Registration Notice for Year I Students

First of all, congratulations for successfully joining Addis Ababa University to pursue your undergraduate studies. This is to kindly inform and share with you some important information about the Registration process.

1. Registration time will be October 2 and 3, 2025.
2. Late Registration will be October 6, 2025.
3. Registration will be conducted via online platform inside the premises of Colleges where you are placed. Your physical presence is mandatory. Registration from remote or outside of AAU campuses is not possible as the system will not allow you.
4. After successful online registration, submission of hard copies of your educational testimonials is required. You are expected to submit your educational testimonials to the registrar offices of Colleges where you are assigned after online registration.
5. You can only access the registration portal via wifi connections available in different campuses. Besides, you will be provided ICT laboratory spaces to facilitate your registration.

We wish you a fruitful stay and successful academic journey!
