CHAPTER 1

The things Evil Altars Do

If you have read Book 1, you will understand that we dealt with breaking evil altars from a different perspective. If you have prayed the prayers that are contained in this book, you would understand that altars must be broken. But in this book two, we are going to be breaking evil altars through a different revelation standpoint.

Before we get into the main contents of the book, let me tell you what altars do. Many people do not understand what altars do whether they be good altars or evil altars. Each altar that has been raised has something that it does. When it was time for Gideon to move, the first instruction that the Lord gave to him was go, pull down the altar of Baal that is in your home. As a result of the jealous ways that the people protected that altar and the fear of the backlash that the breaking of that altar would result, he decided to embark on that all-important task of breaking that altar by night because he knew that the people would do something. He pulled down that altar of Baal and the men that kept watch over that altar came to fight for it. They wanted to have the head of Gideon, the son of Joash, just in the same way that the daughter of Herodias had the head of John the Baptist in a charger as though meat was lacking in the market. It was the singular wisdom that the Lord placed in the mouth of Gideon's father that delivered him from the hands of the men that wanted him dead. Let Baal plead for himself.

Judges 6:31-32

> *And Joash said unto all that stood against him, Will ye plead for Baal? will ye save him? he that will plead for him, let him be put to death whilst it is yet morning: if he be a god, let him plead for himself, because one hath cast down his altar.*
> *32 Therefore on that day he called him Jerubbaal, saying, Let Baal plead against him, because he hath*

thrown down his altar.

The men returned and bothered Gideon no further. *Every altar that you see releases one constant element,* ***Power***. It could be the power of God or the power of the enemy. There is no altar that you can see that's without one form of power or the other. The power that comes from that altar can determine what happens to the life of an individual. As a result of the power that was coming out from the altar of Baal, Gideon was limited. A mighty man of valour yet unknown in Israel. The power can limit the members of the family which is why no one was known in the family of Joash. God knew that power was coming from that altar so he gave a command to Gideon to pull it down. Even though God knew that Gideon was a mighty man of valour, but he told him, as long as that altar of Baal that served as a limitation to your life and the life of your family is still standing, you will go nowhere, so Gideon, Go and pull down that altar.

Judges 6:25-26

> *And it came to pass the same night, that the Lord said unto him, Take thy father's young bullock, even the second bullock of seven years old, and throw down the altar of Baal that thy father hath, and cut down the grove that is by it:*
> *26 And build an altar unto the Lord thy God upon the top of this rock, in the ordered place, and take the second bullock, and offer a burnt sacrifice with the wood of the grove which thou shalt cut down.*

Friends, every altar that you see or have known has a power and it can limit you. It was until Gideon destroyed it, the power that was coming from the altar of Baal was going to release the same limiting power over the life of Gideon like it did to his father. So God said, take it down.

This is where many believers have missed it. They have not known that there is an altar that has been planted to keep them where they are or stop them from going to the place that God wants them to be. Even if that altar didn't stop them from moving forward, one of the things that the altar will do is to serve as a source of distraction for their life and destiny. The power of the altar will continue to release one form of distraction or the other. It could be that the altar

releases the power of financial scarcity or want. They would progress in every area or endeavour but they will continue to suffer from financial shortage or want.

Others have altars that limited their lives. Some before they achieve things for the Lord they could be cut-off before their time. Any altar that you have failed to destroy could become the problem of your life tomorrow. You may arrive at that destiny but that altar will never give you any form of rest. God didn't want Gideon to suffer from that so the first thing he told him is to go and bring down that altar so that when I set you forth before my people, nothing will distract you from serving me. And I want you to look at the scripture whether Gideon was distracted in his assignment. He went ahead to achieve great things for the Lord because all the element of distraction that could have limited his life and destiny have been dealt with by the instruction that the Lord gave him to go and destroy the altar of Baal that was in his father's house.

This book is not about dealing with family altars, but altars generally whether they have family origin or not. The example of Gideon happens to be apposite at this moment.

Some of us don't understand the power of altars. Now, I am not trying to scare you but to tell you so that you can know what to do to stop the altar from rising against your life. Balak knew that altars have power so he invited someone who could raise one to curse the people of Israel. The first thing that Balaam asked Balak to do is for altars to be erected. Build me seven altars so that whatever I say against the life of these people would work. If not that the Lord has warned him, he would have released the power of that altar upon the life of the Israelites.

Altars release bondages and yokes. Some altars are primarily made to release bondage and yokes upon the lives of the people it was directed to attack. Once that altar is activated over the life of the person, he would continue to live in bondage until that altar is broken. It can be the yoke of infirmity or sickness. So that the person against whom the altar was raised will continue to struggle with sickness throughout his life until the day he decided to say that enough is enough and rose against that altar to have it destroyed. Sometimes when you see people going through situations that can't be explained, bondage that has kept them bound for such a long time, an altar may have been working against their lives.

Before I say this, let me try and create a bit of balance so that no one takes my teaching out of context. There is some behaviour such as smoking and drinking that could be as a result of the influence of demons. Yet it is not all the time that a person is going through things like this that a demon is responsible. Sometimes, altars can release their power so that a person can be kept under the bondage of the devil. One of the ways to know that a person is suffering from the bondage of an evil altar is when the person is making every effort to be free but it seems like the more he tries to free himself from the yoke of that bondage, the more he sinks deeper in it. You see some people saying they won't drink alcohol again but the next moment, they are drinking heavily and if they manage to gain sobriety for a while, they will soon return to their lifestyle. An altar is responsible for what is happening to them.

Anything that they are doing from the outside is just a shadow dressing without treating the main problem from the root. The only time that these people will become free is when the altar that is responsible for controlling their lives ceases to function and this can happen when that altar is pulled down through the power of prayer or any one of the ways that we have discussed in this book.

Beyond keeping people in bondage, *evil altars releases curse on the lives of people*. That is one of the powers of evil altars. Both demonic and satanic altars have the power to release curses. But one of the altars that releases the power of curses on the lives of people is the altar that is from man. We saw earlier in the book of Numbers how that Balaam was procured to curse the children of Israel and the first thing that he demanded was that an altar should be raised so that he could begin to curse. If not that God has commanded him not to curse the people, he would have release curses on the children of Israel. A curse is any word, backed by power or authority to achieve a particular objective in the life of a cursed person. Except where there is a legal ground, a curse that is not backed up by an altar is not going to work against the life of a person. For instance, if you did something wrong to a person, he can curse you and the curse may work because there is a legal ground upon which the curse can find expression. If there is no legal ground, then the curse must come from an altar because it is only the power of that altar that can make it work in the life of a person without a legal ground. If I am teaching something too deep, just let me know so that I can slow down.

Numbers 22:12

> *And God said unto Balaam, Thou shalt not go with them; thou shalt not curse the people: for they are blessed.*

We saw the story of Balaam in the Bible and how the Lord told him not to curse the people. Why? God knew that if the curse is coming from an altar, it would affect the Israelites so he told him, you shall not curse the people.

Evil Altars also release spells on the lives of people. The aim of a spell may be different depending on the type of altar and what it has been sent to achieve. A spell can make someone to behave in a certain way or manipulate the person. The free will of the man is often suspended and the man would be acting under the influence of that spell. These spells can be released against the life of a person and the man or woman can be manipulated into doing what the altar wants him or her to do.

Beyond spells, evil altars also release marks upon the lives of people. There is the mark of death or mark of affliction that an evil altar can release against the life of a person. The altar will continue to keep the person bound. The altar will set the person apart, and mark his life with a particular distinguishable feature throughout the life of the person except that evil altar has been broken. The evil altar can also make the life of a person to carry death so that wherever the person goes, death will continue to follow him. That death will become one of the features of his life. An evil altar can make the life of a person to reflect a particular mark so that whenever this person is remembered, it will be that particular mark that the person will be known for. For instance, if that evil altar is releasing death on the life of a person, the person will continue to have near-death experiences so much that when the person is called, you can almost hear people say, oh that person that is always getting into accidents? That is the work and the power of an evil altar and these are some of the things that evil altars do which is why whenever it is time to pray, you have to pray with the whole of your heart effectively. If you do so, you will have that evil altar broken off your life and destiny.

CHAPTER 2

Ways to Recognise Evil Altars You've Never Knew

Nothing can be further from the truth. If I didn't tell you how to identify evil altars, then this book would be incomplete. How would you even know when an evil altar has been raging against your life? You can only begin to wage war against the works of an evil alter when you can know that the altar exists. And this is what this chapter focuses on, to help you identify evil altars and begin to fight it through the principles and the power of prayers that is contained in the pages of this book.

Patterns

When you begin to notice that some things are patterns in your life, an evil altar could be responsible for it. This pattern can follow a particular trajectory that you would know. For instance, there is a particular sickness that once a person gets infected with the sickness, he would die. That is a pattern and sometimes the patterns can come in different seasons of the life of the person who has been suffering from the patterns. It could be that once the person is about to experience a certain level of breakthrough, something must happen that would hinder it from coming to pass. It could be that he would fall sick and when he fell sick, that breakthrough is nullified and prevented from coming to pass. That is the power of patterns. Some patterns work with programmable evil altars so that once a person is about to achieve a particular thing in life, the altar would manifest and the person is grounded. If the pattern is in the family, it may be that people die at a certain age, let's say fifty. Once they are at that age, something would happen that is going to cut them off before their time.

That is one of the ways to spot an evil altar that is working in your life or the lives of people around you. These patterns should immediately be arrested by the power of prayer and destroyed for the life of the person to be free from the limitation that is surrounding him. Patterns can be broken. If a pattern has been standing in your life and has been hindering you, it may be because you haven't risen to the task of breaking and demolishing that pattern. Whenever you have woken to the responsibility of praying and fighting what that pattern has been doing in your life that is the time that it will begin to break. Evil patterns are mostly the offshoots of evil altars. Whether it's the pattern of death, financial attacks, or ill health that follows a path in your life or the lives of people around you, then that is a pattern and the destruction of it will lie in what you have decided to do with the revelation that you have received from this book.

The fingerprint of every evil altar that has a pattern always follows a particular path. Once you can see the path, you know that there is an evil altar that needs to be destroyed. This is perhaps one of the commonest ways of detecting evil altars in the life of a person. As I am talking to you now, some of you are beginning to determine that evil altars are responsible for some of the things you have been experiencing in your life. And as a child of God, what you do with revelation is key to your freedom. Even after discovering that there are patterns in your life

that are symbolic of evil altars and you decided to take no action, your captivity will continue to remain. If upon discovery of that evil altar, you took a bold step of breaking it then your freedom is guaranteed.

I was discussing with a sister in the Lord who has been having consistent relationship failure for two years. She told me that each time she gets into a relationship, the man would begin to hate her and the relationship won't work. I immediately knew that it was an evil altar that was responsible for the frustration that the sister has been undergoing and unless that has been broken through the power of prayer, she will continue to remain in bondage. This was a pattern that was consistently occurring in the life of this sister in Christ. No one will hate her until she enters into a relationship. As long as a relationship is not in view, she won't be hated. But the moment she enters into a relationship, hatred starts. This is an evil altar in the life of the sister in the Lord, and it needs to be destroyed. It follows a particular pattern in her life, and it has been causing a lot of havoc to relationships that will lead to marriage.

Stubborn Stuff

Before I go into proper teaching of the subject, I would love to create a balance early on. This is necessary so that no one begins to think that once the situation is stubborn, it must be an evil altar that is responsible for it. It is not every situation that looks difficult and tough that has an evil altar as the foundation of it. But once you have done everything necessary to be done and the situation has persisted, it is good for you to do a proper examination whether an altar is responsible for what you are going through. Let me give you an example. You give your tithe and you still discovered that your finances are under attack despite all your efforts in doing what the Bible requires of you. You have prayed, and it seems that the situation keeps going off and on. Once you have prayed intensively at a particular time, you will notice that the attack stops for a season. Then after a while, you begin to struggle with your finances again. This could be that there is something that is powering that attack which must be destroyed from its roots. What may be responsible for that attack could be an evil altar. That is the reason why we need to create a balance when we started discussing this small subhead so that nobody thinks that once something is stubborn in life, it automatically becomes an evil altar. That cannot always be true.

But situations that seem to be immune to remedies or solutions can be an indication that an evil altar is responsible for it.

When you have prayed over something and it doesn’t seem to change, it is instructive that a change of approach may be necessary. This is one of the ways to deal with an evil altar that has an embedded stubbornness in it. If you have been praying and fasting over an evil altar and nothing changed, then there is something that you do not know or you are not doing which if you begin to do, that altar will crumble.

If prayers have been going on for a period, and the situation hasn’t changed, worship or the power of sacrifice can make a difference. This is how to deal with evil altars that are very stubborn. We will talk about this method of handling evil altars in subsequent chapters but when an evil altar has become too tough to deal with, change your approach and you will begin to see a difference.

The revelation about Evil Altars

Whatever has been revealed, it will be handled. The power of every attack of the enemy is in its secrecy. Once the secret has been revealed, the attack of the enemy can be dealt with in the place of prayer completely. Which is the reason why as a child of God you need the revelation from the Lord to understand certain things that are happening around you. When Daniel was confronted with what to do, the Bible said he went to seek the face of the Lord and the thing was revealed to Daniel in the dream of the night.

Daniel 2:19

> *Then was the secret revealed unto Daniel in a night vision. Then Daniel blessed the God of heaven.*

When the devil wanted to destroy the life of Jesus when he was still a baby, the secret of that attack was revealed to Joseph in the dream of the night.

Matthew 2:13

> *And when they were departed, behold, the angel of the Lord appeareth to Joseph in a dream, saying, Arise, and take the young child and his mother, and flee into Egypt, and be thou there until I bring thee word: for Herod will seek the young child to destroy him.*

As a child of God, your ability to understand revelation that the spirit impresses on your heart is very important because it can mean the difference between freedom and captivity. The truth is that the Lord is always speaking to us about all the plans of the enemy against our life. The problem has been a failure to comprehend the revelation that the Lord has given us. And even when we understand it, we sometimes give it our interpretation without going back to the giver of the revelation to understand what it means. And whenever you decide to give any revelation personal interpretation, you will miss the essence of what the Lord is trying to communicate to you.

Which is the reason why you always hear some believers exclaimed after the

event that was revealed to them occurred, they say, oh this is what the Lord was trying to tell me through the revelation I saw the other day. If the Lord has shown you something, who should have a better understanding of what was shown to you than the Lord himself. You need to go back to him so that he can reveal to you what he has shown you. Except if what the Lord has shown you have a clear interpretation in it.

If you are a believer and the Lord always shows you revelation through the dream of the night or vision, you can pray that the Lord should always give you an interpretation of whatever he is showing you in the same dream or vision.

Friends, there is no better way to identify an evil altar than having a personal revelation from the Lord. It is the revelation that the Lord gives you through the Holy Spirit that you can recognise an evil altar that is operating against your life. An evil altar can be operating against your life and masquerading as something else without your knowledge. And you were thinking that it may be something else that has been attacking you. But as you prayed, the Lord revealed it to you that what you have been considering as a mere attack from the enemy, is an evil altar. And as we have said before, when the hidden mystery of a thing has been revealed, it will no longer have power over you because the solution is in your hands.

Never take for granted the revelation that the Lord shows you. God always reveals to redeem. If he shows you anything is because he wants it to be stopped from manifesting.

Belonging to a covenanted family

If you belong to a family where there have been some evil practices from past generations to the present one, doubtless, you will have an evil altar already standing against your life. And the earlier you begin to start praying to destroy those evil altars, the better for you. It is that simple, it is impossible to enter into a smoky environment and stay there for a while, without smelling of smoke. Having interacted with such practices, those altars will be working against your life. If your father or your family members have been deeply rooted in the practice of witchcraft or voodoo or as some would call it in Africa black magic or native doctors, then that altar is automatically standing against your life. In case you are reading this right now and you know that in your family, some of these evil practices have taken place in the past or present, it is time to begin to do something about these evil altars.

It is not your fault that you were born into a family deeply rooted in practices that attracted these altars to your life, it will only be your fault when you have known that these altars are standing against your life and you did not do anything about them. We do not choose the family we will be born into. But we have the right in Christ to choose what we will become in that family. Jesus came from the family of Judah, it was the same Judah that joined in the decision to sell Joseph to the Ishmaelite's. It was the same Judah that went to sleep with a harlot (Genesis 38:1-2). Jesus was born in Galilee and became a mighty prophet that ever existed on the face of the earth. One of the reasons why the Pharisees struggle to believe in the ministry of Jesus was because they have understood by the Scriptures that, prophets do not come from Galilee (John 7:52).

The fact that Jesus came from this background did not prevent him from fulfilling the calling that the Lord has placed upon his life. Where you come from may affect you, but it has no power to limit you. It will only limit you if you have decided and resolved within yourself to allow it to do so. And this is where many a believer has found himself because he simply allowed his background as an excuse for preventing him from fulfilling his destiny. This is not to belittle the fact that coming from a background where evil altars exist, will not constitute a challenge to the life of the believer. That is not what we mean.

Once you have been born into a family that has interacted with evil altars, that is

one of the challenges you will be facing in your life. And when you begin to confront these altars early in life, before the time of your breakthrough comes you would have destroyed them. But the challenge is when we know that evil altars are existing but we shy away from the responsibility of praying to destroy them. That becomes a problem in itself.

Friends, the moment you notice that you come from a family that we have been talking about under this subhead, you don’t need a prophet to prophesy to you that an evil altar is already standing against your life. What you need is to take spiritual responsibility for your deliverance. If it is prayer, you need to pray. If it is worship, you need to worship. If it is the power of sacrifice, you need to offer it willingly as a fragrance offering unto the Lord for your liberation from that altar. Failure to do the needful as a child of God will leave you struggling through life with that altar.

Which is the reason why you see a lot of believers going through difficult moments in life when they should be enjoying the grace of God. The reason is simple, there are evil altars that they haven’t destroyed.

CHAPTER 3

The Power of Sacrifice

The basis upon which every altar is standing is the power of the sacrifice that was offered on that altar. The stronger the sacrifice that was offered for that altar, the stronger the altar will be.

For altars, sacrifice is the foundation upon which every altar is standing. Without sacrifice, that altar will not stand. And even if the altar stands, the power it will bring out or its effect will be very minimal. The reason is simple, no sacrifice is powering that altar. The patriarch of old understood the principle and the power of sacrifice that is why where ever they go to, they build an altar to the Lord and offer a sacrifice.

Genesis 8:20

> *And Noah builded an altar unto the Lord; and took of every clean beast, and of every clean fowl, and offered burnt offerings on the altar.*

It wasn't a foolish principle that they were observing. It was a spiritual principle that the Lord had taught them. When Balak was invited by Balaam to curse the children of Israelites, one of the first demands he made was for an altar to be built and sacrifices to be made upon that altar that he would use to curse the children of Israel. Balak knew that without sacrifice, the altar he would use to curse the children of Israelites won't work because there will not be any power to make that curse effective.

Numbers 23:1-2

> *And Balaam said unto Balak, Build me here seven altars, and prepare me here seven oxen and seven rams.*
> *2And Balak did as Balaam had spoken; and Balak*

> *and Balaam offered on every altar a bullock and a ram.*

In the battle on Mount Carmel when Elijah wanted to destroy all the prophets of Baal, he requested for an altar to be built and for sacrifice to be offered on the altar (1 kings 18:22-36). He offered the sacrifice and when the fire came, it consumes everything upon the altar.

When the father of Samson wanted to appreciate the angel that broke the news about the birth of Samson, he urged them to offer a sacrifice to the Lord.

Judges 13:15-16

> *And Manoah said unto the angel of the Lord, I pray thee, let us detain thee, until we shall have made ready a kid for thee.*
> *16 And the angel of the Lord said unto Manoah, Though thou detain me, I will not eat of thy bread: and if thou wilt offer a burnt offering, thou must offer it unto the Lord. For Manoah knew not that he was an angel of the Lord.*

When you look through your Bible, you will discover that many saints of old offer sacrifices to the Lord. And many of them in the times of trouble would call upon the Lord to remember their sacrifices and their burnt offering.

And one of the ways to deal with an evil altar is through the power of sacrifice. It doesn't matter what type of altar that may be limiting your life if you can understand the power of sacrifice, that altar can crumble right before your face. Whether it is the altar of financial limitation, barrenness, infirmity, generational curses, failure at the edge of a breakthrough, the altar of disfavour, altar of negative spiritual marks, altars with seasonal manifestations, and altars of death. Sacrifice has the power to destroy these altars.

If you have read my previous book, Breaking Evil Altars you will discover that it centres on one of the ways to destroy evil altars – prayer. As powerful as prayer is, it is not the only remedy for the destruction of evil altars. Evil altars can also be destroyed by the power of your sacrifice. It is not something that has to do with 21 days of fasting and prayer. That is one of the ways of dealing with

evil altars. What we are discussing here is offering to the Lord a sacrifice that has the power to counter what that evil altar is doing. When the believer offers to the Lord a sacrifice, an altar is erected in the realm of the spirit that can speak against every other altar that is speaking against that believer.

The sacrifice could be in money, cash or even kind that is offered to the Lord. The most important thing in sacrifice is you do as the Holy Spirit leads you. Hey, I want you to calm down. The moment you hear something about sacrifice, some of you might be thinking that brother Pius is preaching money. But if this is not backed by Scripture, it will be heresy for me to teach you. And if I haven't been practising it, it will be vain for me to teach what I haven't applied in my life.

2 Samuel 24:24

> *And the king said unto Araunah, Nay; but I will surely buy it of thee at a price: neither will I offer burnt offerings unto the Lord my God of that which doth cost me nothing. So David bought the threshingfloor and the oxen for fifty shekels of silver.*

Whatever sacrifice that you may be offering, the guiding principle is that it should cost you. So the power of sacrifice is not in the amount of money you give to God. The power of sacrifice is not in the value of the car you give to God. The power of sacrifice is not in the large quantity of what you are offering to the Lord. The guiding principle of sacrifice is the cost of it.

I have been speaking about sacrifice, let me explain to you what it means. Sacrifice is anything that a believer offers to the Lord that cost that believer something.

Why did we regard the blood of Jesus as powerful to cause principalities and powers to bow or a name that at the mention of it, demons flee? It is because someone sacrifices life, Jesus, so that his blood would become a sacrifice for the sins of many. What did the sacrifice of washing the sins of men on the Cross of Cavalry cost Jesus? The answer is simple, his life.

John 12:24

> *Verily, verily, I say unto you, Except a corn of wheat*

> *fall into the ground and die, it abideth alone: but if it die, it bringeth forth much fruit.*

The more the cost of the sacrifice, the more the power and potency of that altar.

2 Kings 3:12-19

> *12 And Jehoshaphat said, The word of the Lord is with him. So the king of Israel and Jehoshaphat and the king of Edom went down to him.*
> *13 And Elisha said unto the king of Israel, What have I to do with thee? get thee to the prophets of thy father, and to the prophets of thy mother. And the king of Israel said unto him, Nay: for the Lord hath called these three kings together, to deliver them into the hand of Moab.*
> *14 And Elisha said, As the Lord of hosts liveth, before whom I stand, surely, were it not that I regard the presence of Jehoshaphat the king of Judah, I would not look toward thee, nor see thee.*
> *15 But now bring me a minstrel. And it came to pass, when the minstrel played, that the hand of the Lord came upon him.*
> *16 And he said, Thus saith the Lord, Make this valley full of ditches.*
> *17 For thus saith the Lord, Ye shall not see wind, neither shall ye see rain; yet that valley shall be filled with water, that ye may drink, both ye, and your cattle, and your beasts.*
> *18 And this is but a light thing in the sight of the Lord: he will deliver the Moabites also into your hand.*
> *19 And ye shall smite every fenced city, and every choice city, and shall fell every good tree, and stop all wells of water, and mar every good piece of land with stones.*

This was a battle that Jehoram and Jehoshaphat fought. But Jehoshaphat has

been a man who loves the Lord, remembered that they needed to seek the face of the Lord before going into the battle. So they began asking if there is a prophet that they could enquire of the Lord. The name of Elisha, being a prominent prophet was mentioned. They decided to enquire the counsel of the Lord concerning the battle they wanted to go and fight. I want you to look critically at what the Lord told them because this is very foundational to what I am about to teach you.

Elisha being a prophet that hears from the Lord, he was able to communicate the counsel of the Lord which was to the effect that they would be successful against the Moabites. They went to fight this battle against the Moabites and as the word of the Lord has gone ahead of them, they were successful against the Kings of the Moabites.

2 Kings 3:21-27

> *And when all the Moabites heard that the kings were come up to fight against them, they gathered all that were able to put on armour, and upward, and stood in the border.*
> *22 And they rose up early in the morning, and the sun shone upon the water, and the Moabites saw the water on the other side as red as blood:*
> *23 And they said, This is blood: the kings are surely slain, and they have smitten one another: now therefore, Moab, to the spoil.*
> *24 And when they came to the camp of Israel, the Israelites rose up and smote the Moabites, so that they fled before them: but they went forward smiting the Moabites, even in their country.*
> *25 And they beat down the cities, and on every good piece of land cast every man his stone, and filled it; and they stopped all the wells of water, and felled all the good trees: only in Kir-haraseth left they the stones thereof; howbeit the slingers went about it, and smote it.*
> *26 And when the king of Moab saw that the battle was too sore for him, he took with him seven*

> *hundred men that drew swords, to break through even unto the king of Edom: but they could not.*
> *27 Then he took his eldest son that should have reigned in his stead, and offered him for a burnt offering upon the wall. And there was great indignation against Israel: and they departed from him, and returned to their own land.*

The king of Moab wanted to urgently save his life from the onslaught of the children of Israel. When he discovered that he couldn't run away, he took his eldest son who should become King after he dies, and slew him, offering his eldest son as a sacrifice. Look at what the Bible says subsequently in that verse 27, that there was great indignation against Israel and they couldn't kill the King of Moab because of the power of the sacrifice that he offered on that day.

Friends, it is the power of your sacrifice that determines what type of altar you can break with it. If the evil altar that you want to break is very powerful, you may require a higher level of sacrifice to destroy it. That does not mean you have to offer billions of dollars to have that altar destroyed just because you want to offer a sacrifice to the Lord. One of the things you need to know when offering sacrifices to the Lord is that each person is to offer according to his capacity. A hundred dollars sacrifice may be costly to one person, to another it may not. When he gives that hundred dollars to the Lord, it doesn't cost him anything. Someone else, twenty dollars could mean a huge sacrificial seed. Each person is to make a sacrifice to raise an altar according to the way the Lord has blessed him. There was a time in my life that I was struggling financially, and if I offer a $10 seed to the Lord as a sacrifice, it will mean something. But now that the Lord has blessed me, if I offer a $10 sacrifice to him it won't cost me.

Friends, understand that the power of sacrifice to destroy evil altars is not in the amount of money you offer to the Lord or the type of seed you sow. What is important is the cost. Did you feel anything when parting with that sacrifice? If you feel something, then it will help in raising an altar for you. If you don't feel anything when you let that seed go, it will still build an altar for you but how powerful will that altar be is the question you should be considering in your mind.

The guiding principles of sacrifice

The living sacrifice

Romans 12:1-2

> *I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service.*
> *2 And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God.*

God will not accept the sacrifice of anyone who is not his own. It is a sacrifice of his children that he accepts. Even for his children, there is a condition that he requires for all of them to offer sacrifice to him. The Scripture we have seen under reference says that we are to offer ourselves as a living sacrifice, holy and acceptable unto the Lord. There is nothing that makes your sacrifice more potent and powerful than when you have already offered yourself to the Lord as a living sacrifice. Anything else would amount to trying to bribe God just because you want to have an evil altar destroyed. And do you think he would accept that sacrifice from your hands? Certainly, no!

A sister in Christ once shared with me that she gave an offering to the Lord and in the dream of the night, she saw her pastor who came and returned the offering she gave to the Lord while in church. The implication of the dream was simple, the Lord had rejected her offering.

As children of God, it is important for us not to try and play with the Lord. The Bible makes us understand that if you want to play with God, he knows how to play you very well.

Psalms 18:26

> *With the pure thou wilt shew thyself pure; and with the froward thou wilt shew thyself froward.*

The Manner of Presentation

How you offer your sacrifice to the Lord to destroy evil altars is very important. God is not a beggar, so you don't offer anything to him in a careless manner. The Lord had to reprove the children of Israel several times when they try to offer unto him offering that had blemishes or offer to him unacceptable things. He had to even tell them that the cattle on the thousand hills belong to him and if he was hungry, he wouldn't tell them. If he was thirsty, he won't tell them. Your sacrifices if it is money, should be properly packaged and offered to the Lord with reverence.

God rejected the sacrifice of Cain because of the way he presented it to him.

Tell it what you want

Whenever it comes to God, it is good to be specific. And whenever you want to raise an altar through the power of sacrifice to handle all the evil altars that have been raised against your life, the best thing to do is to be specific concerning that sacrifice that you want to offer to the Lord. What do you want the sacrifice you are about to give to do? Deal with the altar of death? Or the altar of financial limitation? Is it the altar of seasonal attacks? Whatever type of altar that you want the sacrifice to deal with that is what you should tell the Lord. Do not offer your sacrifice by saying that you want it to fight your battles. What is the specific battle that you want the sacrifice to fight? You have to mention it. Tell the Lord in simple terms, I want the sacrifice that I am giving to you today to destroy the evil altar of death in my family. Or I want this seed that I'm giving right now to raise an altar that will crumble the altar of financial disfavour.

And you do that when you are about to offer that seed to the Lord. Give that sacrifice an assignment that you want to achieve. This is in line with the scriptural principle that tells us that, we should ask and it shall be given to us. Even though God is aware of your need, there is an obligation hoisted on you to ask specifically what you want him to do for you whenever it comes to sowing seed to raise spiritual altars that will destroy an evil altar which has been attacking your life. You need to be specific concerning the assignment you want that sacrifice to do for you.

This is very important because whenever the sacrifice that you have offered begins to manifest through the destructions of all the evil altars that are against your life, you can know it.

Do it with a revelation

Offering sacrifice to destroy evil altars is not something you do to fulfil a ceremonial obligation. You don't do it just because you feel like doing it. Whenever you do any spiritual exercise with understanding, it makes it very potent. You need to tell yourself this, I am not offering that sacrifice to the Lord just because I have seen others do it neither am I offering the sacrifice to the Lord to prove a point that I can offer something to God. I am doing this with the understanding that the sacrifice I am offering to the Lord will destroy the evil altar of limitation that has kept my life in a single spot for many years.

It is understanding that will make your offering effective against all evil altars fighting you. The reason why some of the spiritual exercises we do does not carry any spiritual weight it is because we are doing it as a result of the fulfilment of a customary obligation. I am just doing it because I know I ought to do it. That kind of mindset will limit the power of your sacrifice to build an altar for you. You can say this or have your mind armed with this if the King of the Moabites offered a sacrifice of his son that led to the cessation of the war against him, then I am not doing this to fulfil all righteousness. As I give this offering to the Lord as a sacrifice, it will also cause the cessation of all evil altars that have risen against my life. This is how to offer a sacrifice to the Lord with understanding. Anything short of these can make your sacrifice not to be effective.

Start where you are

When we talk about building an altar through the power of sacrifice, many believers think that it is only for those who have lots of money. But as we have seen from scriptural truths about the power of sacrifice, you don't need to be super rich before you can offer sacrifice to the Lord for the destruction of evil altars. You can start just where you are. We have said earlier that the power of every sacrifice is not in the amount given to the Lord or in the quantity of what was offered. What is important when it comes to offering sacrifice to the Lord to build an altar so that it can fight our battles or destroy the evil altars against your life is cost. The costlier the seed, the more effective it will be.

Mark 12:41-44

> *And Jesus sat over against the treasury, and beheld how the people cast money into the treasury: and many that were rich cast in much.*
> *42 And there came a certain poor widow, and she threw in two mites, which make a farthing.*
> *43 And he called unto him his disciples, and saith unto them, Verily I say unto you, That this poor widow hath cast more in, than all they which have cast into the treasury:*
> *44 For all they did cast in of their abundance; but she of her want did cast in all that she had, even all her living.*

One dollar can be something great and powerful if it is offered as a costly sacrifice. Ten dollars can also be powerful enough to raise an altar for you if it is offered genuinely with a heart of sacrifice.

It is very possible to live with an existing altar throughout your life so that whenever the battles of life come they are meeting an already burning altar of sacrifice waiting to confront them. And you do this by offering sacrifices to the Lord continually. In this case, you don't need to wait until there is an evil altar before you offer your sacrifice to break it. You have decided to make your life one that is garnished always by the power of sacrificial giving to the Lord that

whenever something in life comes up, that altar of sacrifice will speak for you.

Acts 10:1-4

> *There was a certain man in Caesarea called Cornelius, a centurion of the band called the Italian band,*
> *2 A devout man, and one that feared God with all his house, which gave much alms to the people, and prayed to God alway.*
> *3 He saw in a vision evidently about the ninth hour of the day an angel of God coming in to him, and saying unto him, Cornelius.*
> *4 And when he looked on him, he was afraid, and said, What is it, Lord? And he said unto him, Thy prayers and thine alms are come up for a memorial before God.*

When the angel of the Lord came to Cornelius in the book of Acts, he told him that his prayers and sacrifices have come before the Lord as a memorial. If you look at that Scripture under reference, it wasn't talking about a one-time giving that Cornelius did. It was referring to several sacrifices which Cornelius did and it has become a memorial before the Lord. It was the sacrifice that he had been doing over a period that triggered the release of an angel to him. Which as a result of that, led to Peter seeing a vision while he was praying on top of the roof (Acts 19:11-19). One single act of sacrifice sparked off many chain reactions in the realm of the spirit.

Friends that is the power of continually building altars before the Lord. Whenever an evil altar is raised against you, the sacrifices you have been continually making before the Lord would speak to destroy that evil altar that is attacking your life. This is not to say that you should not offer sacrifices to the Lord to destroy specific altars that have risen against you. You can still do that. However, if the lifestyle of sacrifice become something you do regularly, some evil altars can never rise against you. Before they arise, you already have an altar in the realm of the spirit through your lifestyle of sacrifice that will destroy that

evil altar. This is a great mystery if only we can learn to practice it. Continually service your life with the power of sacrifice. I pray that the Lord will give us the grace to practice what we have learned in the name of Jesus.

CHAPTER 4

The Power of the Blood and Communion

Every blood has life in it which is the reason why God commanded the children of Israel not to eat the blood because the life of every living thing is in the blood. This commandment that God gave to the children of Israel was to preserve the life of every living creature. Once the blood of a living thing is taken away, the thing can't live because that animal or human being is relying on his blood to survive.

It was because of the content of the life in the blood that when Cain slew his brother Abel, the Bible tells us that the blood of Abel began to speak. If there was no life in the blood, it would have been impossible for the blood to talk to God concerning the atrocities that Cain committed on that day. If the blood of Abel can open its mouth and speak, how more the blood of Jesus Christ.

Genesis 4:6-11

> *And the Lord said unto Cain, Why art thou wroth? and why is thy countenance fallen?*
> *7 If thou doest well, shalt thou not be accepted? and if thou doest not well, sin lieth at the door. And unto thee shall be his desire, and thou shalt rule over him.*
> *8 And Cain talked with Abel his brother: and it came to pass, when they were in the field, that Cain rose up against Abel his brother, and slew him.*
> *9 And the Lord said unto Cain, Where is Abel thy brother? And he said, I know not: Am I my brother's keeper?*
> *10 And he said, What hast thou done? the voice of thy brother's blood crieth unto me from the ground.*
> *11 And now art thou cursed from the earth, which hath opened her mouth to receive thy brother's*

blood from the ground

It means that the blood of Jesus has the power to destroy every evil altar that is speaking or standing against your life. The highest sacrifice that every man can offer, is a sacrifice of the blood. It is the reason why the moment man sinned against the Lord, there was nothing that could redeem man from eternal destruction except through the blood. As the Bible said, without the shedding of the blood, there could be no forgiveness of sin. So the sacrifices of the blood of Jesus are greater than every sacrifice that any evil altar can offer against your life. This is the reason why breaking evil altars through the power of the blood of Jesus and communion is very effective.

The content of every blood is life. Once the blood of anything is destroyed, the life of that thing has been destroyed also. If the life of every animal is in the blood and God commanded the children of Israelites not to eat the blood, then the life of God is in his blood too. The content of the blood of Jesus is the life of Jesus. That is the reason why the Bible says at the mention of the name of Jesus every knee must bow and every tongue must confess that Jesus is Lord. Every time you mention the blood of Jesus, you are pleading the life of God upon that particular situation. And the life of God is eternal and indestructible. Nothing can kill the life of God, and nothing can destroy the life of God.

Friends, I want to open your hearts to this new dimension of the power of the blood and the communion and how it can be used to destroy evil altars that are speaking against your life. The Bible tells us that the blood of Jesus speaks better things than the blood of Abel.

Hebrews 12:24

> *And to Jesus the mediator of the new covenant, and to the blood of sprinkling, that speaketh better things than that of Abel.*

When Abel was killed by his brother Cain, the blood began to speak to God crying for justice. And God being a righteous God, he has to act according to the standard of his righteousness by taking out some form of punishment against the life of Cain. What does righteousness mean? It means that God will always do right, what is right to be done according to his standard (Genesis 18:25). So,

what the blood of Abel was crying for was the righteousness of God that means if God is executing his righteousness, Cain was to receive his punishment for what he has done against his brother, Abel.

Whenever you are taking the communion or the blood of Jesus I want you to have this understanding that it is not just the tradition handed over to us by Jesus. It is much than that. Beyond the fulfilment of scriptural commandments, whenever we take the blood of Jesus we are receiving the very life of God. No wonder the Bible says if you do not take my blood or my flesh you have no life in you. Look at what the Bible is telling us about the voice of the blood of Abel that was crying to God for justice. The Bible says the blood of Jesus speaks better things than the blood of Abel. I want you to look at that word better things in comparison to the blood that speaks about God executing judgement, the blood of Abel.

The better things that the Scripture is referring to about the blood of Jesus is, it speaks about mercy, grace, the destruction of evil altars against your life, your redemption, your divine protection, your safety from the wickedness of the devil, and even your justification and sanctification in Christ are part of the things that the blood of Jesus speaks. No wonder the Bible says, it speaks better things than the blood of Abel. The best that the blood of Abel cried for was justice and no more. It couldn’t speak about mercy, redemption, protection, destruction of evil altars, et cetera.

Friends, if you are confronting an evil altar that has begun to manifest in your life through physical signs in your body, for instance, infirmity. You take the blood of Jesus with this understanding that it will go and speak better things in your body. If the evil altar that attacked you brought high blood pressure to your life, and you decided to use the power of the blood and communion to fight the evil altar, you will be healed. The first thing is that the evil altar has brought physical infirmity to your body and the second is that the evil altar is an attack on your life. Here, there are two things to deal with the evil altar that has attacked your life and the infirmity that it brought. So you can apply the blood of Jesus through the power of the communion by saying that as I take this blood, it goes into my body and enters my heart which is responsible for pumping blood to various parts of my body and speak to my organs to work well. Remember we said that the blood of Jesus speaks better things than the blood of Abel. It will go straight to your heart and speak, heart you are to work well. From today, pump

blood the normal way as you have been created to function. And you know what it will. The blood of Jesus has the life of Jesus in it. And can I show you how Jesus operated while he was on earth, the Bible says he spoke as one having authority and not as the scribe. So the blood of Jesus goes to the infirmity that the evil altar has released against your life. It will command it out of your body because it speaks better things than the blood of Abel.

Now, you have dealt with one aspect of the evil altar, the next thing to do is handle the root of the problem, that is, the evil altar itself. That is what makes it complete if not that altar can still release another infirmity. You do so by applying the blood of Jesus. When you have taken the blood of Jesus through the power of the communion, you would be able to get physical restoration if the evil altar has brought that into your life. However, you have dealt with one aspect of that altar, the next thing is to handle the altar that has released that attack against your life and that is done through the application of the blood of Jesus.

You do this by releasing the blood of Jesus against that altar. You call the altar by name and release the blood of Jesus against it until you feel in your spirit that it has been broken. For instance, if you are dealing with the evil altar of premature death, you can pray, that altar of premature death that has been eating the members of my family, by the blood of Jesus, that altar is cursed.

That altar of limitation that has caused my life to be grounded to remain where it is, today by the blood of Jesus I bind that altar and all the priests and priestess that minister at that altar is cursed by the blood of Jesus. Or you can apply the blood of Jesus to that altar as follows: that evil altar of marital failure that has continued to hinder me from going into relationships that would lead to marriage by the power in the blood of Jesus that altar is destroyed in the name of Jesus.

I apply the blood of Jesus against that evil altar of financial waste, in Jesus name.

Friends that is how you apply the blood of Jesus to break evil altars that have been fighting your life.

The Principles of the Blood

The effectiveness of the blood is based upon certain principles and that is what I want to show you.

Be God's child

The blood of Jesus is for his children alone and that is not for those who don't belong to the Kingdom of God. Jesus died for all, but it is only for those who can submit themselves to his Lordship that can benefit from the power of the Blood of Jesus. If you have not given your life to the Lord and become his son, you can't take benefit of the power that is available for his children.

John 1:12

> *But as many as received him, to them gave he power to become the sons of God, even to them that believe on his name:*

The scripture says it is only to those who believe in him that he has given the power to become the sons of God. And even the signs of the cross will only follow those who believe. The Bible says in my name they shall cast out demons and speak in new tongues. So you see, if you haven't submitted your life to Jesus for him to be King over your life, I can tell you that it will be impossible to apply the blood of Jesus for the destruction of evil altars or curtail the physical manifestation of that altar such as when that altar has brought physical infirmity to you.

It is not for someone to just wake up and to say that he wants to destroy an evil altar through the application of the blood of Jesus and the communion when that person is not a son of the living God. It doesn't work that way. While Jesus died for everyone, it is only those who have taken full advantage of the blood of Jesus by becoming his children that can see the manifestation of the blood of Jesus in destroying evil altars.

The Protocol of Holy Manner

The same blood of Jesus that has the power to heal, destroy and bring about the destruction of evil altars that have been standing against your life, it is the same blood that if not taken with due honour and respect can cause you harm and weakness in the body.

2 Corinthians 11:20-30

> *For ye suffer, if a man bring you into bondage, if a man devour you, if a man take of you, if a man exalt himself, if a man smite you on the face.*
> *21 I speak as concerning reproach, as though we had been weak. Howbeit whereinsoever any is bold, (I speak foolishly,) I am bold also.*
> *22 Are they Hebrews? so am I. Are they Israelites? so am I. Are they the seed of Abraham? so am I.*
> *23 Are they ministers of Christ? (I speak as a fool) I am more; in labours more abundant, in stripes above measure, in prisons more frequent, in deaths oft.*
> *24 Of the Jews five times received I forty stripes save one.*
> *25 Thrice was I beaten with rods, once was I stoned, thrice I suffered shipwreck, a night and a day I have been in the deep;*
> *26 In journeyings often, in perils of waters, in perils of robbers, in perils by mine own countrymen, in perils by the heathen, in perils in the city, in perils in the wilderness, in perils in the sea, in perils among false brethren;*
> *27 In weariness and painfulness, in watchings often, in hunger and thirst, in fastings often, in cold and nakedness.*
> *28 Beside those things that are without, that which cometh upon me daily, the care of all the churches.*
> *29 Who is weak, and I am not weak? who is*

offended, and I burn not?
30 If I must needs glory, I will glory of the things which concern mine infirmities.

The blood of Jesus was given for our defence against all the works of the enemy but if we decided to violate all the principles that the Lord has handed down to us in his word, that same blood can become a big problem for the child of God. And one way to become guilty of the blood and the body of Jesus is when you take it with disregard. Someone living in sin and taking the blood of Jesus. He is taking the blood of Jesus in an unworthy manner. Instead of the blood of Jesus healing him, speaking to his body since the blood of Jesus speaks better things than the blood of Abel, the same blood has brought some form of judgment upon him. Instead of healing, the sickness in your body that was brought by the evil altar is just going to multiply. The Bible says for this reason many are sick and weak among you. Why? How the blood of Jesus was taken.

Before you take the blood of Jesus to destroy works of an evil altar in your body, you need to examine yourself carefully and take it with honour so that if evil altar has brought any physical manifestation to your body, it can speak better things for you.

Not a custom

Spiritual things must be done with understanding. It isn't something you are doing in fulfilment of some commandment. And I am not saying that carrying out commandment is bad, I'm saying that even if you are obeying the commandment, you've got to do it with understanding. I am not just doing this to fulfil some commandment of taking the blood of Jesus. I am doing this because I am fully aware that the blood of Jesus that I'm taking would do this or that. In that way, you can destroy the works of evil altars that are manifesting on your body.

CHAPTER 5

The Weapon of worship and Praise

Dare want to provoke the jealousy of God over the life of his people, then temper with his worship that he deserves from his people. It was the jealousy of God that made Pharaoh perish in the Sea and the entire land of Egypt almost ruined because they were tampering with the worship of God. God told Pharaoh that he should let the people of God go and serve him. And you know what, worship is part of service. So when Pharaoh refused, he was touching the Jealousy of God because he wanted the Israelites to worship him.

The Children of Israel once cried, how can we sing the Lord's song in a strange land. They wanted to be home and be free to worship God. Nothing arises the jealousy of God like worship. If you play with it, you could be killed. Lucifer, now Satan used to be an angel that was wired with the instruments of worship all over him so that whenever he passes anywhere, it is worship that would caress the atmosphere. However, that exceptional beauty got into his head and pride swelled within him, leading to his fall.

Michal the daughter of Saul held the record for the only barren woman in the Bible because when David was worshipping God, she despised him in her heart and then went ahead to confront David saying, how bad the King of Israel dancing shamelessly before the daughters of the land.

2 Samuel 6:21

> *And David said unto Michal, It was before the Lord, which chose me before thy father, and before all his house, to appoint me ruler over the people of the Lord, over Israel: therefore will I play before the Lord.*

The jealousy of God was touched and she became the only barren woman in the Bible. She touched something that for eternal ages, God has jealously guarded,

his worship. The Bible even tells us that the reason God created man was to offer to him worship, these people have I formed for myself that they may declare, or worship me. So anything that comes between the worship of God has directly poked his finger into the eyes of God and for that thing, there can be no escape.

There was an incidence in the Bible that thoroughly demonstrates the jealousy and the power of God when his people decide to offer to him worship. There was a battle that God shows us what worship can do. The enemies of Israel gathered against the people of the Lord to fight them. Strangely, the Lord never told his people to fight any battle. He told them, in this battle, the only thing that I want you to do is to worship so that my jealousy can be touched and arisen, and from there I would do everything for you. When the children of Israel worshipped God as they were told to do, the enemies turned their swords to one another and began to kill themselves.

2 Chronicles 20:22-23

> *And when they began to sing and to praise, the Lord set ambushments against the children of Ammon, Moab, and mount Seir, which were come against Judah; and they were smitten.*
> *23 For the children of Ammon and Moab stood up against the inhabitants of mount Seir, utterly to slay and destroy them: and when they had made an end of the inhabitants of Seir, every one helped to destroy another.*

Jericho was a great promised land that the Lord has given to his people yet what was standing between them and the Promised Land was their worship. The walls of Jericho looked unsurmountable. But when the worship of the people of God arose in the manner that it was supposed to be, the Bible tells us that the walls of Jericho collapsed and the people of God went in to possess what they were supposed to take possession. No wonder the Bible aptly stated that he gave them the land, not by their sword or the power of their hands.

Friends, there is something that the worship of God provokes when you are in the midst of battles or trying to destroy an evil altar that as good as prayers may be, it may not be able to achieve that for you. In reality, everyone fights his

battles whenever he prays, but when it comes to worship, you become a spectator as God fights your battles for you. That can only be through the power of worship. If you can learn the power of worship, no evil altar no matter how aged, fortified or wicked can stand in the way of your success as a child of God.

The devil knows that we can cause incalculable damage to his works of darkness which is why whenever you set your mind to worship God, he begins to attack you immediately with myriad distractions because he knows that the worship will cause damage to his kingdom.

Friends, the power of worship is one of the greatest ways to break every evil altar that has been fighting your life. And the day you realise this, that day your deliverance has come. This is the reason why this book was authored to bring light and revelation to you concerning the power of your worship in destroying evil altars.

Mid-Night Worship

Acts 16:25-27

> *And at midnight Paul and Silas prayed, and sang praises unto God: and the prisoners heard them.*
> *26 And suddenly there was a great earthquake, so that the foundations of the prison were shaken: and immediately all the doors were opened, and every one's bands were loosed.*

If you have an evil altar that has been bothering you and you want that altar broken to pieces, I want to draw your attention to the power of mid-night worship. In the scripture under reference which we have quoted, narrates the story of Paul and Silas who were cast into prison for delivering a demon possess girl from the spirit of divination. When the masters who had used her satanic gift to shore up revenue saw that their means of livelihood was gone, they incited the imprisonment of Paul and Silas. The Bible says, at mid-night, Paul and Silas prayed and sang praises to God and the prison doors were opened. The moment the prison doors got opened, they were free.

Mid-night Worship Necessities

Spiritual Traffic

When it comes to the night hour, no time of man’s existence prides itself as one with the highest rate of angelic activities like the night hour. It is at night that angels are sent to different parts of the earth to dispatch to God’s people messages through dreams and so on. So the night hour experiences lots of angelic traffic because they are on assignment for God’s people at night. To step into the arena of mid-night worship is to walk in an environment that is already ripe with angelic activities and that would bring out the destruction of evil altars.

Demonic Activities peaks at Night

Matthew 13:25

> *But while men slept, his enemy came and sowed tares among the wheat, and went his way.*

The Bible tells us that it is while men slept that the enemy came and sowed tares. It shows us that the activities of the devil are highest in the night season. As long as it was day, the devil did nothing but waited for the night season to unleash his attacks. Which is the reason why a believer who sleeps all through the night all the time is sleeping away his deliverance. When you worship God at night, you can interrupt demonic signals and cause the fire of God to fall on the evil altars that have been the bane of your life. If the evil altars that have been troubling you are manned by men who have vowed that you would not rest as long as they are alive, then the Lord will cause the fulfilment of their desire to come upon them by ensuring that they die so that you can have rest.

Starved Distractions

The night season offers you that great opportunity to shut out every form of distraction that the day time affords. While in the day, distraction in multitude abounds, in the mid-night those distractions of the day are cut-off and you can worship God in ways that you can touch the heart of God. For instance, if you have a family and you decided to worship in the day time to break the evil altars that have been confronting your life and as you started doing so, your kids began to come into the place where you are worshipping, you can be easily distracted. But this distraction may not be there in the night because at that time your kids may all be sleeping.

Spirit and truth

When it comes to breaking evil altars, there is no better way to do it than when you make your worship to become one that is done in spirit and truth. And there is one way to know that your worship to God is in spirit and truth when it is firmly rooted in God alone and nothing else. At that point, you no longer care who is standing beside you. You are so lost in worship that your natural environment can’t affect you. The Bible tells us that the Father is looking for those who will worship him in spirit and truth and whenever he finds anyone that can worship him in spirit and truth then the person’s freedom from evil altars is guaranteed.

What to worship God for

Life

Life is a gift and that is one of the greatest gifts that God has given to man. No wonder the Bible says, a living dog is better than a dead lion. No matter how strong the president of a country might have been if he is dead, the poorest person in that country is greater and better than him. Every time that you wake up from sleep, I want you to know that God has bestowed on you the gift to live or the gift of life and when you worship or praise God, that is what you should focus on. The truth is that many are far better than you who are dead today but you are alive. So when you want to praise or worship for the destruction of evil altars, this is where to set your heart. It's a gift and you can make it the theme of your praise or worship to God.

Salvation

Ephesians 2:8

> *For by grace are ye saved through faith; and that not of yourselves: it is the gift of God:*

Salvation too is a gift and that is what you have to realise. That you are saved, it is entirely the grace and mercy of God. It has nothing to do with your physical abilities or gifts. There are so many of your friends that you grew up together yet some of them are still enmeshed in the murky life of sin. Are you better than them? No! What has allowed you to partake in his fellowship through the gift of salvation, nothing but the grace of God?

Friends, when you want to praise or worship and it seems to you that what to use as praise or worship points aren't there, this is one of the places to turn to, the gift of salvation that God has graciously given you.

Preservation

The Bible tells us that it is by his mercy that we are not consumed. You may not know this but I can tell you that there are many battles that the Lord has fought on your behalf which you never knew. There are many wars that the enemy has laid in wait to have you destroyed, but the Lord simply protected you without telling you that he fought for you. When you want to praise or worship God, this is part of the reasons to turn to for your worship or praise to God. That you are not sick, it is God's divine preservation. That you are not dead even after that terrible accident, it is his preservation.

Whenever it is time to praise God, that is what you can use and you can see all the evil altars that are against your life crushed to pieces.

Deliverance in Your Life

You remember that time that you had a close encounter with death that you wonder till date how that you are still safe without any form of injury or that sickness that the doctor had passed a sentence of death on your life that you would die or even if you live, your bodily and nervous functions would be impaired. Yet through the act of God's divine power and grace, you are still alive, perfect and intact as though you were not the one that doctors as some point gave up on you as one that only God could rescue. God showed his grace and helped you and today whenever you think of that event, are still dumbfounded at the act of that great deliverance that the Lord has done in your life.

Preservation in the Life of Others

If you want to worship or praise God for the termination of evil altars that have been working in your life, one the things to rely on is the deliverance that the Lord has done in the life of others. Have you ever heard another child of God telling you about the deliverance that the Lord did in his life? That testimony that the child of God shared with you can constitute your praise points when you want to engage the power of praise for the destruction of evil altars.

Wondrous works

David, the patriarch of old is regarded as one of the men that praised God indeed. And if you examine David's life of praise very well, you would see that he was a deep thinker that could reason very well and because of that ability to reason and think deep, he was able to praise God in such a way that none of the men of his day could attend the height of praise that he got to. Walking in the woods and you saw great sights or hiking and you saw beautiful sceneries, those are the things that you can use to praise or worship God and when you do so, evil altars that have been standing against your life would be destroyed.

CHAPTER 6

The Mystery of Prayer

If an evil altar has disturbed your life, one of the ways to have it destroyed is engaging the mystery and the power of prayer.

Gladly, this book captures one of the ways to break evil altars through the power of prayer. Your captivity and bondage will remain as long as you haven't engaged the power of prayer to destroy the evil altar that has been affecting you. There are many people today who have become lazy in the place of prayer, therefore, they are living in the bondage of evil altars that the enemy has set in their lives. There is no freedom without a fight. The Bible tells us in the book of Matthew that the violent take it by force (Matthew 11:12).

Deliverance in the kingdom cannot be taken by negotiation. If you want to be delivered, you have to stand on your feet and tell the devil no. That is the only language he understands, the language of prayer and violence. How long have you been petting that evil altar in your life? I do not know how long, but it is time to take an action so that your freedom can be guaranteed. No one will do this responsibility for you. No one will be the one to help you, it is your duty to ensure that you are free. You are the only one who knows how this evil altar has caused a lot of destruction in your life or the life of your family or loved ones. While there is nothing wrong in people agreeing with you in the place of prayer if you haven't taken the responsibility to diligently pray for yourself their offer of an agreement to pray for you will produce little results.

Those who have become lazy in the place of prayer are those who will remain in the place of the bondage of evil altars. And the day you decided to take up the responsibility of prayer that day all the evil altars in your life must break. Jabez in the Bible was a man who was suffering under the evil altar of poverty, lack, and sorrow. His affliction and suffering continued until the day he decided to take up the responsibility of praying for himself.

1 Chronicles 4:10

> *And Jabez called on the God of Israel, saying, Oh that thou wouldest bless me indeed, and enlarge my coast, and that thine hand might be with me, and that thou wouldest keep me from evil, that it may not grieve me! And God granted him that which he requested.*

For as long as Jabez wasn't ready and willing to pray, the evil altar that was afflicting his life continued unhindered. The Bible tells us that Jabez was more honourable than his brethren. I believe that the honour the Bible was talking about was his decision to take the responsibility of prayer which led to the termination of his captivity from the grip of an evil altar. You only hear about Jabez, what about his other brethren? Nothing was heard about them in the Bible because they have failed in the place of prayer, they most likely died under the influence of the evil altar that was affecting the family of Jabez. It is possible that if his brethren decided to pray as he did, they would have risen to notoriety in the same way that Jabez did.

Friends, if you have been sleeping, it is time to wake up. If you can wake up to the duty of praying, then all the evil altars in your life must be destroyed. Do you remember the Bible passage we have quoted earlier, which says that it is while men slept that the enemy came and sowed tares. As long as those men were awake, the enemy couldn't do anything. But as they slept, he came and planted unwanted things in their lives. And do you know how crazy the devil can be? He will plant those evil altars in the lives of people and walks away, he would be watching from afar off as the person struggled to undo what he has done through those evil altars.

Tongues and Evil Altars

While the baptism of the Holy Spirit with the evidence of speaking in tongues is mostly regarded as an experience that believers should have, the baptism of the Holy Spirit with the evidence of speaking in tongues is more than that – it is God arming you to use the mystery of praying in the spirit to destroy all the attacks of the enemy. There is nothing that destroys the works of darkness more than praying in tongues. If you pray in understanding, for instance, English the devil knows every bit of the word that you are speaking. But if you switch to the language of the spirit, the devil is left dumbfounded and confused because he does not know the coding of tongues. Even the believer who is praying in tongues concerning that evil altar does not know what he is saying unless the Holy Spirit gives him the gift of interpretation of tongues. Without that, all that the believer is speaking concerning that evil altar will be mysteries.

1 Corinthians 14:2

> *For he that speaketh in an unknown tongue speaketh not unto men, but unto God: for no man understandeth him; howbeit in the spirit he speaketh mysteries.*

The reason why you should pray in tongues when confronting evil altar is this, there are certain things about that evil altar confronting your life which you do not know. And you can't destroy what you do not know. For example, if you do not know that the headache you are experiencing is caused by the injuries sustained, how can you treat it? This accounts for the reason why whenever someone is sick he first goes to the doctor and a test is run on him. When the results of the test are out, the doctor will prescribe a medication that deals with that particular affliction. That is what happens in the realm of the spirit when you pray in tongues for the destruction of evil altars. There are certain things you cannot know as a believer. The only personality that knows all is God and a human being can never know everything no matter how spiritual he becomes.

The Holy Spirit who is the administrator of the present dispensation of God on the earth knows everything and the gift of tongues is of him. Once you begin to pray in tongues, he can direct the prayer to some aspect of that evil altar which

you do not know. For instance, if you are praying against the evil altar of death that you have been able to recognise, but you didn't know that closely related to that evil altar of death is the evil altar of infirmity. Now let me explain. It is possible that in the family people get seriously sick and after getting sick, they die prematurely. Based on your spiritual diagnosis, you might conclude that it is the evil altar of death. Without knowing that the evil altar of infirmity was also there. You set out and began to pray to destroy the evil altar of death and it was destroyed. What about the evil altar of infirmity which you weren't able to recognise as one of the culprits behind the death of the members of your family? It will continue its works of destruction until that altar of infirmity has been roasted by the fire of prayer.

While praying in tongues, the Holy Spirit can direct that prayer to that evil altar of infirmity which you do not know exist. But if you are praying in understanding, you might not know that the evil altar of infirmity is also responsible for the death in your family. The only way praying in understanding can effectively handle evil altars is when there is a clear revelation concerning that evil altar. In the absence of a clear revelation from the Holy Spirit concerning the evil altar, I encourage you to use the mystery of praying in tongues and destroy evil altars.

Romans 8:26-27

> *Likewise the Spirit also helpeth our infirmities: for we know not what we should pray for as we ought: but the Spirit itself maketh intercession for us with groanings which cannot be uttered.*
> *27 And he that searcheth the hearts knoweth what is the mind of the Spirit, because he maketh intercession for the saints according to the will of God.*

The Bible tells us in the Scripture that we do not know how to pray as we ought to but the Holy Spirit will help us to pray as we are supposed to pray. In the example given above of the evil altar of death and infirmity working together to destroy the members of a particular family, you will see that the Holy Spirit can help the believer to pray in the way he is supposed to by dealing with the evil altar which he is unaware of – the evil altar of infirmity. That is the advantage of

praying in tongues when dealing with evil altars and I will encourage every believer who is a child of God to seek the baptism of the Holy Spirit with the evidence of speaking in tongues it will do you good. The baptism of the Holy Spirit beyond praying in tongues and receiving the empowerment of the Holy Ghost is a serious weapon for warfare. Nothing bothers the devil -like praying in tongues because you're getting him confused. I have written several books on how to be filled with the Holy Spirit with evidence of speaking in tongues if that is what you need right now, you can check the books listed in the last chapter of this book and get one for yourself.

Engaging the Prayer Hour

Acts 3:1

> *Now Peter and John went up together into the temple at the hour of prayer, being the ninth hour.*

There is a mystery behind the hour of prayer that believers have been unable to take advantage of because certain gates are opened at that hour. Peter and John decided to go into the temple at the hour of prayer because they recognise that prayer watches are important for the destruction of the plan of the enemy. Based on the Scripture that we have just seen in the book of Acts chapter 3, the prayer watch there is the ninth hour. The next prayer watch will be after three hours which is noon. Generally, prayer hours have been identified as 12 AM, 3 AM, 6 AM, 9 AM, 12 PM, 3 PM, 6 PM, and 9 PM. You can take advantage of these prayer hours to pray for the destruction of evil altars. You might not use all of the prayer hours you can take a particular one that is convenient for you and used them to pray. Whichever prayer hour you decided to pick the most important thing is remaining consistent. If you decided that you want to use the prayer hour of 12 AM to 6 AM, you can pray for the destruction of evil altars. You can pray for one hour at each interval of prayer hour. This is what I mean, by midnight you can pray for one hour. Sleep a little and wake up by 3 AM pray for another one hour. And then by 6 AM, you pray for another one hour. In totality, you must have prayed for three hours using the prayer hour of 12 AM to 6 AM.

Prayer Boosters against Evil Altars

The effectiveness of your prayer is dependent upon the approach used. While it is good to pray, it is very important to follow some principles of prayer especially when you are dealing with evil altars. And that is the basis of our discussions under these subheads.

The Principle of Light

Just as the physical human being cannot do without food, that is how God has designed the human spirit to live by light. It was as a result of this that the Bible says man shall not live by bread alone but by every word that proceeds out of the mouth of God. Light is processed revelation from the Bible. What you see on the pages of your Bible is no longer the letters of the word but the spirit that comes out from the word. The Bible says that the words that I speak to you are spirit and light.

The human body is sustained by food, the spirit of man is sustained by light of the word of God. A prayer for the destruction of evil altars will be effective when it is heavily backed by light from the word of God. Before you begin praying against that evil altar that has been raging against your life, what light have you gotten? When I speak of light, I'm not referring to gathering Scriptures and quoting them verbally. I am talking about meditating on that Scripture until what you've gotten from the word of God is broken down and becomes a part of your life. In that way, light has come into your spirit. You are no longer quoting the Scripture because of what you have memorised. When you talk about the Scripture, there is a knowing in your spirit that the Scripture is a reality and nothing is going to stop it from coming to pass.

When you do that, your prayers against evil altars become very effective. Don't just pray because you have identified an evil altar that is waging war against your life or the life of your family. Ensure that you can identify Scriptures that have direct bearing with the evil altars you are dealing with. After that, meditate on the Scripture so that the letter of the Scripture is processed into light in your spirit. Once that is done, you can then begin your prayers to break evil altars.

The principle of fervency

For your prayers to be effective and carry a lot of destructive powers against the works of evil altars in your life, the prayer must be fervent. The Bible tells us in the book of James that it is the effectual fervent prayer of a righteous man that avails much. Don't pray apologetically, your prayer should be fervent. Remember that in this kingdom it is violent that takes it by force. So when you pray don't do it like you're begging the devil to release your freedom from the captivity of evil altars, it will do little or nothing to them. However, when you are praying with passion, the kingdom of darkness will recognise the potency of your prayer. The Bible tells us not to be slothful in business but fervent in spirit serving the Lord (Romans 12:11). That business as referred to in the Scripture include the prayer business. The Bible tells us that prayer is a form of service.

Luke 2:37

> *And she was a widow of about fourscore and four years, which departed not from the temple, but served God with fastings and prayers night and day.*

Any form of prayer that looks as if a believer is begging the devil or trying to negotiate with the enemy, is no prayer at all.

Prayer in expectation

There can never be a failure of expectation with God that is what the Bible says in the book of Proverbs 23:18:

> *For surely there is an end; and thine expectation shall not be cut off.*

So when you pray with an expectation that the spiritual exercise you are carrying out for the destruction of evil altars has the power to guarantee your freedom, it shall be done. Don't pray with an empty heart so that you don't come out from the place of prayer with an empty hand. Whatever you are praying, you need to have that faith in God that it is done, that is an expectation.

When you pray with that kind of mindset of expectation, the Bible tells us that it will never be cut short. The desires of your heart will be granted. There is no way you can have good expectation from the prayers you have been praying without faith. A man that doesn't have faith, cannot please God.

Never Mind the Reaction of the Evil Altar

It is very difficult for freedom to be given to you on the platter of gold. And whenever people achieve freedom on the platter of gold, they don't value it. In the realm of the spirit, every freedom must be fought for before it can be obtained. Whenever you begin to bombard that evil altar with the fervency of your prayers, that altar is going to react because the altar doesn't want you to be freed from its captivity.

Have you ever prayed on any subject matter and you begin to experience an increased attack from the enemy? If you have, that is to tell you that your prayer is beginning to make an impact in the realm of the spirit and the forces of darkness that are being affected by your prayers are reacting. For a believer who does not understand spiritual warfare principles, he will quickly abandon the prayers and forget about it. But that is not the time to stop, it is the time to increase the fervency and the fire of your prayer because that prayer has started to make a mark in the realm of the spirit, it will bring down your deliverance. But the enemy does not want to see the children of God free from captivity so he begins to release every form of attack so that your prayer does not continue including an attack on your health sometimes.

Friends, as you begin to confront that evil altar in your life or the life of your family, you need to know that the evil altar may react especially when your prayers are beginning to destroy that altar. If you see the response from that evil altar that you have been waging war against, do not stagger backwards. Continue with your prayer and never be distracted. As you do, that evil altar is going to crumble in the name of Jesus.

CHAPTER 7

Ways to Erect Altars They Never Told You

We will now consider how you need to build an altar.

Erecting an altar

It is important to know that altars can be built and erected. The Bible is full of men and women who built altars to the Lord to serve one purpose or the other. While the Old Testament, altars are created physically. In the present dispensation of grace, a spiritual altar can be erected by a believer in Christ. It is also possible for a place that has been consistently soaked in the presence of God to become an altar. Once the place becomes an environment where the divine meets the mortal, it becomes an altar. Which is the reason why there are some places you go to pray and you discover that there is easy access to heaven. The reason for that is simple, the particular place has been consistently used as an environment of fellowship and the presence of the Lord has been established in that place. It has simply become a meeting place between a man and God or between divinity and mortality. Once that happens, it becomes an altar for interaction between the physical and the spiritual. If you want to create an altar, it may not be necessary to construct something physical. You can create a spiritual altar that may serve the purpose of connecting you with God. That is one of the ways to create an altar as a result of the consistency of fellowship. An altar can also be erected in your closet if you have been using that place for a while to pray and fellowship with the Lord, it becomes an altar.

You don’t need to carry the physical stone to erect an altar or even use the blood of an animal. The coming of Jesus has made it possible for us to have spiritual altars.

After destroying that Evil Altar

In the realm of the spirit, there is no vacuum (Judges 6:25-26). Anything that can harbour a spiritual entity at every given point must be occupied. It is the reason why the Bible tells us that when the spirit is cast out of a man, it goes through dry places and it will return to examine his house whether it is empty. Once the spirit finds that the house is empty, swept and well-kept, it will return with other spirits to occupy that particular person. And the state of that person becomes worst.

After you have destroyed an evil altar, you've got to replace it with the altar of the Lord. This is a scriptural principle which we have seen in the book of Judges when the Lord gave Gideon the commandment to destroy the altar of Baal that was in his father's house. It was God teaching Gideon an important lesson that if you can remove the altar of Baal that was in your father's house, you have to replace it with the altar of the Lord. In the Scripture we have seen, God even directed Gideon to a particular spot he was supposed to raise that altar for the Lord. No vacuum will be tolerated in the realm of the spirit.

Even at salvation when a man is saved, there is an exchange of the occupant of his life. The devil is sent packing, and the spirit of the Lord occupies the life of the believer until the day the Lord calls him home. This is one important thing you need to do when you are dealing with evil altars. Besides breaking them and obtaining freedom from the grip of that evil altar, replace it with an altar of the Lord.

Shocking Dimensions of Evil Altars You Urgently Need to Know

Spiritual Altars

These are altars that exist in the realm of the spirit. They are built, maintained and sustained by spiritual forces. Since these altars are not in the realm of the physical, they can exist for many generations. Many people who are suffering from generational curses will have one form of an evil altar in the realm of the spirit or the other. If the altar is in the realm of the physical, it can be destroyed over time especially when the priest or priestess that maintains the altar is dead. However, this type of evil altars are in the realm of the spirit so to destroy them you need to go into the realm of the spirit through the power of prayer to have them broken. Which is the reason why having the Holy Spirit as a guest in your prayers to destroy the evil altar is highly necessary. Who can master the act of the realm of the spirit than the Holy Spirit himself? No matter how intelligent you are in the realm of the physical when it comes to spiritual matters you know nothing about it unless the Holy Spirit reveals it to you. When it comes to dealing with spiritual altars that are in the realm of the spirit, you can ask God to judge that evil altar so that it can never bring any future attack against your life.

Spiritual-Physical Altars

These are evil altars that have their base in the realm of the spirit and the realm of the physical. The person who maintains that evil altar connects to the realm of the spirit to bring that dimension of darkness over a particular person. The person who maintains that evil altar can be a witch or an evil person that can contact the realm of the spirit. These are usually the native doctors and the voodoo priest who through the physical evil altars that they maintain can get into the realm of the spirit and work with demonic forces to bring a person under their bondage. Once the person who is serving as a link to the realm of the spirit is cut off through the power of prayer or as a result of the release of God's judgement upon that altar, the bridge between the realm of the spirit and the realm of the physical are destroyed which marks the destruction of that altar.

Physical Evil altars

These are evil altars that are in the realm of the physical. The person who services that altar may not be a native doctor or even the priest or someone who is involved in witchcraft. But an individual who maintains that altar to bring affliction on the life of people. He may have gotten these powers from the native doctor or even the voodoo priest and they gave him a lot of materials to use to build the physical altar. Again, once a person who maintains this altar is cut off my prayers, the powers of that altar are silenced and freedom is guaranteed for the person.

In the Old Testament, the patriarchs build physical altars by using either a stone or any landmark so that the altar can be identified as such. It is this principle that the kingdom of darkness uses to build physical altars in the realm of the physical.

Know this that no matter how strong an evil altar is or however old the evil altar maybe, it can be destroyed by the power of prayer. This is what I want you to understand my friends.

CHAPTER 8

Four Evil Altars you never knew existed

Marine Witchcraft

When an evil altar combines the practice of witchcraft and marine spirits, it is marine witchcraft. It could also be when an evil altar got its power from marine spirits or water spirits, then it is marine witchcraft. When an evil altar that combines the practice of witchcraft and marine powers is responsible for the challenges that the life of an individual is subject to, the normal reflection of control, manipulation and domination will be predominant in the life of the person, and the attack will centre mostly on the family of the person. The common trend in the life of the family would be marital attacks, manipulation that leads to the complete failure of marital structure and you would be able to see that the person is being manipulated into doing what he is doing. Marine spirits naturally love to break homes. So when an evil altar that combines the practice of marine spirits and witchcraft is on the attack, you would see that the family is the centre of the attack although domination and control will be prominent.

No matter how powerful the combination of this evil altar might be, the recommended ways of dealing with that altar as discussed in the previous chapters would be more than sufficient to handle it.

Witchcraft Altars

When an altar is operated, regulated and control by witches so that it can express its attack on the life of an individual, it is called a witchcraft altar. The altars can be located in covens of darkness where these people meet at night and use that as a medium for controlling the lives of person and attacking them or the altars could be in the home or secret room where incantations and bewitchment are mostly done. This is one of the commonest evil altars that attack the lives of people in our world today. They can make use of strange objects like putting the picture of the person or calling the person's name and doing lots of incantations. As a believer, having a fervent walk with the Lord is very important for your deliverance especially if you have an evil altar that is operated by a witch attacking you. When you are fervently serving the Lord, whenever they call your name in their evil altars, the name of Jesus would answer for you.

Demonic Altars

Any altar that is directly controlled by demonic forces is demonic altar. These altars are in the realm of the spirit although they can be found on the earth when demonic forces collaborate with men to attack people. It is this type of altar that is responsible for generational curses. However, using one of the ways of breaking an evil altar, it can be destroyed too just like any other type of altar because the weapon of our warfare is mighty through God for the breaking down of strongholds.

Altars of Men

The altars of men are common in our days and responsible for failure of business deals, sudden and strange infirmity, an arrow of disfavour, and death. And who are those that these arrows attack the most, those who have no covering in the realm of the spirit or those who know not the Lord. I would explain these two in details shortly.

These evil altars are not operated by witches or even Satanist as many would think. They are people who are either in need of spiritual powers or people who were offended by someone and are looking for ways to attack the person. They go to places where they are given spiritual powers and are told the things that they needed to do so that they can succeed in their attacks against the lives of people. As a child of God to be normal in this abnormal world is to open your life to lots of attack from the Kingdom of darkness. Some people come into business meeting after consulting their evil altars and if they see that someone is a threat to them, they launch their attack against the life of the person from their evil altar. Suddenly, someone who was given a business deal begins to experience setbacks and eventually lost it.

The first category of people who suffer lots of attack from this type of evil altar is those who don't know the Lord. They have no shield so whenever any evil altar of men fires an arrow, it will get them and that arrow that was fired from that evil altar would destroy them.

The second category is believers that have have no spiritual covering. As a believer having a prophetic covering over your life is very important. When I speak of prophetic covering, I am referring to a situation where you have a pastor or a man of God over your life. He would cover you in the realm of the spirit so that before any arrow comes to you, he can intercept it and return it. The devil knows that as long as there is a prophetic covering over your life, his attacks won't work so he is consistently attacking those who are standing over your life in the place of prayer and intercession.

The Bible tells us that the enemy always wants to strike the shepherd so that the sheep can be affected by his attack.

Matthew 26:31

> *Then saith Jesus unto them, All ye shall be offended because of me this night: for it is written, I will smite the shepherd, and the sheep of the flock shall be scattered abroad.*

Sometimes he causes misunderstanding between you and your pastor, prophet and even mentors so that you can be separated from them and thus, the covering that you have been enjoying ruined. Then he can focus on you and destroys you. That shall not be your portion in the name of Jesus. Whenever you begin to discover that those who matter in your life spiritually have suddenly become your enemies that is the time to be very careful. The devil is around the corner seeking for who he may devour through separation from his spiritual covering.

CHAPTER 9

Prayer to Destroy Evil Altars

Prayer for Mercy

Any prayer that you utter without seeking for mercy from the Lord if there is an issue of sin or iniquity, amounts to a waste of time. The Bible is clear on this point when it says that if a man will regard iniquity in his heart, the Lord will not hear him. So the first thing that every believer should do before he opens his mouth to pray against an evil altar is to seek mercy from the Lord.

God desires that we should not sin. However, if any man sins, he is not without a remedy as the blood of Jesus is adequate to wash us and cleanse us from every unrighteousness. This is what the Bible precisely says in the book of 1 John 2:1-2.

1 John 2:1-2

> *My little children, these things write I unto you, that ye sin not. And if any man sin, we have an advocate with the Father, Jesus Christ the righteous:*
> *2 And he is the propitiation for our sins: and not for ours only, but also for the sins of the whole world.*

As long as we are on this earth, we may contravene the commandment of the Lord. And the blood of Jesus is our remedy when we do so.

We shall be praying now to ask God for mercy so that nothing hinders our prayer to destroy evil altars.

Reflection

1 John 1:9

> *If we confess our sins, he is faithful and just to*

forgive us our sins, and to cleanse us from all unrighteousness.

Hebrews 4:16

Let us therefore come boldly unto the throne of grace, that we may obtain mercy, and find grace to help in time of need.

Prayers

Holy Father, I thank you for the opportunity that you have given to me to come before your holy of holies at this time and to ask for mercy over my sins. I am not taking this opportunity and privilege for granted, to you be all the glory and honour for it in the name of Jesus.

Holy Father, I make demands that the blood of Jesus that can cleanse me from all sins will purify me right now so that no sin or iniquity will have the ability to hinder my prayers against evil altars in the name of Jesus.

Heavenly Father, in any area of my life that I have sinned against you, I make demands that the blood of Jesus will wash me right now in Jesus name.

Glorious Father, you have said in your word that let us come boldly before the throne of grace that we may obtain mercy and find help in time of need. Lord, that time of need is right now that I have come before your throne of grace to pray for the destructions of the evil altars against my life and destiny in the name of Jesus.

Holy Father, whoever it is that I am holding any grudges against, I release them so that I can also obtain forgiveness from you in the name of Jesus.

Heavenly Father, you have said in your word that we should come together and reason no matter how dirty or defiled my sins may be, the blood of Jesus will wash them clean. Though my sins may be as scarlet, they shall be white as snow. I pray that out of that reasoning today I am purified by the precious blood of Jesus.

Inviting the Holy Spirit

When it comes to prayers for the breaking of evil altars or any type of altar at all, one of the greatest personalities of the God-head whose help you will readily need is the Holy Spirit. Before you start to pray for the crumbling of any evil altar ensure that the Holy Spirit is welcomed into your prayer. It will make a huge difference because the Bible tells us in the Book of Romans 8:26-27, that the Holy Spirit makes intercession for us according to the will of God. If there are other aspects of the evil altar which you are praying against which you've not been able to uncover with your human mind, the Holy Spirit through your prayers especially when you are praying in tongues can direct your prayer towards those other areas that you haven't known.

In the 21st Century, one of the greatest weapons of warfare is precision missiles. They can hit their target no matter how far it may be situated. And what the Holy Spirit does to the life of a believer is similar to that precision missile by making sure that our prayers hit all the enemy target. We can't pray amiss with the help of the Holy Ghost

Reflection

John 16:13

> *Howbeit when he, the Spirit of truth, is come, he will guide you into all truth: for he shall not speak of himself; but whatsoever he shall hear, that shall he speak: and he will shew you things to come.*

Romans 8:26-27

> *Likewise the Spirit also helpeth our infirmities: for we know not what we should pray for as we ought: but the Spirit itself maketh intercession for us with groanings which cannot be uttered.*
> *27 And he that searcheth the hearts knoweth what is the mind of the Spirit, because he maketh intercession for the saints according to the will of God.*

Prayers

Holy Father, I make demands for the presence of the Holy Spirit to envelop this place of prayer in the name of Jesus.

Holy Father, I pray that the intercessory ministry of the Holy Spirit will be fully activated so that all evil altars that have been attacking my life can be destroyed in the name of Jesus.

Heavenly Father, I pray for the leading of the Holy Spirit in all the prayers that I will be praying against evil altars in the name of Jesus.

Holy Father, let the power and the fire of the Holy Spirit manifest through these prayers against evil altars that I will be lifting before your throne of grace in the name of Jesus.

Thank You, Holy Father, for the presence of the Holy Spirit that is fully manifest in these prayers to break evil altars to you be all the glory and the honour in the name of Jesus.

Sacrifice Prayers against Evil Altars

Note: *"If you haven't sown a seed of sacrifice to the Lord, skip this particular prayer to the next one or wait till you have done that before praying these prayers here."*

You are basing your prayers on the altar of sacrifice so that evil altars standing against your life and destiny are broken.

Declaration of Understanding

- As I pray, I know that the altar of my sacrifice will destroy every evil altar that has been speaking against my life in the name of Jesus.
- I know that the Lord will remember my sacrifice and cause the destruction of all evil altars that have hindered my life.
- God honours the sacrifices of his people and I know that he honoured mine and by the reason of that, this sacrifice will break all evil altars against my life.
- No sacrifice is ever in vain, therefore my sacrifice shall produce results and divine deliverance
- I didn't waste my resources by laying it at the altar of sacrifice. Therefore, this spiritual exercise will usher in my victory in the name of Jesus.

Reflection

Genesis 8:20-22

> *And Noah builded an altar unto the Lord; and took of every clean beast, and of every clean fowl, and offered burnt offerings on the altar.*
> *21 And the Lord smelled a sweet savour; and the Lord said in his heart, I will not again curse the ground any more for man's sake; for the imagination of man's heart is evil from his youth; neither will I again smite any more every thing living, as I have done.*

> *22 While the earth remaineth, seedtime and harvest, and cold and heat, and summer and winter, and day and night shall not cease.*

Psalms 20:3

> *Remember all thy offerings, and accept thy burnt sacrifice; Selah.*

Prayers

Holy Father, I have seen from your word that there is power in offering sacrifice. The King of Moab offered a sacrifice and the battle turned against the Israelites as there was great indignation against them. Lord, I pray that by the power of my sacrifice today, the evil altar of (mention the particular evil altar that has been attacking your life, family or the loved ones that you are praying for) that has sworn never to let me and my family rest, let that evil altar be rendered useless by the power of my sacrifice to you in the name of Jesus.

Heavenly Father, I have seen from your word that unless a corn of wheat falls to the ground and dies, it will continue to abide alone. Jesus sacrificed his life for the freedom of the world and that sacrifice gave us liberty from the reign and the dominion of darkness. I pray that my sacrifice is bringing freedom to me from the evil altar of (mention that particular evil altar) in the name of Jesus.

Holy Father, Your word has said that seedtime and harvest shall not cease. I have sown a seed of sacrifice not because I wanted to buy my deliverance from the grip of evil altars but it was done from the standpoint of obedience to your word that all evil altars (mention the evil altars that are bothering you) standing against my life are going to be broken in the name of Jesus.

Gracious Father, I ask that the altar of sacrifice that I have raised will counter all the evil altars that have been attacking my life and have those altars silenced by the power in the name of Jesus.

Holy Father, I have known from your word that it was as a result of the sacrifice that Noah made which you smelled that you made a promise that you will never destroy the earth with water anymore. Lord, by the power of my sacrifice, let your word of deliverance be fulfilled in my life so that I can be set free from all

evil altars in the name of Jesus.

Gracious Father, I asked that my altar of sacrifice will cause a release of judgmental fire against all the evil altars that have been attacking my life in the name of Jesus.

Holy Father, every evil altar that has been speaking against my life and destiny, I pray that may the superiority of the altar of sacrifice counter that evil altar in the name of Jesus.

Holy Father, I have made the sacrifice following your will and by the word of God that says that seedtime and harvest shall not cease. As I have already sown the seed of sacrifice to you, I pray that it will produce results that will lead to my deliverance in the name of Jesus.

Thank you father, for the privilege of coming before your throne to pray I make demands for my sacrifice to you be all the glory and the honour in the name of Jesus.

Praise-Prayer Worship against Evil Altars

This is a combination of praise, prayer, and worship for the destruction of evil altars. If you have followed our teaching very closely on the power of worship and praise and how it will help you when you are fighting spiritual battles or warfare, you will know that it has tremendous deliverance power. In this prayer session, we are going to use the tool of praise, prayer and worship and apply it for the breaking of all evil altars standing against your life.

Note: *You can sing a song of worship, or play a song of worship before starting this session of prayer*

Declaration of Understanding

- As I worship you Lord, every power that is available in worship will be unleashed for the breaking of all evil altars against my life.
- Worship is a powerful tool for the destruction of bondage and mine will bring about my deliverance.
- David played the instrument and the evil spirit which was upon the life of Saul departed. Every evil altar battling with my life will depart by the power of my worship.
- My worship at this moment will cause the Almighty God to step into my battles for the destruction of evil altars.
- As I worship and praise God at this moment, it will set confusion in the camp of all the evil priest and priestess that minister at the evil altars attacking my life.

Reflection

2 Chronicles 20:22-23

> *And when they began to sing and to praise, the Lord set ambushments against the children of Ammon, Moab, and mount Seir, which were come against Judah; and they were smitten.*
> *23 For the children of Ammon and Moab stood up against the inhabitants of mount Seir, utterly to slay and destroy them: and when they had made an end*

of the inhabitants of Seir, every one helped to destroy another.

Acts 16:25-26

And at midnight Paul and Silas prayed, and sang praises unto God: and the prisoners heard them.
26 And suddenly there was a great earthquake, so that the foundations of the prison were shaken: and immediately all the doors were opened, and every one's bands were loosed.

Praise-Prayers-Worship

I worship you, Lord, for you are mighty and you've got the world in your hands.

Almighty Father, You are the creator of heaven and earth. There is nothing that you cannot make and there is nothing too big for you to create. If you created the world in six days then at this moment you can destroy every evil altar that is standing against my life.

I praise you Oh God for you have wonderfully and fearfully created me. So uniquely designed and created by your mighty hands that I have no duplicate of myself on the earth you alone who is worthy of praise forever as the God of all the earth and all flesh in the name of Jesus.

I praise you Oh God for the wonderful work that you have done which are the evidence of your power and your great glory. You are the one that sits in the circles of eternity and roped with the garment of fire to you be all the glory and the honour in the name of Jesus.

Oh Lord, none can be compared with you because you call each of the star in the sky by name. For you know all things and a smaller evil altar (state the particular evil altar that has been attacking your life) can never be a problem for you to handle. If you could do such great and marvellous things which I have heard about and known, then this evil altar can never be a problem for you.

I praise you O Lord for the wonderful works that I have seen in your word how you created a pathway in the sea and cast the chariots of the Egyptians in the

water. You did all of these without any stress on your part. And you will also destroy all the evil altars attacking my life without any form of stress too. I glorify your name, Lord, because I know you will do it in the name of Jesus.

Lord, I praise your name for the gift of salvation that you have graciously given to me because I know that it is not by might, nor by power, but by the spirit says the Lord. You are worthy of my praise how you have sustained me all this long even though some people thought that I was going to return to my former ways of life. To you be all the glory and the honour in the name of Jesus.

Mighty Father, I praise your name for the gift of life that I have so far enjoyed in your mercies. I worship you for all the unseen battles that you have fought on my behalf which I am not aware of. It demonstrates your power and your glory and if you can fight battles that I am not aware of, then the ones that I am aware of such as evil altars confronting my life is never a problem to you in the name of Jesus.

I praise your name Lord because the destruction of this evil altar demonstrates your power and your glory as the head of all principalities and powers in this world and the world to come in the name of Jesus.

Excellent Lord, I worship your name for the deliverance that you have done in the life of (mention the name of any person that you are aware of who has been delivered from an evil altar or any form of deliverance at all), I know that if you can do it in the life of this person by completely setting him free from the grip of the evil altar, then you will also deliver me in the name of Jesus.

Who is like unto the Lord in all the nations of the earth, there is none like you? You are glorious in holiness and fearful in wonders. You are too powerful that by the blast of your nostrils you can destroy every evil altar that is attacking my life in the name of Jesus.

I bless your name O God the all-knowing and all-wise God who knows the place where the foundation of the earth is standing today. Who knows the particles and the molecules of the air? You alone! I know that there is no hidden evil altar anywhere that you do not know about or cannot see. Therefore, I worship you there is nothing hidden in darkness that shall not be revealed. To you be all the glory because every secret evil altar speaking against my life shall be revealed

and destroyed in the name of Jesus.

Prayers to destroy Evil Altars by the power of the communion and the blood

Note: *Examine your life well before taking the communion and the blood of Jesus.*

Declaration of understanding

- The same power that is in the blood of the Lamb for which we overcame the devil and the works of darkness, shall be manifested as I pray the prayers contained in this book in the name of Jesus.
- The efficacy of the blood in destroying the works of Satan is about to manifest in breaking down evil altars serving as a barrier to my life and destiny.
- No mountain or hill is too strong for the blood of Jesus to destroy. Therefore, no evil altar can resist the destroying power of the blood of Jesus.
- The application of the blood today to destroy the evil altar that has been fighting against my life means my total freedom.

> *And they overcame him by the blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death.*

Hebrews 12:24

> *And to Jesus the mediator of the new covenant, and to the blood of sprinkling, that speaketh better things than that of Abel.*

Righteous Father, in anywhere at all that these evil altars, have stood as a wall of limitation in the path of my destiny, be scrambled by the blood of Jesus.

Heavenly Father, you have said in your word that every tree that my father has not planted shall be removed from its roots. Since this evil altar of (state the particular evil altar that you know of) has not been planted by you, I stand today by the blood of Jesus and I command that evil altar to be uprooted in the name of Jesus.

Glorious Father, every incantation been issued by that evil altar (if you know the evil altar, mention it by name), is silenced by the blood of Jesus.

Righteous Father, you have said in your word that there is no incantation against Israel neither is there divination against me, therefore, no evil incantation from any evil altar can work against my life by the authority that is in the blood of Jesus.

Holy Father, you have said in your word that you are a consuming fire. I make demands by the blood of Jesus upon the consuming fire of God to come upon every man or woman, spirit or power, and the forces of darkness responsible for any evil altar currently existing in my life in the name of Jesus.

Gracious Father, any physical limitation which this evil altar has brought into my life, as I apply the communion and the blood of Jesus physically, let that limitation be taken away by the blood of Jesus.

Heavenly Father, every physical infirmity that this evil altar has brought into my life, by the application of the blood of Jesus and the communion, I make demands for instant healing by the blood of Jesus.

Holy Father, You have said in your word that the blood of Jesus speaks better things than the blood of Abel. As I apply the blood of Jesus upon my body let every infirmity that has gained expression through that evil altar disappear by the blood of Jesus.

Heavenly Father, you have said in your word that henceforth let no man trouble me because I bear in my body the marks of Jesus. Lord, from the crown of my head down to the soles of my feet I marked them with the blood of Jesus so that no evil altar can ever trouble me again in the name of Jesus.

Glorious Father, although the works of these evil altars of limitation have affected so many members of my family and my loved ones, I make demands through the application of the blood of Jesus that the end of that evil altar has come now in the name of Jesus.

Holy Father, I have come to realise by your word that on that day shall the burden be lifted from your shoulders because the yoke shall be destroyed as a result of the anointing. By the anointing that is contained in the blood of Jesus, I

destroy every yoke of evil altars against my life in the name of Jesus.

Righteous Father, I am fully aware that whatever you have done in the life of any man or whatever that you have decided to set free, the man is going to enjoy the freedom indeed because affliction can't come the second time. By the power that is in the blood of Jesus, I decree and declare my total freedom from the bondage of this evil altar raging against my life and destiny in the name of Jesus.
