About CTAIM

Introduction

And this is Eternal Life: it means to know (to perceive, recognize, become acquainted with, and understand) YOU, the only true and real GOD, and [likewise] to know HIM, Jesus [as the] CHRIST, the Anointed ONE, the MESSIAH, WHOM YOU HAVE SENT.
John 17:3 Amplified

Dear Reader,

The Color Coding of your Bible inside out is God's idea.
Salvation is God's Plan to save, to heal, to deliver, to protect, to lead and guide man once again by a new relationship, through grace, by Christ Jesus' sacrificial offering of His life for ours. We are partakers of the Grace of God through faith in Jesus Christ. For in each believer, there is power and love in and for God that is unequalled in any other kind of relationship. The benefits of this study guide are:
That you may appreciate more fully all that God has done for you, in the following topics, and get to know and appreciate your Bible, God's Word, more fully. This course will require some personal discipline in order to finish and see it through. The reward will be knowing more intimately the character and nature of our God, Father, Jesus, and the Holy Spirit.

As you color in the scriptures, you will be able to think on how they apply to your life and situation. For instance if you need healing it does no good to your present circumstance to meditate on some other subject. But if you will meditate on healing scriptures and let them get down deep inside you, you will see what God has done through Jesus Christ on your behalf and knowing His will is the first and most important step towards health. Then as you praise Him for showing you His will and what glorifies Him, surely you can see how your faith gets stronger.

After finishing some of the course material, I know that you will be able to show others what God has for them as well, from the Bible. So this also will enable to effectively share your faith, from God's point of view with accuracy and love.

As well, I believe you will grow closer and more in love with the Master, who is

so deeply in love with you. May He grant you to be strengthened with all might and power, and know Him better, being more fully acquainted with His will, which is His Word, today. Joshua 1:8, 3John 2. In reading the Word of God let HIS Word build a relationship between you and the Lord, and change you into all God wants you to be, and do.

What do you need to get started? Pencil crayons, and this guide.

I suggest pencil crayons as they do not run and generally do not go through the page. You may also want to make notes in your Bible, I suggest a good quality pen such as extra fine point Papermate, I have found that they do not run after a few years like some of the others. The coding colors are as follows, (remember these are just suggestions, use whatever color best suits you.) You may wish to color in the entire scripture, or the number beside the scripture, or just the word. I have found a combination of the three methods works well for me, as sometimes more than one color is in a particular verse. That way I can readily see that the verse is speaking to me of several ideas or one solid thought on the subject. You also may find other pertinent scriptures in the Bible on each subject that speak to you. Don’t be afraid to put some of them in too, as it is your Bible.

As you follow through with study of the Word, the Lord will build you in faith. There is so much more you can do when you know what the Word of God says to do. Early in my Christian walk, I learned the value of finding out what God’s Word says about different subjects. It is good to know what God says about things because many do not. That is what your faith grows by. You must feed and build yourself up in faith by hearing, reading, and speaking His Word. I have put this book together with that in mind and praying that you become all that God through Jesus Christ plans for you to be. May God Bless your study of His Word. Ephesians 3:20

About Christ the Answer International Ministries
Christ The Answer International Ministries was birthed in 1993 with the goal of ministering God's loving power to people everywhere – to help them find their true identity, value and purpose in the Person of Jesus Christ.

CTAIM's founders, Jim and Shelley Christian, have partnered with God for over 30 years of marriage, ministry, missions and miracles – sharing the simplicity and power of the Gospel in Central America, Africa, the Philippines and their home country of Canada.

Through teaching, preaching, prophetic utterance, devotionals, music and seminar materials in several languages; the Christians have seeded The Living Word into areas that are often isolated or in need of a Gospel witness. Jim and Shelley are ordained with the IAOGI across Canada.

Jim and Shelley's national and international travel and ministry schedule includes Training Seminars, Pastors' and Leadership Conferences, Training teams in practical outreach in Northern Canada with our First Nations People, Women's Seminars and Worship Music ministry. Their teaching courses, DVD's, Music CD's and Children's Outreach Curriculum, are made available through the website bookstore.
