DEDICATION

This book is dedicated to the **HOLY GHOST** for inspiring me to write this eye opener book.

APPRECIATION

My appreciation goes to my dedicated wife, **MRS NGOZI OLAYERI,** who typed the manuscript of this book and design the cover page.

My darling wife I say thank you. My appreciation equally goes to my lovely children, **MISS IBUKUN, DAVID, MICHAEL, COMFORT and MERCY.** They encouraged me day and night as I write this book. Hurray, after seven years of research, reading, listening to counsels and support of the Holy Spirit etc. the long awaited book, bad dream enemies use to rob blessing and the way out is out!

Respect and honor should be given to who is due. Favor comes from God and men as well. My calling (writing evangelism) met the timely support of a particular man of God, preacher, teacher, prophet and General Overseer. He awakes my inner man, gave me sound spiritual support and stood by me in fulfillment of my calling.

This book you are holding is a testimony of my claim. This book wouldn't have seen the light of the day, if not for the spiritual encouragement I gathered from my father in the Lord who served as spiritual mirror that brightens my hope to explore my calling.

I am talking of no any other person than the **General Overseer of *MOUNTAIN OF FIRE AND MIRACLES MINISTRIES WORLD WIDE*, DR. D. K. OLUKOYA.**

Once again, I say thank you sir. Your support has yielded yet another earth shaking book.

THANKS

Evangelist Tella Olayeri.

HOW TO USE THIS BOOK

Prayers are written at the end of each chapter of this book. You can as well raise prayer points to address your dream situation as the spirit directs you.

It is good you cancel every bad dream as soon as you wake from sleep, as delay may be dangerous. Whenever you dream good dreams, pray for its manifestation. Do not wait for answer; rather work towards its actualization. Manifestation is not automatic. Sometimes, for security reasons don't share your dream with people anyhow. Let your dream materialize first, so that it is not countered by people you discuss it with.

Endeavor to do night vigil with this book using prayer points written at the end of each chapter, and or, any prayer book you know will address your situation. Let your vigil start around 12 midnights and pray for two to three hours. If you are facing strong challenges, I advise you go for two or three days dry fasting, taking warm water, (not hot tea!), to clear your throat from drying. Do this, and be ready for quick answer to your petitions.

PREFACE

There is always this question often asked question of readers of my books on dreams. ‘I always have satanic and bad dream after prayers, what can I do? Is it not better to stay awake, than sleep to experience bad dreams? Should I stop praying so that I don’t experience ugly, fearful bad dreams? These are questions that need accurate answer.

My answer is, give thanks to god for protecting and giving you opportunity to remember your dreams. Thank God that ream erasers did not erase your dreams from your memory box before you woke.

To the questions above per see, the fact is the dreams you dream tells you of past events, your life, events at hand, or events that may occur in the nearest future. We shall take it one by one to understand why you should be glad God reveals such ugly dreams to you.

PAST EVENTS: after praying your dreams may reveal to you evils perpetrated against you by wicked ones, which you either escape being hurt, or the hurts you sustained then, but if not for the grace of God, you may have died. In fact, such attacks may still be working against your destiny till now, but God is only revealing it to you in the dream. It is your prayer grace of God, cry to God that satirize you. If this is so, it is like you are asking God for something, but his now showing you what and what you must see and understand before he answer you. God is never in haste. He build is children on a step by step basis. If is after you may understand your past you can match to future. This is exactly what is happening in the dream. God wants you to understand your foundation before you can erect any meaningful building now in his home.

PRESENT TENSE: Bad dreams can equally come in your sleep to reveal into in a business, career or undertake sometimes, before you take steps you may have discuss your plans with unfriendly friends who may bitter at your progress. Meanwhile you confine on him, he is better described as a green snake in green grasses. He is ready to arm or attack you anytime he foresees taking fruitful steps. For this reason, God will reveal it to you so that you don’t make mistake or fall victim before you know it. Enemies are deadly and wicked in nature. They don’t want you to progress in life. That is exactly, God is revealing to you through dreams which now makes you fearful, trying to throw your prayers in the dustbin. The fact is, God has your prayer, what you need now is courage,

wisdom, ability to interpret dreams and right steps to take for now. Your cry to God is not in vain.

FUTURE TENSE: Your future starts today, even on what you did yesterday. Your futures determine how bright your star will be. Enemies may have seen how bright your future will be and find out how they can harm you or pollute your destiny, so that you don't achieve meaningful thing in life. To achieve this, enemies will fight hard to ensure you are beaten off the track of life and progress by sowing seed of fear and confusion in you.

SATANIC CRAFTINESS: Satan is very, very crafty. The bible warned us to be aware of the crafty of the serpent. Satan knew what you want from God. He knew you need peace of mind, salvation, wealth and progress. He is bent ready to lead you astray, so that when you pray, he also may appear in your dream in order to disturb, and distract you from going further in prayers. If you don't take your stand and say, "I must not relent my efforts in prayer", you may fall by the way side and fail woefully in life.

Don't look at yourself as someone who cannot be deceived. Apostle Paul said, in the book of Corinthians 11:3, "but I am afraid that as just as Eve was deceived by the serpent's cunning, your mind may somehow be led astray from your sincere and pure devotion to Christ" Satan doesn't want you to have right with God. He wants to create fear in you, in order to corner you, and molest you to submission in the dream.

Finally, dream attacks, dream fear, dream molestation, and or, funny dreams must come to play if condition warrants it. Such dreams are meant to remind you of one thing or the other that needs your attention, only if you can remember and be able to interpret such dream. The assumption of not having bad dreams after hot prayers or after passing through deliverance should be ruled out. Your background coupled with what you pass through in life matters. Hence, bad dreams are not evil in as much it is a genuine way to communicate one message or the other to you. Pray hard and know your spiritual status.

CHAPTER ONE

IF YOU USE LATERINE THAT IS EXPOSED IN THE DREAM.

In the Garden of Eden, we fell through Adam. The sad fruit our forefather ate open floods of sin, into our life. In the beginning, God created man in mint condition (sinless), but we lay hands on sin which defeated us. Satan capitalize on this, and vandalize man.

We love sin so much because we love the world, and until Christ rescue us from it, the world reign in us and we live unto it. We are victim of sin. Sin has left a deep and disfiguring mark on man and we are restless.

In real life, it is wrong, barbaric and unhygienic to use an open toilet, as it portrays shame and poverty. It is not good to be in public glare passing out waste in the bowel. If it is so in real life, what then is the position in the spirit?

To dream using latrine that is exposed suggests you are committing secret sin, which unknown to you is a subject of debate in public. You hide doing it, but your act is in public domain. There is no act called secret sin, you are over there digging your own grave. Men fell in private long before they fall in public. If you are not close to God as you use to be, you do not have to guess who moved. It is Satan!

This is a warning dream that tells you to desist from wrong path of life before it consumes you. Let today be the right time you are coated with spiritual orientation and engineering. It is high time you find a way out by fire!

THE WAY OUT

1. Don’t sweep your dream under the carpet, no matter how simple or fearful it is. Believe that dreams are real and must be treated with all seriousness.
2. Read the Word: the Holy Bible, it elevates the spirit. The word of God is more credible than a visitor from the dead. You have no comfort elsewhere, except the source- the Holy Bible.
3. Repent of your sin today and quit it, be it adultery, fornication, stealing, smoking, cultism, lies etc. To the heavenly minded sin is bitter, Christ is sweet, and to the hell minded sin is sweet, Christ is bitter. Make Christ sweet, and sin bitter, and then you have repented.
4. Pray and recover what you lost in the spirit and in real life as a result of bad dream. Pray for favour of God and of men to prevail in life.

5. Pray yourself out of prison of darkness and from the claws of Satan.
6. Do friendship audit, re-asses people you associate with and apply associate engineering wisdom.
7. Cover yourself with blood of Jesus against evil arrow fired to pollute you.
8. Drink blood of Jesus to purge you of evil deposits.
9. Go for deliverance in a reputable living church that believes and carry out such exercise.
10. Go for counsel before men of God that have trait of discipline.
11. Read good Christian books that will build you as a Christian. Better books you read, better it is for you. For dream book, buy Dictionary of dreams, and for violent prayer book buy Fire for fire prayer book. This book will surely teach you techniques in prayer.
12. As a Christian, have the habit of fasting and prayer. Pray without ceasing, and pray in all season. Table your case before God. He will solve it. Nothing is too hard for him!

CHAPTER 2

IF YOU LOST YOUR BIBLE IN THE DREAM

The Holy Bible is a spiritual treasure loaded with word of God. When we believe and read the scripture, it is close to hearing the word from Christ's mouth. It is the key to our heart, our happiness and our duty.

It is therefore a disaster to lose your Bible in the dream, whether stolen, misplaced or torn to shred. Thus, to lose your Bible in the dream predicts you are under attack that may not allow you develop interest to study or profit from the word. It also mean arrow of backslidden, loss of spiritual gift, loss of heavenly touch, and or, spiritual insensitivity that may lead to disaster.

The Bible is what must be jealously guided. Spiritual robbers must therefore be checkmated, discouraged or silenced from tampering with your Bible in the dream. If your Bible is stolen, it is as if your angel is handcuffed in the spirit, as you lose reference book to communicate with God.

The Word is an ocean, without bottom or banks. We can never exhaust all the treasure and worth that is in it. This means, it is wonderful and spiritually loaded. This is what Satan wants to steal from you. Act now before it is too late!

THE WAY OUT

1. You must not toy with this type of dream. Act fast and belief it is real in the spirit.
2. Be spiritually loaded in the Word. Read it, know it and do it. What makes the difference is not how many times you have been through the Bible, but how many times and how thoroughly the Bible lays hold on you.
3. Say this confession: I have done many bad things in the past, I won't go back to them, I am surrounded by many bad things of the world, I won't do it. I can see many bad things far ahead of me, I won't go close to them, and it is not me speaking but Christ in me.

   How I wish I chew the Bible, smell the scent, marry to it, love it, cherish it, hold it, know and read it every day and do what God commands in it until I die. Temptations will surely come; I pray to overcome them all through the power in Christ. Amen
4. Recover and claim your Bible by fire
5. Command Holy Spirit to fill your heart. When filled with it, you will handle every situation with ease and pull down strongholds. Before

Pentecost, the disciples were like rabbits, after Pentecost, they were like ferrets! They subdue powers of darkness.

6. Cover yourself and your property with blood of Jesus
7. Be prayerful. Pray without ceasing. Let it be the key of the day and lock of the night against intruders.

CHAPTER 3

IF YOU HAVE SEX IN THE DREAM.

Sex in the dream is a sleep mystery where strange spirits have sex with one in the dream. This is one sleep headache people pass through every day. These sex demons have no regard to stature, background, colour or religion of victims they molest in the dream.

Dream criminals or demons, have peculiar characteristics, to molest, terrorize, harass, intimidate and pollute unwilling partners in the sleep. They are spiritual prostitutes that defile the body. What more? They are sleep troublers, testimony killers, polluter of souls, sorrow distributors and miracle killers. They make victims live a worthless life, cause impotence, miscarriage, marriage disorder, and untimely death.

This day, many are trapped in this unholy marriage or alliance without bargaining for it. They are confused, filled with fear in the heart when going to bed. They are now at the mercy of spirit wife (succumbs), and or, spirit husband (incubus) that reduce, destroy, and scatter virtues and destiny of victims.

It is time you send them on journey of no return. It is now, not tomorrow.

To dream of airplane that took off, but exploded in the sky foretells that, enemies are out to scatter or destroy value able project in your hands, and or, your journey, ministry or person. Thus, such dream is fatal to development or progress.

There was this case of a woman who makes sure her son's companies folded up abruptly. His three companies folded up rapidly in successive order. He became poor to the extent that he could not pay his children school fee, as a result, he went into twenty one days fasting and prayer. It was one day in the heated prayers, his mother ran naked and confessed that she used three woods, (which she brought out) as collateral in the spirit to collect loan in the spirit. She said the three woods represent her son's companies. Thus, when she failed to pay the loan, the companies collapsed.

CHAPTER 5

IF YOU SEE YOUR FACE IN THE MIRROR IN THE DREAM

Human beings are dangerous, they can't be relied on. They are green snakes in green grass. You may not realize the evil, corrupt and how dangerous a man is until you have issues with them.

Mirror in the spirit portrays little way to define our ways. Mirror in the spirit portends self-appraisal, God's Word, to look back at previous event or situation, past memory, vanity etc. Thus, in the spirit, mirror speaks volume. For this reason, you must take your dream serious, mostly if it involves seeing mirror in the dream. Mirror represents peculiar message depending how it appears in the dream.

If you see your face in the mirror in the dream it suggests deceit among friends, and or, warning to sit right and do what is right. It is a warning dream that must not be swept under the carpet.

Friends and close associates are good; they know much of your secret. Friends are so close that at times they know more of your secret than members of your family. Since this dream tells you to be on guard, you must be careful of whom you reveal your secret to because not all friends, are friends. Hence, know the type of friend you keep at this material time.

The problem with many is, they are careless in talk, in attitude and in association they keep. They fall victim of circumstance and swim in ocean of regrets. But then, you must know what to do, to keep yourself afloat at all time.

The wave blow that blows in the spirit may look calm, but it is ferocious in real life. Witchcraft attack is real, causing far and hopelessness, as destinies are buried without notice.

Spirit of poverty roars about as many foam on both sides of the mouth with epilepsy of poverty. Many are new victims, while others are long in it. They embalm their faces with cosmetic joy when they are bleeding from inside. They avoid looking scared when in fact they are panic overdrive. There is this sword of Damocles on their heads.

This is the pathetic situation of people that buy dry fish in the dream. To buy dry fish in the dream is dual revealing. It may serve as a warning dream, as well as a bad dream depending on the side of the coin.

In the first place, to buy dry fish in the dream foretells warning to exert more effort to win souls for the kingdom if you are a minister of God. On the other hand, it suggests you may pass through difficulty, suffering or hardship before you can make a head way. Also, it foretells sickness in the offing.

CHAPTER 10

IF YOUR HEAD TIE OR CAP IS REMOVED IN THE DREAM

Enemies are not happy if you have a settled home, when things go smoothly without curves, when your finance blossoms, when cry is far from your home, when your career prospers or when things are generally good. They are mad at good things. They don't want your glory to shine.

In every spiritual journey there is an entry and exit point. In the sleep world your entry point is when you go to bed and sleep, while the exit point is when you wake from sleep. In between when you go to bed and when you wake, enemy may strike, to kill, to destroy or to steal. Your glory is under attack whenever they carry out such threat.

Such is the situation if your cap or head tie is stolen, or is snatched from your head, or tore to pieces or blown by wind in the dream. The bottom line is, you lost your cap or head tie to strange power.

This may look simple in narrative, but in the spirit it carries weight. To lose your head tie or cap in the dream suggests loss of glory, financial and marital exposure to danger, likely sudden death of spouse or helpers.

It is therefore a disaster if you lose your head tie or cap in the dream. It is dangerous to invest without harvest. May the challenge and the battle you experience fade away by fire. Amen

CHAPTER 11

IF YOU EAT IN THE DREAM

To eat in the dream, is one way enemies use to attack destinies of people. Many are forcefully fed in the dream, while many willingly ate food presented to them in their sleep. It is dangerous witchcraft venture that scatter and destroy destiny of people. It is dangerous to eat in the dream as it will affect your health, marriage, career, breakthrough and spiritual life.

To eat in the dream is a calamity abinitio. It is landmark of setbacks the day you do so. The Bible says, while men slept enemy plant evil seed in his life. This is a dream loaded with bad omen. The ways rags are handled in the physical also apply in the spirit. Rags are either thrown to dust bin or use to clean dirt. Rags are not embraced for anything except to clean dirt. The same happens in the spirit.

To be in rags in the dream portends witchcraft attack that leads to poverty, backwardness, stagnancy, rejection, retrogression, affliction, and or untimely death as a result of chronic poverty or debt that negatively affects life. To be in rag in the dream suggests, you are in a fruitless journey that yields nothing but captivity.

If you dress in rags in spirit, helpers will be far from you in real life. With such dream, you may experience persistent rejection here and there that will eventually lead to poverty. Rags in the spirit breeds hatred from people. Rag in the spirit makes you occupy last position on the queue.

Rag in the spirit in symbolic to judgment. The book of Isaiah 64:4 says, Our righteousness is like filthy rags. Joshua the high priest was dressed in filthy clothes before the angel, while Satan stood at his right side to accuse him. Zechariah 3:1-4. Thus, rag is a symbol of rejection and setback.

Spiritual captivity is loaded with problems; it include among others sharp disappointment, setback, poverty, rejection, difficulty to advance in life, arrow of stagnancy, marital failure, insecurity, agony, and nakedness. You nurse internal blame and imagine how to escape from the predicament you find yourself .

CHAPTER 20

IF YOU LOST BAG IN THE DREAM

To lose bag in the dream is a spiritual attack against your finance and wellbeing. It is a serious matter that calls for urgency. It is the handwork of spiritual robbers with intention to cause difficulty in your life, and to set obstacles on your way

Any dreamer who lost his/her bag in the dream has battles to fight. In such a situation, he/she may have genuine and inviting business at hand, but before he/she knows it, he/she may count losses due to reasons he/she can hardly say

The acts of these powers kill virtues and cause tears to roll in the face of victims. They cause untold hardship and make victims cry for what they ignorantly lost in the dream to spiritual robbers. When they steal your bag in the dream, poverty is introduced into your life, as bag represents happiness, wealth, riches and prosperity in the spirit. If your bag is stolen, it means what relates to riches and happiness in your life is tampered with. The dream you think is minor, soon become pillar of woe and regret.

There is a spirit behind this attack; it is called spirit of emptiness. Such power may introduce emptiness in a life and ensure victim swim in river of penury. Such spirit introduces nakedness into a life and bring shame to the face before you know it, helpers look elsewhere when you go for help as grace is no more there.

I pray you shall recover your bag from spiritual bandits, and possess your possession in the name of Jesus. Amen
