FOREWORD

The devil is a master strategist. He knows how to strike on target. When something is worthless or of no value, he waste no time attacking it. His main targets are human beings with glorious destinies. I am yet to see a single glorious destiny. that has been spared. Hence, people with bright prospects in life, are often under attack.

More than 90 percent of talented, blessed and endowed men and women are facing all kinds of attacks today. Many people do not know what to do, when their destinies are under attack. Much more saddening is the fact that, many people do not know the type of prayer points to use, as weapons for wrestling their destinies from the hands of destiny hunters.

The author, has therefore, presented this book under divine inspiration in order to provide a needed help for those who are grappling with incessant satanic attacks. This book will challenge you to move your destiny from the valley to the mountaintop. I pray that God will visit you, as you go through these powerful pages.

CHAPTER ONE

FORCES AGAINST DESTINY FULFILMENT

Satan hates with a perfect hatred the destiny of men and women. He is much more angry to see women fulfill their destiny. The Bible tells us that, women are mostly attacked by the devil. There is a mystery behind the battle between the devil and women. The passage below unfolds the mystery.

Rev 12:13-17: And when the dragon saw that he was cast unto the earth, he persecuted the woman which brought forth the man child. And to the woman were given two wings of a great eagle, that she might fly into the wilderness, into her place, where she is nourished for a time, and times, and half a time, from the face of the serpent. And the serpent cast out of his mouth water as a flood after the woman, that he might cause her to be carried away of the flood. And the earth helped the woman, and the earth opened her mouth, and swallowed up the flood which the dragon cast out of his mouth. And the dragon was wroth with the woman, and went to make war with the remnant of her seed, which keep the commandments of God, and have the testimony of Jesus Christ.

The fact that the devil is angry with woman had never been concealed. If there is an era in which the evil is angry with women, it is in this generation. The devil knows that if he can deal with one woman, he will end up affecting several destinies. If a survey is conducted, it will be seen that, most of the victims are women. Why is it so? It is simply because a woman will affect the destinies of her children, her husband's and that of the community.

Successful husbands are generally backed up by good wives or mothers. In the same vein, the failure of certain husbands is occasioned by wrong relationships. The devil, generally surveys those who have glorious destinies and goes ahead to attach bad wives and destructive strange women to them.

A lot of men who would have broken global records have been tied down by daughters of Satan. If you are a woman, your destiny can be under attack. This would affect the future of your husband and your children. If you happen to be a

man, the devil can also target you, through your wife. Hence, your destiny can be directly or indirectly under attack.

We often get deceived, when it seems the devil pays no attention to the lives of some people. We often hastily conclude that such people are completely spared. Such conclusions are totally wrong: what the devil does is to confuse his victims by ostensibly by passing them only to attack and afflict those who are very close to them. At the end of the day, the devil will use the real victims as a remote control gadgets to bring those who initially appeared safe into serious trouble.

Many husbands, in this regard, have become mental wrecks, as a result of satanic affliction meted on their wives. In the same vein, many fathers have developed strokes and hypertension due to the fact that their daughters were attacked by the devil. The devil seems to enjoy using women, to whip their husbands and daughters to torture their fathers.

Much as the devil fights against women, he wages a general war against mankind. Why is the devil averse to the fulfillment of destiny? It is because, his original intention was to totally destroy human destiny.

The target of the devil in every life is the destiny, because it is the most important thing in life. Satan does not waste time with insignificant issues. In heaven, he plotted to overthrown the government of God and take the position of the Most High.

Isa 14:12: How art thou fallen from heaven. O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations!

God was the first target of the devil. He recruited a large army of rebellious angles to assist in his plan to overthrown the eternal Lord. Consider how daring the devil and the demons could be. If they planned against their creator, don't ever think they will overlook you.

The target of the devil was to take the position of God. He thought if he could succeed to dislodge God from His exalted position, he would be able to control the whole army of heaven. The devil is high-minded in his evil mission. He does not go for what is not worth it.

The battle in heaven, which led to the fall of the devil teaches deep. mysterious spiritual truth. Satan had a plan. which was to take over the eternal government of God. He has a target as well. His target was the Lord of hosts Himself. The

devil does not plan and quit. He set out to execute his plan. When he meets an opposition, he fights with all his resources. Satan never gave up his mission in heaven until his best tactics failed, his greatest wisdom became foolishness and his strength was weakened to total defeat.

Rev 12:7: And there was war in heaven: Michael and his angles fought against the dragon: and the dragon fought and his angels.

Every believer, should realize early enough, that if there was war in heaven, in the realm of God and his angels, we should not expect anything less than war in the realm of men. If the devil caused chaos in heaven and successfully divided the angels of God against Him. we should not expect a perfect harmony of all things in the affairs of men.

ORIGIN OF SPIRITUAL WARFARE

Until the devil revolted against the order and government of God, there was peace and harmony in heaven. Trouble sparked off. when Satan thought in his heart to execute mischief against his maker. The rebellion of the devil, was the origin of spiritual warfare. Satan's rebellion developed through a number of stages. These stages, are still the bases of spiritual warfare among men.

1. Satanic Plan - In heaven, the devil did not just rise to overthrow the government of God. He had a plan to do so. The devil has a plan against your life. His mission against your destiny is the origin of spiritual warfare in your whole world. Without satanic plan against you. there won't be anything to fight for.

Satan has been in the business of planing against men from the beginning. Those who think everything is alright are ignorant of the spiritual truths they should know.

SATAN PLANNED TO DEFEAT CHRIST'S MISSION

When Jesus came into the world of men, Satan drew a plan a defeat his mission. He sees the whole planet earth as an area under his invisible government. The fall of Adam, made man to lose his spiritual dominion and government of the world. The devil told Jesus that the world had been handed over to him through the fall of Adam and Eve.

Luke 4:5: 7 And the devil, taking him up into an high mountain, shewed unto

him all the kingdoms of the world in a moment of time. And the devil said unto him, all this power will I give thee, and the glory of them: for that is delivered unto me; and to whomsoever I will I give it. If thou therefore wilt worship me, all shall be thine.

The coming of Jesus into the world. was to fulfill the plan of redemption. Christ's mission on earth became a serious threat, hence the devil's plan to subvert the mission of Jesus and defeat his purpose in the world. The plan of the devil against Christ's mission was the origin of all the persecutions and battles Jesus went through. The Lord would have had a smooth passage through the world if Satan had not planned against Him.

Again. consider how daring the prince of darkness is. He was not afraid to draw a plan against the mission of the Lord of lords. How then, do you think you are above whom he can plan against. The truth is that. Satan plans against everything of eternal value, everything he considers dangerous to the stability of his evil government.

Since your mission in the world is to fulfill the destiny of God for your life, be assured that satan has a plan against you. His problem with you, is the mission you are here to fulfill. The plan of the devil against your mission on earth, is the reason for the battles you have been facing.

Everyday, the devil comes up with lots of plan to steal, to kill and to destroy. Witches never stop holding meetings. Occultist and ritualists never cease to keep their schedules. Familiar spirit, individuals are ever planning. In the hidden places of the dark, satanic plans are drawn and laid out for execution. The government of the devil, is under threat everyday because of the victory of Christ's redemption.

At anytime, the devil and his kingdom can suffer angelic invasion. At anytime, the devil knows God can utter the voice of thunder to shatter his network. At anytime, the devil knows Christians can arrest his powers and put his activities on hold. At anytime, the devil knows his captives can be set free. At anytime, satan knows his defeat can be celebrated in the voice of prayers and praises among believers in Christ. His knowledge of the potential danger the church poses to his kingdom makes him to draw plans for his evil mission.

What I want you to keep in your heart is that, the origin of the battles you are facing is the plan of the devil against you. In the military, if the enemy nation

does not plan to attack. the soldiers will not have the trouble of being drawn into battle. The establishment of satanic plan against you, is a certainty that you are in for a serious battle. The prayer to destroy all satanic plans against you, is the only way of deliverance and victory in the battle of life.

2. **Satanic Preparation -** The next stage is satanic preparation to carry out the plan. At the drawing board of the devil, all options and possibilities are considered. Part of satanic plan is to decide why to strike, where to strike, how to strike, what to strike and when to strike. I am taking you through these details, So that you will wake up to the reality of spiritual warfare against your life.

During the preparation to strike, the devil maximizes his resources to suit his plan. Spiritual warfare is not something to just dabble into. Everything must be done strategically because the enemy himself is a strategist.

After having a blueprint of his mission against the government of God, satan recruited majority of the angels of heaven. He knew that to succeed, he could not do it alone. He did not just take a few, but a large portion of the angels. Figuratively, the bible says the dragon took a third part of the stars of heaven.

Rev 12:4: And his tail drew the third part of the stars of heaven, and did cast them to the earth: and the dragon stood before the woman which was ready to be delivered, for to devour her child as soon as it was born.

Satan does not want to strike and fail, that is the reason he pays a serious attention to his preparations, He foresaw the difficulty in the battle against God: therefore he consolidated himself with enough rebellious spirits, The devil has foresight. He can assess how difficult a battle will be. The result of his assessment is what is used in his preparation for the battle.

The devil does not just plan against you, he gets prepared for you. You are missing the point if you think that after drawing a master plan of attack, the devil will sit down to rest or to strike without preparation. In the battle against God, he prepared for the worst with one third of the angels of heaven on his side. Depending on your spiritual worth and relevance in the programme of God, the devil will prepare to carry out his plan against you. expecting the worst to happen.

Witches and wizards, fast and pray for a number of days, as part of the preparations to launch an attack. Occultists and ritualists stay away from food,

memories mysterious and hard sentences of incantations, as pan of their preparations to strike. Herbalists go through stringent condition as part of their preparation to cause havoc. If you assume that the devil only has a plan against you, but that he is not preparing to hatch it, you are terribly deceiving yourself.

The devil can take his time to prepare to launch an attack against your destiny. This explains why the Bible says "Watch and pray". Again, a song writer says:

"Christian, seek not yet repose
Hear thy guardian angels say
Thou art in the midst of foes
Watch and pray"

I counsel you to pray protective prayers, in the area of your destiny. Pray when your destiny appears to be flourishing. Pray when there seems to be no battle to fight. Let me borrow a leaf from the words of the General Overseer (Dr Olukoya) "In the days of peace prepare for war"

Finally, you will do yourself a world of good if you cultivate the habit of protecting your destiny through warfare prayers.

The following prayer points will grant you immunity as far as your destiny is concerned.

CHAPTER TWO

THE SATANIC STRATEGY

In this chapter, we shall examine how the devil moves from planning to attack destinies to executing his wicked plans. The devil is a master strategist. Moreover, he is meticulous when the issue of executing his plan comes up. The enemy knows that, if his wicked activities end up at the level of his preparation, he will not be able to destroy human destiny. Hence he puts the same energy, which he employs in planning his wicked operations, into the execution. What lesson can we learn here? When you sense that the enemy is planning against your destiny, begin an aggressive prayer programme.

What the devil plans to do, he will leave no stone unturned to execute. Therefore, we need to be alert. We must be on fire for the Lord night and day. The Bible says here:

1 Peter 5:8-9: Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour: Whom resist steadfast in the faith, knowing that the same afflictions are accomplished in your brethren that are in the world.

We must be vigilant and watchful. We must also resist the devil. To resist the devil simply means, to return fire for fire. Hence, the believer is expected to learn both the offensive and the defensive styles of spiritual warfare. In offensive warfare, you launch an attack against the enemy even when there are no visible signs of hostilities.

Defensive warfare, on the other hand. entails defending your life, destiny and territory, whenever you are attacked by the forces of the enemy.

Let us now examine how Satan normally moves from planning to execution, in his bid to truncate the destinies of men and women. We shall anchor this chapter on an interesting story in the Old Testament.

The king of Syria waged war against Israel. Anytime the Syrian soldiers planned an ambush to catch the king and army of Israel. Elisha revealed the secret tot he king of Israel, thus saving Israel from the evil plots of the Syrians.

2 Kings 6:8-10: Then the king of Syria warred against Israel, and took counsel with his servants, saying, in such and such a place shall be my camp. And the man of God sent unto the king of Israel, saying. Beware that thou pass not such a place; for thither the Syrians are come down. And the king of Israel sent to the place which the man of God told him and warned him of, and saved himself there, not once nor twice.

The repeated defeat of the Syrians troubled their minds. On investigation, they realised that Elisha was the revealer of the secrets. They drew a plan to arrest him. But they did not stop there; their plan was backed up with preparations to go for his arrest.

2 Kings 6:11-13: Therefore the heart of the king of Syria was sore troubled for this thing; and he called his servants, and said unto them, Will ye not shew me which of us is for the king of Israel? And one of his servants said, None, my Lord, O king: but Elisha, the prophet that is in Israel, telleth the king of Israel the words that thou speakest in thy bedchamber. And he said. Go spy where he is, that I may send fetch him. And it was told him, saying, Behold, he is in Dothan.

I want you to note what the king of Syria said in verse thirteen. He said that his men should go on espionage. After spying where Elisha was, he would then know the kind of preparation that would suit his arrest. When his men brought words to him about the particular location where Elisha was, the king of Syria made a preparation for his arrest.

2 Kings 6:14: Therefore sent he thither horses, and chariots, and a great host: and they came by night, and compassed the city about.

I have told you that the devil is a strategist. What made the king of Syria to prepare a whole army, chariots and horses to arrest just one man? The answer is simple. In the war between Syria and Israel, Elisha was the one man that gave Israel victory again and again. In his estimate, the king of Syria knew that only one Elisha was more than the majority of the entire army of Israel, led by a king.

The enemy's estimate of your spiritually, will determine his preparation against you in battle. Elisha was not just equal to Syria: he was more than the army of Syria. He was more than all the strategies of the army of Israel. A man like that

could only be arrested by a great host.

It wasn't a joke at all. The enemy really prepared for the battle. They went against Elisha by night and surrounded the city where he was. That was preparation and strategy at work. They were so prepared to arrest him that, if he fled in any direction, he would run into the waiting hands of the Syrian army. Apart from those who surrounded the city, waiting to catch him, there were horses and chariots to run after him. If peradventure Elisha was a physically strong man who could kill or destroy many, a great host would be heeded to arrest him as he could not kill them all. Believe me honestly, that was a grand preparation that did not allow any loophole.

This is the point I am making. The devil will not merely plan to attack you, he will prepare to execute his plan. As a believer, you must prepare for war as the devil does not mean a joke against you. The battles you have been facing are no joking matters. They have been effective in your life because of the enemies' preparations. The reason, why many believers suffer defeat is clear. One, they are ignorant of the enemy's plot against them. Two, they are not prepared to counter the preparation of the devil against them.

Demons can be extremely wicked in their preparation to execute an evil agenda. One man against a great host. A man without one horse against an army with horses. A man without one chariot against riders of many chariots. A man that had only one servant against an army that was large enough to surround a city. All these forcefully show the scheme and wickedness of demons and spirits in their preparations to attack a believer. Don't underestimate the battle you have been facing. Don't undermine the enemy's preparedness to withstand you. Satan is prepared. Be prepared too.

An important prayer point, against satanic preparation is to aggressively declare:

- Every satanic preparation, against my destiny, scatter in the name of Jesus.
- Every satanic hosts, prepared against me, scatter in the name of Jesus.
- Every satanic horses and chariots against me, be roasted in the name of Jesus.

3. Satanic Target - Satan does not plan and prepare for a battle in vain. He has targets to strike. Earlier on, I told you his target was the position of God in heaven. In the ministry of Christ, his target was Christ's mission on earth. Put the two together and you will realise that the devil can target your position or mission in the world.

Many people don't understand what happens when some suddenly fall from their exalted position of wealth, health, honour, and service. The secret is that Satain targets positions. If taking over your position will give him opportunity to control and damn more souls, he will do everything possible to attack you. The leadership position either in the church or in the world is his greatest target because of the principle that connects leadership and followership.

Matt 26:31: Then saith Jesus unto them, All ye shall be offended because of me this night: for it is written, I will smite the shepherd, and the sheep of the flock shall be scattered abroad.

Have you seen people who went to school for the purpose of acquiring knowledge, to become somebody important in life and who suddenly had their mission defeated? The devil is behind all these activities. If your mission in life is important, you are a grand enemy of the devil. Witches have confessed that they killed promising and prosperous members of their families because those members had a mission to deliver the family from bondage, poverty, wretchedness, etc. Even individuals, with great mission of running government affairs that would bring relief upon men, are destroyed by satanic instruments, if you have a good mission in life, you are target of the devil.

I heard the sad experience of a group of young Christians, who belonged to an evangelism team known for rural evangelism. They went to the riverine area of Ondo State one day for evangelism. On getting to this community they needed to stay overnight to embark on massive evangelism the next day. Maybe they did not know the magnitude of their mission in the estimate of the devil. Somehow, satan took advantage of their carelessness and , terribly attacked their mission to a total defeat. Their story was that they all slept with one another, before daybreak. Defeated and ashamed, they packed their things and left the community. Anything could be the devil's target. You could be his target among many others. In the garden where Jesus was arrested, He was the target among His disciples. Satan targets health, finances, families, friends, relations, jobs, prospects, careers, professions, houses, businesses, lands, communities, regions, states countries and even continents. Any of these could fall within his targets at

any point in time.

CHAPTER THREE

HOW TO THWART THE ENEMY'S GAME PLAN

Satan is a wicked strategist. Every demonic strategy is anchored to a hidden game plan. When the enemy has fully established his game plan, he goes ahead to execute it to the minutest detail, the destiny of mankind has often passed through the jagged saw of satanic attacks. The fact remains that the devil does not carry out his operations in a careless manner. He is smart, thoughtful and painstaking in working out the details of his game plan.

In this chapter, we shall take a cursory look at two characters. For the purpose of clarity we shall undertake a case study of one character in the Old Testament and another one in the New Testament. The New Testament character to be studied is Paul while we shall beam our searchlight on Job, an Old Testament character.

Let me get started with the story of Paul the Apostle while taking note of how the enemy's game plan was cleverly conceived and no stone was eventually left unturned in order to carry out the plans.

On the road to Damascus, Paul was converted. He immediately began to preach the gospel of Christ he once stood against. His new found faith and life angered some Jews in Damascus. They took a vow to kill him.

Acts 9:19-25: And when he had received meat, he was strengthened. Then was Saul certain days with the disciples which were at Damascus. And straightway he preached Christ in the synagogues, that he is the Son of God. But all that heard him were amazed, and said; Is not this he that destroyed them which called on this name in Jerusalem, and came hither for that intent, that he might bring them bound unto the chief priests? But Saul increased the more in strength, and confounded the Jews which dwelt at Damascus, proving that this is very Christ. And after that many days were fulfilled, the Jews took counsel to kill him: But their laying await was known of Saul. And they watched the gates day and night to kill him. Then the disciples took him by night, and let him down by the wall

in a basket.

In the entire city of Damascus where there were many disciples of Jesus Christ. Paul was the target of evil conspirators. As Satan did not target the personality of God. but His government, so the Jews left all other disciples of Jesus alone and made Paul their target of destruction.

It is a terrible experience, to be the target of evil conspiracy. It is a terrible experience to be the target of satanic agenda. The Jews in Damascus took counsel to kill, and their conclusion and target was Paul. This is another stage in the process that leads to spiritual battles. If you are not the target of an evil arrow, then you don't need the prayer of deliverance, protection and divine security.

The evil conspirators meant business against Paul. After taking their oath. they took strategic positions at the gates of the city to smite him. The Bible says they were watching the gates day and night. Come to think of it, evil conspirators kept vigils to get only one target. In the day, they were watching. In the night as well, they were watching. Others who were coming in and going out of the city were free but Paul was not.

Don't be surprised, and stop asking why is it that when hell is let loose, you are the target. It happened to Paul. Instead of praying aggressively and taking the battles to the gates of the enemies, some people kept wondering why what happened to them should happen in the first place. You could be the target of the enemy at the moment.

We have heard stories of how assassins, bypass many people to reach only one target for elimination. In a family of eight or ten, a killer could go after just one person and he will let others go free. That is satanic target. When the devil fires his arrows, it is because he has a target to hit. Take these prayer Points:

- I refuse to be the target of satanic arrows, in the name of Jesus.
- Evil conspirators, be disappointed in the name of Jesus.
- Every wicked vow, against my destiny, fail in the name of Jesus.
- Every evil arrow against me, miss your target and return to the sender in the name of Jesus.

4. Execution- The forth stage of Satan's operations is the execution of his plan. Except his plan is scattered by the forces of prayer, the devil will execute it.

Not minding the possibility that he might fail, he executed his plan to usurp the throne of God. Not minding that all the angels might not be loyal to his scheme, he carried on with his wicked devices. If you don't stop the devil in the midst of his plan. he will carry it out.

Eph. 4:27: Neither give place to the devil.

The execution stage of satanic plans is another opportunity for you to fight back, if you failed to fight during the planning, preparation and setting the target stages. Heaven fought the devil and his army to an absolute defeat. Heaven mounted up a stiff resistance that Satan could not break. Heaven resisted his evil mission till it was defeated. You are not supposed to fold your arms and watch Satan or his messengers execute evil plans against your destiny. Arise and fight back, you've got nothing to lose.

JOB SUFFERED THE EXECUTION OF SATANIC PLAN

When God called Satan's attention to Job's integrity before heaven, satan could not do anything yet. The hedge around Job was a barrier to attacking him. I told you the devil does not just attack. I told you the devil does not just fight. He puts many things into consideration.

Job 1:9-10: Then Satan answered the LORD, and said, Doth Job fear God for nought? Hast not thou made an hedge about him, and about his house, and about all that he hath on every side? Thou hast blessed the work of his hands, and his substance is increased in the land.

After getting permission from God to attack Job, Satan devised a wonderfully wicked plan. He programmed the attacks to come in quick succession so that Job would be confused completely. From every direction, he arranged blows to descend on Job to confound his faith and reasoning. The devil did not strike immediately after God gave him permission. He waited for a day suitable for the kind of onslaught he prepared for Job. He prepared the Sabeans to raid the asses and oxen. as well as the servants of Job keeping them. Before he released the blows, he prepared a strange fire to fall from heaven upon Job's sheep and some servants of his.

Job 1:13-16: And there was a day when his sons and his daughters were eating and drinking wine in their eldest brother's house: And there came a messenger unto Job, and said, The oxen were plowing, and the asses feeding beside them: And the Sabeans fell upon them, and took them away; yea, they have slain the servants with the edge of the sword; and I only am escaped alone to tell thee. While he was yet speaking, there came also another, and said, The fire of God is fallen from heaven, and hath burned up the sheep, and the servants, and consumed them; and I only am escaped alone to tell thee.

Satan did not stop his preparation there. He went further to prepare three bands of the Chaldeans to take Job's camels and kill some of his servants. Satan prepared a great wind from the wilderness to collapse the wall upon his children. What a great preparation for a wicked onslaught!

Job 1:17-19: While he was yet speaking, there came also another, and said, The Chaldeans made out three bands, and fell upon the camels, and have carried them away, yea, and slain the servants with the edge of the sword: and I only am escaped alone to tell thee. While he was yet speaking, there came also another, and said, Thy sons and thy daughters were eating and drinking wine in their eldest brother's house: And, behold, there came a great wind from the wilderness, and smote the four comers of the house, and it fell upon the young men, and they are dead: and I only am escaped alone to tell thee.

The execution of the devil's plan against Job was dastard. The end of one terrible event was the beginning of another until Satan exhausted all his missiles on Job and returned to his to and fro journeys throughout the world.

Which enemy could Job have faced of all that Satan used against him? The first were human instruments, the Sabeans. If Job thought of recovering the loss from them, strange fire would distract him. Trying to exercise authority. Over the power of the strange fire, another human instrument, the Chaldeans would have struck. If he changed focus again to face them, a strange, destructive mind would have taken his efforts off targets. The devil executed his plans against Job in this fashion and God recorded them, so that we can learn the principles of spiritual warfare.

If you allow the devil to execute his plan against you, you could be left confused. You wouldn't even know which spirit to bind or loose. You wouldn't know which demon to arrest. Things can just fall apart, so suddenly, that it

becomes meaningless trying to hold the center. The best thing to do is to forbid satan from executing his plan against your life. Quickly take these prayer points.

CHAPTER FOUR

POWER OVER SATANIC ARROWS

One of the weapons which the enemy uses in order to destroy the destiny of man is what the Bible calls the satanic arrow. This arrow is a wicked weapon, which the enemy fires against his target in order to inflict fatal wounds on the destiny of man. The Bible recognizes the fact that the devil will always shoot his arrows against men and women.

Ps. 91:5: Thou shalt not be afraid for the terror by night; nor for the arrow that f1ieth by day:

Satanic arrows are constantly flying. These arrows are looking for just one target, the human destiny. When arrows are fired and targets are hit the results can be devastating.

To understand the evil that resides in arrows we need to examine how rural communities in ancient times used to make use of poisoned arrows during the time of war.

An arrow may appear harmless, but it can set the entire body on fire when it is poisoned at the arrow head. If the smallest portion of poison comes in contact with the blood of man, it can result into an instant death.

When you take a look at the skyline of this world, you may not generally see satanic arrows in flight. This is simply, because, they function like invisible satanic birds. The arrows of the enemy are only detected, when they have succeeded in their mission. Let us, therefore, view demonic activity as cleverly concealed arrows. It is only when the arrows have landed upon the body of the victims that the amount of damages done can be assessed. This chapter is, therefore, devoted to the last stage of the series of the activities of the devil.

WHAT IS THIS LAST STAGE?

The last stage of Satan's series of activities that cause spiritual warfare is the result of his attacks. If the devils is allowed to follow through from planning, preparation, setting targets. and the execution of an evil scheme, there is no way out. The two options are success or failure.

There are instances, when Satan succeeds in his mission. Some other times, he fails. There are times when what looks like the success of the devil is really a failure. He succeeded in destroying everything Job had. But that success only qualified Job for twice as much as he had before. What Satan experienced was therefore a successful failure.

When the devil struck in heaven, he was instantly defeated. Heaven is not a place to concede any position to a wicked personality like Satan. The result of satan's activities in your life depends on what you want it to be. Jesus came into the world to give us victory over all the works of the devil. You are therefore cheating yourself by allowing Satan to score goals against you.

ONE ARROW, TWO RESULTS

To illustrate the two possible results of satanic attacks, we shall look at two characters in the Bible who suffered the attack of the same arrow, but reacted differently: The two I men are Joseph and Samson.

The devil attacked Joseph with an arrow of immorality through his master's wife. It was a strong temptation that I came with very good opportunities. The temptation was strong because Joseph was single when the offer came. It was strong, because it came from a woman he was not supposed to disobey. It was strong, because it came from a honourable woman to a slave boy. And the opportunities were very good because Portiphar his master, was not at home. He could not be discovered for this, as long as the woman concealed it. It was a good opportunity for, a slave boy to have a feel of a society woman. In all these Joseph resisted and refused the devil's offers. He covered himself, from the wicked arrow with the shield of Godly fear and moral discipline.

Genesis 39:7-10: And it came to pass after these things, that his master's wife cast her eyes upon Joseph; and she said, Lie with me. But he refused, and said unto his master's wife, Behold, my master wotteth not what is with me in the house, and he hath committed all that he hath to my hand; There is none greater in this house than I; neither hath he kept back anything from me but thee, because thou art his wife: how then can I do this great wickedness, and sin

against God? And it came to pass, as she spake to Joseph day by day, that he hearkened not unto her, to lie by her, or to be with her.

Satan shot the same arrow of immorality against Samson. He fell for it and betrayed his supernatural strength. Samson was the one looking for a strange woman to live with but Joseph was hunted by a strange woman. The devil may have found an advantage in the personal. moral weakness and propensity to sin in the personality of Samson. He did not find that in Joseph. What the young man was not looking for was looking for him. For Samson, he got ready a poisonous option of what he wanted.

Judges 14:1-3: And Samson went down to Timnath, and saw a woman in Timnath of the daughters of the Philistines. And he came up, and told his father and his mother, and said, I have seen a woman in Timnath of the daughters of the philistines: now therefore get her for me to wife. Then his father and his mother said unto him, is there never a woman among the daughters of thy brethren, or among alt my people. that thou goest to take a wife of the uncircumcised Philistines? And Samson said unto his father. Get her for me; for she pleaseth me well.

Samson lacked the shield of Godly fear and moral discipline needed to quench the fiery darts of the immoral arrow fired at him. The devil defeated him completely. You can see clearly from the example of the two men that Satan's attacks on anybody could either succeed or fail. What then would you let the result of satan's attack on your destiny be?

CHAPTER FIVE

SATANIC ACTIVITIES IN THE LAST DAYS

The devil is highly time-conscious. The Bible says he descended into the world with great wrath because he knows he has a short time before facing eternal doom. His time consciousness has made him to increase his activities, especially in these last days.

2 Timothy 3:1-5: This know also, that in the last days perilous times shall come. For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy. Without natural affection, trucebreakers, false accusers, incontinent. fierce, despisers of those that are good, Traitors, heady, high minded, lovers of pleasures more than lovers of God: Having a form of godliness. but denying the power there from such turn away.

The times in which we live are perilous times. The battle against human destinies has greatly increased. If the devil can capture a destiny, he has finished the life of the person. His existence in the world is just a waste of time. Every activity of the devil in these last days is targeted at human destinies. He wants to achieve the following in the lives of men.

1. **Deviate Destiny:** Deviation is a shift from original position or direction. The devil seeks to cause the destinies of men to deviate from their original position or direction of fulfillment. Solomon was a man whose destiny deviated through strange and outlandish women.

1 Kings 11:1-2: But king Solomon loved many strange women, together with the daughter of Pharaoh, women of the Moabites, Ammonites, Edomites, Zidonians, and Hinites; Of the nations concerning which the LORD said unto the children of Israel, Ye shall not go in to them, neither shall they come in unto you: for surely they will turn away your heart after their gods: Somolon clave unto these in Jove.

2. Truncate Destiny: To truncate means to cut off. A truncated destiny cannot reach its prime. A truncated destiny can not live for as long as it should in the capacity naturally associated with it. In the early church, satan used Herod to truncate the destiny of James by killing him with the sword. James destiny was truncated by the fire of persecution.

Acts 12: 1-2: Now about that time Herod the king stretched forth his hands to vex certain of the church. And he killed James the brother of John with the sword.

3. Mislead Destiny: Satan misleads destinies into wrong fulfilment. He even misleads destinies into doom. Korah, Dathn and Abiram were princes among the children of Israel. It was enough glory for anybody to be so addressed in Israel, but Satan misled them through vainglory and pride.

Number 16:1-3: Now Korah, the son of Izhar, the son of Kohath, the son of Levi, and Dathan and Abiram, the sons of Eliab, and On, the son of Peleth, sons of Reuben, took men: And they rose up before Moses, with certain of the children of Israel, two hundred and fifty princes of the assembly, famous in the congregation, men of renown: And they gathered themselves together against Moses and against Aaron, and said unto them, Ye take too much upon you, seeing all the congregation are holy, every one of them, and the LORD is among them: wherefore then lift ye up yourselves above the congregation of the LORD?

Number16:8-9: And Moses said unto Korah. Hear, I pray you, ye sons of Levi: Seemeth it but a small thing unto you, that the God of Israel hath separated you from the congregation of Israel, to bring you near to him self to do the service of the tabernacle of the LORD. and to stand before the congregation to minister unto them?

Number 16: 31-32: And it came to pass, as he had made an end of speaking all these words, that the ground clave asunder that was under them: And the earth opened her mouth, and swallowed them up, and their houses, and all the men that appertained unto Korah, and all their goods.

4. Destroy Destiny: Moses was an infant when the sword of Pharaoh was seeking his blood to destroy his destiny. It is one of the things satan does. He works hard to destroy destinies that portend grave danger to his activities.

Exodus 1: 15-16: And the king of Egypt spake to the Hebrew midwives, of which the name of the one was Shiphrah, and the name of the other Puah: And

he said, When ye do the office of a midwife to the Hebrew women, and see them upon the stools; if it be a son, then ye shall kill him: but if it be a daughter, then she shall live.

5. Hinder Destiny: Paul knew his destiny right from the point of his conversion. He pursued it with all the energy of the Holy Ghost in him. At a time he was supposed to be in another location for a further fulfillment of his destiny, he said satan hindered him.

1 Thess 2:18: Wherefore we would have come unto you. even I Paul, once and again; but Satan hindered us.

6. Arrest Destiny: Jesus commissioned Peter to preach. He recommissioned him for the same exercise after he recovered from his backsliding. Satan was doing everything possible to make sure he did not fulfill the destiny for which he was born. His last fight was to arrest his destiny and keep him in bondage as a person.

Acts 12: 1: Now about that time Herod the king stretched forth his hands to vex certain of the church.

Acts 12:3-4: And because he saw it pleased the Jews, he proceeded further to take Peter also. (Then were the days of unleavened bread.) And when he had apprehended him. he put him in prison, and delivered him to four quaternions of soldiers to keep him, intending after Easter to bring him forth to the people.

7. Paralyze Destiny: A paralyzed destiny, cannot move forward. Paralysis does not allow those who suffer it to move. A paralyzed destiny may be recognized as great and important, but such a life is often stagnant. Many a great life does not progress at all.

8. Transfer Destiny: Before the death of David, it was already decided that Solomon should reign as king. But the devil wanted to transfer his destiny as king to Adonijah his brother. Were it not for the quick intervention of David. Adonijah would have captured the throne of Israel. If it happened that way, Solomon's destiny would have been transferred by the devil.

1 Kings 1:5: Then Adonijah the son of Haggith exalted himself, saying, I will be king: and he prepared him chariots and horsemen, and fifty men to run before him

1 Kings 1:11-14: Wherefore Nathan spake unto Bath-sheba the mother of Solomon, saying, Hast thou not heard that Adonijah the son of Haggith doth reign, and David our lord knoweth it not? Now therefore come, let me I pray thee, give thee counsel, that thou mayest save thine own life, and the life of thy son Solomon. Go and get thee in unto king David, and say unto him, Didst not thou, my lord, O king, swear unto thine handmaid, saying, Assuredly Solomon thy son shall reign after me, and he shall sit upon my throne? Why then doth Adonijah reign? Behold, while thou yet talkest there with the king. I also will come in after thee, and confirm thy words.

9. Counterfeit Destiny: One of the wicked devices of the devil is to counterfeit destiny. Consequently many people are great, but not as in the will and purpose of God for their lives.

Now that you have gained insight into the activities of the devil in these last days, you need to rise up and be up in arms against the devil and his hosts.

You must treasure your destiny. Don't allow the enemy of your soul to affect it in any way. You must fight for the survival of your destiny with the last drop of blood within you. Even if you have seen no need for aggressive prayers or spiritual warfare, you can go into it just to secure the survival of your destiny. Fight until your destiny comes to full manifestation.

1. The enemies, shall not understand the issues of my finances and blessings, in the name of Jesus.
2. Any evil, that has been done with snail to slow down my life, be destroyed by the blood of Jesus, in the name of Jesus.
3. I reject, every spirit of backwardness, in the name of Jesus.
4. I reject a caged life, in the name of Jesus.
5. I reject caged finances, in the name of Jesus.
6. I reject a caged health, in the name of Jesus.
7. I reject a caged marriage, in the name of Jesus.
8. I reject every spirit of stagnation. in the name of Jesus
9. Every satanic chain, on my legs, break now, in the name of Jesus
10. Let every hole, in my hands, be blocked by the blood of Jesus, in the name

of Jesus.

11. My life shall not be hung on the shelf, in the name of Jesus.
12. The hair of my Samson shall not be shaved, in the name of Jesus.
13. Every anti-progress spirit, be bound by chains of fire, in the name of Jesus.
14. Every satanic prison warden, fall down and die, in Jesus' name.
15. I shall not crash in the race of life, in the name of Jesus.
16. My progress shall not be terminated, in the name of Jesus.
17. Let my life be too hot for the enemy to handle. in Jesus' name.
18. Every power, set up to pull me down spiritually, be disgraced, in the name of Jesus.

CHAPTER SIX

THE GATEWAY OF SIN

Sin is the gateway through which the devil enters any life to attack the destiny. Any kind of sin is an access for the devil's wicked devices. Jesus overcame the devil on every side because Satan has noting in him.

Jobn 14:30: Hereafter I will not talk much with you: for the prince of this world cometh, and hath nothing in me.

A brother answered a demonic altar cal by sleeping with a sister. This brother used to be a very good Christian, until Satan found a way into his life. They committed the sin, close to his examination period in one of the universities in this country.

The spirit of the lady entered into the brother after the act and everything went wrong. In the examination hall, the brother heard the sister voice singing in Igbo language, saying. "You and I will live together forever" His head went blank and he couldn't write anything.

He ran out of the examination hall almost mad. In the library again where he went to read, he heard the same voice. He could not read. He just laid his head on the table and slept off. Again in his dream. he saw the lady playing with him. By the time he woke in the library, he had urinated on the floor in the daytime. His experience is an example of how satan gains access into people's destinies to wreck havoc.

SATAN IS ANGRY WITH YOU

If you didn't know. I want you to understand it from this moment, that the devil is angry with you. The Bible confirms his great wrath against everyone under heaven.

Revelation 12:12: Therefore rejoice, ye heavens, and ye that dwell in them. Woe

to the inhabiters of the earth and of the sea! For the devil is come down unto you, having great wrath, because he knoweth that he hath but a short time.

The devil is behind what is competing against your destiny. He is behind the challenges of life that are testing your abilities. You are a problem to the devil because of your kind of destiny. *It* is another deception of the devil to think you don't have a destiny and therefore, the devil is not after you. You are not in this world by accident. Your mission on earth is your destiny and that is enough offence against the enemy.

Some people wonder why the enemy attacks them as he does. They erroneously think living a simple, innocent life should not attract demonic attacks. They do not know they have a destiny to fulfill. Sometimes, such people known they have a great destiny to fulfill, but they don't expect if should call for satanic attacks. You are getting it wrong, if you've been thinking this way. Your destiny is a threat to Satan.

WHY SATAN HATES YOUR DESTINY

Satan hates your destiny because its fulfillment glorifies God. If you know your destiny and you're pursuing it with all your energy, the devil will attack you with everything he can, because your destiny fulfillment enforces the will of God on earth as it is done in heaven.

Isaiah 43:7: Even every one that is called by my name: for I have created him for my glory. I have formed him; yea, I have made him.

Your destiny fulfillment reminds the devil of his defeat in heaven. Anytime he sees somebody fulfilling his destiny. he knows the will of God is being done among men the same way His will is done in heaven. The first battle of the devil against the will of God failed. In the domain of men, he is continuing the battle to forfeit God's will in the lives of men. He however cannot succeed if you don't allow him.

Your destiny fulfillment is a celebration of the power and dominion of God. The first celebration took place in heaven above among angels when the devil and his loyal angels were cast out.

Revelation 12:7-8: And there was war in heaven: Michael and his angels fought against the dragon; and the dragon fought and his angels, And prevailed not: neither was their place found any more in heaven.

Rev. 12:12a: Therefore rejoice, ye heavens, and ye that dwell in them...

You are an agent for celebrating God's power and dominion on earth. That is the reason satan recognizes that your destiny is something to attack as much as possible.

Your destiny fulfillment celebrates the great victory of God. Although the devil knows he lost the battle from the beginning, he does not like to be reminded at all. Nobody likes to be reminded of past negative, frustrating experiences. Being reminded of such, is to freshen bitter memories and make old pains come alive. That is what happens in the whole kingdom of the devil, when he is reminded of his defeat. Your destiny fulfillment is a reminder of his defeat and of God's victory.

The devil hates to see your destiny being fulfilled because you are the image of the invisible god. The image of God in you, represents the perfect of God's government through man. Man was created in the perfect image of God to exercise dominion on the works of His hands. Man, in the image of God, is a symbol of divine dominion. The devil knows you are a symbol of divine dominion, hence he is offended to see your destiny being fulfilled because it is like allowing the perfect government of God to run through you.

Genesis 1:27: So God created man in his own image, in the image of God created he him, male and female created he them.

Your destiny fulfillment is a celebration of the Lordship of the Lord. The Lord, he is God. And Jesus is Lord. He determined your destiny before you came into the world. When that destiny is being fulfilled in the world, it is a celebration of the Lordship of the Lord who determined it. The devil is therefore angry to see fellow angels celebrate it in heaven and drive him out.

Your destiny fulfillment ministers joy to the heart of God. Why do you think Jesus came into the world? God saw that without redemption, man could never fulfill his destiny. How can you become what God wants you to be under the lordship and dominion of satan? It is not possible, because your real destiny fulfillment goes beyond what you are in the world to where you will be in eternity. Every father is joyful to see his plan and dream come to pass in his children. Without the Lord, who designed your destiny, you cannot fulfill it. The Lord is therefore joyful when your destiny is fulfilled. This is what satan hates to see.

John 15:5: I am the vine, ye are the branches: He that abideth in me, and I in him, the same brigeth forth much fruit: for without me ye can do nothing.

Your destiny fulfillment will contribute to the harmony of the world. Look at the work of creation: the great light of the sun is for the day: and the night is blessed with the light of the moon and the stars. Everything together represents harmony in the works of God's hands. If you realise where exactly you belong in the affairs of the world and you remain there, your life will be contributing to the harmony of God's works on earth. Satan hates harmony, which is why he attacked the harmony of God's government in heaven.

1 Cor 14:33: For God is not the author of confusion, but of peace as in all churches of the saints.

The devil hates to see you fulfill your destiny because of the blessings attached to it. The death and resurrection of Jesus provides salvation for mankind. The faith and obedience of Abraham laid the foundation for faithful living before God. The determination and non-compromising stand of one Elijah brought an end upon idol worshippers, false prophets and restored a whole nation to the true worship of God. The devil detects what you are not aware of in your destiny.

VICTORY IS POSSIBLE

It is possible for you to overcome the devil and his agents, because your victory has been purchased by the blood of Jesus.

Revelation 12:11: And they overcame him by the blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death.

Those who went before us and fulfilled their destinies got their victory by the price of Christ blood and the words of their testimonies. All demons, know the efficacy of the blood of Jesus. They don't wait where its power is invoked by any child of God. There is also victory in the world of our testimony.

Immediately Paul was washed in the blood of Jesus and converted, the next thing he did to enforce his victory in the Lord is declaring words of testimony about the personality of Jesus. He declared the divine sonship of Jesus to cast down the imaginations and philosophies contrary to His divinity.

Acts 9:20: And straightway he preached Christ in the synagogues, that he is the

Son of God.

Declare the divine sonship of Jesus. Declare His Lordship; Jesus Christ is Lord. Declare His pre-eminence; Jesus Christ the head of all principalities and powers. Declare His victory; Jesus is He who went down into the grave and rose in the victorious power of resurrection. Declare eternal existence: Jesus Christ is the word who was from the beginning with God before anything was created. Declare His deity; Jesus Christ is the word that is God who makes all things.

Declare His dominion; Jesus Christ is the one with a name above all other names and in whose name every nee must bow and every tongue must confess. Declare His glory over the ugly situation of your live: He is the bright and morning star. Declare his eternal life: Jesus Christ is the resurrection and the life.

Declare His all time victory over all powers of darkness Jesus Christ is He who spoilt principalities and powers and made an open show of them. Declare His all-sufficient, supreme power: Jesus Christ is He who has all powers in heaven and on earth at His command.

Declare His unstoppable government: Jesus Christ is the Lord of host before whom the gates are commanded to lift up their heads. Declare His balm of healings: He is the one by whose stripes all sicknesses and diseases are healed. These and many more are words of our testimony. They are the golden nuggests for our daily victory. They are the solid rock for our stability.

WHAT MUST YOU DO?

To over-come in the battles of life and win the war against your destiny, you must do the following:

1. You must be born again
2. You must be sanctified
3. You must be filled with the spirit of God
4. You must live by all the words of God
5. You must be totally separated from the world
6. You must exhibit inward and outward purity
7. You must be spiritually deep in the knowledge and power of Christ.

8. You must reject the sense of false freedom from the devil.
