

**2016 E.C First Semester Social Study 1<sup>st</sup> Worksheet for Grade Eight**

**I. Write “True” if the statement is correct and “False” if it is correct.**

- \_\_\_\_\_ 1) The East African Rift Valley is the largest valley in the world.  
\_\_\_\_\_ 2) Fold mountains are formed from metamorphic rocks.  
\_\_\_\_\_ 3) Earthquakes are sudden movements in the earth’s crust.  
\_\_\_\_\_ 4) External forces are forces that come from the inside of the earth.

**II. Match the features under column ‘A’ with their description under column ‘B’.**

**Column ‘A’**

**Column ‘B’**

- |                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| _____ 6) Monocline | A. A sand hill that has a crescent-moon shape.                       |
| _____ 7) Anticline | B. If the layers of rock bend down ward                              |
| _____ 8) Syncline  | C. Types of fold in which all rock layers bend in the same direction |
| _____ 9) Barchans  | D. Magma which has reached the earth’s surface                       |
| _____ 10) Lava     | E. A depression between two parallel faults                          |
|                    | E. If the layers of rock bend upward                                 |

**III. Choose the correct answer from the given alternatives and write your answer on the space provided.**

- \_\_\_\_\_ 11) Which one of the following forces is responsible for the formation of rift valley?  
A) Folding      B) Earthquake      C) Volcanic eruption      D) Faulting
- \_\_\_\_\_ 12) Earthquakes measuring to 5 magnitude rating would be considered as:  
A) great      B) major      C) moderate      D) minor
- \_\_\_\_\_ 13) A volcanic which will never erupt again is known as:  
A) Dormant volcano      C) Active volcano  
B) Extinct volcano      D) None
- \_\_\_\_\_ 14) One of the surface of lava came out through a single hole is:  
A) Caldera      B) Crater      C) Fissure      D) vent

**IV. Fill the following blanks with appropriate word/s/.**

- 15) An upward and convex fold is called \_\_\_\_\_ , while a downward fold is called \_\_\_\_\_.
