# INTRODUCTION

The life of a believer is a life of continuous struggle, Christ has called and given us the mandate to preach the gospel, but in a world full of ups and downs; we need the courage to survive, we need the courage to overcome. In the world there are obstacles and mountains, people who do not desire the progress of the good news; people who do not desire our progress, this is the obstacle from the world.

Christ knew that his apostles would encounter trials and tribulations as they carry out their ministry and so he appeared to them and encouraged them after his resurrection, he also breathed on them and gave them the Holy Spirit who will guide and direct their hearts to succeed and overcome every trials and tribulations that may come their way.

We as believers we also have a challenge from the world, but by the spirit of God we shall overcome; by faith, we shall bring down every stronghold that would want to obstruct our path.

Among the various obstacles that we encounter as believers, there is also the obstacle of sickness and diseases, sometimes our bodies fail us, the human body is very fragile and can be easily overtaken by forces of nature or challenges in

life. And as a result, we are unable to carry out some task given to us by God.

There is the struggle of the flesh. The spirit is willing but the flesh is weak, we struggle with sin, sometimes we are unable to fulfill that which God has entrusted to us because of the sin that dwells in us. But Christ has come to establish his kingdom and draw us out of sin.

There is also the struggle with the forces of darkness that continually wage war with the children of God. The Devil does not want the children of God to be at peace, he continually makes effort to lure them into sin and distracted from focusing on God who has called us and given us the mandate to be part of the ministry.

Despite these various challenges that try to obstruct our purpose and destiny, Christ has given us victory by his death on the cross and his resurrection, we move and act in the power of the resurrected Jesus and every strongholds or mountain must be brought down.

As we journey in faith we would definitely face obstacles, there is the obstacle of fear of the unknown; sometimes it looks as if we are not secured of our future as Christians, sometimes we could be faced with chronic health challenges, challenges at work, in the family, personal struggles etc.

We need power from above to overcome these challenges, we need the grace of God to take absolute control of our lives and our destiny, we cannot do it alone with our strength, we need the grace of God to overcome.

For us to overcome every challenge that comes our way we need to be armed with the weapon of prayer, we need to focus on Christ Jesus who has come to show us the way to the Father and by the

power of the risen Lord we will pull down every mountain and every obstacle. We will pull down the obstacle of sickness, disease, failure, sin, reproach, poverty and fear. And by the power of God, we will claim courage and faith; we will claim victory and success; for this is what Christ has destined for each one of us.

We would bring down the stronghold of Satan and the message of the gospel will be preached to the ends of the earth.

Our future as Christians is bright but we need to corporate with the grace of God to fulfill this purpose. Christ has destined so much for us, there are so many blessings lined up in the scriptures; this is one secret we should note. # CHAPTER ONE

## *Bring Down the Obstacle of Failure and Limitations*

The Bible contains a lot of wonderful stories when the children of God were faced with obstacles and daring limitations but in the end, they overcame. One thing runs through scriptures when we begin to talk about overcoming failure and limitations: it is called COURAGE. You need the courage to fight every obstacle, you need the courage to defeat the evil one, you need the courage to make progress in your spiritual life.

We must note that Christ has given us the power and authority we need to succeed; all we have to do is open our eyes of faith and summon that courage to overcome trials and tribulations that arise.

Look at Gideon for example; he was surrounded by limitations, in fact, his family was the least but when he summoned courage he was able to overcome the Midianites and the Amorites of which the entire kingdom of Israel was scared of. What about David who conquered Goliath he was a very little boy who looked so fragile and unmatched with the giant Goliath but when he took courage and faith, the little David knocked down the mighty Goliath. What about Zaccha-

eus whose limitation was his height, he was full with determination and never wanted his limitation to pull him down, instead he ran ahead of the crowd to see Jesus, in fact, if that was not enough he climbed a sycamore tree to witnessed the messiah passing by, his faith and determination finally paid off, what about the blind Bartimaeus whose eyes was completely shut down and could not see but when he heard that the Messiah was passing by, his limitation could not hold him down; he began to scream and scream even the louder when the crowd was trying to pull him down. in the end, he got his heart desire. What about the woman with the issue of blood, here is what she said despite her little strength and limitations: 'If only' I could touch the hem of his garment I will be healed'. The list is endless.

Your limitations and failures is not a criteria that you won't succeed or walk in the glory of the Holy Ghost, the seed of faith is in you, the power of greatness is in you, the power to overcome is in you, success is your portion, the devil cannot pull you down; neither sin or sickness can bring you down begin to walk in wholeness and in the grace and power of the Holy Ghost.

*Success is your portion*

Success is meant for those who truly desire it. If you want success then you must work for success and walk into success. Now everybody can pursue success both believers and non believers alike, but there is a difference between the pursuit of success of a believer and a non believer; 'Grace' grace is that which sets us apart from the world as children of God, and when the unbeliever strive to acquire success by his own effort,

we as children of God work by faith and by grace and claim our success.

Success is our portion as Christians and let no any man deceive you or bring you down that success is not yours. All you have to do is to be obedient and corporate with the grace God has given to you and you will be able to have access to the blessings God has allotted for you.

Tailor your life towards highly successful people in the Bible like Abraham, Joseph, David, and Daniel. Look critically into their lives and see that which made them a great success despite the challenges they passed through. One thing you would agree with me is that these fellows showed total obedience to the instructions God gave to them and this is one of the keys to a successful Christian life.

Look at Saul, for example, it was his disobedience towards the Lord that brought about his downfall; these instructions of God are written down in the bible but how often do we make effort to live our lives according to the principles of the word of God. If truly we want to be successful then we must learn to live by the word of God and not our own way.

Christ wants us to do it his way and not our way; often times we are obstructed by failure when we try to do it our own way. Peter, for example, toiled through the night without catching nothing even though he was a professional fisherman but when Christ came onto the scene and asked Peter to do it his own way the result was overwhelming. Therefore we must learn to do it in God's own way and not our own way for us to be successful and triumph over the evil one. You need to start building a success mindset and orientation.

*The plan of the evil one has failed*

One with God is the majority; if God stands for us then we are successful people. The plan of the Devil has failed in our lives. Look at the story of Moses for example, the king of Egypt never wanted any male child of the Israelite women to survive and so because of the wickedness of Pharaoh he killed all the male infants of the Israelite women but still he could not touch Moses who was the chosen one of God.

We too are a chosen race, a people set apart; the plan of the Devil has failed in our lives, the Devil cannot touch us for we are under the protective wings of God's angels. The evil ones will always try to bring us down, they will always try to limit our success and place obstacles and mountains on our path but we shall overcome because we are overcomers.

Our Savior Jesus Christ has conquered death and Satan; we are a victorious people, a people of hope, a people of success and triumph, Christ our savior has won the battle on the cross of Calvary for us, therefore no plan or obstacle of the evil shall overtake us for we are more than conquerors.

The truth is, the Devil will always try his best to limit us, he will always to craft various plans in order to pull us down, but while the Devil tries to destroy us; God is also planning something special for us.

Look at the brothers of Joseph who thought they have dealt with Joseph by selling him off; but never knew they were selling him into his own progress and while they plot their evil desires, God was planning something special for Joseph, in the end, Joseph will rule over his brothers.

I pray in the end you shall rule over your enemies; for God, your father is planning a bouquet of rich food for you and you are walking into di-

vine favor and excellence; the plan of the Satan has failed in your life because Christ has conquered death on the cross of Calvary.

You are destined to succeed and the favor of God is upon you

The mountain of failure must be brought down in your life. Today we see many Christians struggling, most Christians are not living a purpose driven life. It's as if the cloud of failure has covered them. And sometimes we begin to ask God: Are these too not the seed of Abraham redeemed by the blood of the lamb?

I pray that every cloud of failure hovering over you shall be pulled down. And may the cloud of success cover you, let joy and the favor of the Lord be your portion because you are destined to succeed.

Why do most Christians still struggle?

The truth is, a struggle is part of our race as Christians; remember the apostles had their moments of struggle too when Christ died the flock became scattered and most of the apostles went back to their former occupation because they have lost hope. This was the moment of the struggle for the apostles. But when the Holy Spirit came upon them on Pentecost; those who were timid started speaking with boldness and working signs and wonders.

Look at Joseph, there was also his moment of struggle, his brothers were jealous of him and planned to destroy him; that was not all, he was thrown into prison, and these were the moment

of struggle for Joseph, but God had a plan for him and from prison Joseph moved straight into the Palace.

I pray that you shall not end in your struggle; our God the mighty deliverer, the God of Joseph and the God of the apostles shall deliver you, he shall set you free from your struggle for he has designed a plan for your success. You shall work in favor and in grace because favor is your portion.

*Fight failure with faith*

Christians should begin to build the defense mechanism because our weapons of warfare are not carnal, we should build up our faith in the Lord. We should stand firm and fight failure. The number one weapon to fight failure is faith, with faith you shall succeed and overcome, all you have to do is to put your trust in the Lord for he neither sleeps nor slumber.

# CHAPTER TWO

## *Bring Down the Obstacle of Poverty and Stagnation*

Among the various challenges faced by believers is the challenge of stagnation and backwardness; most Christians are not making progress in their spiritual or material life, the yoke of stagnation and emptiness needs to be broken! For that is why Christ came, to set those in captives free. The devil does not want us to prosper, look at what he did to Job, but in the end Job succeeded. For those of us who are not yet experiencing a breakthrough in our lives, be rest assured that God is preparing something wonderful for because you shall walk in progress and experience the abundance of his presence.

Reflecting on the obstacle of stagnation, we shall look at the story of the widow of Zarephath.

One fact that is symbolic in this story which is 'drought'. A drought which simply means dryness and lack of rain; spiritually signifies poverty, emptiness, backwardness, and stagnation. This was the exact situation that swept through the land of Israel at that point in time.

This widow and her son have given up hope for survival; all she had was the last meal that she would prepare for herself and her son and wait

for death to take them by starvation, this widow has given up hope, in fact, she was comfortable waiting for death because all hope was lost.

If I may ask you this simple question: what is the problem that you have given up hope on and you think nothing can be done to overcome the problem?

Do you serve a living God?

Our God can do the impossible, he can cure that chronic or incurable disease, and he can set you free from that pain, that grief, and that anxiety.

Now, back to our discussion, this woman has given up all hope, but here comes the great prophet of God to break the yoke of death and starvation from her life and the life of her son. However, something was demanded by her 'Obedience'. In verse 13-15 of 1 Kings 17. She obeyed the instructions given by the prophet of God and her situation turned around. All God demands from us are obedience to his word and miracles shall be our portion.

I pray that just as God sent a prophet to visit this widow when she most needed help, God will send his prophet to visit you and turn your challenges into channels of blessings.

The prophet of God broke the yoke of poverty and stagnation from this widow's life and her jar never ran out of oil, I pray every seed of poverty, disease, and stagnation in your life shall be broken in Jesus name Amen. You shall never run out of oil, but your jar shall overflow like the jar of this Widow.

Obstacles are meant to be brought down, never get discouraged but continue to press on until you overcome, there lots of voices around wanting to discourage you to stop trusting God, but I assure to hold on and let God do the impossible in your life. Voices will always be there to discourage you, look at the story of Bartimaeus in (Mark 10:48) the people around tried to pull him down with their voices but he shouted even louder and in the end, he received his blessings.

Similarly, when the Israelites were about to capture the land of Canaan, the spies sent to explore the land brought discouraging messages but Caleb and Joshua stood their ground trusting in the Lord (Num13:30-33, 14:1-10). We should not allow negative messages we hear discourage us from trusting in God for he can do the impossible in our lives; all we have to do is to trust in him.

Receive progress and promotion and Break that yoke of lack and poverty

Progress and promotion is our portion; for this is the will of God for us. Christ came that we may have life and have life in abundance and his promises are sure for us, he is the vine and we are the branches, if we anchor in him we shall bear many fruits.

The yoke of lack must be broken, he is the God that can make rivers flow in the dry land; he is the God that fed the multitudes with just five loaves and two fish, he can do the impossible in our lives.

*Build your Destiny*

We need to build our future as Christians, our destiny is in our hands, and Christ makes it clear that he has given us authority over snakes and scorpions; he has mandated us to go and preach

the good news and establish his kingdom in the ends of the earth. We need to build up our courage as Christians and face the task ahead of us; we need to bring down every obstacles and mountain that stands on our path.

# CHAPTER THREE

## *Bring Down the Obstacle of Sin*

Sin is an enemy of man, it was a sin that made man lost his glory at the Garden of Eden and we must rise up and fight every tendency of sin in our lives. Sin obstructs us from the vision of God. The Israelites lost most of their battles because they neglected God and continued sinning, in fact, this was what led most of them to die in the wilderness and not experienced the Promised Land.

The story of Sodom and Gomorrah and the Great Flood that wiped every creature on the surface of the earth in the time of Noah is a perfect example of what sin can do to us. When Christ was about to begin his ministry the devil tried to tempt him and lure him into sinning but Lord resisted him and overcame his temptation.

We live in a wicked world full of sin and iniquity, most people hardly have time or respect for God. They are so much engrossed in the things of this world. Some people are so much comfortable in sin and they see it as normal, but this is completely wrong, we must rise up and fight sin in our lives, we must pull down the obstacle of sin in our lives and walk in divine favor.

Sin has a lot of negative effects on the life of a Christian. First, sin could lead to spiritual blindness, when we no longer see the things of God as necessary or important; sin could also obstruct the blessings of God from reaching us because we no longer have access to the father.

We must rise up and fight every obstacle of sin in our lives and in the lives of our loved ones.

*I am the Temple of the Holy Ghost*

Our bodies are the temple of the Holy Spirit, he lives and dwells in us, he directs our path and makes us fruitful in good works. We should learn to work in harmony with the Holy Spirit, ask him to fill you always and give you his renewing power. The presence of the Holy Spirit in the life of a believer is remarkable and transforming.

The Holy Spirit worked wonders in the lives of the prophets and in the apostles, with his presence and power they performed great signs and wonders.

In fact, before Christ began his ministry he waited for the anointing power of the Holy Ghost and after his ascension, he asked his apostles to wait for the outpouring of the Holy Spirit because Christ knew that his disciples cannot succeed in their work of evangelization without the touch of the Holy Spirit.

We as believers need the Holy Spirit more and more in our sinful world, so he can direct our path, the Holy Spirit will not only make us perform signs and wonders but he will also give us the ability to persevere in faith.

The truth is that we need him in every aspect of our lives to direct us and give us insight and hence one his title is the counselor for he is the great teacher. He that is led by the spirit of God will always succeed and overcome and through

the power of the spirit of God we shall pull down every mountains and stronghold on our path.

*Sin has no place in my life*

Begin to declare and confess that sin has no place in your life because you are filled with the spirit of God, learn to walk in holiness and divine favor, see sin as an obstacle that wants to restrict you from accessing Jesus.

We need to pray earnestly to overcome the power of Satan and sin in our lives. The constant study of the word of God is very important for us as Christians because the word of God is our manual that reveals the mind of God to us. The word of God is the sword of the spirit that is needed to pull down every mountain and stronghold, the man who lives by the word always succeeds and gain victory and such a person has access to the Father through Christ Jesus. The Holy Spirit perfects his work in the life of the one who always put his trust in the word of the Lord.

Let us rise and always resist the power of sin for sin is the enemy of our salvation, declare right now that sin has no place in your life and that the favor of God rest upon you, allow the mighty power of the Holy Spirit to flow through you and use you to perform great task, signs, and wonders.

*The Blood of Christ has set me free*

The blood of Christ has cleaned me and I shall not fail but I shall overcome. We are redeemed by the blood of Christ, the blood of Christ sets us free and cured our diseases, begin to declare that blood into your life, the blood that pleads more than Abel's blood. The blood that pleads for the forgiveness of our wins, the blood that redeemed us.

We were bought by this blood, the blood of the lamb. The blood of Christ has the power to destroy the powers of darkness in our lives. Do you want sin to flee away from your life? Do you want to live in peace and divine favor? Do you want to be at peace with God and man and pull down every stronghold?

Then it's time to start pleading the blood of the lamb over your life and in the life of your family, go on and plead that blood for protection and restoration.

*I walk in Righteousness*

I see through the eyes of faith and I walk in the righteousness of Jesus for he has won the battle by his blood on the cross! The resurrection power lives in me and does its mighty works in me, I shall overcome for I move and act in the power of the Holy Ghost.

Begin to make a positive declaration into your life and receive the transforming touch from Jesus to achieve breakthrough and success.

# CHAPTER FOUR

## *Bring Down the Obstacle of Sickness and Diseases*

In the ministry of Jesus, he always ensured that he gave healing to all who were sick, those possessed with demons and those suffering from dreaded skin disease he healed them all. Christ is my mighty healer for he has cured my disease.

One fact we must understand is that Christ actually came to set us free from all the wrongs the devil has done to us; there are countless instances in the bible where Christ cured those who were suffering, large crowds followed him and he healed all who were sick. Christ has not stopped healing people for he is the same yesterday, today and forever; he has never changed in his work of salvation and restoration.

He is so much interested in that health challenge that you are going through. Now, to prove to you that Christ is very interested in restoring your health let us look at the story of the paralyzed man at the pool in John chapter 5.

This man has been struggling to get a cure for his infirmity for over 38 years and no one has been interested to assist him to achieve this one desire for over these years. I want you to capture in

your mind a young man of 38 years. A man of 38 is fully grown and independently capable of nurturing his own family, now let's assume this man was 20 when he approached the healing pool, it follows therefore that at the time Christ cured him, he would be over 58 years.

I want you to reflect on the suffering and emotional torture this man was passing through, he was completely helpless and no one was interested in assisting him. The fact I want you to understand here is that this man did not request for Jesus to heal him, it was Christ in his infinite mercy and love who saw the health challenge this man was going through, approached him and cured his infirmity.

In fact, in verse 11 this man never knew who healed him, all he knew was that someone asked him to pick up his mat and walk. Furthermore, Christ will admonish this man to stop sinning in verse 14 or something worse may happen, and I believe we have talked about breaking the stronghold of sin in chapter 3 of this book.

Christ is interested in your problems and that is why he came and died on the cross for your sins and by his wounds, we are healed. We are a purposeful people, Christ has come to restore wholeness in our lives, he has come to cure our emotional, physical and spiritual sickness.

Are you ready to receive the healing touch from Jesus now begin to declare divine health and restoration into your life and pray these scriptures into your health

*Christ lives in me*

As Christians we should always be conscious of the presence of Christ in our lives, this will enable us to strive for holiness and keep away from sin. Christ dwells in us, let us focus our attention

on Christ and not on the empty pleasures of this world. The world is passing away but Christ remains forever.

The presence of Christ in a man brings fulfillment and happiness, outside of Christ is false peace and happiness but he who dwells in Christ dwell in peace, love, and joy.

Christ lives in us and we are carriers of his presence. Let the world see Christ in you and whatever you do so that those around you can be drawn towards Christ.

*I am healed*

Healing is not reserved for the body alone, but there is healing of the mind, in fact, healing starts from the inside. If you are whole in body and your mind is sick with emotional torture; it follows that you are still very sick. Begin to declare that you are healed because Christ the mighty healer has healed your body, soul, and spirit.

The Holy Spirit revives my spirit and I walk in wholeness and prosperity

The Holy Spirit works in union with our spirit and transforms our lives; we cannot do without the presence of the Holy Spirit in our lives. Allow the Holy Spirit to lead and guide you so that he can strengthen your spirit and give life to your soul. Christ desires that we walk in wholeness and prosperity; we should allow our mind to be transformed by the word of God and work in wholeness.

# CHAPTER FIVE

## *Moving Unto Success, Victory, and Righteousness*

The kingdom of heaven is all about victory, success, and righteousness; when the Pharisees approached Jesus and questioned him about marriage in the kingdom, Christ respond was that those in heaven neither marry nor bear children but instead they are like the angels of God in heaven who continue to sing to the glory and majesty of the name of the Lord.

It is your time to move unto success, it is your time to take that which rightly belongs to you, it is your time to catch up and overtake your enemies for you are moving unto success and unto victory, for the Lord of Host is with you, the lion of the tribe of Judah is with you, the King of kings and the Lord of lords id with you, he has established his reign and his power and splendor is radiating over you. It's your time to walk in wholeness, it's your time to walk in victory, it's your time to walk in dominion, it's your time to walk in righteousness, it's your time to claim your blessings and divine favor from the Lord.

*A New level in Christ*

I have a new level in Christ Jesus for the power of the Holy Ghost live inside of me, I have a new

level in Christ Jesus for the risen Lord is on my side, there is a new victory because Christ has conquered death in my life, favor is my portion, victory is my portion, righteousness, and holiness are my portion for I have a new level in Christ.

The word of God says "If the son of man sets you free, you are free indeed." Walking in dominion means walking in the victory and power of the resurrected Jesus, the apostles experienced a turn around and a new level in Christ when the Holy Spirit came upon them on the day of Pentecost and established the kingdom of God among them and since that moment their lives never remained the same, they overcame and begin to walk in divine abundance and glory.

I pray for you "you shall walk in divine favor, you shall attain a new level in Christ Jesus, every stronghold in your life shall be brought down by the power of the Holy Ghost, favor is your portion, and you shall overcome."

*The Era of Grace*

One fact we must understand is as Christians born of the spirit of God we live in abundance of the Holy Ghost and in the era of grace. Now, St Paul makes it clear that there was the law which was of Adam, but there came Christ who took away the law and transformed it to his own grace; this follows therefore that as we received Christ into our soul we receive grace. We no longer live by the law but we live by grace, we no longer think like the law but we think and act in abundance of the grace Christ has come to establish in us.

We are carriers of that which is divine, the Holy Ghost, we therefore no longer think in the standard of this world but we think heavenly realities and concepts. We are charged up and fed by that which is divine and we have come to establish that same kingdom among our brethren.

*The Harvest of abundance*

Christ himself said that the harvest is large but the laborers are few, there is a huge harvest in store for us. When we begin to create the overcomer's mindset, a new phase will be established in us. Christ has given us the spirit of abundance, it is left for us to use these gifts and start bearing positive fruits, for it is the desire of Christ that we should bear fruits as his children.

*Soaring in Eagles Wings*

What level of faith and assurance do you desire? It is that which you desire that works for you, remember, we are no longer in the era of the law but we are in the era of grace, freedom, and glory in the Holy Ghost. It is what you believe that works for you according to your faith. Look at Peter for example; he saw the Lord walking on water and breaking the laws of nature, he too desired like Jesus to act above the realm of nature and Christ invited him and behold Peter began to walk on water.

However, something happened, disbelief in the power of God to walk beyond the ordinary crept into the mind of Peter that he began to see the powers and the forces of nature he has already overcome greater than him, and so he began to sink! What you believe works for you.

Are you ready to soar in eagles wings? Can you fly above the mountains in victory seeing through the eyes of the eagle and in the eyes of faith?

Remember we are more than conquerors and we walk not by sight but by faith.

God bless you.
