INRODUCTION

Witnessing is the essence and purpose of the church. The concept should hence be understood in its entirety. Jesus gave the church this all important calling at His ascension because it is the heartbeat of the Father. Sadly, most people and churches have not fully understood it, making the church ineffective in its fulfillment.

Witnessing is a lot more than preaching from street to street, morning cries or even mega crusades. Though these are very important in witnessing, they are perhaps just a minute part of the process.

This book aims to enunciate the concept of witnessing as a process that requires the right consciousness, attitude, and sacrifice and the role of the church, individuals and groups in effective witnessing.

Our Master Jesus Christ is coming back very soon. Consequently, we need to employ all necessary techniques, and tactics to witness to this world for Him.

As you read this book, I pray that God will birth in you a strong passion for souls and grant you understanding into this ultimate assignment of witnessing in Jesus Name. Amen.

CHAPTER ONE

THE TRUE CONCEPT OF WITNESSING

Every soul that has been saved and those that will be saved are born again to be witnesses.

> ***Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new. And all things are of God, who hath reconciled us to himself by Jesus Christ, and hath given to us the ministry of reconciliation; To wit, that God was in Christ, reconciling the world unto himself, not imputing their trespasses unto them; and hath committed unto us the word of reconciliation.***
>
> ***2Corinthians 5:18-19***

The essence of Christianity is not just going to church services, singing and dancing, or a means of identification or affiliation. The essence and purpose of Christianity is witnessing.

> ***But rise and stand upon thy feet for I have appeared unto thee for this PURPOSE, to make thee a minister and a WITNESS both of these things which thou hast seen and of those things in which I will appear unto thee.***
>
> ***Acts 26:16***

When Apostle Paul was converted, his first assignment was witnessing. So when God comes into your life, the first expectation He has of you is witnessing to others. This is why there is so much zeal for witnessing in the life of new converts. Many believers today do not understand their call to witnessing and even those who do, do not fully understand it; hence they are unable to effectively fulfill their assignment as witnesses.

An in-depth understanding of witnessing is required to fulfill this great assignment because the believer was saved to save others.

> ***But ye shall receive power after the Holy Ghost is come upon you and ye shall be witnesses...***
>
> ***Act 1:8***

> ***Ye have not chosen me but I have chosen you and ordained you that you should go and bring forth fruit!.***
>
> ***John 15:16***

The church, every believer inclusive, has been chosen and ordained to bring forth fruit, and to produce other believers and witnesses.

> ***..and that your fruit should remain***
>
> ***John 15:16b***

We have not only been licensed to produce more fruits but to ensure that these soul are retained and developed.

Witnessing is Deliberate

Witnessing is a deliberate effort to attract, convince, convert, admit and disciple souls in the way of Christ and in the things of God. Witnessing is therefore not a onetime activity but a process.

Attracting: A true witness must live an attractive life to be able to win souls to Christ. People are naturally attracted to people who have something they desire. A Christian must therefore live an attractive life to gain followership.

Witnessing is a deliberate effort to attract, convince, convert, admit and disciple souls in the way of Christ and in the things of God.

The character of a believer is a very important element in attracting souls to the kingdom. A Christian who is dishonest, greedy, tricks or lies to people will not attract souls. A true witness must therefore live a life that is free of guile before all. A true witness must deliberately avoid excessive arguments and quarrels because they gender ungodliness.

> ***But refuse profane and old wives tables....***
>
> ***1Timothy 4:7***

But shun profane and vain babbling for they will increase unto more Ungodliness.

2Timothy 2:16

A witness must avoid gossiping and other attitudes that are unattractive to those without.

Keep thy tongue from speaking guile and thy lips from speaking evil.

Psalm 34:13

A witness should make effort to live at peace with all men

If it be possible as much as lieth in you live peaceably with all men.

Romans 12:18

Follow peace with all men.

Hebrew 12:14

Let everyone of us please his neighbor...

Romans 15:2

Living at peace with others at all times might be difficult but it is a very important tool for wit nessing.

A Christian who constantly borrows and does not diligently make effort to pay back might not make a good witness. A witness must keep integrity at all times and in all situations.

The success of a believer is another key element in attracting. A witness must seek to be outstanding in every area of life as no one is attracted to a person that is considered to be a

failure. A student witness must seek to be outstanding in his or her academics.

A worker who is a witness must seek to be outstanding in his or her workplace. As the witness seeks to be outstanding, others begin to aspire to his inspiration in the quest to know and master the secret of his success. People always assume that when someone is successful, there must be something special they are doing. This assumption can inspire followership thus making us more effective in our witnessing.

> ***...follow me and I will make you...***
>
> ***Matt 4:19***

People follow you because they assume that what is making you who you are can make them who they want to be. People will naturally follow you when your life is attractive. When we live with the consciousness that we exist to attract people to Christ, everything in our lives will be done wisely and without reproach.

Convincing: What people discover when they get close to a witness they get attracted to will determine whether they will be convinced or not. So, attracting is only the beginning of the process. When a soul you attracted gets close to you, will they find Christ in you? Will your reality match their perception of you? The reason a lot of unsaved souls are repelled from Christians is that what they find when they got close to certain professed Christians is completely different from what the Christians proclaim.

The people in Samaria did not just believe Jesus because of the Samaritan woman's testimony.

> ***The woman then left her pot and went her way into the city and saith unto the men come, see a man which***

told me all things that I ever did is this not the Christ?

John 4:28-29

They believed Jesus because they saw for themselves the reality of what the woman proclaimed.

And many more believed because of His word and said unto the woman, now we believe not because of thy saying, for we have heard him ourselves and know that this is indeed the Christ the savior of the world.

John 4:41-42

Philip the disciple of Jesus met Him and followed Him. But when he told Nathaniel about Jesus, he did not initially believe.

And Nathaniel answered unto him can there any good thing come out of Nazareth?

John 1:46

But when Nathaniel met Jesus, his testimony changed because he met the reality of what he had been told.

Nathaniel answered and said unto him rabbi; thou art the son of God...

John 1:49

People will not be convinced just because of what you claim to be but what they see when they get close to you. Will they find you as honest and truthful as you claim? Will they find you as prayerful and powerful as you claim to be? Will your reality match their perception of you? Souls can only be convinced when your reality exceeds or match their perception.

Converting: People can only be converted after they have been convinced. Many souls around us are not born again because though they are attracted to us, they are not convinced enough to be converted. Deliberately living a life that will attract and convince unbelievers will eventually convert them. When souls are converted, it means that they have accepted and chosen to follow your way of life.

The converting period might take time but a true witness does not give up but continually lives and acts in ways that might lead to conversion.

Admitting: When souls are converted they should be admitted into the church. This is the beginning of discipleship. The soul your life has attracted, convinced and converted should not be left on the streets - They should be admitted into the church. A true witness ensures that every soul they win is admitted into the church.

Every true convert must be admitted into the church.

When a student is admitted into a university, he does not just sit at home claiming to be a student. He actually goes to the school to begin the process of training. Similarly, when a soul is saved, he should not just sit at home claiming to be a Christian, but should be admitted into the church for strengthening, equipping and training.

When we have this consciousness, we will not just hold crusades and great meetings to win souls but will also develop systems to ensure that the souls are admitted and retained in Holy Spirit led churches. Sometimes when new souls are won, they claim to be members of other churches. A true witness must not let that deter him because the fact that they just got born again is a proof that though they belonged to a church which they may attend regularly, they have not been admitted for discipleship and training.

A true witness must not assume that the soul belongs to a church but must attempt to admit him into his own church where he is being discipled and trained.

Many souls have been lost because the witness was not actually involved in the process of ad mitting.

Discipling: This is one of the most neglected aspects of witnessing. Discipling is an important part of witnessing because as souls are discipled, they become witnesses.

Jesus recruited twelve disciples to be with Him and follow Him. Some were uneducated fisher men and tax collectors but He discipled them in every area of life. He did not assume they know how to pray - He taught them how to pray.

...one of his disciples said unto him lord teach us to pray and he said unto them. When ye pray say our father which art in heaven. Allowed be thy name.

Matthew 6:8-9

Jesus taught them about faith.

And Jesus answering said unto them, have faith in God, for verily I say unto you that whatsoever ye shall say unto this mountain, be thou remove and be thou cast into the sea and shall not doubt in his heart but believe that those things which he has said shall come to pass he shall have whatsoever he saith. therefore I say unto you what things so ever ye desire, when ye pray believe that ye receive them and ye shall have them.

Mark 11:23

He empowered them and gave them power against sicknesses, diseases and demons.

And when he had called unto him his twelve disciples he gave them power against unclean spirit to cast them out and to heal all manner of diseases.

Matthew 10:1

Behold I give unto you power to tread on serpent and scorpions and over all the power of the enemy and nothing shall by any means hurt you.

Luke 10:19

He taught them outreaching and intercession in witnessing.

> ***And after these things the lord appointed seventy also and sent them two and two before his face into every city and place wither he himself would come.***
>
> ***Luke 10:1***

> ***...The harvest is great but the laborers are few pray ye therefore the lord of the harvest that he would sent forth laborers into his harvest.***
>
> ***Luke 10:1-2***

He taught them about the Father and His love for them.

> ***Therefore I say unto you take no thought for your life....behold the fowls of the air, for they sow not, neither do they reap nor gather into barns yet your father feeds them. Are ye not much better than they.***
>
> ***Matthew 6:25-27***

> ***Herein is my father gloried that ye bear much fruit...***
>
> ***John 15:8***

> ***At that day, ye shall ask in my name and I say unto you that I will pray the father for you for the father***

himself loveth you because you have loved him....

John 16:26-27

Jesus, not only discipled them with words, He also discipled them with His actions. When He met the adulterous woman, He did not condemn her but gave her a new beginning.

When Jesus had lifted up himself and saw none but the woman, he said unto her woman where are those thine accusers? She said no man lord and Jesus said unto her neither do I condemn thee go and sin no more.

John 8:10-11

True discipleship is in both action and teachings. A true witness should be actively involved in discipling his converts. In circumstances where the witness is not matured enough to disciple his admitted converts, he or she should transfer the souls to an experienced and trained teacher or pastor in his local church and constantly follow up the soul while he still undergoes training.

Witnessing is a deliberate act of reaching out to ensure that souls are won to the kingdom.

Witnessing is an Investment

Witnessing is investing your gift and the blessings of God in your life for the purpose of bringing men to God. It is investing your gift and your blessings in such a way as to produce an impact in the salvation of souls.

Investing Your Gift: God has given everyone a gift or talent that will be a tool for effective witnessing. It may be your voice, looks or even your intelligence. Putting your gift to work in such a way that your gift in operation can bring men to God is witnessing. The gift of God in your life may be useful in attracting souls or your organization to Christ. God may have given you a voice to sing or speak; utilizing that voice in church and outside of church can be very useful in witnessing.

God is a fisher of men and He needs a bait to get people hooked to Him. Your gift is that bait. Your gift should attract people so that they can be hooked to Christ.

If people who come into your life daily are not getting hooked to Jesus, you might not be living a true Christian life. People should come into your life and see the gift of God so they can become connected to Jesus, from whom we have all received.

> ***For who maketh thee to differ from another? and what hast thou that thou didst not receive? now if thou didst receive it , why dost thou glory, as if thou hadst not received it ?***
>
> ***1Corinthians 4:7***

> ***And of his fulness have all we received, and grace for grace.***
>
> ***John. 1:16***

When we understand the purpose of the gift and our uniqueness, there will be no need for comparison with others. Christianity is not comparison. It is understanding individuality, knowing your uniqueness and understanding

that there is something special about you that can attract people to God.

A true witness uses his gift to attract people to Christ and not to show-off. A true witness should make his gift relevant in his sphere of contact. God expects us to use our gifts to develop influence and affluence and to make impact in such a way as to generate followership where witnessing is concerned. This will determine our relevance in the age to come.

> ***For we must all appear before the judgment seat of Christ; that every one may receive the things done in his body, according to that he hath done, whether it be good or bad.***
>
> ***2Corinthians. 5:10***

Investing Your Blessing: These are things on the outside with which God has blessed you. It may be your money, time, your cars and your resources in general. A true witness does not only invest his gifts, but also invests his blessing in such a way as to win souls to Christ.

Your finance can be used to win souls to Christ. Helping people in need can be a bait to bring them to Christ. Giving a person a lift in your car can be a tool for witnessing, though this should be done by the wisdom of the Spirit. (Rom. 8:14)

When people come into our lives, they should see the blessings of God and become hooked to God. When people seem carried away by the sight of your nice car or house, you can see it in their eyes or hear it from their words. That becomes an avenue to talk about God's goodness and to bring them to Christ.

A true witness does everything on purpose. Jesus Christ understood this and so everything

He did was with the intent of attracting people to Himself, and then to God. He saw Himself as the way to God.

> ***Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me.***
>
> ***John 14:6***

Do you know you are the way to God today?

> ***And he said unto them, my meat is to do the will of him that sent me and to finish his work***
>
> ***John 4:34***

We are here on assignment as the salt and the light of the world.

> ***Ye are the salt of the earth ye are the light of the world.***
>
> ***Matthew 5:13-14***

A Witness Is Salt

As salt adds value and taste, a true witness should add value to his world and his neighborhood with his gifts and blessing. Jesus has placed in every believer an ingredient that can add taste and value to his world, to give worth to what is worthless and meaning to what is meaningless. We indeed are the way the truth and life today as no man can come to Jesus except by our witnessing.

A man who wants to commit suicide should find the value of life when he meets a true witness. A prostitute should find value for herself when she meets a witness. A true witness adds value.

A Witness is a Light

Light gives sight, describes and reveals. As the light of the world, the witness is supposed to teach the world about success, relationship, marriage, sex, etc and not otherwise.

As light describes, the life of a witness is supposed to describe prosperity, marriage and health. A witness who understands his/her role as light and salt will not act or talk carelessly, dress inordinately, be poor or a failure.

How intelligent a witness is in investing the gift and blessing given to him will determine his reward on the Day of Judgment. This wisdom should guide every witness in every area of life including their choice of spouse, church, work, etc. These choices must be made with kingdom expansion in mind. That is the witness mindset. It is set on the kingdom and not on the world.

The true witness must constantly look for the right places and ways to invest gifts and blessings so as to yield maximum returns for the kingdom.

CHAPTER TWO

WITNESSING AND THE KINGDOM

When God created Adam as seen in the book of Genesis chapter 1, He gave him the earth and told him to have dominion over all living things. So the earth became Adam's kingdom and domain.

> ***"So God created man in his own image in the image of God created he him male and female created he them and God blessed them and God said unto them be fruitful and multiply...and have dominion over the fish of the sea"***
>
> ***Genesis 1:27-28***

These words from God gave man authority and dominion over all the earth and all creatures. Man was not created to be subject to sin, or the devil, he was created to dominate on the earth and to extend God's kingdom to the earth.

Man was crowned and made king over the earth but when he sinned by committing treason, he transferred his authority over the earth to the devil. When the devil tempted Jesus in the wilderness, notice the words he spoke to Him about the authority of the earth.

> ***And the devil taken him up into an high mountain, showed unto him all the kingdoms of the word in a moment of time and the devil said unto him, all this power will I give thee and the glory of them for that is de-***

livered unto me and to whoever I will I give it

Luke 4:5-6

Adam delivered the authority and powers over the earth to Satan when he sinned, hence Satan became king over the earth and man became subject to him.

Hereafter I will not talk much with you: for the prince of this world cometh, and hath nothing in me.

John. 14:30

But if our gospel be hid, it is hid to them that are lost: In whom the god of this world hath blinded the minds...

2 Corinthians. 4:3-4

Man became a subject where he was once a leader and a ruler. Man also became separated from God and lost fellowship with God. The scripture says man died because true death is separation from God.

But of the tree of knowledge of good and evil thou shall not eat of it for in the day that thou eatest thereof thou shall surely die.

Genesis 2:17

Wherefore as by one man sin entered into the world and death by sin... Nevertheless death reigned from Adam to Moses.

Romans 5:12-14

God sent His Son Jesus Christ, the second Adam, to restore His fellowship with man and also to

re-establish His kingdom on the earth. John the Baptist spoke of His coming with these words.

> ***Saying, repent ye for the kingdom of heaven is at hand.***
>
> ***Matthew 3:1-2***

> ***Jesus began to preach and say, repent for the kingdom of heaven is at hand.***
>
> ***Matthew 4:17***

> ***And saying, the time is fulfilled and the kingdom of God is at hand.***
>
> ***Mark 1:15***

By Jesus' death on the cross and resurrection from the death, He defeated Satan.

> ***And having spoiled principalities and powers, he made a show of them openly, triumphing over them in it.***
>
> ***Colossians 2:15***

> ***Forasmuch then as the children are partakers of flesh and blood, he also himself likewise took part of the same; that through death he might destroy him that had the power of death, that is, the devil;***
>
> ***Hebrews 2:14***

Jesus Christ bought us with His blood.

> ***In whom we have redemption through his blood, the forgiveness of sins, according to the riches of his grace.***
>
> ***Ephesians 1:7***

In whom we have redemption through his blood, even the forgiveness of sins.

Colossians 1:14

Neither by the blood of goats and calves, but by his own blood he entered in once into the holy place, having obtained eternal redemption for us.

Hebrews 9:12

He quickened us with His life.

And you hath he quickened, who were dead in trespasses and sins.

Ephesians 2:1

Even when we were dead in sins, hath quickened us together with Christ, by grace ye are saved.

Ephesians 2:5

Buried with him in baptism, wherein also ye are risen with him through the faith of the operation of God, who hath raised him from the dead..

Colossians 2:12

He restored man's fellowship with the Father

Therefore being justified by faith, we have peace with God through our Lord Jesus Christ.

Romans 5:1

God is faithful, by whom ye were called unto the fellowship of his Son Jesus.

1Corinthians 1:9

He reclaimed the authority and power over all the earth to Himself.

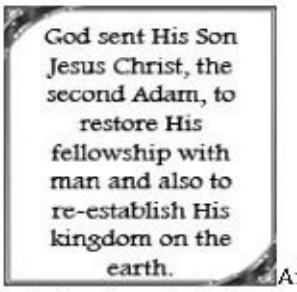

> ***All power is given unto me in heaven and in earth.***
>
> ***Matthew 28:18***

> ***Wherefore God also hath highly exalted him, and given him a name which is above every name.***
>
> ***Philippians 2:9***

He gave man the license to use His authority and power.

> ***All power is given unto me in heaven and in earth. Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you always***
>
> ***Matthew 28:18-20***

> ***And these signs shall follow them that believe; n my name shall they cast out devils; they shall speak with new tongues.***
>
> ***Mark 16: 17***

After His ascension, He left the church the keys and authorities of the kingdom. The church is therefore supposed to maintain the kingdom and extend it. Witnessing is a major way of making this happen. A true witness must understand his role in extending the kingdom of God to dominate the earth.

The devil has been defeated and we are here as the church to extend, promote and enforce God's Will in heaven on the earth.

> ***Thy kingdom come. Thy will be done in earth, as it is in heaven.***
>
> ***Matthew 6:10***

Every soul that is born into the kingdom of God has the responsibility of propagating and furthering the agenda of the kingdom through wit nessing.

Here are three important facts every true witness must understand;

1. When we get saved, we gain access into the kingdom.

> ***...verily verily I say unto you, except a man be born again, he cannot see the kingdom of God.***
>
> ***John 3:3.***

Salvation enlightens and exposes us to the kingdom.

2. When we receive the in-filling of the Holy Ghost, we also get the power of the kingdom. This makes us outlets or distributors of the power of God to our world.

> ***But ye shall receive power, after that the Holy Ghost is come upon you: and ye shall be witnesses unto me both in Jerusalem……***
>
> ***Acts 1:8***

3. When we witness, we take the power of the kingdom to the people. Many people today are not saved because we come into the kingdom but do not go out *with* the kingdom. The purpose of the power of the kingdom is to make us effective witnesses or proof producers to our world.

After Jesus called His disciples, He gave them the power of the kingdom

> ***And when he had called unto him his twelve disciples, he gave them power…***
>
> ***Matthew 10:1***

But the purpose of the power was to send them forth to preach.

> ***These twelve Jesus sent forth, and commanded them, saying…***

Matthew 10:5

A true witness should be filled with the Holy Ghost with the evidence of speaking in tongues.

> ***And they were all filled with the Holy Ghost, and began to speak with other tongues...***
>
> ***Act 2:4***

This infilling made Peter a man who once denied Christ, a great and bold man. The power of the kingdom in you can make you and then others around you. It can make you a true witness with evidence and proof. The power of the kingdom in you when distributed can make a preacher out of a coward and a pastor out of a prostitute. Glory!

The people of this world are oppressed all around us; they are sick, poor and depressed, and every true witness must arise with this power to cause changes, making the impossible possible.

Every true witness is an outlet or distributor of the power of God. Hence we must not allow darkness dominate our world. We must enforce the power of our kingdom over people and circumstances. Witnessing in essence is distributing the power of the kingdom to your world.

CHAPTER THREE
THE CHURCH AND WITNESSING

The church plays a very important role in the life of a witness and in witnessing. A lot of believers today do not understand the role of the church in their lives, hence are unable to enjoy its benefits and serve God acceptably. Some persons see church as a recreational or entertainment centre where they can relax after the week's work.

Some others see church as a money making venture for pastors. Some persons even get angry and leave their church because they are offended at things not done their way. This attitude shows that they do not understand the purpose of the church.

The purpose of the church is ministry. Ministry means to give, it means service. The church is a place where the believer receives to give back to the world.

The church is a place where what we distribute is being stored. It is a store house of the blessing and power of God.

Every true witness must therefore understand the role of the church in relation to their personal lives and to witnessing.

The Church Gives You Credibility As A Witness

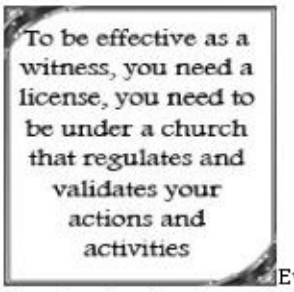

The first thing people ask a witness during outreach is the identity of the church they attend, clearly showing that the credibility of the church a witness is affiliated to is of great importance.

The credibility of your church gives you credibility, so you must be careful what church you attend or identity with. Some churches have lost credibility in their local environment. As a result, their witnessing ultimately loses credibility before people in that locality.

A church might lose credibility because of false or wrong information passed out to the public about them, a wrong step taken by a key_member or a leader of that church or even a wrong action by a member of that church, hence a true witness must guard or protect the credibility of his church because what stains the church stains him. A true witness must fight everything that fights the integrity of the church. It may be a wrong attitude or disposition. When your church loses its credibility, you lose your credibility as a witness because ultimately no one wants to openly affiliate with a church that is perceived to have lost its integrity.

The Church Gives You a License

Reasonable people will not function with anything that does not have a license. Intelligent people have been trained to always ask for a license. Also you cannot run a business or organization without a license.

Every reasonable thing done in developed societies are required to be licensed. In developed nations, even artisans like carpenters and electricians have licenses. As a witness, God does not want you to function without a license. That is why He gave you a church to validate you.

A license is not necessarily a piece of paper - it is proof that you are under the discipleship, control and investigation of an intelligent body. It means you are under a regulatory body that is watching and investigating to ensure you stay within the right parameters.

To be effective as a witness, you need a license, you need to be under a church that regulates and validates your actions and activities

The Church Gives You Training

The reason a lot of witnesses are not effective is because they lack training. Your church gives you training for witnessing. To be an effective witness you must

submit yourself to training in the totality of witnessing.

All that some Christians know about witnessing is preaching from house to house. There is a lot more to witnessing than that. In fact there is pre-, during and post aspects of witnessing that the witness must be trained in.

Whatever you want to be good at, you must be trained for it. And you must update your competencies through subsequent trainings. This training is not a onetime activity rather it is a continuous activity.

The church offers these training through meetings, special leadership meetings and special services. Even listening attentively to God's word is training. So a true witness should not trivialize services and special meetings. Every true witness must be trained to be effective.

The Church Equips You

If you must be effective as a witness, you must not only be trained, you must be equipped. A trained soldier without the right weapon will still be ineffective as a soldier. The church equips the witness with ministry materials such as books, tapes, audio and video CDs.

The church also trains the believer on how to maximally utilize these equipment. The witness is trained on the right equipment to use when diverse challenges arise during the process of witnessing. When a witness understands the important of his or her church, he values_and protects his church.

Equipping is not only about giving equipment. It also involve training the witness in the utilization and exposure to the right use of the equipment.

As a witness, do you consider yourself trained and equipped with the right materials for your assignment?

The Church Gives You Fellowship

The church provides a network for the witness and the souls they win. The church is a spiritual union that provides fellowship for souls that are being won to make them fellow witnesses.

A fellow is a member of a learned society. The souls won are brought to the church and the church provides association to assist you as a witness and to grow and retain them. Fellowship is necessary in time of want and need, and provides strength to the weak.

A true witness must understand this and maximize same to strengthen and develop themselves and the soul won.

The church is of utmost importance to a witness because it provides the witness credibility, licensing, training, equipping and fellowship and it plays a very integral role in reaching your world with Christ.
