MYSTERIOUS BATTLES, MYSTERIOUS APPROACH

For quite a long time, people have made persistent requests that they want to benefit from our experience over the years in the areas of deliverance. Most of what is going to be shared in this series have been gathered from over 40 years of experience in deliverance ministry. As more people, ministries and churches are beginning to learn to place emphasis on deliverance, people are desperately looking for useful materials that will enable them minister deliverance effectively and powerfully. This book has been put together to benefit ministers, pastors and teachers, globally.

THE MYSTERY OF BONDAGE

The field of deliverance is a strange field. Bondage is a mystery. The process of setting the oppressed free is also a very deep mystery. The mysterious nature of deliverance accounts for the reason the Church has languished in the dark in this area for a very long time.

Many people got into bondage the day they were born. Others have been victims of bondage right from the womb. A lot of people have been hood-winked or bewitched through involvement with strange men and women. A number of people are also victims of witchcraft manipulations and attacks. Those who consulted fetish priests and fake prophets have also attracted bondages to their lives. To be quite honest with you, many are innocent victims of satanic initiation. Very few have also deliberately gotten into occult, demonic and satanic bondage through open initiation in search of power, fame, position, wealth or societal status.

THE COMPLEXITIES OF DELIVERANCE

Hence, the deliverance ministers of this generation will continue to have their

hands full. There are complexities in the area of deliverance. These complexities have been compounded because the deliverance ministry had been relegated to the background until recent times. While the devil has continued to increase the tempo with which he has subjected people to bondage, the church has strangely stood aside waiting for those who will take the risk and venture into the field of deliverance. While the church slept, the enemy has aggressively planted many tares in the field of humanity. There is, therefore, an increase in the number of deliverance candidates. The ratio of deliverance candidates to deliverance ministers is almost one minister to five thousand candidates.

If nations of the world are laying more emphasis on producing medical doctors, to such extent that in Nigeria, the ratio of medical doctors to patients is one doctor to a patient, what then is the church doing in the area of producing deliverance ministers?

MY BURDEN

I have come across a good number of strange or mysterious cases. And each time I share the incidents I have encountered, people often wonder if such things are for real.

Beloved, there are more strange mysteries in the realm of deliverance than in any area of life. Therefore, an average deliverance minister comes across a lot of mysteries. In my own experience, I have a catalogue of mysteries to share. To be quite honest with you, I did not read the mysteries documented here on the pages of any book. I came across, them, one after the other, as I ministered to people with odd cases.

A TOUCH MINISTRY

The deliverance ministry is not for novices. When a deliverance minister comes across bizarre or frightening cases, he might consider saying goodbye to the deliverance ministry. Mysterious cases abound in the world. The African milieu has suffered a bombardment of vicious and violent demons. Our fore-fathers took their bath with human blood, drank the blood of animals and human beings, pounded day-old babies in the mortar and got involved with sacrifice of pregnant women, twin babies and went as far as burying human beings alive.

THE PECULIARITIES OF AFRICA

African history is replete with all kinds of rituals. In those days when kings were buried, a number of human beings had to be buried with them. If only God can show us the gory pictures of the sordid demonic deeds of our ancestors, we will be shocked to our bones and marrows. No wonder, the Bible says you must expect strange experiences in places that can be described as "the dark places of the earth." The world is deeper than we think**.** The dark places of the earth are full of the habitations of cruelty. It is wickedness they practice there. One of the greatest prayers in the Bible is "Let the wickedness of the wicked perish."

You need anointing to deal with mysterious bondage. When there is no anointing, there will be annoyance. People will continue to experience frustration where there is no anointing. If you are a deliverance minister and you are not a subject of attack, there is nothing happening in your life. Also, if you are not a subject of envy, you are not making any impact at all.

When you are truly anointed, you will do exploits. Your ministry must make waves and create impact wherever you are. Jesus had an uncommon ministry. For example, He took His saliva and He mysteriously solved a man's eye problem. It was as if He gave the man another eye. Interestingly, there is a Church called the spit of Jesus ministry. The name is quite correct because the saliva of Jesus is very powerful. To make impact, you need an anointing that can solve or handle mysterious problems. Beloved, you need to go beyond the level of awareness. You must possess the anointing that can give mysterious battles a mysterious approach.

STRANGE EXPERIENCES

Many things are happening in this generation, a man got married in Lagos, Nigeria. The wedding ceremony was fantastic; he did not envisage any problem whatsoever. While the marriage ceremony lasted, his manhood was intact. By the time they left the venue of the reception and he got home, something mysterious happened to him. As he tried to move closer to his wife and have sexual intercourse with her, his penis suddenly disappeared. The wife almost collapsed. She confronted him and asked if he had always being without a penis. He tried to explain to the wife that he had one, but the wife simply told him that she could not stand a marriage without a penis. On the following day, she demanded that the pastor who joined them together should dissolve the marriage.

In that desperate situation, they decided to come to my counselling office.

I listened to their story with deep pathos and concern. I decided to examine the man.

Surprisingly, I discovered that there was only a tiny hole in the exact spot where the penis should be. As I wanted to pray, the Lord told me that the man should go and ask his mother to tell him the secrets behind his mysterious problem.

The man had to travel to the ancient city of Abeokuta, in a desperate bid to unravel the mystery. Strange enough, the mother did not experience any surprise at all**.** She drew a long breath and told the young man a strange story. The woman explained that she decided to consult a witchdoctor when she discovered that she could not get pregnant at all**.** The witchdoctor succeeded in making her to get pregnant. The pregnancy was a strange one. At a point she was told by someone else whom she consulted that all she had in her stomach was a piece of stone. She later obtained help from a white garment prophet; from one of these notorious syncretism local churches. Certain things were done and the foetus began to kick.

While the strange child was in the womb, he had received a borrowed penis. The powers that gave the mother the baby decided to collect the borrowed penis when he needed it most. The man had to go through series of prayers before the mysterious problem could be solved. If that story appears weird read the next one.

SIMPLY STRANGE

A man picked up a prostitute under the bridge in Lagos, Nigeria. They got talking and they both settled for the sum of three thousand naira (20 dollars) for two rounds of sex. The man did two and half rounds of sex and paid one thousand five hundred naira (ten dollars). The prostitute became infuriated and demanded that the least amount she could accept was three thousand naira (20 dollars).

The argument persisted and the prostitute later pretended that she had decided to let the man get away with the money she was being owed. The man did not detect that danger was looming above his head. He got home and thought that he had enjoyed himself and cheated the prostitute successfully. Unfortunately the

man's wife did not notice anything. Something strange began to happen to the young man. His penis began to swell. The strange experience persisted until he could no longer hide anything.

The wife was thrown into panic and by the time the wife brought him for prayer, the man had to put on the traditional flowing gown won by Africans (Agbada). He could not put on a normal dress.

His penis had grown long enough to be wrapped around his waist. Such a strange case could not have been taken to the hospital because it would be scary even for medical doctors. Tell me, how many ministers can handle such a case? Some modern day pastors would either state that it is impossible or ask people with such experiences to try the next church or pastor. We really need effective deliverance ministers today.

CHAPTER 2

DELIVERANCE MYSTERIES

Beloved, there are lots of mysteries in the field of deliverance. A mystery is something that is incomprehensible. It is often disturbing and saddening. A mystery describes a bizarre experience; something that is almost magical.

When you are dealing with highly fortified enemies, you need a high level of anointing. If your anointing is weak and you are careless spiritually, the enemy might waste you. When we are dealing with mysteries, we refer to deep secrets or something that defies logic. A mystery is something that is too deep to be explained. Mysteries are strange. A mystery is something that only God can explain. The word mystery refers to problems or situations that can only be tackled by the power of God. A mystery is something that baffles your understanding. The word mystery describes something concealed, something cryptic, perplexing or something strange. The word mystery enjoys notable mention in the Scripture.

Revelation 17:5:

> "And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH."

This refers to the mystery of Babylon: the citadel of great abominations.

MYSTERIES AND ABOMINATIONS

The above passage shows that great abominations are inherent in the mystery of darkness.

2Thessalonians 2:7:

> "For the mystery of iniquity doth already work: only he who now letteth will let, until he be taken out of the

way."

The word mystery, here, shows that the mystery of iniquity is deep. It is the mystery of lawlessness. It is the mystery of satanic aberrations. As far as dark powers are concerned, they are willing to go into all manner of unprintable things. Hence, occult and demonic practices are strange. It thrives on reckless lawlessness. This explains why a mother can donate her only child in the spiritual realm, to a witchcraft coven. This is obviously a child whom she actually loves in the physical realm.

Mysteries are hidden; according to Daniel 2:22,

> "He revealeth the deep and secret things: he knoweth what is in the darkness, and the light dwelleth with him."

DEEP LESSONS

Mysteries describe deep and secret things that are done in the kingdom of darkness. These are the kind of strange experiences that deliverance ministers should expect while carrying out deliverance ministrations. To be quite honest with you, beloved, mentors are rare in the area of deliverance. Books that explain deep experiences in the deliverance ministry are extremely scarce.

There is no doubt whatsoever in my heart that this book will lead the passionate deliverance minister to a new day of power, glory, effectiveness and ministerial success. I plead with you to fasten your seatbelts and get ready for advancement in the deliverance ministry as I share with you some of the mysteries of the deliverance ministry.

UNNATURAL OCCURRENCES

Let me remind you once again that these experiences are not common. It takes a veteran in the deliverance ministry to accumulate these mysterious, strange but real experiences. I prayed for a woman some years ago and we all witnessed a strange occurrence. She gave birth to a fish. Before we could recover from the bizarre incident, the head of the fish had vanished. Tell me how could the womb of a woman become an aquarium?

This shows that a mystery is something necromantic. Something obscure or what

can be found in the realm of the occult. A mystery is unnatural. It is something beyond human power. A mystery describes something that the human brain can neither explain nor understand. A mystery connotes what is peculiar in a negative sense. A mystery is often frightening, disturbing and extremely strange.

The calling of the gentiles and the Christian church is a mystery.

Ephesians 1:9:

> "Having made known unto us the mystery of his will, according to his good pleasure which he hath purposed in himself:"

Also, the resurrection of the dead is a mystery.

1Corinthians 15:51:

> "And that he was seen of Cephas, then of the twelve:"

NEGATIVE MYSTERIES

If these mysteries exist in the church, it reminds us of the fact that there are negative mysteries in the kingdom of darkness. Hence, the first thing a deliverance minister should take note of is the fact that deliverance candidates are victims of mysterious attacks, manipulation possession and terrible bondage.

The experiences I am going to share with you in this book will go a long way to brighten your spiritual vision, widen your horizon and enrich you in such a manner as to prepare you for the mysterious experiences you might come across personally as you officiate in the realm of deliverance. Therefore, no deliverance minister can afford to decide to depend on human intelligence when dealing with demonic cases. How will you handle the case of someone who has suddenly become mad after terrible incantations were targeted at him by known or hidden persons?

TOUGH DELIVERANCE CASES

What will you do when you come across the case of someone who has lost his mental balance after a dream encounter? Or how will you deal with someone who is brought to the deliverance field after being hit by arrows from demonic powers in an encounter in the dream? Of course, should such a victim visit the hospital to narrate his ordeals, they might refer him to a psychiatric hospital after

being diagnosed of hallucination or other psychosomatic disorders.

PRAYER POINTS

2. Bewitched hands and bewitched waters over my life dry up by fire

CHAPTER 3

MYSTERIOUS DEEP BATTLES

We need trained and experienced deliverance ministers today. You cannot go through these instances of mysterious battles without going into prayers for great endowment of power from on-high and more anointing to function effectively in the deliverance ministry. The mysterious battles which deliverance candidates face vary from one person to the other. Here is what I have termed my junior catalogue of mysteries or mysterious battles.

1. Penis lodged in a vagina constantly.

This might sound bizarre, but it is true. There is what is called succubus and incubus in the realm of deliverance. They refer to the activities of spirit husbands and wives. The mystery of spiritual husbands and wives has taken a huge toll on the lives of some women. Such women cannot come out publicly to narrate their ordeals. But secretly, they are violated and abused by vicious sexual demons. Such women are always moving around with an invisible mysterious penis lodged in their vagina constantly, such that they are always sexually aroused and consequently, are mysteriously wet all the time. The spirit husband of such women is a sexual addict.

There is an invisible sexual organ tied around the waist of such ladies or women. Consequently, they experience and struggle with an uncontrollable sexual urge. They exhibit a high level of promiscuity and they are often insatiable as far as sexual intercourse is concerned. Such women are so loose sexually that apart from the sexual molestation which they suffer from their spirit husbands, they are often attracted and drawn to demonic sexual partners in the physical realm. How do you deal with such a case?

2. Strange organs in the body.

This is another mysterious experience. You might come across individuals with both male and female organ. Hermaphrodites go through a lot of mental torture. They suffer inferiority complex. They cannot have their bath where they can be seen by anybody and they struggle with hormonal imbalance and are victims of a

dual personality. There are deliverance candidates who come in with both male and female organs in their bodies but keep showing up repeatedly without being able to discuss their plight with anyone. Some women have three breasts. Some people also have six toes on one leg or six fingers on one hand. Others have strange organs that are unnatural in their body. Some of these extra or strange organs appear or disappear at will. Tell me, how will you deal with such cases?

3. The mystery of the satanic whistle.

The satanic whistle is a strange phenomenon. Victims keep hearing the sound of strange whistles that no one else can hear. Some people from deeply demonic backgrounds hear the sound of the type of whistle that is blown by members of the masquerade cult. The effect of such strange whistle is often damaging. When they hear such demonic whistle, their heads may begin to spin and their heads may become slightly larger physically. This is a mysterious battle that is often experienced by deliverance candidates.

4. Imaginary friends.

Beloved, the spiritual realm may appear remote or far-away, but the truth is that the occurrences are real. Some deliverance candidates may tell you that they actually have imaginary friends or playmates. These spiritual beings may appear to them occasionally. The sound of the voice of these imaginary spiritual friends may be real. Hence, some deliverance candidates might be found speaking or conversing with an imaginary friend. They might be caught staring at a particular direction and listening to someone who is visible to the candidate and to no one else.

The victim will get to a point when he or she becomes so obsessed with the imaginary friend that living a normal life becomes impossible. Whether these victims are young or old, they live warped lives, as the influence of their imaginary friends will become larger than life and they will prefer what they see or experience in the spiritual realm. It takes a deeply anointed deliverance minister to severe the links and set the captive free.

5. Pimples or other ugly skin diseases on the face immediately after finding a partner.

This is one of the mysterious battles a deliverance minister has to fight in the lives of deliverance candidates. Some ladies have remained unmarried due to this strange occurrence. The face of the ladies in question would only remain

smooth and beautiful as long as they have not found a partner. Trouble begins when a promising young man steps out to ask for their hands in marriage. Mysteriously, by the following day there will be strange, ugly and malicious pimples or other skin infection on the face of the lady. Such pimples would not respond to any form of medical treatment.

The young man who had approached the young lady would have no option than to give up when he discovers that the face of the lady has become so damaged that no man would want to present such a lady as his partner. Immediately the man vanishes, the strange pimples would disappear; the lady's face will be as smooth as the face of a baby. Trouble would only erupt when a new suitor shows up. Such a problem can only be solved through the power of the anointing.

6. Spiritually buried organ.

The spiritual realm abounds with inexplicable mysteries and problems that defy human logic. Beloved, if there are no deliverance ministers, many people would have committed suicide out of frustration and desperation. Some people have been dribbled to the point of physical exhaustion and mental confusion. A lot of sexually active men and respectable gentlemen go about with the stigma of inability to make a woman pregnant. Each time they go for diagnosis in the hospital, they are given reports of embarrassing and mysteriously low sperm-count. Unknown to such victims, their male organ has been subjected to witchcraft burial.

The sperm count is mysteriously 'zero' as demons have feasted on the healthy parts of their sperm. Even when they resort to the use of medical efforts to boost their sperm count, nothing works for them. It takes a highly anointed deliverance minister to exhume the male organs of the victim. Women also suffer the consequences of spiritually buried organ. When a woman's womb is buried, it will be physically weak to experience conception or carry it to full term. Such mysterious yokes can only be broken by the anointing.

7. People who are sleeping with animals.

In several parts of the world, there are people who are mysteriously addicted to sleeping with animals. Some men sleep with goats while some ladies sleep with dogs. I once came across a man who does not have a wife, but has two ducks in his living room and sleeps with them. How does a deliverance minister handle such a bizarre addiction?

8. Maggots coming out of the body.

Most ministers in the area of deliverance only come across what I can describe as run of the mill cases or episodes. But there are times when some extraordinary cases appear. When a minister begins to tell the deliverance candidate that he has not come across that kind of case before, the deliverance candidate will become discouraged. That is why we always emphasise competence, experience and sufficient anointing. If you are not well built up by God, some deliverance conditions may sweep you off your feet.

There are candidates who might think of committing suicide, if you ever tell them that their case is hopeless. Beloved, there is nothing the devil has done that God cannot undo. There is no spiritual aberration that God cannot correct. There is no case He cannot handle, no bondage He cannot break and no anomaly He cannot correct. When you spend quite some time in the deliverance ministry, you will encounter odd cases. There are cases of people with maggots coming out of the body mysteriously. Such people are often healthy and normal human beings. When maggots come out of the body and they go for medical check-up, nothing is detected. Wherever such victims sit or lie, maggots are found irrespective of how clean the environment is. The truth is that maggots have been programmed into their bodies by wicked powers to embarrass them. As a deliverance minister you need a high level of anointing to break such a yoke.

9. Cockroaches on the head.

I once came across the case of a man who, each time he slapped his head, live cockroaches would fall off. When you examine the head, you will not find traces of any cockroach. But when he slaps his head, three or four cockroaches will fly out. Beloved, there is wickedness in this world. If you apply the strongest insecticide on such a head, it would not exterminate the cockroaches. The only solution is the anointing that breaks yokes.

PRAYER POINTS

1. Hands of fire, hands of power of the God of Elijah break my yokes and deliver my destiny in the name of Jesus

CHAPTER 4

TOUGH DEMONIC BATTLES

There are tough demonic battles. These tough battles show up when people come for deliverance. We shall examine these tough battles in this chapter

1. Long-term pregnancy.

Some cases of long-term pregnancies are strange. Some women have carried pregnancy for as long as 21months. Some other victims have simply lost count of the period of strange pregnancy. Such pregnancy has baffled experienced doctors and gynaecologists. When this happens, doctors often advice patients to look for spiritual help.

2. Cases of disappearing pregnancies.

There are people whose pregnancies often disappear after a few months. Such mysterious disappearance of pregnancy defies medical explanation. I have come across the case of a woman whose pregnancy disappears every night only to reappear in the morning. It was a case of deep, demonic activity.

3. Disappearing organs.

There are cases of men and women whose organs have disappeared mysteriously. This leaves ladies with no trace of the female organs and men with no trace of the male organ.

Wicked powers have made such organs to disappear as if nothing was ever there. This is one of the mysterious battles which a deliverance minister must help candidates to fight.

4. Medical mistakes that were programmed by demonic powers.

There are medical mistakes that are sponsored by wicked demons. They instigate highly intelligent and competent doctors to go into silly mistakes and medical errors that jeopardise human lives. This includes instance of forgetting cotton wool, a pair of scissors, needles and dissecting instruments in the bodies of patients. I once came across the case of a woman in Italy, who went to see a

doctor in order to remove acute inflamed appendix. Mysteriously, something went wrong and there was a terrible mix-up. The instance of removing an appendix coincided with the time another woman came to remove a cancerous womb. The doctor mistakenly and mysteriously removed the womb of the appendicitis patient and went ahead to remove the appendix from the cancerous womb. That was how the woman who only had a problem with her appendix lost her womb completely due to demonic manipulation and satanic exchange.

5. Talking pregnancy.

A woman once approached me in South Africa saying, man of God, I need help, the baby in my womb talks. She begged me to place my ear near her womb in order to hear the audible sound made by her strange baby. What will you do as a deliverance minister if you begin to hear words spoken by an unborn baby in the womb? Beloved, this world is filled with odd cases and instances. Tell me how such a baby acquired the power of speech while in the womb. Many people have actually found themselves in the habitations of cruelty. May God raise highly anointed deliverance ministers to handle the strange cases which we are beginning to witness in this generation.

6. Reactions to electrical appliances.

There are people who experience demonic remote control, when electrical appliances are switched off or on. Such people are mysteriously happy as long as you do not switch on the light, fan or an air conditioner. I once came across the strange case of a, man who would begin to shake violently and suffer terrible headache the moment you switch on the fan. Things would subside immediately the appliance was switched off.

Wicked powers had passed an evil current from the appliance to the body of the victim.

7. Babies travelling in and out of the womb.

There are mysterious cases that involve women who carry strange babies in their womb. Such strange babies travel in and out of the womb at will. On one occasion, the woman is conscious of the presence and movement of the baby in her womb. At another instance the baby suddenly disappears. The stomach becomes flat and there is no baby anywhere in her stomach. After sometime, there is warmth and a change in the stomach. The baby has travelled back into his place of habitation. There is no explanation for this kind of in and out

movement in medical science. There is no way the foetus can disappear and re-appear. Such an experience is simply mysterious. Scientists will argue with you, but when they face strange cases they might be in shock.

8. Strange voices.

Strange voices constitute one of the mysterious experiences which candidates come to the deliverance field to get rid of. Such candidates often hear audible voices which no one else can hear. Such voices often command them to obey strange instructions. The mysterious voices arrest their attention, confuse them and manipulate them until life becomes unbearable. No one else hears such voices. Close friends and relatives would not detect anything that is amiss. It takes an effective deliverance minister to handle such a situation.

9. Cursing while the person either thinks he is blessing or commending others.

There are people who are so loaded with demonic spirits that whoever they attempt to bless automatically comes under a curse. They are so endowed diabolically that words, wishes and statements become the exact opposite of whatever is pronounced. Such people often spread negative, evil and demonic attacks. If such a deliverance candidate praises anyone, that person is in trouble. When such people come to deliverance ground, the , deliverance minister must know how to handle such negative powers.

10. Catching insects on the body.

Some deliverance candidates are under the attack of the spirit of Beelzebub. Mysteriously, insects like housefly, lice and strange ants suddenly appear on the body, even in places where such insects are not I likely to be found.

How can you explain the presence of strange flies in a room that is air-tight or in an air-conditioned environment? It is the spirit of Beelzebub at work. It takes a seasoned deliverance minister to handle such a strange attack.

11. Partial animal conversion.

Some people who come to the deliverance programme are often partly converted to animals. This is mysterious. The candidate is half human and half animal. The animal compartment may have the characteristics of a lion, a dog, a duck, a goat or a wild animal. While the victim tries to struggle and retain his features as a human being, there is a strong animalistic tendency that overpowers him or her.

Hence, the victim barks like a dog, pounces on people like a lion, flirts like a dog, becomes stubborn like a goat or possess as the marine qualities of a sea mammal or a fish. Evil powers have removed half of the human qualities and replaced them with that of animals. Victims of partial animal conversion require a great level of the anointing before they can be free.

12. Obsession with snakes.

Some people who come for deliverance actually tell us that they see snakes everywhere they go. When they dream, they see both crawling and flying snakes. They are so deeply obsessed with snakes that it is what they see everywhere they find themselves. Snakes have become their obsession. This experience is common with those who are deeply possessed or men and women from families where snake worship is common.

CHAPTER 5

POWER TO OVERCOME EXCEPTIONAL BATTLES

There are exceptional battles to overcome. We shall look at some of these battles in this chapter.

1. Invisible hand on the head.

Some deliverance candidates often feel the weight of an invisible hand on their heads. The weight is so heavy that their heads become bowed after prolonged demonic attacks. When such a candidate comes for deliverance, he, complains that his head is feeling some heavy weights. Unless you are experienced and anointed enough as a deliverance minister, you, may not know how to handle a strange case.

2. Sickness that defies medical science.

There are some diseases or ailments that medical science cannot diagnose, not to talk of take care of. When deliverance candidates are under this kind of attack, they move from one hospital to another and discover that medical equipment would either stop functioning when it gets to their turn or fails to bring up any medical report. Such victims will tell you that the medical attention they received at home or abroad have yielded nothing. It is one mysterious battle that should be taken to the deliverance field.

3. Peppery sensations all over the body.

I have come across lots of people with mysterious challenges. Some people have come to me complaining that they often feel peppery sensations all over their body. It is as if someone has rubbed hot chili all over their bodies. This is a strange demonic attack. You must know how to deal with such cases.

4. Feeling of being pursued.

A lot of people come with strange problems like feeling as if he or she is being pursued by strange beings. For some of them, their heart will almost jump out as they sense a very tangible pursuit by violent enemies. Some of them might

come to you breathing as if they have been running a race in order to escape being caught up with by their pursuer.

5. Constant loss of job.

This is another common mysterious battle that an anointed deliverance minister must know how to handle. Those who receive this kind of attack complain of mysterious loss of jobs: they lose their jobs within weeks. The trend continues even when they take every available precautionary step. It is a mysterious battle.

6. Sleep walking.

Somnambolism is a serious problem. Some people get up from the bed and begin to move about thinking that they are still lying in bed. Such people often wake up in the middle of the night and move towards the kitchen or the toilet or even attempt to move out of the building while in the state of deep sleep. Such people are under a heavy spell of sleep walking. They get up from the bed unconscious, move about and later go back to lie down on the bed without being conscious of any moment when they got up and were walking about, staggering like a drunkard.

Those who are under the attack of sleepwalking often constitute a nuisance or get embarrassed in the neighbourhood. Such a strange battle can only be handled by anointed deliverance ministers.

7. Mysterious out of body slavery.

There are deliverance candidates that are suffering from mysterious out of the body slavery. Such victims have complained to us about feeling tired as a result of serving blood and human flesh in the witchcraft coven. Such victims have been forced to do excessive hard work in witchcraft meetings or covens. They often have no power over their body. Having carried out labour in the spiritual realm, they suffer excruciating pain in the physical realm.

8. Milky breast.

There are ladies who have come to complain of strange conditions like having excessive milky breasts or having breast milk oozing out all the time when they are not breastfeeding or when there is no known medical problem. Such a strange condition is an aberration. It is a serious battle that requires serious spiritual handling.

9. Wrong bed-orientation.

There are people who have had the strange experience of discovering a mysterious spiritual inverted bed orientation. The person goes to bed in a normal way and wakes up to discover a strange inverted position. His legs are on the pillow while the head is on the side where the legs were placed. This happens repeatedly. Victims of such strange experiences cannot imagine the powers that turned them mysteriously. It is a serious problem that requires deliverance.

10. Rapist spirit husbands.

This is a very strange experience, some spiritual husbands are very wild and wicked and they rape their victims against their wish. The person wakes up and discovers strange violation and abuse of their womanhood. They experience rape in their dream and wake up tired, despondent and angry with themselves. Some of these victims actually wake up to find the male semen on their private parts.

When they cannot explain this bizarre experience, they run for deliverance. Dealing with a rapist spirit husband is not a task for inexperienced or junior deliverance minister.

CHAPTER 6

INSTANCES OF STRANGE BATTLES

There are instances of strange battles that are common on the deliverance ground. Let us examine them.

1. Inner aquarium.

This is a serious marine attack. We have seen men and women who have come to talk about instances of fishes swimming inside them. They actually hear the splash of the fishes and have tangible feelings of having aquarium stomachs. Such victims have been converted to human aquarium. Whenever the demonic fishes are in sport, the victims begin to feel discomfort and pain. It is a mysterious battle. It must be handled by seasoned deliverance ministers.

2. Bewitched hands syndrome.

Some candidates have suffered the mystery of the bewitched hand. Such people have been brought under the spell of having whatever they touch turns sour. Things would work effectively, but the moment it gets to their turn, whether it is a project, a gadget or an assignment, there will be mechanical fault, an error or the project would suddenly collapse. It is a demonic spell and a tough mysterious battle. This must be handled with uncommon anointing.

3. Adult bed-wetting.

This is a strange spiritual phenomenon. We have come across adults that are beyond 40 or 50 years of age complaining of strange bed-wetting. The victims would regularly dream about urinating. By the time they wake up, they would discover that it was not an ordinary dream. The bed as well as their shorts, pyjamas or night gown, is all wet. Unfortunately, medical science has not been able to find a cure for enuresis. It is strange that medical personnel or scientists have found themselves bed-wetting even at an advanced age. It takes an effective deliverance minister to handle this.

4. Personal rain.

This is a strange phenomenon, but it is real. When some deliverance candidates come to you to narrate their spiritual ordeals, unless you are spirit filled, you

will either get frightened or come up with doubt or unbelief. There are people who experienced what I have termed as personal rainfall. A particular strange rain locates them and falls upon them when there is no drop of rain any other place. When they attempt to tell ordinary people around them that it is raining they wonder if they are hallucinating. But the truth is that demonic powers have attacked certain individuals with the mystery of personal demonic rain. Of course such rains have grave consequences attached to it. Unless the situation is dealt with, victims will suffer all kinds of attendant problems.

5. Personal sand.

This is another mysterious problem. The specific manifestation here is that sand is being thrown at the person by mysterious hands. No one is visible but the attack is real. It is the spirit of the grave at work. To deal with the mystery of personal sand, the deliverance minister must have sufficiently built himself or herself up in prayer, fasting and persistent hunger for the anointing of God.

6. Evil cloud.

This kind of experience is deeply mysterious. The victim is physically surrounded by a dark cloud which cannot be seen by anyone else. Around the victim there is darkness that is produced by the cloud while there is a bright cloud everywhere else.

7. Evil hands and evil feet.

This is one of the most mysterious battles that bring people to the deliverance ground. Here, the victim's hand is converted and made an evil hand. Wherever the victim goes, an evil hand goes with him or her. In the same vein, the victim is made to walk everywhere with an evil feet. When the victim's evil hand participates in a common project, the result is failure. When someone with an evil foot comes into any arena, it will be problem galore. Unless this mysterious problem is handled by a powerful deliverance minister, terrible tragedies will continue to befall the victims as well as their relatives, friends or colleagues.

8. Mysteriously hearing the cry of bush babies.

The ears of the victim often perceive the cry of the bush babies. This crying sounds like a demonic ringtone and the volume is so loud that it would-appear as if some babies that are thrown into the bush are crying with bitterness. This kind of problem is often programmed by wicked powers. If a deliverance candidate tells you that she often hears the cry of babies each time she comes

near a bushy environment, how would you handle it?

9. Instances of satanic birds

This is a strange phenomenon. All kinds of strange birds bombard a particular house and avoid other houses in the neighbourhood. From nowhere, there is a mysterious flight of birds crying in a particular manner and flapping their feathers to show that they are on an evil mission. Deliverance candidates who recount such gory tales can only obtain help when the deliverance minister is competent and anointed.

We recommend you get the book 'Silencing Satanic Birds.'

CHAPTER 7

BATTLES THAT REQUIRE MYSTERIOUS APPROACH

There are uncommon problems or battles that require the use of special anointing. They are listed below.

1. Being pursued by the Sun or the Moon.

Victim of attacks by the moon or the sun require heavy anointing to become free. The Bible recognises the severity of moon and sun attacks. Hence, the Bible says the Sun shall not smite thee by day, neither the Moon by night. Those who are being pursued day and night by the sun and the moon have often lived lives that are turned upside down. It is a mysterious battle that requires a mysterious approach.

2. Satanic drumming or footsteps.

A lot of people are victims of strange satanic drumming. Their eardrums are almost torn apart by strange sounds. They hear strange footsteps with no one in sight. They are restless and their entire life is disorientated by such strange sounds. The sound of mysterious footsteps evokes fear in their heart. They hear palpable drumming sounds. Such people have gone from one place to another before they came for prayer and deliverance. You may not be able to handle such a mysterious problem unless you are fully anointed as a seasoned deliverance minister.

3. Compulsive eating without corresponding growth.

We have seen voracious eaters, who have maintained a lean frame as if they have been starved of food and good nutrients. Such people can devour a mountain of food, yet they appear sickly and malnourished. It is as if some demons are hiding somewhere in their body consuming most of the food and leaving a tiny fraction for the one who has spent a great deal of energy eating non-stop until their jaws began to ache. It is a serious mysterious attack.

4. Instances of disappearance of money, clothes and shoes.

This is another mysterious battle. Clothes, money or shoes belonging to the victim disappear mysteriously. This does not only happen once; it is often a mysterious occurrence. Even when care is taken to secure money, clothes, or shoes locked in a wardrobe or in a padlocked box, the disappearance takes place mysteriously. This problem and the effects that follow I can only be handled with the power of the anointing.

5. Strange odour from the body.

One of the mysterious battles that deliverance candidates face is strange odour from the body. Wherever the victim goes, he or she carries a nauseating odour that no deodorant can subdue. Even when the victim is known to be someone with very good health habits, the odours will come from nowhere. Sometimes it could be a foul smelling odour that is comparable with the odour of bad egg. At other times, it could be the odour that comes from the body of a he-goat. Often times, the odour is sharp and offensive. One of the negative effects of this kind of problem is that the odour has a way of announcing the presence of the victim. It is a condition that cannot be treated by medical science or beauticians who apply all kinds of expensive perfumes. Only the anointing of the Holy Ghost can break such a stubborn yoke.

6. Shadow in the moon.

There are victims of strange shadows. The shadows occur mysteriously even without the rays of sunlight or presence of bright light that can cast a shadow Such shadows follow some deliverance candidates to the deliverance ground.

7. Being carried about in the room when the door is closed.

There are terrible mysteries in the world. Some deliverance candidates have narrated experiences that bother on strange attacks. One of this is the mystery of being carried about in the room when the door is firmly shut and there is no living soul in the room. It requires the raw anointing of God to put an end to such an evil phenomenon.

8. Unexplainable hatred.

This is one of the mysterious battles that require mysterious approach. The victim experiences unexplainable hatred. They are hated for no just cause. When they get to any environment, known and unknown neighbours will just hate them. It is a mysterious battle.

9. Strange sickness that gulps money.

This is a mysterious battle. There are people who are repeatedly afflicted by diseases or ailment that makes them to spend all the money they have and even go as far as selling what they have in order to raise more money. Such sickness would not be cured until a lot of money has gone down the drain.

10. Evil voices.
The problem of some victims is that they keep hearing voices that issues demonic commands. They keep hearing strange voices that tell them to do evil. They would remain restless until they have obeyed the evil command. The person will remain restless until the evil command has been obeyed.

11. **Long term incurable headaches.**
Such victims are kings and queens in the demonic realm.

HOW DO WE DEAL WITH THESE MYSTERIOUS PROBLEMS?

1. Be born again. Ensure that as a minister, you are born again; if not, you may carry a load that does not belong to you.

2. Pray enquiry prayers asking the Lord to show you the secret of what you are confronting.

3. Attack the power base of the problem. Every demon operates under some form of authority. Whatever the demon does is based on the instructions at the base. To destroy a demon permanently, you must be able to destroy that base. If you render a demon useless, the base can send a replacement. If you destroy the base, you have a permanent solution to the problem.

4. Crush the protection of the enemy: Use several weapons against their protection. Even in normal warfare, the gun that can give you surface destruction will be useless if the enemy is the mosquito. The helicopter that brings victory in desert warfare will be useless in the forest. You must ensure that your instruments are tailored according to the terrain of the battle. Of all animals on earth, the animal the Elephant fears most is the rat. Because the trunk cannot catch the rat but can catch the lion and all other animals. The rat can drive the elephant crazy.

5. You must destroy the unity of the enemy: If you want to get rid of demons,

you must destroy their unity.

6. You must melt away their support: To set the captives free you must paralyse the stronghold of the enemy behind the mysterious battles. You can do this by melting away their support.

7. Silence their voices: Mysterious battles have voices. You must silence their voices.

8. Sack their priests: Most human problems have a satanic priest.

9. Bring down their altars. Altars of darkness must be demolished: When you bring down their altars, the structure of their mysterious battles will collapse.

10. Speak in tongues. At any time when you are not sure of what to do; speak in tongue.

1 Corinthians 14:2:

> "For he that speaketh in an unknown tongue speaketh not unto men, but unto God: for no man understandeth him; howbeit in the spirit he speaketh mysteries."

You need a mysterious approach to survive in a mysterious world. If you want to live in a mysterious world without being mysterious, you cannot expect to be victorious.
