

A man with a beard wearing a VR headset is shown from the chest up. The image is overlaid with a semi-transparent blue filter. Large, bold, blue letters spell out 'HELLO.' across the left side of the image. The 'H' and 'E' are partially obscured by a white diagonal hatched pattern.

HELLO.

ABOUT ME

Mercury is the closest planet to the Sun and the smallest one in the Solar System—it's only a bit larger than our Moon. The planet's name has nothing to do with the liquid metal since it was named after the Roman messenger god, Mercury
