20 Prayer Points for Deliverance from the Spirits of Marine Water

Prayer against the Mirror of the Waters

INTRODUCTION

Several people have often solicited for help to be delivered from the spirits of the waters or marine spirits, I found it necessary to put in writing the little that I know about this domain of deliverance.

What you are about to read cannot constitute a doctrine or a single framework for deliverance. Our only canvas of deliverance in everything remains and will always remain the Holy Spirit; He is so adorable and so wonderful. He alone can lead us to total deliverance in Jesus Christ.

You should already know that even in the time of Jesus Christ, the disciples who were mostly sinners, therefore used to the realities of the waters were very aware of the reality of the sea spirits.

Once Jesus came to them walking on the water and they were all scared thinking it was a ghost. The fact that they have this consciousness shows that they were aware of the reality of the water spirits.

Matthew 14:26 "When the disciples saw him walking on the sea, they were troubled, and said, He is a ghost! And, in their fright, they cried out. "

The good news is this: the fact that Jesus Christ walked on water demonstrates his total supremacy over the spiritual world of water.

Jesus Christ is Lord in the waters wherever they may be.

Some people experience spiritual realities such that when they speak about them, those around them do not seem to understand them.

At night, they can be seen in the waters: an ocean, a river, a river or even a basin of water.

Constantly they are living in their dreams and dreams experiences that deal with water.

Many find themselves living another life in their sleep, they live in a universe, in the waters, as real as ours.

Many will tell you that they often see themselves transformed into fish either partly or entirely.

Others will tell you that they are in their sleep still eating fish, snails and creatures living in the water.

Some people still live realities, these realities are so physical, when they lie on their bed, and feel directly that they are lying in something like a basin of water or a river.

Some people, as soon as they fall asleep, they wake up being completely wet, as if they had poured water on them.

The experiences of people under the influence of the water spirits are manifold; but they all have one thing in common: water, an aquatic environment.

The realities of the water spirits are diverse but they are spiritual realities.

WATER SPIRITS

What you need to know is that there are spiritual worlds in the waters.

When the devil was precipitated from the sky after his fall, he settled in the lower regions of the sky from where he had been chased.

- The airs
- The stars
- Earth
- The lower regions of the earth among which the waters.

So there are spirits linked to different reliefs, like the spirits of mountains, valleys and even waters.

Ezekiel 32: 2 " Son of man, declare a lament over Pharaoh king of Egypt! You will say to him, You were like a lion cub among the nations; You were like a crocodile in the seas, You rushed into your rivers, You disturbed the waters with your feet, You stirred their waves. "

The crocodile or leviathan is a symbol of these sea spirits also called water spirits.

Certain spirits who were with Lucifer at his fall chose the regions of the waters to make their habitation of them and therefore act by the waters.

The water spirits can live wherever there is water, that is to say:

- seas,
- rivers,
- lagoons,
- rivers,
- streams,
- stream,
- lakes,
- backwaters,
- well,
- even in the shower.

The water spirits cannot live spiritually where there is no water; they also use the water in the human body to manifest their presence and oppression.

The spirits of the waters are diverse.

The spirits of the oceans and seas are not of the same stature as the spirits of the rivers; the influences vary but have one thing in common: the waters.

We know according to scientists that the human body is made up of 70% water, so very favorable for the influences of the water spirits as soon as we connect to them.

To drive the spirits out of the waters, one must dry the body and their space of spiritual functioning.

The water spirits are tenacious and stubborn spirits, they are also symbolized by the expression "leviathan" in the Bible.

Psalms 104: 26 " There the ships are going about, And this leviathan that you have formed to play in the waves. "

Their manifestations are multiple ranging from:

Adultery, immodesty, fornication,

The great seductions (behind the fashions, the hair, the vain reputation and glory, etc.)

Sterility, painful periods,

The nocturnal apparitions,

Various satanic manifestations,

Celibacy,

Prostitution,

Financial problems, etc.

Home disorders

A major characteristic of the water spirits is that they release waves, waves; their influences will be in waves because they need these waves to move.

2. THEIR WAYS OF ACCESS:

How do you get in touch with these spirits?

If you come from a tribe that lives near the waters.

Very often all the people who come from the regions or places where a major watercourse passes are victims of the influences of the marine spirits.

This is because their ancestors treated alliances to dedicate all their descendants to these spirits.

Ezekiel 29: 3 " Speak, and say, Thus says the Lord Jehovah: Behold, I blame you, Pharaoh king of Egypt, Great crocodile, who lies down among your rivers, and who say: My river is mine, I did it! '

Alliances, pacts, dedications to these spirits from the waters of your village or region, this is a source.

Generally each tribe living near the water, having rituals attached to rivers or oceans is directly under the influence of the spirits of the waters.

If you come from such a tribe, you need deliverance from the spirits of the waters.

The rituals which are performed by these tribes and inhabitants who inhabit the borders of the waters are points of contact with the spirits of the waters.

All the rituals performed by tribes living on the water's edge always have a connection with the water that flows through them.

Some people, although not of these tribes are under the influence of the water spirits because of their very close and very intimate contact with people who are under this influence:

For example:

My familiarity with a person who is in contact with the spirits of the waters

Sex with a person who is under the influence of the water spirits

Sleep on the same bed with a person who actively cooperates with the water spirits

Eat fish bewitched by a person who wants to connect with the water spirits

Go submit to rituals, shields, etc. by a person who works with the water spirits

Familiarity with a person who communicates and deals with the spirits of waters, spiritually polluted gifts or food, etc.

The water baths administered during rituals can establish connections with the water spirits if the one doing this ritual deals with the water spirits.

Bad laying on of hands by pastors who draw their power from the waters or by any other person who deals with the spirits of the waters.

Operate under the leadership of a person who communicates with the spirits of the waters and derives their power from such a source.

Sexual intercourse with anyone who communicates with the spirits of the waters or is under the influence of such spirits.

The aquatic spell; it is a spell that is made through everything that has to do with water (fish, seaweed, drinking water, bath water, rings and chains from the waters; etc.)

Some false baptisms

Not all baptisms are necessarily Biblical, even if done according to the pattern prescribed by the Bible.

If the one who baptizes you is an occult disguised as a pastor; in what did he baptize you?

If the water in which you are baptized is dedicated to marine spirits (there are churches whose baptismal waters are dedicated to marine spirits) to what have you been dedicated in baptizing yourself?

There are people who, after being baptized by certain pastors, began to dream several nights being in the sea, in swimming pools, in backwaters or similar places.

Beware of such things is a bad clue.

Soul ties with people dealing with the water spirits.

By marriage bond.

One can come into contact with the spirits of the waters through the bonds of marriage or through traditional dowry and marriage ceremonies.

Membership in marine sects, that is, sects that deal with the spirits of the waters.

Having an object at home that comes from infected waters; there are objects dedicated to the

spirits of the waters and which are sold in our markets.

Ezekiel 27:33 " When your products came out of the seas, You satiated a great number of peoples; By the abundance of your goods and your goods, You enriched the kings of the earth. "

3. HOW TO ADDRESS THE ISSUE

Isaiah 27: 1 "On this day Jehovah will strike with his hard, great and strong sword the Leviathan, fleeing serpent, The Leviathan, tortuous serpent; And he will kill the monster that is in the sea. "

This verse shows that our deliverance is possible and is assured.

By His death on the cross, Jesus Christ destroyed and killed the sea monster, the influence of his water spirits is reduced to nothing by the blood of Jesus Christ.

Your deliverance was accomplished at the cross of Calvary where Jesus Christ shed his blood.

Identify the connecting doors to the water spirits

Everyone will have to do a self-examination to know the origin of the point of contact with the water spirits.

Here are some guide questions:

Do you come from a region in contact with the waters?

When did you start having troubles with the water spirits? Locate the period well.

Before these troubles started; what relationship or ritual contact did you have? (as explained above)

How is this oppression of the water spirits manifested in your life?

Are these the night layers?

Are these strange appearances?

Is it a life of unbridled immorality and adultery?

Identify what is happening as action and influence of these water spirits.

Repentance and separation

Take time to repent before God of all established sins and covenants

Whether those committed by the ancestors or those committed by yourself in the aspects we have cited in this teaching, depending on whether the Holy Spirit will lead you.

Then pray to separate yourself from all practices, relationships, etc. that led you to this connection or influence.

Drain the waters:

The water that flowed from the pierced side of Jesus helps us to dry up the waters.

Psa 74:14 " You crushed the head of the crocodile, You gave it for food to the people of the desert. "

Why do we have to dry their waters?

We have very clearly seen that it is by the waters that the spirits of the waters are deployed and it is in this environment that they operate.

Note that it is to the people of the desert that God gave the crocodile for food, because in the desert, there is no water to allow the crocodile to exert its force, its power.

This is why you must dry up all the waters by which these sea spirits exert their influence on you.

Exodus 14:16 "Lift up your rod, stretch out your hand over the sea, and divide it; and the children of Israel will enter the middle of the sea on dry ground. "

How do you dry water?

Identify by which water you came into contact with the water spirits

In the name of Jesus Christ, I drain all the waters in me that serve as a connection, of contact with these spirits of the waters.

In the name of Jesus Christ, I order that all the waters run dry through which I came into contact with these spirits (quote the waters of the contact points that you listed above, quote waters through sexual intercourse if this is the case, etc.)

In the name of Jesus Christ, crush the head of the leviathan who commands these spirits who oppress you.

In the name of Jesus Christ, pronounce the judgment of God on all the satanic altars planted in the waters and which speak against you.

Pray to break all the ties and any anomalies that you have identified in your life by the influence of these spirits.

Thank the Lord Jesus Christ and cover yourself under the blood of Jesus Christ.

4. Your deliverance

Now that you have drained the waters, you can spiritually kill the one or those who wave the leviathan against your life.

In the name of the Lord Jesus Christ, I break the hand or the spiritual hands which release the actions of the spirits of the waters against me.

In the name of the Lord Jesus Christ, I call the judgment of God on all the altars in the waters that speak against my life.

In the name of Jesus Christ, I order all marine spirits to leave my body (pray violently to order these spirits to leave each area of your life and your body)

In the name of Jesus Christ, break their influences on your life domain by domain and free yourself entirely.

Thank the Lord for your deliverance.

20 PRAYER POINTS FOR DELIVERANCE FROM THE SPIRITS OF MARINE WATER

Psalm 8:4 8:

4 What is man, that you may remember him? and the son of man, that you visit him? 5 For you made it a little lower than the angels, and you crowned it with glory and honor. 6 You are delirious to have dominion over the works of your hands; thou hast put everything under his feet: 7 all the sheep and the oxen, yes, and the beasts of the field; 8 Poultry from the air, and fish from the sea, and all that goes by the paths of the seas.

All power belongs to God, today we are going to look at 20 prayer points for deliverance from the sea spirits from the water. These prayer points are self-delivered prayer points, only you can deliver yourself from the devil's oppressions. Many Christians today are victims of marine or aquatic spirits, but when a believer chooses to stand in Christ, all of the devil's oppressions are broken to pieces. Before we go to the deliverance

prayer points , let's talk a little bit about these marine powers.

What are marine or aquatic spirits? These are demons who operate on the waters. This is why they are called water spirits. Do not be received, there are demonic forces in the air, on land and in the sea or waters, Ephesians 2: 2, Revelation 13: 1, Isaiah 27: 1. These demons are very wicked spirits, they are responsible for all kinds of calamities in the lives of their victims. Water spirits manifest in different forms, some of which will be discussed in this article, some of which are highlighted below:

Forms of sea spirits

A) Incubus (spiritual husband):

It is a demonic spirit that comes in a male form to oppress its female victims. This demonic is commonly called "Spirit Husband". Women who suffer from the oppressions of this malicious demon, find it difficult to marry, the demon continually resists them and drives out all potential suitors. In addition, these women are still found making love in the dream and even having children in the dream. This can be a very terrible oppression, but don t worry, the name of Jesus Christ is above any other name and every spiritual husband in your life will pack and go today and forever in the name of Jesus.

B) Succubus (Spirit Wife):

This is the female version of Incubus, and the victims of this demon are men, many men find it difficult to marry and settle in life because of the spiritual woman. This malicious demon is a very jealous spirit, he goes so far as to frustrate the man financially, thus keeping him poor, also

causing all kinds of confusion between him and whom he wants to marry. This spirit is also responsible for the man having sex and fathering children in dreams. Men subject to this oppression need deliverance, and I believe that by engaging these deliverance prayer points against the sea spirits, you will be set free in the name of Jesus.

VS). Prostitution:

Although it is not a spirit in itself, the sea spirits are responsible for it. The water spirits are the spirits behind lust and illicit sex. Since the victims cannot settle with a particular partner, use them as sex slaves, thus destroying their lives, your life will not be destroyed in the name of Jesus.

RE). Spirit of divination:

False prophets and false prophecies are products of the sea spirits. The spirit of divination is a spirit of water, they can see the future of a person and use it to manipulate this one. Unfortunately, many pastors have consciously yielded to this water of spirits of powers in their quest to become popular, but the word of God cannot be broken, the last day, every false prophet, who does not repent, will be thrown into the lake of fire, Revelation 19:20, Revelation 20:10.

E) Spirit of violence:

Worship, rape, gangsterism, activism, terrorism, armed robbery and all other forms of violence are the work of the maritime forces. In fact, many cult groups are making their initiations in the river areas. These spirits are violent spirits and they manifest it through all kinds of social vices.

I believe that by now you already have a good idea of what these marine forces are and what they are capable of doing, now we are going to put them in their place through these prayer points of deliverance. First, I want you to know that if you are a child of God, you have power over all demons, Luke 10:19, Matthew 17:20, Mark 11: 20-24. No maritime power has the power to oppress you. Therefore, if you have been a victim of one of the powers, know that it is no longer a victim, stand firm in faith and expel all the sea demons in your life. Jesus gave us the power to cast out demons, the sea spirits are devils, so start casting them out of your life in the name of Jesus. Engage these sea spirits' deliv erance prayer points

PRAYER AGAINST THE MIRROR OF THE WATERS

Through my baptism and my faith in Jesus Christ, I have received the power to cast out demons (Mk 16:17). This is why I take authority over any demonic spirit that is in the waters.

In accordance with the divine decree pronounced in the Garden of Eden, I, the posterity of the woman who ate the forbidden fruit, I crush your head today (Gen 3:15).

In accordance with the truth revealed to John in the book of Revelation, the serpent that vomited water like a river in order to swallow up the woman failed (Rev 12: 15-16). So, you cannot keep me prisoner at the bottom of rivers, seas, rivers, oceans, swimming pools, lakes, ponds or wells. I drain the waters and take out my star, in the name of Jesus Christ.

The Lord called me by name and I am his. If I cross the waters, the rivers will not overwhelm me (Is 43: 2). When the adversary comes like a river, the Holy Spirit will put him to flight.

Like Moses facing the sea, like Joshua facing the Jordan, like Elisha facing the same Jordan, I break through the depths of the waters and make myself master of the waves by the grace of the Lord.

Like Jesus Christ in the ship, in his name, I order the sea to be silent.

Now, in the name of Jesus Christ, behold, all the power of the waters is bound and subject to my authority: let the captive that I am come out of your prisons!

Dagôn the god-fish, and you spirits which surround him, spirits of siren in the service of the Evil One, I cancel any alliance on which is based your right on my life. I renounce with force and determination all the words spoken in favor of your rights. Since life and death are in the power of the tongue, I write with my tongue the words of life which read: "I make the Most High my retreat. No misfortune will happen to me, no more plague will approach my tent. For the Lord will give orders to his angels for me to keep me in all my ways; they will carry me on their hands, lest my foot strike a stone "(Ps 91, 9-12).

Any incantation pronounced against my life is canceled.

Any exchange organized against me on the second world market between magicians, sorcerers, satanics or fetishists is trampled on, in the name of Jesus Christ. May the fire of the Lord burn any satanic contract on which my name is inscribed!

I renounce the satanic nature, the nature of hybrid water creatures, the snake nature with which I have been covered by those who invoke and work in the second sky.

May the scales fall from my feet, may my mystical tail disappear, in the name of Jesus Christ! Siren of the waters, I put hooks on your jaws and I pull you from the middle of your rivers, with all the fish of your rivers that are stuck to your scales ... I give you food for the animals of the earth, in the name of Jesus Christ (Ez 29: 3-5).

I free myself from all cohabitation with the spirit or the angel of darkness fallen into the sea, and who decided to make me the object of the aggressions of the devil.

If I have been married in the world of darkness, may the power of the name of Jesus Christ be removed from my finger the satanic covenant! May the power of the name of Jesus Christ be torn apart from the marriage contract and may all the sorcerers and their accomplices bow their knees, for Jesus Christ is Lord!

The word of God, which is life and spirit, declares that "... he makes his messengers of flames of fire" (Ps 104: 4).

I am the flame which today burns in your hands and which reduces to ashes all your decrees, in the name of Jesus Christ.

On this day, the Lord will punish with his hard, great and strong sword Leviathan, the fleeing serpent, Leviathan, the tortuous serpent; and he will kill the monster that is in the sea (Is 27,1).

In the name of Jesus Christ, I cut and nullify the power of Leviathan and his fellows!

Amen.
