# THE LIFE MENANCE OF FAILURE AT THE EDGE OF SUCCESS

Failure and disappointment at the edge of success finishing is a very terrible state anyone can find him or herself in. There are people who experience this all the time; it has become a norm in their life that when they are at the edge of finishing or attaining a blessing, something just happens to dash their hopes and dreams. All the efforts, energy and time invested become a waste.

A person could be promised a huge blessing or opportunity. He is qualified for it and has made adequate preparations to receive the blessing, only to be told at the point of receiving the blessing that the opportunity was given to another.

Some business people are plagued with this dilemma. They have all the best ideas; someone promises to fund them. They are invited for a presentation and all went well. At the edge of success, the sponsor changes his mind.

In an office, a person could be due for promotion. Everything favours the promotion. But at the edge of being promoted, he is denied.

There are people in the world who have worked so hard to get to a place of success and after putting an end to their endeavour for success with people applauding them, believing that they are on the pathway to making it big and breakthrough at last, suddenly, from nowhere something just happens and their hope is dashed with all efforts coming to naught.

Failure at the edge of success or finishing also occurs in the process of conception and childbirth. Many women suffer this lot. They conceive; carry the baby in their womb successfully for nine months, but something always happens at the point of birth that results in the death of the child. Other women take in quite alright, but when they feel their pregnancy has come to stay this time around, they suffer miscarriage which results in the termination of the pregnancy. This is also is a constant phenomenon with some women!

The world over, people from all races and nations suffer this plague of failure and disappointment at the edge of success or finishing. The sad part of it all, is that there are people who have this plague entrenched so deep in their life. It is a recurrent problem every time they venture out to do a thing. They never finish. In some cases, they finish poorly. Painful and agonizing disappointment becomes their reward; a curse that has become their constant portion and lot in life; and this

cycle keeps going on and on, all the days of their life.

When you take time to look at those who suffer from constant failure and disappointment at the edge of success or finishing you would be shocked and wonder why they are suffering such. The reason is that most of these people are qualified (in some cases, they are over qualified), intelligent, smart, hardworking, full of ideas, talented, honest and trustworthy.

They have good plans, great track record and good standing with people, but despite all these at their advantage, they never get what they deserve. When they feel things are shifting in their favour, suddenly everything changes against them and disappointment mixed with pain and misery becomes their portion.

People who are around those suffering from failure and disappointment at the point of success or finishing, who may be less qualified than the sufferers themselves may be getting the best things of life easily, but those under the evil power of failure and disappointment at the point of success or finishing never make any headway.

The painful part of this evil and very painful case of life is that the people suffering from failure and disappointment at the point of success or finishing see others thriving, making steady progress and succeeding, while they remain stagnant. This has re-

sulted in many feeling, thinking and believing that God does not love them or that God is partial.

## GOD IS NOT THE AGENT OF FAILURE AND DISAPPOINTMENT AT THE POINT OF SUCCESS OR FINISHING

God is not partial and God does not love some and hate some. God loves all.

God is not an agent or author of failure and disappointment at the edge or point of success or finishing. God said:

> **"For I know the thoughts that I think toward you, saith the LORD, thoughts of peace, and not of evil, to give you an expected end."- Jeremiah 29:11**

God's thought towards us are not evil, but that we may have an expected end. In other words God desires that we get to the end; He desires that we finish successfully.

King Solomon finished and he finished well, strong and successfully.

> **"And it came to pass, when Solomon had finished the building of the house of the LORD, and the king's house, and all Solomon's desire which he was pleased to do" – 1 Kings 9:1**

The experience of King Solomon is exactly what God desires for us all. He desires that we finish and succeed in all that we are pleased to do.

In the next chapter, we shall delve into the root cause of failure and disappointment at the edge of success or finishing.

# THE CAUSES OF FAILURE AND DISAPPOINTMENT AT THE EDGE OF SUCCESS AND FINISHING

The cause of failure and disappointment at the edge of success or finishing is spiritual. Now, the spiritual controls the physical. Nothing happens spiritually without it been initiated first spiritually. In other words, when the physical manifest failure and disappointment at the edge of success or finishing, it is as a result of spiritual manipulations by wrong forces.

## SPIRITUAL CAUSES OF FAILURE AT THE EDGE OF SUCCESS OR FINISHING

### 1.
### EXISTENCE OF AN UNKNOWN ANCESTRAL COVENANT

Life's issues are often mysterious because we are in the dark as per what might have caused a problem or situation. People are facing problems they know nothing of the

cause. One of the major causes of failure and disappointment at the edge of success or finishing could be as a result of the existence of an unknown evil covenants.

These covenants may have been entered into by our fore parents with spiritual entities, gods or idols. Devils are usually behind these entities and they work through these covenants to afflict several generations down the line from the time it was made if the terms of the covenant were ever broken.

There is no way of accurately knowing the details of the covenant. But if they exist, the devils behind them can single out a particular or several members of a family to afflict with different problems and troubles. Failure and disappointment at the edge of success or finishing is not an exception.

Certainly, as the years has gone by and several generations down the line has come and gone, the original terms of those covenants would have been broken or unfulfilled because the people who entered into such covenants have long gone (died). The generations after them might not know that such covenants even exist and their ignorance becomes a source of bondage.

Even though, they were not the original initiators of such covenants, they could still have one or more member of the family targeted as a focus for affliction and punishment for the breech in the terms of the covenant.

Unfortunately, failure and disappointment at the edge of success or finishing is one of the afflictions or instrument of punishment the devils behind these covenants unleash on people. This is why people who are experiencing failure and disappointment at the edge of success or finishing are asked to pray and break every covenant their fore-parents might have entered into on behalf of themselves, their family and their children.

**2.**
**EXTERNAL CURSES**

This is a major problem too. External curses are curses placed on someone by another. You may not be the person the curse was primarily placed on, but if you are a descendant of the person the curse was placed upon or you are related somehow by blood, you could be affected also.

External curses could be placed on fore-parents, fathers and mothers and in some cases, some or all of the descendants or offspring's of the affected parent may also be affected by the details of the curse.

External curses could also be placed on someone directly. Such curses come as a result of offences committed, offences done to others, etc. This could be the reason behind failure and disappointment at the edge of success or finishing.

**3.**

## SELF IMPOSED CURSE

Words are powerful!
Words define us!
Words can make or mar you!
We are all products of words!

What you say about yourself defines your destiny!

Negative or curseful words you have used upon yourself in the past with regards to your personality, future and even your destiny in general form may also be one of the causes of failure and disappointment at the edge of success or finishing.

## 4.
## EVIL AURA AND ATMOSPHERE

The adversary in destroying destinies may envelop his victim with an evil aura and atmosphere that repels people from favouring or giving attention to a person. This evil aura may be manipulated to cause failure and disappointment at the edge of success or finishing. There is no way of explaining how this is done and what the medium the devil uses to do this, but in our experience in praying for people we have discerned such auras and atmosphere around people and by the operation of the Holy Spirit and the power in the Blood of Jesus, these people were powerfully delivered and their lives changed when we prayed for them

Evil auras and atmosphere can be deployed around a person to keep things from working well. They can drastically shift things against a person. Things that were working before start falling apart because the evil aura suddenly changes the atmosphere and the situation of things against its victim.

The purpose of such evil auras and atmosphere is to disfavor the victim; to keep such a person in a state where what people naturally get is kept away from them. This may also cause failure and disappointment at the edge of success or finishing.

No one looks their way; no one gives them attention or considers them. They may struggle or work hard, thinking by hard work they would be rewarded, but the end is disappointment mixed with misery..

If people were looking their way before; if things seem to be working in their favour and direction before, the evil aura can send the wrong signals that would suddenly change the complexion of the whole situation on ground.

Some people call it evil covering. In a way they are right because it is an evil aura that envelops the person. Once it is in place in a person's life, what you have, how highly qualified you may be, how hard working you are, how you look, who you are or who you may know doesn't matter. At the edge of success or finishing, disappointment is always waiting. People you expected to favour you

will no longer look your way until the aura is neutralized, destroyed and removed from off you.

Once we discern this spiritual evil aura and atmosphere in the life of people and pray for them as we are led of God, they are always delivered by the power of God and the normal course of their life is restored back unto them.

## 5.
## WITCHCRAFT AND SPIRITUAL MANIPULATION

The activity of witchcraft in various forms and ways in the life of a person can also lead to failure and disappointment at the edge of success or finishing.

Witchcraft could be used to manipulate the destiny of people and one of the areas witchcraft is deployed is in the expected result of a thing or venture. Failure and disappointment at the edge of success or finishing is one of the destiny manipulations of witchcraft.

## 6.
## THE PRESENCE AND OPERATION OF A SPIRIT OF FAILURE AND DISAPPOINTMENT AT THE EDGE OF SUCCESS OR FINISHING

Unknown to many they are under the power, influence, control, authority, manipulation

and manifestation of what is called spirit of failure and disappointment at the edge of success or finishing

The spirit of failure and disappointment at the edge of success or finishing is the spirit deployed to afflict and oppress people with failure and disappointment at the edge of success or finishing anything they have at hand.

They are the ones working behind evil covenants, external curses, self imposed curses, witchcraft, evil aura and atmosphere that people are afflicted with or suffer from.

After breaking any evil covenant that may exist, or destroying the power of external curses, self-imposed curses, evil aura and witchcratsy, the next spiritual evil entity to deal with, bind and cast out is the spirit of failure and disappointment at the edge of success or finishing.

Once the power of God is released to cast the spirit of failure and disappointment at the edge of success or finishing out of the life of a person, things would be restored to normalcy in the life of that person.

# THE SOLUTION TO FAILURE AND DISAPPOINTMENT AT THE EDGE OF SUCCESS OR FINISHING

Failure and disappointment at the edge of success or finishing is not God's will. God is not an agent or author of failure and disappointment at the edge or point of success or finishing. God said:

> **"For I know the thoughts that I think toward you, saith the LORD, thoughts of peace, and not of evil, to give you an expected end."- Jeremiah 29:11**

God's thought towards us are not evil; His will, plan and desire for us is that we may have an expected end. In other words God desires that we get to the end; He desires that we finish successfully.

The above scripture reveals Gods original plan and intention for us all. His intention was that man should have an expected end; achieve his set goals and have his vision and dreams fulfilled.

God is not the institutor of ***Failure and disappointment at the edge of success or finishing*** in the life anyone. Success and prosperity was His grand design and plan for you.

The bible reveals the will of God for us in 3 John 2

> **"Beloved, I wish above all things that thou mayest prosper and be in health, even as thy soul prospereth." 3 John 2**

God does not also desire that anyone experience failures at the end of labour.

Failure and disappointment at the edge of success or finishing is not the work of God. Jesus said:

> **"....An enemy hath done this..." – Matthew 13:28**

The devil and his cohorts are the chief cause and institutors of failure and disappointment at the edge of success or finishing.

Therefore the solution, both spiritual and physical to failure and disappointment at the edge of success or finishing is God through the Power of the Holy Ghost and in the Name of the Lord Jesus Christ. He is the only solution there is and He will work in your favour if you would only look to Him for help.

Our Lord and Saviour Jesus Christ have defeated Satan and his devils who are the

source of failure and disappointment at the edge of success or finishing. The bible says:

> **"And having spoiled principalities and powers, he made a shew of them openly, triumphing over them in it. "- Colossians 2:15**

When Jesus defeated Satan, principalities and powers, all power in heaven and in earth was given to Him.

> **"And Jesus came and spake unto them, saying, All power is given unto me in heaven and in earth. " – Matthew 28:18**

This includes the power to set you free from failure and disappointment at the edge of success or finishing and to restore the proper balance of things in your life towards the fulfillment of your God-given destiny.

Failure and disappointment at the edge of success or finishing is a work of the devil and the bible declares:

> **"For this purpose the Son of God was manifested, that he might destroy the works of the devil. " – 1 John 3:8**

This also includes any failure and disappointment at the edge of success or finishing caused by a curse, spell or witchcraft. That is why the bible says boldly that:

**"Christ hath redeemed us from the curse of the law, being made a curse for us: for it is written, Cursed is every one that hangeth on a tree:" – Galatians 3:13**

You can be assured of your complete deliverance today from any form of failure and disappointment at the edge of success or finishing if only you would look to Jesus for deliverance. He desires your deliverance today and to get it, you have to turn to Him for help.

The way to turn to God is by faith via prayer. Faith filled deliverance prayer towards God would get the job done.

# THIS ONE WILL NOT ANSWER TO LAYING ON OF HANDS

---

**"Now therefore give me this mountain, whereof the Lord spake in that day; for thou heardest in that day how the Anakims were there, and that the cities were great and fenced: if so be the Lord will be with me, then I shall be able to drive them out, as the Lord said." - Joshua 14:12 KJV**

People often believe that mountains are hindrances and problems. The mention of the word mountain when it comes to spiritual things means "evil, problem, trouble, stronghold, obstacle or hindrance". They see the devil behind every mountain.

But from the account in Joshua 14:12, not all mountains are evil or problems. The mountain Caleb was talking about was a promised blessing. What this means is that a mountain could be a blessing, finished project, successful end, healing, promotion, prosperity, marriage, financial blessings, etc.

God promised Caleb a blessing which is similar to God's promise and will for you to have an expected successful end. But there was a delay; it took Caleb over forty years to come

to a level of finally wanting to possess the mountain God had promised him. Caleb was ready to fight for it.

Let's look at it this way; Joshua in this story was a type of a Pastor; Caleb was a type of a member under his assembly: Caleb needed a blessing promised him by God! The blessing was domiciled upon a mountain and the occupiers of that blessing were the Anakims!

Caleb could have told Joshua the minister or pastor; ***"Pray and lay hands on me that I may possess my promised blessing"***. He could have also said ***"Pray for me sir, that God may give me what He promised"***. But He didn't go that way! WHY?

Caleb knew that God's blessings were sure and already given; He also knew that possessing the blessing was not about having someone lay hands on him for a miracle! Caleb understood that he needed to be involved in serious warfare to get the mountain! He wasn't leaving it up to Joshua the Pastor alone or to chance; He wanted to be involved! To him: **THIS WAS PERSONAL** and he was desperate! When people take things personal, they are usually desperate and 100% involved!

- **How personal is your problem?**
- **How personal is the affliction of failure and disappointment at the edge of success or finishing in your life?**

- **How desperate are you to get out of it and get the blessing?**
- **Have you ever committed time and space to praying about it like never before?**

Yeah! You've had men and women of God lay hands and anoint you for a miracle; but sir, there are some mountains that are meant for you to take through spiritual warfare by yourself! Every other territory at that time in Israel was taken by joint effort; but not this one! Caleb knew he had to be at the center of the warfare! If you are going to help fine; but I am going ahead first! That was his resolve. That was how determined he was. No wonder He cried:

> **"*NOW THEREFORE GIVE ME THIS MOUNTAIN*, whereof the Lord spake in that day; for thou heardest in that day how the Anakims were there, and that the cities were great and fenced: if so be the Lord will be with me, then I shall be able to drive them out, as the Lord said." - Joshua 14:12 KJV**

Satan rules the affairs of men, territories and some realms! The earth is a realm; your situation is a realm! Failure and disappointment at the edge of success or finishing is realm. Satan often assigns demonic overseers to

regulate realms! They are like the Anakims - the occupiers of realms and blessings! The realm they are regulating could be your career, business, finances, child bearing capability, your destiny, office, etc.

## HOW TO GET PERSONAL WITH THE BATTLE AGAINST THE SPIRIT OF FAILURE AND DISAPPOINTMENT AT THE EDGE OF SUCCESS OR FINISHING

---

The above are very personal issues! Failure and disappointment at the edge of success or finishing is also a very personal issue! It hurts; it demoralizes and causes heart-felt pain and frustration. So the question is:

> **"How personal do you take these things; how personal do you take Failure and disappointment at the edge of success or finishing; and how determined are you to drive out those who have occupied your realm?"**

Having people lay hands on you or pray for you may not cut it! Like Caleb, you have to be involved! This is why God has inspired me to write this book so that you can take the initiative and drive out the spiritual Anakims – the occupiers of your destiny realm, who are causing failure and disappointment at the edge of success or finishing in your life!

The mountain was promised Caleb by God. The Anakim's were the occupiers of the

mountain. Caleb could not possess the mountain until the Anakim's are driven out. This is how it is with failure and disappointment at the edge of success or finishing or whatever blessing the devil and his cohorts have prevented you from having and actualizing in your life.

You need to rise and take the initiative to engage in spiritual warfare against the killers of destiny. God's destiny for you is to prosper and have an expected end of success. God desires that you prosper, but if you are experiencing Failure and disappointment at the edge of success or finishing, then you have to rise to fight the fight of faith – the fight for the fulfillment of your destiny. You need to make this personal; make it as personal as it can get; be involved 100% and kick the devils out.

## THE POWER TO BREAK AND DESTROY THE OPERATIONS AND THE MANIFESTATION OF THE SPIRIT OF FAILURE AND DISAPPOINTMENT AT THE EDGE OF SUCCESS OR FINISHING IN YOUR LIFE

---

Jesus has given you already the power to do so; the power to engage in spiritual warfare is already at your disposal.

Jesus said:

> **"And I will give unto thee the keys of the kingdom of heaven: and whatsoever thou shalt bind on earth shall be bound in heaven: and whatsoever thou shalt loose on earth shall be loosed in heaven. " – Matthew 16:19**

According to the scripture above, Jesus has given you the keys – the power and authority of the kingdom of heaven. Whatever devil, demonic power or work in your life that you bind here on earth shall be bound in heaven. In other words, you have the backing of God.

When you get personal with the issue of Failure and disappointment at the edge of suc-

cess or finishing, and bind the devils responsible for the problem, God will work with you to enforce your commands and decrees. The devils would be bound; their power and works destroyed and cast out of your life.

Every realm has a strong man overseeing it. This is the chief evil spirit and his primary assignment is to keep people under his power and realm in check. Jesus said:

> **"No man can enter into a strong man's house, and spoil his goods, except he will first bind the strong man; and then he will spoil his house. "- Mark 3:27**

In other words, you cannot break and destroy the power of the strong man and take back the realm of blessing he has possessed in your life without first binding him and casting him out. This is your responsibility and you need to rise and fight the spiritual warfare to get what rightfully belongs to you.

Jesus has given us the keys of the kingdom of heaven - authority and power and this authority and power is in His Name! Jesus said:

> **"And these signs shall follow them that believe; In my name shall they cast out devils; they shall speak with new tongues; "- Mark 16:17**

The Name of Jesus is the key – the power given to us to deal with devils; to bind them and to cast them out.

The prayer points provided in this book are empowered by the use or mention of the Name of Jesus!

You can be rest assured that you will get definite answers and results; a total and final termination of failure and disappointment at the edge of success or finishing.
