Notice of Conditional Acceptance

To first name of notice addressee et al,

For context, you are considered informed that all meanings in this/all communication/s are taken from the Oxford Dictionary of English or as commonly understood by living men and living women, they are not to be confused with legalese or any other language. All character layout, whether capitalised, lower case or a combination of both are what is commonly recognised by living men and women and not to be taken in any other way or meaning. My position in this communication is that of a living man standing under gods law, also known as the creator's law, natural law, common law etc and operating outside the jurisdiction of statutory rules or man-made legislation. I do not work for any state department or the crown or operate under a licence as I do not require permission from another man or woman to run my life peacefully. If you require the meaning or definition of any word, sentence, or paragraph in this document, then this can be done by submitting a written request within seven days, from receipt of this notice.

Greetings first name of notice addressee, a living wo/man acting as ALL CAPITALS NAME: Agent for Company Name who I will hereinafter refer to as "you". "You" shall include all Directors/Officers, staff and all those sub-contracted by Company Name, and shall include all Owners, Directors/Officers, staff of Company Name.

Me, My, or Myself, living upon the land in my body. I: living wo/man have a common calling of add your Common law Name, state and say as follows, that I own the legal fiction "add your ALL CAPITALS NAME".

I, write to inform you of the following:

1. I am a Common Law Court Constable sworn in under the authority of the Common Law Court and I am acting under its jurisdiction and protection, ENFORCEMENT NUMBER (Exhibit 1) *Note Add photo of warrant card – delete this note text*
2. Under Common Law, any claims made against an individual may only be made by a living man or living woman.
3. The Common Law Court, by its very existence is the public interest. Its aims and intentions are always for the public and preserving Common Law rights. It can never be described as having a vested interest.
4. If a statutory authority were to interfere, fail to recognise or abide by a Common Law Court decision or process, this would be a denial of Common Law Rights and a Common Law crime against the people.
5. As you no longer have any authority to deal with YOUR ALL CAPITALS NAME, a legal fiction, you will be aware that any attempt by you to interfere with my legal fiction may be a crime and will result in you being held personally liable in your private capacity.
6. The Declaration of the Common Law Court 3rd January 2019 has been established in a court of record and as a fact in law, during a criminal case (Court Order: CO/DUN/21/1) in McLaggan House, 1 Wurzburg Court, Dundee, DD2 1FB on the 17th October 2021.
7. You will find more information on the Common Law Court Great Britain and International here:

<https://www.commonlawcourt.com>

I, write to inform you of the following:

On *date*, I received the *Company name* letter dated *date* (Exhibit 2). **This letter is addressed to add your name as stated on letter, my legal fiction that you have no authority.** The content is fraudulent, contains unlawful harassment, is offensive and does not apply to me, *add your common law first name* the living *wo/man*.

My private property *add your address* is under the jurisdiction and protection of the Common Law Court Great Britain and International. **NO statutory legislation or statutory court** can enforce statutory legislation against a living man/woman living or against his/her private property and to do so is a criminal offence.

A Trespass Notice (exhibit 3) is displayed at my private property. Those who trespass on my private property including that of my private conveyance or forcibly enter my private home including the garages shall be invoiced in the sum certain amount of two hundred thousand pounds (£200,000). Additionally damages to my private property or injuries to those who live in or to those who are visiting my private property shall be treated as a **CRIMINAL** activity. Those caught trespassing on my private property shall be asked to leave. **Castle Doctrine** shall be invoked if those trespassing on my private property do not leave after being warned.

Evidence of deception and fraud presented against a Common Law Court Constable living at a private property shall add to the seriousness of the crimes that you have already committed.

I require you to provide me with the following details: -

1. The document was sent to my legal fiction and not the living *wo/man*. I obtained my birth and legal fiction from the Common Law Court and have taken ownership of it. As such, I did not give

permission or consent for it to be used. I require you to provide me with the evidence and proof that states you have the authority to use it in this manner.

2. I require you to provide the evidence and proof of the legislation that shows living men and women are required to pay demands for services provided from a statutory corporation. This information needs to be clarified and produced before you proceed.
3. I require you to provide the evidence and proof of authority, jurisdiction and claim over living men and women. Who gave you this authority, jurisdiction and claim? This would be slavery, is a CRIMINAL offence and a crime against the people. I refer you to the Clearfield Doctrine and the Slavery Act 2015.

Administration of Justice Act 1970 Part V

40. Punishment for unlawful harassment of debtors

(1) A person commits an offence if, with the object of coercing another person to pay money claimed from the other as a debt due under a contract, he –

(d) utters a document falsely represented by him to have some official character or purporting to have some official character to which he knows it was not.

You say that my agreement is not required before any of the actions stated in your letter take place but, I point out to you that consent makes the law, “CONSENSUS FACIT LEGEM.” I refer you to *Cruden v Neale* (1796) where it was stated: -

“There, every man is independent of all laws, except those prescribed by nature. He is not bound by any institutions formed by his fellow man without his consent.”

The crimes of Personage and Barratry are being perpetrated against me. I am not a corporate entity, a dead legal fiction, and, as such, no charges or action can be taken against me, the living man, under the false pretext that I am a legal fictional entity. False misrepresentation, deception and fraudulent activity is taking place.

Your actions are deemed to be harassment and are placing me under duress. A wrongful trespass is being made against my property and is a threat upon my sovereignty as a living man. This is a tort and criminal coercion. Please be aware that it will be you, the living man, who will be held liable and accountable for these wrongs.

Coercion, and coercive activities, are an attempt to bind living men and women into slavery. This is a crime, and the private for-profit corporation, is party to it. I require you to provide me with a copy of your compliance policy for the Slavery Act 2015.

It is the living men and women, acting as agents for your corporation, who will be held accountable in their own full private and individual capacity for crimes perpetrated against the people. They are acting ULTRA VIRES, committing malfeasance in public office and guilty of crimes against the people.

There is NO statutory legislation or statutory court which can be used to prosecute a living man/woman. The enforcement of statutory legislation against a living man/woman is a criminal offence.

Any person enforcing statutory legislation against a living man/woman would be guilty of breaching their inherent birth rights under common law and the Slavery Act 2015.

The United Nations Universal Declaration of Human Rights 1948 also confirms that any person enforcing statutory legislation against a living man/woman would be guilty of breaching the following articles:

Article 4

No one shall be held in slavery or servitude; slavery and the slave trade shall be prohibited in all their forms. (this includes the use of the legal name/fictitious name)

Article 7

All are equal before the law and are entitled without any discrimination to equal protection of the law. All are entitled to equal protection against any discrimination in violation of this Declaration and against any incitement to such discrimination. (this includes discrimination against a living man/woman)

Article 12

No one shall be subjected to arbitrary interference with his privacy, family, home, or correspondence, nor to attacks upon his honour and reputation. Everyone has the right to the protection of the law against such interference or attacks. (this includes their standing as a living man/woman).

Article 18

Everyone has the right to freedom of thought, conscience, and religion; this right includes freedom to change his religion or belief, and freedom, either alone or in community with others and in public or private, to manifest his religion or belief in teaching, practice, worship, and observance. (this includes their right to stand under the authority and jurisdiction of the Common Law Court, in practice and observance with others)

Article 20

No one may be compelled to belong to an association. (this includes becoming a citizen of a country or a society).

ANY PERSON ENFORCING STATUTORY LEGISLATION AGAINST A LIVING MAN/WOMAN WILL BE GUILTY OF COMMITTING CRIMES AGAINST THE PEOPLE, UNDER COMMON LAW AND STATUTORY LEGISLATION.

THEY WILL BE HELD PERSONALLY LIABLE FOR DAMAGES.
