CHAPTER ONE

Spiritual Healing

The healing of the mind and soul is very important; Christ makes it clear that it is unprofitable to gain material wealth and lose heaven. We must strive for that which lasts, that which is eternal, we must lay up treasures in heaven where our treasures can never be stolen; the kingdom of God is our treasure, he who finds the kingdom is like a man who discovers a treasure and is ready to give up all he has for this kingdom.

When the rich young man approached Jesus, Christ said to him "Go and sell all your belongings and follow me." Christ wanted him to inherit spiritual blessings that money cannot buy, he wanted him to see beyond material wealth and prosperity, and he wanted him to access divine encounter and spiritual healing. But this young man was so blinded by his wealth and he failed to see beyond his wealth, he could not see beyond what he has labored for and acquired over the years, he could not see Christ who can bestow both material and spiritual blessings.

The healing touch of Jesus can set us free from spiritual blindness and stagnation. Paul was spiritually blind and so he went about killing and persecuting Christians but when the power of

the healing Jesus touched him, his eyes became open and he saw the purpose and mission why he was created.

There are many people today in our world who are still spiritually blind, they fail to see beyond earthly gains, pleasure and power, they need the healing touch from the healing Jesus and be set free from spiritual blindness like St Paul so that they can fulfill their divine calling.

Christ has called each one of us in a unique way into his presence, he wants to touch us and heal us of our spiritual blindness.

Are you ready to receive that spiritual touch of the Lord?

Sin

Many of those whom Christ healed were actually suffering from sin. Christ would always admonish them "Go and sin no more" or "Your sins are forgiven." Look at the woman caught in adultery for example, the people wanted to condemn her to death, but the healing Jesus who has come to heal and take away our sins would rise up and speak for this woman by declaring that whoever has not sinned should be the first to cast the stone, and behold all have sinned and fallen short of the glory of God.

It is very important for us to note that the healing of the soul is more important than the healing of the body and that is why you would discover that the first statement Christ usually say was "Your sins are forgiven" before he bestows bodily healing. Christ would further declare that you can lose anything the world has to offer even your members to secure heaven. It follows therefore that the spiritual is more important than the physical. The physical would fade away, but the spiritual would last forever.

The Pharisees always had issues with Jesus whenever they see him in the company of the tax collectors because they believe that the tax collectors were sinners, but Christ would say to them "I came for the sake of those who are sinners and not for those who claim to be righteous." He came to bring his healing touch on those who are suffering in sin so they can get healing and restoration.

Spiritual blindness

This is also very common in the new testament, many of the people were suffering from spiritual blindness most especially the Pharisees, and this is why they always kicked against whatever Christ was doing, their minds were so dull that all they knew was rituals and the keeping of the Sabbath laws, they fail to see beyond the rules of the Sabbath that was made for man and not man for the Sabbath.

The Pharisees were so blind that they saw nothing good in the mighty works of healing and deliverance Jesus carried out.

The crowd also suffered spiritual blindness, Christ fed them with bread which was a foretaste of the true bread that lasts forever; but their eyes failed to see beyond material gains and so they were looking for Jesus so they can eat more bread, but when Christ revealed to them that he is the true bread that came down from heaven and that unless they eat this bread there would be no life in them, they all departed away from him.

The healing Jesus wants to show us something beyond earthly bread, he wants to feed us with his presence, with his body, and with his blood. He wants to feed us with his word and set us free from spiritual blindness. Are you ready to receive your spiritual sight like St Paul did when

Ananias prayed for him? If yes then key into the power of the healing Jesus.

Possession

The forces of darkness have always waged war with the people of God from the earliest time of creation; many during the time of Jesus suffered from demonic possessions and manipulations. These demons would deprive these innocent souls of living a life of freedom, but the healing Jesus who has come to set free the oppressed came and laid his hands on those who are possessed so that they could be set free from the powers of the evil one.

Looking at possessions, there are several instances in the bible when Christ set those oppressed by demons free but let's look at the story of the man at the tombs in Mark chapter 5.

The power of the healing Jesus was so great that as soon as the demons saw him they started screaming and begging Jesus. Remember the powers of these demons were so enormous that no one could control this man such that he broke the chains that were used to restrict him. But when the healing Jesus with greater power came it was these same demons that started begging but our Lord will not allow them to speak and cast them out into the herds of pigs that ran down the cliff and drowned.

The same Jesus is readily available to set you free from whatever bondage you are passing through, he is eager to touch you and set you free.

Addiction

This is among the greatest problem facing mankind today, many even believers are suffering from addictions; from drunkenness to sex-

ual immorality, drug addiction and smoking, lies, anger, slothfulness, covetousness etc.

Most people have ruined their health and are suffering serious bodily and mental health challenges because of addiction. Christ has come to heal all who are suffering from these emotional and mental tortures, for he has come to proclaim liberty to the captives. He has come that we may have life and be set free from various form of addictions.

CHAPTER TWO

Physical Healing

Our bodies are the temples of the Holy Spirit; we carry out the work of evangelization using our bodies to move from one community or region to the other. We carry out our vocations as Christians and contribute our little quarter to the growth of the body of Christ using our physical strength. When we are held bound by sickness we cannot carry out our mission effectively.

During the earthly ministry of Christ, he cared for all who were sick, in fact, when Simon Peter's mother-in-law was sick Christ took her by the hand and healed her.

Physical healing involves the healing of the entire human body both mental and physical as well as our physical needs such as wealth and material prosperity. Christ wants us to be happy and so he provides for all our needs and ensures that we are comfortable. The healing Jesus does not only heal your body but also heals your worries and finances because he cares for all your needs.

Today most Christians are suffering from emotional challenges such as anxiety, depression, broken relationships; some are in terrible financial loss, hunger, and barrenness in their mar-

riages. Some Christians are struggling with health challenges such as Cancers and Diabetes.

The touch from the healing Jesus satisfies all our physical, emotional and material needs. This is the reason why he came; always remember that you are not alone in your challenges but Christ is there with you he wants to heal you.

Sickness

Sickness is a plague; it's like a drought that dries the enthusiasm in you. Sickness makes us weak and we lack the appetite for food and strength to work. When we are sick we are unable to perform the divine purpose and mission God has assigned to us, Christ came to take our sicknesses away, he came to restore wholeness and health to our weak bodies.

If you look critically into the works of Christ you would agree with me that the healing of those who were sick was an integral part of his ministry and he always showed a keen interest in restoring health to those suffering from health challenges. To those who were blind, he gave them sight, to those who had dreaded skin diseases he restored their health, to the lame he cured their deformities. Christ is the mighty healer and the greatest physician in the history of the human race. He has never stopped healing and while he was on earth he gave his apostles authority to cast out demons and heal all who were sick, the bible says that for those who believe he has given the authority to become sons and daughters of God.

Christ has come to establish his kingdom, his kingdom of restoration, his kingdom of wholeness and health, the healing Jesus is still going about carrying his work of healing and restoration, he wants to touch us and restore our health.

Emotional Pain

Christ has also come to restore emotional health, his message of consolation and forgiveness heals us, he has given us a new law, the law of forgiveness and love, the law of courage and faith, the law of grace and prayer. His words are spiritual food that restores happiness to our emotional grief.

The message of salvation is a message of hope; are you in despair? Do you suffer from anxiety or lack of courage? Are you depressed or you have lost a dear friend? The consoling Jesus is here to touch your heart with his healing power and restore you back to your health.

Barrenness

Barrenness is a sign of lack, most couples today are suffering from barrenness; Zechariah and his wife Elizabeth experienced this lack but God surprised them and bestowed fruitfulness through the birth of John the Baptist who became a great prophet of God.

When we suffer lack or barrenness we should not give up hope but we should continue to trust God for a miracle; the healing Jesus is ready to touch your barrenness and make you fruitful like the Hebrew women.

CHAPTER THREE

Healing For Restoration

The whole concept of healing is about restoration, the word of God says we are made in the image and likeness of God; therefore we are to reflect the beauty of God in wholeness and prosperity. The healing touch of Jesus is also meant for us to prosper in all that we do. Christ wants us to bear fruits, fruits that will last. Look at the fig tree that Christ caused because it failed to bear fruits.

His healings were aimed at restoring health, happiness, and fruitfulness, no wonder the Gospel message is called Good News, which is the message of salvation; Christ has come to establish his kingdom of peace, the healing Jesus is on his throne, he has won the victory over Satan and the gates of heaven is wide open, the blessings of God is raining mightily upon his children. It is time to call upon the healing Jesus to touch our lives and transform us to wholeness.

Fruitfulness

Christ is the vine we are the branches, he expects that we bear fruits that would last, but this can be achieved if only we anchor on him; the apostles bore many fruits in their ministry because they anchored on Christ, we should be fruitful in our businesses, in our families and in whatever

we lay our hands on. The healing Jesus he comes to bestow fruitfulness among his children, this fruitfulness can only be achieved through the eyes of faith.

Prosperity

Christ desires that we should prosper; he wants us to go into the world and make exploits,

God has destined so much for us, his blessings are readily available for us. It is the nature of Christ to bless us, look at creation, for example, all that God created was good and he kept the man in charge of his wonderful works. We are made in the image and likeness of God, we are therefore expected to reflect his glory and splendor. We should always remind ourselves of the blessings God has secured for us.

Growth

The apostles experienced remarkable growth in their ministry because the power of the Risen Lord was with them, the God that has brought restoration back to mankind, the mighty healer, he blessed the ministries of the apostles and they experienced tremendous growth; this growth has been extended to us and the power of the healing Jesus is here to transform us for greatness.

Financial Breakthrough

Success is our portion as Christians and let no man deceive you or bring you down that success is not yours. All you have to do is obey and corporate with the grace God has given you and you will have access to the blessings God has allotted for you.

Progress and promotion is our portion; for this is the will of God for us. Christ came that we may have life and have life in abundance and his

promises are sure for us, he is the vine and we are the branches, if we anchor in him we shall bear many fruits.

CHAPTER FOUR

Healing For Grace

Grace and healing works in harmony, for those whom Christ healed, the power of grace came into their lives and their situation changed; when the grace of the healing Jesus is upon the life of a believer his life changes for good. Look at St Paul who persecuted Christians and thought he was doing that which was right, but when the healing grace came upon him his life changed.

I want you to begin to prophesy the healing grace of the Lord into your life that will bring about a turnaround for your good, grace that would bestow showers of blessings into your family, your business and your carrier, the Lord wants to bless you, he wants you to be fruitful, he wants you to overcome, his healing power and healing grace is upon your life.

Grace for holiness and Rightcousness

The rightcousness of Jesus is ours for he came to bestows life into our soul, for he said "I am the vine and you are the branches, he supplies us with his own body and blood and with his word and this translates to the grace of righteousness, holiness, victory, and transformation.

The healing touch of the Lord has transformed us, he has brought life and revival into our spirit, we shall walk in dominion, we shall walk in divine favor and in the glory of the Risen Jesus.

Grace to bear Fruits

Among the various graces, Christ established for us his children is the grace to bear fruits, fruits that will last. What is the life of a Christian if not to bear many fruits? Christ conquered death on the cross and released the grace for bearing fruits into our souls, the healing power of his sacrifice on the cross is radiating over us for us to bear many fruits.

The fruits Christ has given unto us are both spiritual and material fruits, for if the spirit who raised Jesus from the dead lives in us, he will definitely establish his fruits of abundance upon our lives and transform us into greater heights.

Grace for Signs and Wonders

There is also the grace to work signs and wonders; Christ himself promised that we shall do greater works, we shall trample upon snakes and scorpions and we would go unhurt, this is the transformative power of grace and we can see all these effects took place in the lives of the apostles, St Paul was beaten by a snake at Malta but he remained unhurt because the grace of signs and wonders was upon him.

St Paul worked great miracles, signs, and wonders in the power of the healing and Risen Lord and there was a transformation in wherever he preached the gospel because the Risen Lord of

signs and wonders worked through him. You too can do the same, make yourself available for the power of the Holy Spirit to use you and transform your life for greatness. This is what the healing Jesus has come to establish and you should ensure that you are part of it.

Grace to Proclaim the Good News

The good news of salvation must be preached to the ends of the earth, for this is what the master desires, Gentile nations must be conquered "the harvest is large but the laborers are few" are you ready to labor for the Lord and experience his transforming touch and power? The preaching of the word of God is the transforming power of the gospel, St Paul made it clear that he is not ashamed of preaching the gospel and he spoke with boldness and confidence in the Lord.

Christ has bestowed the grace and power to pro claim the good news to us when he said: "Go and preach the good news, I will be with you until the end of time." This is our mandate, this is our calling, this is our grace. We must ensure that we claim all these blessings and graces upon our lives.
