read our **FAQs**.
2. An assortment of pictures that are suitable for use in the presentation can be found in the **alternative resources** slide.
3. A **thanks** slide, which you must keep so that proper credits for our design are given.
4. A **resources** slide, where you’ll find links to all the elements used in the template.
5. **Instructions for use**.
6. Final slides with:
    7. The **fonts and colors** used in the template.
    8. More **infographic resources**, whose size and color can be edited.
    9. Sets of **customizable icons** of the following themes: general, business, avatar, creative process, education, help & support, medical, nature, performing arts, SEO & marketing, and teamwork.

You can delete this slide when you’re done editing the presentation.

Announcements

You could enter a subtitle here if you need it

First Announcement

Mercury is the closest planet to the Sun and the smallest one in the Solar System—it’s only a bit larger than the Moon. The planet’s name has nothing to do with the liquid metal

Second Announcement

Venus

Venus has a beautiful name and is the second planet from the Sun

Neptune

It’s the fourth-largest planet by diameter in the Solar System

Jupiter

Jupiter is a gas giant and the biggest planet in the Solar System

Mars

Despite being red, Mars is actually a cold place full of iron oxide dust
