His Grace, Archbishop (Prof.) Iyke Nathan Uzorma,
of Harbinger the Last Covenant,
is a great Messenger of Light that to me
his kind has never existed before.
There is nothing that the Lord said through him that
hasn't come to pass. This includes
prophesies to nations, tribes and persons.
He has encountered the Lord face to face
on numerous occasions. He has encountered the
Angels, Archangels, Great Ones of Divine
Light above and Watchers. I think he stands on
a higher platform to bring to our world
the hidden mysteries that have not been

told of old. It is my sincere plea to everyone
living on the surface of the world to
listen to him. Let the world hear and except
the deep spiritual expositions giving
to us by the Lord Himself and His Great
ones of Divine Light Above, through the
Harbinger of the Last Covenant.

Foreword

To Vols. 1 and 2 of The Path of Light

'The Path of Light' is a spiritual book designed to guide
humans into the Light of Christ, as well as to strengthen
those already in the Light of Christ to be firm and
steadfast. The path of darkness, which promotes
wickedness, cannot ultimately benefit the human race,
only the path of Light in Christ can benefit us here and
hereafter. The author himself, who came from

the peak
of darkness into the Light of Christ, wrote this book
with a burning desire to lead people to the Light of
God.

'The Path of Light Vol. 1', is the revised and enlarged
version of the book that the author first published
some years ago, under the title: 'The Path of Perfection
Vol. 1'. This is a publication designed to awaken greater
Power, Love and Knowledge of God in the
consciousness of the reader.

In presenting this spiritual material, however, my
husband, 'the Harbinger of the Last Covenant', His
Grace, Archbishop (Prof.) Iyke Nathan Uzorma, does

not consider himself an island of spiritual knowledge.
He holds that "no man is an island of knowledge, but
the value of knowledge is the ability to communicate
same to others."
Sound spiritual knowledge is imperative, if one's objective is to gain ultimate victory on the path of
Light. Consequently, the Prince of Darkness and his
cohorts can take advantage of man's lack of true

spiritual knowledge of the ways of God to manipulate,
dominate and destroy even the people of God. Thus,
God Himself said: "My people are destroyed for lack of
knowledge" (Hosea 4:6).

A believer who is bereft of sound spiritual knowledge,
as taught by the Harbinger of the Last Covenant, is like
a man with a bucket of water on his head, who goes
about looking for a cup of water to drink. This situation
is not the best for anyone. It is an enslavement of darkness, sustained by the illusions of ignorance.

Ignorance is darkness, and darkness must flee from the
Light flowing to us from God through Christ. This book
is set forth by the Spirit of God as a Light to dispel
darkness, and in the name of Our Lord Jesus the Christ,
this work will assist you to be completely situated on

the true path of life; the path of Light -- the path of
perfection in Christ.

The book, under the present title, 'The Path of Light
Vol. 1', has a complete new chapter added to the

previous chapters of the former title. And apart from
the added new chapter, the previous chapters are also
revised and updated by the author.

The second volume of this book, ('The Path of Light Vol.
2',) is one of greatest spiritual treatise of all times. This
is so because it is a Divine message which the
Harbinger of the Last Covenant received directly from
the Lord Himself in the realms beyond. It is an
important message which the reader, after reading
'The Path of Light Vol. 1, should endeavour to read. And
if you read the second volume of 'The Path of Light'
first, also endeavour to read the first volume.

'The Path of Light Vol. 1' has five chapters on diverse
spiritual issues, which includes but not limited to some
messages which the author received directly from the
Lord in our time. 'The Path of Light Vol. 2' comes under
a different setting. In each page of this second volume,
the Harbinger of the Last Covenant presents a verse of

the message he directly received from the Lord, as well
as his brief comment on each verse of such message.

My sincere prayer is for the reader of the first and
second volumes of 'The Path of Light' to be lifted and
sustained on the path of Light, by the Spirit of Light in
Christ Our Lord . Amen.

-- Lady Imaobong Udeme Uzorma
(Wife of the author).

CHAPTER

1

THE ESSENCE OF THOUGHT

HOMOGENEITY

TEXT: MALACHI 3:16
"Then they that feared the LORD spake often one to another: and the LORD hearkened, and heard it, and a book of remembrance was written before Him for them that feared the LORD, and that thought upon His name."

OUR DIVINE POSITION IN LIGHT
Dear reader, Peace be with you. I want to speak

to you
in the name of the Great Lord Jesus the Christ. I want
to tell you that if you are a true servant of God; if you
are someone on the path of perfection of the Light of
Christ, then every element in the Universe must
directly and indirectly work towards the glory of God
in your life.

I tell you, child of God on the path of Light, thunder
must obey you. Fire must obey you. Rain must obey
you. Everything must obey you in the name of our
Lord. This is so because you are working with the Lord
of the Universe beyond the elements of Creation.

Our Power is from the Lord of Hosts. It is not from any
created element, entity or spirit in the Universe. And
by virtue of the Power which we have in Christ, we are
completely raised above all the spiritual attacks of the
powers of darkness.

Now, what is important is for each and everyone of us
to work to please the Lord, and not to work hard to
please any other person. Truly, if you work to satisfy
the Lord of Creation, whosoever is a true servant of

God will be satisfied also. The satisfaction of the Lord
brings true satisfaction to the servants of God.

Anyone who wants to truly satisfy the Lord and receive victory always from the Throne of His Eternal
Majesty, thus, to walk on the path of Light in Christ,
must lay the foundation of this experience in his
consciousness, in his mind, his heart – that is, in his
thinking.

SERVICE: THE PROPENSITY OF BEING

Now, let the reader be aware of a fundamental recognition, which holds that identity and consciousness constitute the core basis of being; the
primordial propensity of being itself, that is, existence.
Again, the primordial propensity of existence, inherent in identity and consciousness, is activity. And
of activity, thought is the basis of it. Consequently, I
must act; you must act; we must act.

There is absolutely nothing like 'inactivity' for the
humanoids in all the Planetary Systems of existence,
including the world of man. To this end, therefore,
even the sleep state in itself is activity, namely, the act
of sleep. Thus, activity for the earthman oper-

ates

within the framework of 'must', on the same platform
of 'must' with eating, sleeping, and passing out human waste, which 'must' be done for physical survival.

Now, the fundamental substance of activity, which
also operates within the framework of 'must' for all
living entities, especially the humanoids in all the
systems of universal manifestations, is 'service'. To
this end, I must serve; you must serve; we must serve.

Even if you are a President of a nation, you are in service, which may occasionally deny you some night
rest. Therefore, whether a president serves his country, a woman serves her husband, a husband
serves his wife, a man serves his animal, a person
serves his body or belly, one serves the Ultimate Source of life -- God, the important fact is that everyone must serve.

It is important to note that when one comes to the
platform of 'goodness' in the journey of life, he inherits the destiny of concentrated activity in the
Creator, not the created. But in this, the created is

shown love to the glory of the Creator. This then

entails that one serves the Supreme Creator, the Seed-
Giving Father of all manifestations, the Father of
fathers, the Shepherd of shepherds, the King of Kings
and Lord of Lords.

Here, the foundation of thoughts on the path of Light
take its roots. For all those who have set themselves
apart to walk on the path of Light, who are thus
expected to be foremost in the service of the Father of
Light in the physical realms of Earth, must have the
foundation of this reality laid in their thoughts.

He who serves the Father, the Almighty God, the Supreme Creator of the Universe, must demonstrate
the evidence of this in his thoughts. This also must be
demonstrated in love and selfless service to the
creature, including the children of men.

Let it be known that all those who have a yearning
desire to serve the Almighty God, and are doing so
indeed, are persons who have conquered selfishness.
These are persons who are on the path of Light, the
path of victory over the lower materialistic as-

pects of
being. These are they who are, sometimes slowly, but
nevertheless surely, advancing into the Great

Kingdom of God's Eternal Light.

Remember, you can't give what you don't have, neither can you run beyond your shadow. Let the
Spirit of the Lord set you upon the path of Light, then
you will be firm therein and possess the inheritance of
Light. Do not deceive yourself and claim to be there,
whereas you aren't there.

Don't join the network that lacks pure Divine Power;
they make much noise like a gun without bullets; the
gun makes noise but can't kill even a bird. Do away
with such network of the earthman. They present
stones to the children of men instead of bread. They
are disguised into the order of holy things, with high
manipulations of the human brain, in well
coordinated pretence of having what they don't have.
Beware, earthman, for that network is not the path of
Light. Your inner thoughts must fully absorb the Spirit
of Light in Christ, for only then will you walk

on the
path of Light.

THE POTENCY OF THOUGHT

Earthman, know therefore that it is the thought of the
heart, which functions in the realm of the mind, that

propels every activity in the world of man. In other
words, the thought of man is the basis of each and
every activity in the human world.

All that you do, including the consciousness of your
daily existence, are the final manifestations of your
thought. Thus, whosoever wants to be firm on the
path of Light, must lay the foundation of this in his
thought.

Consequently, if you constantly accumulate, uphold
and affirm such thoughts that are for the good of man
to the glory of God, the thoughts that would
ultimately lead to the attainment of the higher
spiritual system of reality in the Lord, you are then
taking active part in laying a greater foundation of
Light for the upliftment of your entire con-
sciousness
and that of your fellow men.

However, if you submit your mind, your senses and
your thoughts, to the lower path of illusory
aggrandizement of the mundane world, solely for the
gratification of the material senses, you will by so
doing bring into manifestation such illusory
phantasmagoria of the earthly propensities that

lower the human-spirit into a negative dimension of
existence.

The earthmen are always in the habit of
underestimating the power and potency of thought.
Even some believers are involved in this act. As a
matter of fact, most of the time, some believers do
ignorantly or presumptuously toy within themselves
with some repugnant thoughts; whilst the final
reciprocal effects of such thoughts are recog nized by
such believers as the works of the devil coming from
other human channels.

This is so because majority of the sons and daughters
of men have not come to the accurate under-standing
that everything in existence is caused to mani-fest via
the potency of thought projections, whether it is that
of God, of man, of Angels or of the spirits of

darkness.

For instance, if we say that the Universe was created by God, then we are saying that the entire Universe initially was an idea within the thought and consciousness of the Almighty God, which was consequently projected by His Supreme Power into physical and subtle manifestations. And it is evident

also that anything which the earthman has formed in the world of man, was firstly conceived as an idea within his thought – his consciousness.

THOUGHT INTENSIFICATION

The earthman is not aware that the more his thoughts, feelings and emotions are intensified within him, the more they are projected consciously or unconsciously to accomplish great things even in other systems of reality transcending the physical environment.

Man is not aware that through the intensification of his thoughts, he has accomplished many proclaimed wonders on Earth, or that he has via this process brought certain evil things and iniquities upon himself and the lives of others, which he may literally

want
people to believe that he can never do.

Once again be informed that your words and deeds
are manifestations of your thoughts. And remember
that as a man **"thinketh in his heart, so is he" (Pro.
23:7)**. Now, in the bona-fide conclusion of the
recognition of spiritual existence, what matters is not
your religious title – Pastor, Bishop, Evangelist, Elder,

Prophet, Overseer, Archbishop: All these do not matter. What truly matters is what you are within.

This material, 'The Essence of Thought Homogeneity',
exposes a metaphysical process through which the
forces of darkness and their human agents use to
intensify thoughts of the earthmen to perpetrate evil
things in the world of man, without the people of this
world knowing that they are connected to the physical
manifestations of such evils. This information will
bring us to the understanding of the essence of
thought homogeneity, which has to do with subjective
consciousness.

Now, in almost every occasion or situation of life, an intensified secret or silent thought in the mind of a person, can be received by another person via the noetic process of subconscious homogeneous attraction. This could occur, however, either with or without your conscious knowledge, depending on your level of spiritual awareness.

When I speak of "thought homogeneity", I am speaking of something that is a normal experience in the human life. For instance, you may retain the

thought of a certain song in your mind, either wishing to sing it out in words or to withhold it confidentially in your heart – within yourself. But while this song is still within you, someone around you at that moment may begin to sing the same song that has been in your mind.

Many people at one time or the other have experienced this. As I said before, this occurs through the metaphysical process of "thought homogeneity". This process is natural, but it can also be manipulated and used by the powers of darkness to the detri-

ment
of the people of this world.

However, let it be emphasized that the thought that
can subconsciously move from one mind to another,
does not apply only to the thought of a song. Any
thought that has intensified in the mind of a man, can
go beyond that man and enter into the mind of another man.

This, as a matter of fact, has to do with each and every
thought in the human mind which, by virtue of its
intensification, can strengthen a homogeneous attraction within the subtle dimension of the human

being, or the spiritual environment of a Soul personality. Thus the thoughts of fornication, anger,
greed, love, peace, adultery, fear, joy, righteousness,
success, sickness and victory, to mention but a few,
are all included in this regard.

NOETIC RESEARCH

Now, be informed that thoughts go with vibrations,
and such vibrations depend on the degree of intensification. It is a higher spiritual fact, for instance,
that the vibration of each and every highly in-

tensified
thought, which proceeds in words, goes round the
Earth Planet seven times before being dissolved into
other systems of reality.

This is a mystery generally unknown to many people,
but it is not the focus of this work. I hope therefore to
speak on it in a different work. But those who may
doubt this information should also remember the
generally acknowledged fact that the thoughts or
words of prayers do go to the Throne of God in the
Highest Heaven. If this does happen instantaneously,
then do not be surprised to hear that the vibrations of
words go round the Earth seven times.

From the foregoing, however, I am trying to inform
you that the feelings and emotions of any thought
within you, which is greatly intensified in your mind,
will definitely operate within the subtle system of
higher realities beyond the physical dimension of man
generally known. And such a thought can also pierce

through the microcosm (the individual spiritual orbit)
of your fellow man and strike his mind.

What I am saying can happen not because such a
person is around you at that time. In other words, the
thought of a song in your mind, which vibrated in
words by someone else, was not received by him simply because he was around you at that mo ment.
Therefore, through subconscious thought homogeneity, your intensified secret thoughts could
be received by another man regardless of the distance. To this end, your intensified secret thoughts
in Nigeria can strike the mind of another man in the
United States of America, Australia, Russia, amongst
other places.

A profound noetic research into the metaphysical
process of thought homogeneity has it that a thought,

'automatically working according to its
nature, can strengthen a homogeneous
type in the world of medium matter,
thereby producing more powerful forms;
lifewise then, deducing from this, it again
continues to work within this

intensification, and arises in a visible active form in the coarsest world of gross matter, without you seeming to be directly concerned with it'.

PHYSICAL ACTUALIZATION

Now, through the process of thought homogeneity, the negative spirits of darkness also come into operation within the mind level of the earthmen, trying to dominate and control the human mind. And remember that he who controls the mind, controls the man. It is from the mind level therefore, that the forces of darkness try to use human consciousness to spread or promote evil things on Earth.

Consequently, many people including some church leaders, have been used by the forces of darkness, through this process of thought subconscious homogeneity, to actively promote the physical

actualization, manifestation and propagation of sins, iniquities and abominations on Earth.

Always have it in mind that when you give birth to repugnant thoughts, and when such thoughts intensify within you, they could be projected subconsciously to focus in the mind of your fellow

man who has received them via homogeneous attraction, and who thereafter could act to physically manifest such thoughts.

Towards this understanding, let us at this point consider, for instance, a situation in which a "man of God", a Bishop in Nigeria, harbours the thought of illicit sex such as adultery in his mind. Now, the Bishop knows that he is not expected to indulge in such iniquity, yet he often gratifies himself with the thought of illicit sex. Without his knowing it, and if he does not refrain from this thought of adultery, the thought will surely reach the highest degree of intensification within him.

Maybe because he is married, or because of fear of exposure or otherwise, he has not yet physically indulged in adultery, but for as long as that thought

remains in him, he is helping the kingdoms of darkness to have a base from where they could use as a contact point to promote the works of darkness.

At a certain stage when the secret thought of adultery has overwhelmed the proclaimed 'man of God," such thought could then move beyond his con-

sciousness
and force him to commit the very sin of adultery.
Above all, the thought could also move from him in
Nigeria and strike the mind of a carnal man, an unbeliever, in Japan. And because the man whose
consciousness has received the evil thought in Japan
is a carnal man, the thought could be used by evil
forces to impel him that same day to commit rape.

The carnal man in Japan will act physically to manifest
the thought of illicit sex from the Bishop in Nigeria,
based on the strength and potency of the thought
when it was received. Thus the man may go the extent
of raping a little girl of about eight years. And if this
abnormal act of rape is finally published in a
newspaper in Nigeria, the Bishop could read it and
thereafter stand on the pulpit before the
congregation and proclaim such act as "iniquities of
the last days caused by the devil". However, the

Bishop himself was the very person used by the same
devil to originate and initiate such act within the
secret realm of thoughts.

Logically, that Bishop in Nigeria is the cause of that act
of rape committed in Japan. And he must surely suffer
greater part of the reciprocal effect of that sinful act,
in accordance with the Universal Law of Reciprocal
Action, which holds that **"Whatsoever a man soweth,
that shall he also reap" (Gal. 6;7).**

Many people are not aware of this. Therefore,
henceforth set your thoughts on things of the Lord,
and not on things that are opposed to our Lord's
righteousness. This is the path of Light. Worship the
Lord always and glorify Him even in your secret
thoughts, for by so doing you shall manifest
righteousness and be happy.

HOMOGENEOUS THOUGHTS

There once lived two good friends in a certain village
who loved each other in thoughts, words and deeds;
and these two friends – Maurice and Jones – were
great hunters. One day, in the course of their hunting
expedition in the forest, they jointly killed a big

elephant.

After killing the elephant, they decided to settle down
for a meal before their next line of action.

Consequently, they further decided that Jones should
go to the town and buy food, while Maurice would
stay behind and watch over the dead elephant in the
bush. And this they did.

Now, as soon as Jones left to buy the food, an evil
thought came into the mind of Maurice. He began to
imagine how rich he would become if he could murder
his friend, Jones, and take the elephant for himself
alone. Maurice retained this thought in preparation to
manifest it as desired by him at that moment, and this
thought intensified in his consciousness.

By virtue of the intensification of this thought, via
subjective homogeneous attraction, the thought of
murder within the consciousness of Maurice went
forth from him and came into the consciousness of
Jones. Then Jones, having received the evil thought,
also began to think how rich he would be if he could
kill Maurice and possess the entire beast.
Both Maurice and Jones finally went ahead with this

evil thought. As a result Maurice loaded his gun in readiness to shoot Jones to death as soon as he returned. At the same time, Jones bought the food and poisoned Maurice's share. As Jones came back at last with the food, Maurice killed him there and then.

Then Maurice settled down to eat the food. Immediately after eating, he also fell down and died. Both of them died with the elephant. Let this serve as a warning for us never to welcome or retain any evil thought in our hearts. Think good always and good will come into your daily experience. That is how to walk on the path of Light.

CONSOLIDATING THE SUPREME POWER

Now the essence of spiritual existence is to master the propensities of the heart. Every believer should strive always to be a master of his heart. You are either a master or a slave of your heart. The thoughts of your heart can bring your spiritual elevation, and the same thoughts of the heart can also bring your downfall and death. Don't pass over this lightly, but try to become absorbed in the understanding that all things are the manifestations of thought.

With this understanding you will then move forward in Spirit and in Truth to consolidate the Power of God in your consciousness. Surely, the most powerful spiritual person in this world is he who is constantly in tune with the Supreme Consciousness of the Almighty God.

It is erroneous to hold that the most powerful person in this world is an occult adept, esoterist, or metaphysician operating in the higher scale of mysticism. It is also erroneous to consider the most powerful person as a man of God using such title as Archbishop, Evangelist, Elder, Bishop, General Overseer, Pastor, Deacon, or whatever.

Listen: The most powerful person spiritually in this world is any man or woman, boy or girl, old or young, rich or poor, who THINKS OF THE LORD ALWAYS. Remember the text of this chapter in Malachi Chapter 3 verse 16:

> ***"Then they that feared the LORD spake often one to another: and the LORD hearkened, and heard it, and a book of remembrance was written before Him***

- ***for them that feared the LORD, and that thought upon His name."***

Here, it is stated that those who "feared the Lord spake often one to another". Their talking to one another was not centered on things that gratify the flesh – material senses. They were not talking "PRAJAPA" – things unwanted by the Lord. Rather, they spake to one another on matters that are to the glory of the Lord. It was on this basis that the **"Lord hearkened, and heard it".** While they were on Earth thinking and speaking of the Lord, the Lord heard it in the Highest Heaven. Think about this.

When the Lord of Creation heard the words of His children in the world of man, what did He do? He commanded **"a book of remembrance"** to be written before His Glorious Throne solely for those on Earth who feared the Lord 'and that thought upon His name'. It is hereby confirmed by the Words of God that those who think about the Lord always, have their names in the Book of Remembrance which is in Heaven.

Listen: It is not said that this **"Book of Remembrance"** is written before God for those that studied in a Bible College, or for the founders of churches, or for Evangelists, Pastors, Bishops and Archbishops. No! The book was written only for those that have the fear of God and also think of Him (GOD) always.

So, if you are a 'man of God' but your thoughts in all sincerity are not always in the Lord your God, you are definitely not a part of the contents of this great Book of Remembrance before the Living God.

It is said that it is better to be with a prostitute but your heart is in the church, than to be in the church while your heart is with a prostitute. If an unbeliever is with a prostitute, while his heart is in the house of God, he may finally come to God. But a "believer" in the church whose mind is with a prostitute, is under the sway of darkness – he is gone.

YOUR TREASURE

At this point, I wish to recall the Words of our Lord in Matthew chapter 6 verse 21, which has it that: **"For where your treasure is, there will your heart**

be also".
The Lord is still talking of the heart, the mind, the

consciousness of man. And there is a big question:
where does the Soul of man reside? You may think
that the answer to this question is very simple, but it is
not. Remember, where your treasure is, there will
your heart, that is your Soul, be as well.

Some people think that the Soul sides in the heart,
some think it is in the forehead, some assume it to be
inside the lungs, and much more. But let me inform
you briefly that the Soul, in such terms, is a
transcendental entity, which has the capacity to
reside in, and move from one place to another,
beyond the elements of the gross material body.

And the movement of the Soul from one location to
another outside the body depends on your thoughts –
your treasure. Your '**treasure**' in this connection is
your thought, while your '**heart**' in this connection is
your Soul entity. **"For where your treasure is, there
will your heart be also!".**

Now, God has told us where the Soul resides. The

heart of man, the Soul, the consciousness, the awareness unit, resides where your treasure is. If your
treasure is in the love of money, that is where your

Soul resides. If it is in lust, that is where your Soul can
be found.

For instance, in the past when I was using the esoteric
powers of the vicious occult, we did invoke human
beings via the attachment of their consciousness.
Thus, if your thoughts are attached to money,
fornication or adultery, clothes and food, to mention
but a few, such things can be used as contact points to
invoke and destroy you, because that is where your
subtle self (Soul) resides. But if your thought is in the
Almighty God, who can invoke and destroy you? No
one.

Also be informed that the process of thinking of God is
multidimensional. We should try to understand the
science of this. Understand this in the sense that God
is Absolute. And because God is Absolute, anything
attached to Him automatically assumes the ab-

solute
propensity of God, via ubiquitous Devine vibrations of
the Godhead.

For instance, if you use a biro to write a letter promoting fornication, the biro will remain an object
of coarse vibration, but if you use the same biro to

write about God, it will assume an absolute nature of
the spiritual dimension. This fact is not generally
known to people. In such terms, however, that biro
can be placed on the sick and the sick will receive
Divine healing.

Now consider a house: it is made with different material elements. If you stay in the house to perform
material acts; acts of sense gratification, the house
will continue to remain on its ordinary mundane level;
but if you use the same house as a church or as a place
of worship of the Almighty God, the house will assume
an absolute nature as a spiritual environment, by
virtue of its attachment to the glorification of the
Supreme God.

This is the difference between the Absolute Potency
of the Godhead and the coarse vibrations of gross
material elements. And by virtue of this, when you are
thinking of anything that is directly connected to the
glorification of God, your thoughts are linked up with
the Highest Spiritual Source – God.

For instance, you may desire to do something to promote the work of God, which may be financial

donation. And because of this, you go out working
hard to make money in a genuine way to fulfill your
desire or vow towards the glory of God.

Now the thought of making money in this connection
is spiritual in essence, because it is attached to the
Supreme Lord. This thought therefore is different
from the thought of making money to be used solely
for earthly enjoyment and sense gratification.

Even your car, if you use it to rob, promote illicit sex, or
to advance any carnal activity, it remains at a
mundane level. But if you use the car in any activity
connected to the glory of God, it assumes the spiritual

potency of the Power of God. Therefore, to glorify God
means to think of God, to talk of God, to hear of God,
and to work with and for God.

By so doing, the Power of the Godhead will coordinate
your entire existence. And in doing this, you become
the most powerful spiritual person. There is no person
as powerful as the one that thinks of the Lord always.
Surely this is the path of perfection; it is the path of
Light.

IN TUNE WITH THE INFINITE

The energy vibrations of any one who thinks of the
Lord always in his heart, is totally and completely
beyond the propensities of matter, space, energy and
time. The Soul of such a person is constantly in the
bosom of the King of kings and Lord of lords. Thus he is
placed beyond the reach and attack of all the powers
of darkness.

There was an occult grand master, whom many worshipped. This occult master spent several years in
the kingdoms of darkness. In the same city,

there was
a young man of God called Peter. Peter was not versed
in Bible theology, but he always goes to church, and
whatever the man of God said, he took it very serious.
He was always thinking of God. Thus, he was truly on
the path of Light.

Peter didn't have much money to donate for the work
of God, but often, what he does is to go to sweep the
floor of the church. Somehow or the other he was
always occupied with different activities meant to
glorify the Lord of Hosts. Thus, Peter lived daily in the
spiritual essence of the Supreme Power of God on the
path of Light.

The occult grand master was happy for the worship he
received from people. But he wasn't happy each time
he noticed that Peter passed by his occult temple,
without coming in to bow to him like the others did.
He was so angry that he finally took a decision to
destroy Peter – the servant of God on the path of
Light.

From that moment, the grand master began to

invoke
the 'Soul' of this young man of God, with the intention
to destroy him. The occult master knew that one could
be invoked and killed through the very material
attachment of his heart. Thus, he used the spirits of
fornication to invoke Peter, but the 'spirit' of Peter did
not appear, because his heart was not in lust and illicit
sex.

Furthermore, the occult grandmaster used the love of
money to invoke Peter, but Peter did not appear, for
his heart was with the Lord of Hosts. "For where your
treasure is, there will your heart be also."

This occult master went into different realms
searching for the 'spirit' of Peter, but all to no avail. He
searched through the spirits of the water, through the

elements of the fire and the air; he searched through
the Space and the Planets including the Sun, Moon
and the Stars in the Heavenly places; yet Peter was not
found in these realms. At last, the grandmaster was
caught up by the Spirit of God, and he was brought

into the abode of the Supreme Lord.

Then the grandmaster stood before the Throne of the
Lord of Hosts, and His Throne was powerful than fire!
And under the Throne of the Supreme Lord were the
Souls of men, including the Soul of Peter, the servant
of God, who was then resident in the world of man.
**"For where your treasure is, there will your heart be
also".**

Now, remember that the purpose of this information
is to strengthen your thought, for you to begin to
worship the Lord sincerely in spirit and in truth. Attach
whatever you are doing to God, He is the Supreme
Source of protection. The Lord said to the grandmaster:

> *of* ***"O evil man, behold, by seeking to destroy Peter, my servant on Earth, two things are now before you,***

> ***which you must choose one. Surely this is my decree upon you".***

The Lord then told him that he should either return to
the Earth and go to Peter for true repentance, or be

prepared to die on Earth within seven days and be
taken to hell. When there are two evil things and you
must choose one, what will you do? Of course you will
choose the smaller evil.

To the occult man, the two options given to him by the
Lord were "evils", but he chose the little "evil" from his
own understanding. Thus he returned to the Earth
and went to Peter for confession and repentance. At
first Peter saw him coming and fled, but at last he
came back with the Power of God and ministered to
the occultist. That was how the occult man gave his
life to the Lord.

CONCLUSION

**"For where your treasure is, there will your heart be
also".** Remember this and guard yourselves on the
path of Light, the path of perfection. Always live in the
bonafide knowledge that there is no power of
darkness, or agent of Satan, that can harm you when

you are constantly absorbed in the consciousness of
the Lord of Creation.

Thinking of the Lord always, will make you to act in and
for God always. This is the true path of spiritual victory. Surely, this is the path of Light in Christ. Remember that the essence of this message is to bring
you to the consumate recognition that the most powerful spiritual person on Earth can be anyone, but
he must be someone who thinks about the Lord always.

The relationship of believers with God is like that of a
man and his little children. If you have money, for
instance, you can employ some men to serve your
little children in the house. Such men will then serve
your children because of you, not because of your
little ones, however. Every power in this universe fears
the children of God, not because of our greatness and
power as human beings, but because of our Father –
the Lord of Hosts.

Everything said in this treatise is to enable the Power
of the Almighty God to reach you, to guide and protect
you always. The essence of thought homogeneity

therefore, has to do with the interaction and attraction of thoughts. Thought is in the subtle dimension, and God is the Lord of all the subtle and material dimensions.

When you think about God, without you knowing it, your Soul or consciousness is transferred beyond the human environment, via homogeneous attraction, to the realm of God. And God is Omnipresent; He is here now. So your consciousness goes beyond the earthly paraphernalia and enters into the Realm of God, the Highest Realm of Supreme Light. And whosoever that is there, is free and free indeed.

A word is enough for the wise.

CHAPTER

2

BEYOND THE PRINCE OF DARKNESS

TEXT: 1 CORINT. 10:13

"There hath no temptation taken you but such as is common to man: but God is faithful, who will not suffer you to be tempted above that ye are able; but will with the temptation also make a way to escape, that ye may be able to bear it"

POWERFUL THAN FIRE

When one is properly situated in the Light of Christ,
the path of Light, the path of the One Eternal Almighty
God, he is ultimately beyond the Prince of Darkness.
Yes, darkness is fearful to those outside the Supreme
Light of Christ. But to those in the Light of Christ,
darkness must flee.

Now, I want to use this opportunity to speak about the
spiritual experience which I had directly with the Lord.
I believe and I know that the Great Lord Jesus the Christ is real. I believe that it is possible for a believer
to see the Lord of Hosts face to face, both in the world
of man and in the realms beyond. With God all things
are possible.

I am speaking by virtue of the blessed experience
which the Spirit of God brought to my recognition.
Since I gave my life fully to Christ, THE LORD OF HOSTS,
following my direct encounter with Him, He has been
appearing to me in different forms. Truly the Lord has
appeared to me even as a black man, according to the
earthly body of the sons of men.

However, on the day of this experience, the Lord

appeared to me with the clouds of Heaven, whilst I received a message from Him in the form of a story; the same story is contained in this chapter. On the night of that day, I was praying around 11pm and a dazzling Light from above came into my house – it was the Light of the Almighty God. Then a voice spoke to me from this Light and said:

> ***"Son of man, rise and proclaim the Power of your Lord, that the children of men may recognize how the Power of your Lord operates beyond the Prince of Darkness".***

Immediately, I was in the Spirit, in a certain spiritual environment where people were gathered waiting for the Lord of Hosts. When the Lord finally appeared, He sat upon a Throne that was in the midst of a cloud of Light, and the Throne of Our Lord was Powerful than fire!

The Lord began to speak and His voice sounded like that of a great congregation of men. Before the Spirit of God brought me back, I receive a story from the

Lord for the spiritual guidance of everyone.

Now I want to repeat the same story which came from
Him. This story is designed to make us understand
that, though the Prince of Darkness is a game master,
the Lord of the Universe always has a way of
frustrating the games and devices of the hosts of darkness, beyond the recognition of the Prince of
Darkness.

Whenever the forces of darkness set an evil plan in
motion against you, the angle from where the Spirit of
God could defeat them and bring victory to you, is
completely beyond the knowledge and power of the
entire kingdoms of darkness. When this happens, the
hosts of darkness will bow and flee from Our Lord –
the all powerful.

THE PRESENCE OF GOD

And it came to pass in the land of Zer, during the reign
of the great King Xerxer II, that the Lord of Hosts
decided to promote his faithful servant on Earth named Jabal. Then the Prince of Darkness went forth
to tempt him, as always the case.

It began in the presence of the Lord. The claps and

cheers from the congregation of the Sons of God in
Heaven grew, as the Lord was ushered into the Temple
of the Holiest of Holies in the Highest Heaven with
spiritual songs. Then all bowed in utmost reverence
and worshipped the Lord who was before Abraham.

The Heavenly Hosts and the entire presence of the
Godhead were holding court when the Sons of God
began to file pass the **"sea of glass like unto crystal,"**
bowing in obeisance and humility before the Lord
God. Then one arrayed in black robe came before the
Lord without any sign of holiness. This was the Prince
of Darkness. Thereafter, the Lord of Hosts made a
decree and said:

"Let it be written and let it come to pass, that when I
shall sit to judge the kingdoms of men, I will
remember the diligence of all my faithful servants
who walked on the path of perfection of their Lord.
For, behold, today have I looked upon the face

of the
Earth and read the heart of each man and have found
my servant Jabal to be faithful and ever firm in his
works and love for Me. Therefore, let Jabal be blessed now and forever more."

When the Lord said these, all answered 'Amen, but
the Prince of Darkness did not answer 'Amen', rather
he began to laugh in a loud voice. And the Lord said
unto the Prince of Darkness: **"O Satan, whence cometh thou?"** The Prince of Darkness answered:
"From going to and fro upon the Earth, the Space, the
Planets and the Sea." Again the Lord said unto the
Prince of Darkness: **"And did thou see Jabal, My faithful servant on Earth?"** He answered:

> ***"Yes, I saw him. As You have blessed him, all is well with him. He serves You day and night because you have provided him with many cars, estate houses, a lovely wife, five good children and many other good things. Surely, he would have faithfully served me, if these things were provided by me. Permit me therefore to take away his material wealth, and verily he shall blaspheme Your Holy Name."***

Finally, the Lord of Hosts commanded the Prince of

darkness to go and try his best to see whether it was
the love of material things that sustained Jabal's well
noted faithfulness to God on Earth. Then the Prince of

Darkness left the Holy Presence of the Lord. And it
came to pass that he returned to the Earth and took
the form of a pretty lady to fight Jabal. The lady's name
was Queen – the Prince of Darkness in disguise.

JABAL THE MAN OF GOD

Now Jabal was a very wealthy and faithful servant of
God, who was firmly established on the path of Light.
He had the fear and the love of the Lord in his heart
always. Jabal prayed and gave thanks to the Almighty
God four times in every twenty four hours. He did this
at 6am, 12noon, 6pm and 12midnight. And his prayers
went always to the Throne of God, thus he was blessed on Earth.

Blessed is the man who will pray to, and serve his God,
like Jabal even unto the end, for the victory of such a
person shall come from the Throne of the God of gods.
And, verily, when the Lord will sit upon His Holy

Throne to judge the 12 tribes of Isreal, such a person
shall inherit the kingdom of the King of Kings and Lord
of Lords.

Jabal was a man who used his wealth to support the
work of God on earth. He was used to the sponsoring

of crusades and revival meetings geared towards awakening people to the love of God. He was a friend
of the poor and the oppressed. Consequently, the faithfulness of Jabal was noticed by the Prince of Darkness – the wicked one. So when Satan left the
presence of the Lord to tempt to Jabal. God permitted
him to fight the wealth of Jabal, but not to touch his
life nor the life of his wife and five children.

I want to use this opportunity to say that God is concerned with the affairs of our lives in general and
our Souls in particular. But at times, God may permit
certain things to happen to our material possessions,
in order for Him to ascertain the degree of our faithfulness and attachment to Him.

SANJU THE HYPOCRITE

When the Prince of Darkness left the presence of the
Lord of Hosts, he returned to the physical

realms of
Earth and took the form of a woman in order to fight
the man of God. Meanwhile, Jabal had a well trusted
"Christian friend" called Sanju, a lawyer by profession.

Jabal trusted Sanju, his lawyer friend, as a faithful
believer, to the extent that he appointed Sanju the

general administrator of all his wealth. Sanju was even
in-charge of the original receipts of everything
belonging to Jabal. But he never knew that Sanju was a
hidden hypocrite in the house of God. (Because of
people like Sanju, I wrote a book entitled **'Know Your
Enemies Watch Your Friends'**, which is already
revised, enlarged and now published under a new
title, **'Verses of Wisdom And Watchfulness'**).

Some people on Earth, who claim to serve the Lord of
Eternal Light, are hypocrites. They often go to church
with the secret intention of accumulating mundane
things solely for material opulence. However, such
people are like dogs outside the gate. You may not
notice their hypocrisy, because they are adepts

in the
art of conditioning themselves as "believers" on the
path of Light. From time to time, such hypocrites
could deceive the true children of Christ, who are not
watchful.

So after Satan had taken the form of a pretty lady
called Queen, he decided to attack Jabal through his
lawyer "Christian trusted friend". And it came to pass
that the Prince of Darkness, as Queen, went to the
office of Sanju with a highly intensified lust-wave. That

was when the most hidden part of the lawyer was
manifested.

When the forces of darkness attack you with the wave
of anger, lust wave, sleep wave, or any other wave of
darkness, it is your inner spiritual condition that will
determine whether or not you overcome. If you are a
hypocrite, the attack of lust wave, for instance, will
capture you immediately and plunge you into
fornication or adultery beyond your resistance.

Now, on seeing Queen (Satan in disguise), Sanju

said
in his heart: "Oh, this is an extraordinary beautiful
women. How I wished this lady would allow me to kiss
her for a moment, I would be the happiest man on
Earth". That is how the lust-wave works. Little did he
know that this lustful thought was projected into his
mind by the very woman who visited him. This
thought overcome Sanju, because of his previous
inner spiritual condition as a hypocrite.

Once again, please be informed that your inner
spiritual condition is what matters. It does not matter
what people think you are. Your church title also does
not matter. Whether you are called Archbishop,

Bishop, Elder, Pastor, Deacon, Evangelist, Overseer, or
whatever does not matters, what matters is your inner
spiritual condition. What you think I am, or what I
think you are, means nothing in the light of the truth
before the Throne of God. It is only God who knows
and protects the righteous.

When the Lord of Hosts stands to protect the
righteous, forget about what you may think to be his

"sins", they no longer matter. And if God sets Himself
against an earthman, forget about what you may
consider his "righteousness", it cannot save him.

At last the lawyer, a married man, opened his mouth
and asked the woman: "please, would you accept to
be my only woman?" The phrase "my only woman"
was a lie, because he was a married man. Remember,
the propensity of lust operates via multitudes of great
lies and vain promises.

Queen said to Sanju: "well that is not difficult, though
personally I have no time for men. I am always on my
own, but I look at you as a very responsible man".

Now listen: many women working under the influence

of the powers of darkness and spreading iniquity via
fornication and adultery to the detriment of the earthmen, do not want to be seen as carnal women.
Rather they want to be seen as "responsible women
looking for responsible men". I tell you the truth; some

of them are even married women.

Some of these so-called "responsible women" will not move around the street to fornicate or perpetrate adultery. Rather some of them are in the church to promote illicit sex secretly with the "men of God".

Others go to the high places to fornicate or commit adultery with even Heads of State, Ministers, Governors and the like in authority. By so doing, they dominate different nation, churches and specific areas with negative vibrations of the kingdoms of darkness.

Nevertheless, Queen finally told Sanju to give her two weeks to properly consider his so-called "love proposal". And after two weeks, the Prince of Darkness returned to Sanju as Queen and said to him:

"Sanju, behold, I have accepted to be your woman,

only on one condition: that you go and take over everything belonging to your friend and master, Jabal, for yourself and for us to enjoy".

Sanju answered and said: **"All is well. It shall be done according to your wish. As for me, that is a small thing to do, for, behold, the original receipt of all that Jabal has are here with me"**. Then Satan gave the lawyer some time, while his power did the underground work on him through lust waves. And within two months, Sanju had taken over everything that belonged to Jabal via high profile occult manipulations.

JABAL'S PREDICAMENTS

Meanwhile, a month before then, Jabal and his family travelled for crusades, revivals and other Christian programmes, which he sponsored In four different countries and which took them five months to complete.

Now, when Jabal and his family returned, he was both embarrassed and surprised that soldiers and policemen were at the gate of his house. When he demanded to know why they were there, they

accused him of owing a debt of 25 years, and that the great King Xerxer II had consequently banished him from the land of Zer.

When Jabal heard this, he decided to go and see the
King, as he was prevented from entering his house.
But already Satan had turned the minds of people
against Jabal, through the manipulations of his lawyer
friend. Before he left to see the king, the security men
at the gate of his house forced him to surrender his
three seater Mercedes benz car, which brought him
and his family back, because they claimed that it also
belonged to Sanju.

In the King's palace, Jabal was not allowed to see the
King. However he met the King's spokesman, and to
him Jabal said: "look, what is happening? My house is
completely taken over by another man". The King's
spokesman answered him and said:

**"Wait, so you are Jabal, the man who has been living
in another man's labour for all these years, while
parading yourself as a wealthy man? Look at the
original documents of all you claim to possess, they
all bear Sanju's name, whom we thought was**

working for you. We thought you were a responsible
man, but we never knew that you are a cheat, hiding
under Christianity to deceive people. Now, be informed, a decree has been made by the great King,
and henceforth you are banished from this land of
Zer".

When Jabal heard these words, he bowed and worshipped the Lord of Hosts, but his wife and children began to cry. They began to trek, and after a
few days they came to one of Jabal's lands in the bush,
which was also falsely taken over by Sanju. It was
there that they made a little hut for themselves and
started to manage life: the children would gather fire
wood and sell in the city, just for the family to feed.
Thus, Jabal became poor, according to the recognition
of the earthmen. This happened to him at the age of
thirty.

Nevertheless, in all these predicaments Jabal continued in his faithfulness to God. He contin ued to
pray and to give thanks to the Lord four times in every
twenty-four hours as usual. And the Prince of Darkness became exasperated, because of the faithfulness of Jabal to the Great Lord Jesus the Christ.

Then Satan went back to the Lord of Hosts and said:

> ***"O Supreme Lord, behold, Jabal is only praising you because of the five children that he has. If you allow me to touch his children, surely he will blaspheme your Holy Name."***

The Lord said to Satan: **"Go, but don't touch his life and that of his wife"**. The Prince of Darkness then moved with great fury, visiting the children of Jabal with diverse afflictions and infirmities, to the extent that within two months the five children of Jabal all died. He buried the children one after the other in the farm land around the little hut.

Yet, in all these misfortunes and predicaments, Jabal did not blaspheme his God, as designed by the Prince of Darkness. Rather, he continued to serve God faithfully and to glorify him through prayers and thanksgiving as usual. And the Prince of Darkness fled at last from Jabal, when he realized fully that the faithfulness of Jabal to the Lord had nothing to do with the attachment to wealth and children. And it came to pass that the faithfulness of Jabal increased be-

fore

the Lord of Hosts.

HEAVENLY VISITATION

Now, it happened that the God of Abraham, Isaac and Jacob remembered his servant Jabal in the world of man. Then God sent three Angels to preach the Word of God in the land of Zer and to bring back a report to Him. One of the three Angels was the Angel of Wealth, the second was the Angel of Children, while the third was the Angel of Mercy.

The three Angels arrived with a big ship. The ship was anchored on the boundary between Heavens and the Earth. It was here that the Spirit of God moved upon **"the face of the waters"** in the beginning of Creation. It is important to note that earthly scientists can never discover this subtle boundary. No one can search it out, except you are taken there by the Spirit of God.

When the Angels reached the land of Zer in the form of men, no one welcomed them nor the Gospel of

Peace which they brought. The great men of the city
came out and proclaimed that the Gospel was only for
those who are poor, and that Zer, the land of rich men,
did not need the Gospel. The Angels were also

prevented from meeting Xerxer II, the King of Zer.
Truly, the land of Zer was the richest materially in
those days.

However, the Angels of God were not happy with the
people of Zer. They decided to go back to God with a
bad report and recommendation for the city to be
destroyed. As far as the Angels were concerned,
anyone who stood against the Gospel of the Lord, was
worthy of destruction.

On their way back to God, they saw small lamp of fire
in the forest – in the hut of Jabal. So they went there.
Then it was already 10pm. When Jobal saw the three
men who came in the night to preach the Gospel to
him, he never knew that they were Angels of God. But
Jabal rejoiced and said:

"So people can still remember us, as poor as we

are,
not to talk of coming to share the Word of God with
us?"

Dear reader, it is Heaven that remembers our good
works before the Throne. And no good is unrewarded.
Meanwhile, there was no food in the house that night,

but Jabal's wife was still able to look for a small old
yam and about a cup of rice that she kept somewhere
beyond the immediate reach of anyone. With these
she made a meal for the Heavenly guests and they ate.
At last the three Angels decided to sleep in the house
of Jabal, the great servant of God.

When it was time to sleep, Jabal pleaded that his guests be not offended because it was only one mat
that they had in the hut. He then gave them the mat.
At this point, the three guests revealed themselves to
Jabal and his wife as the Angels of God. The first told
Jabal "I am the Angel of Wealth," the second said "I am
the Angel of Children", while the third Angel said "I am
the Angel of Mercy". Then they told Jabal to

choose
which one of them he wanted to sleep on the mat, and
that it was the one he choose who would bless him
and His wife in the morning.

At this point, Jabal excused them and went to discuss
with his wife. He asked his wife: "Please which one
should we choose to give the mat?" Jabal's wife said to
him: "My dear husband, please I don't think I need
children at this stage of my life, because if I request for
children and they come and die like the ones I had

before, I may die of heart-attack". Jabal also said: "My
dear wife, that is true. Even me, I don't need wealth
anymore, because things of this world do not last. Let
us therefore ask only for the mercy of God, for with
that we will always be strong to serve our God". Then
Jabal and his wife gave the mat to the Angel of Mercy.

THE BLESSINGS OF GOD

When Jabal gave the mat to the Angel of Mercy, the
two other Angels became unhappy and went away.

The two Angels got to where they anchored the ship
and wanted to move back to Heaven, but then they
remembered that the key to move the ship was with
the Angel of Mercy, who also led them to the Earth. It
became evident that they could not pilot the ship back
without mercy.

Consequently, the two Angels remembered the Words of God to the Angels that **"None of you should
sleep outside."** As such they returned to the hut of
Jabal that same night. When they returned, Jabal and
his wife were sleeping on bare ground, while the Angel of Mercy was on the mat. However, Jabal and
his wife did not know when the two Angels returned.

The Lord had earlier made me to understand that
some Angels of God do misbehave occasionally when
sent to the Earth on assignment. That is why we now
have direct contact with the Lord and no more
through the Angels. For example, an Angel came to
Zacharias with a message from God concerning the
birth of John the Baptist. When Zacharias

doubted the
possibility of the fulfillment of the message, the Angel
said to him:

> ***"And, behold, thou shall be dumb, and not able to speak, until the day that these things shall be performed". (See Luke 1:5-20).***

God did not send the Angel to make Zacharias dumb,
but the Angel did this on his own accord. The Angels
can do certain things on their own while on Earth. For
further example, God did not send the Angel of
Wealth and the Angel of Children to go and be angry
with Jabal, but they did this on their own, when the
mat was given to the Angel of Mercy.

At about 5am, however, Jabal and his wife got up and
began to praise the Lord of Hosts. The Angels also

joined them, and all was well. It was a blessed
morning. Thereafter, the three Angels blessed Jabal
and his wife. The first to bless them was the Angel of
Children, thereafter they were blessed by the Angel of
Wealth, and it came to pass that they were blessed by
the Angel of Mercy. Then the Angels went back

to the
Heavenly realms of God.

As time went on, Jabal and his wife began to have
children; twice they got twins, and within three years
they had five children again. Yet they were poor, but
they were also patient in waiting for the blessings
which the Angel of Wealth promised them in the
name of God. And as years rolled by, Jabal, his wife and
children began to work hard in their farm and
worshipping God in spirit and in truth.

WHEN ALL HOPE IS GONE

Now, it came to pass that there was no food in the
house of Jabal except one loaf of bread and two cups
of beans. So Jabal and his household began to seek the
face of God through prayers and fasting. At the end of
their fasting (6am--6pm), they prepared to eat the last
food in the house. Jabal divided the bread into seven
parts for the seven of them, and they began to pray.

That evening, Jabal prayed as never before. His wife
and children were surprised when they heard

the
words of his prayer. As they all closed their eyes, Jobal
began to thank God for everything. He thanked God
for making him the richest man on Earth. He thanked
God for not allowing wild beasts to destroy them in
their little hut. He thanked God for providing them
with food even more than they could eat. He thanked
God for everything, but he was merely blessing their
last food which they were about to eat. That was what
surprised his wife and children.

As he was praying, a hungry looking hawk flew and
stood by the window. Quietly the hawk entered into
the room and picked Jabal's bread. As the hawk was
doing that, a very unusual and expensive ring of pure
gold around its neck dropped where the bread was;
the hawk then left quietly and flew away.

When the prayers ended and all eyes were opened,
they were all surprised to see the golden ring. They
thought that God had turned Jabal's bread into a ring.
Then they praised the Lord for this "miracle".

Now, in the land of Zer, there was a law which had it
that any special or unusual blessing that comes to
anyone must be taken to the King, for the King to bless
it, take a share of it and give the rest to the person.
With this in mind, Jabal told his wife and children that,
early in the morning the next day, they should be
prepared for them to go with him and meet the King
and present the golden ring to him, according to the
law of the land of Zer.

Meanwhile, early in the morning of that same day,
Sanju, the lawyer friend of Jabal, who was used by the
Prince of Darkness, went to King Xerxer II and
reported Jabal once again. This was the last battle of
the Prince of Darkness against Jabal.

Sanju reported to the King that Jobal was occupying
his land forcefully without paying any rent. This was an
offence in the land of Zer. But remember that this was
Jabal's land, which Sanju took through falsehood.
However, the King dispatched soldiers and police to go
and arrest Jabal.

On getting to Jabal's hut, they did not see anyone, because Jabal and his household had gone to meet

the King at that time. When Jabal reached the King's palace, he was arrested by policemen and taken to the King. On seeing Jabal, the King was very angry with him. But Jabal first of all begged to tell the King why he had come to the palace that morning.

Consequently, Jabal presented the golden ring to King Xerxer II. When the King saw the ring, he fell on the ground there and then began to weep. He discovered that the ring was the missing seal of the kingdom of Zer. Since the original seal was missing, King Xerxer II had been ruling the people with fake seal, and his greatest heart's desire was to see the original seal while he yet lived.

The King then went back into his chamber and came out instructing that Jabal and his household be kept in the palace till the next day. And following the order of the King, the King's spokesman announced that

a very
important matter concerning the land of Zer would
come up in the palace the following day by 5pm, after
which the land matter between Sanju and Jabal would
also come up for judgment. The plan of Sanju was that
Jabal should be killed.

VICTORY AT LAST

By the next day, as scheduled, the King had already
made another royal garment which he gave Jabal to
put on. As usual, in such a gathering the King was
expected to sit behind a covering and then bring out
his hand with the ring through a hole to be kissed by all
the elders of his kingdom, before any matter would be
discussed.

However, this time around the King told Jabal to bring
out his hand through the hole, with the seal of the
kingdom in it to be kissed by the elders, even unknown
to them that it was not the hand of the King but that of
Jabal. After this, the king came out leaving Jabal still
behind the covering.

King Xerxer II then told the people that before the matter of Sanju and Jabal, something very important would come up first. The King announced: **"Today is a day of peace and joy, and, surely, it is a day of woe and destruction"**. Sanju heard this and rejoiced, for he thought that Jabal would be killed by the order of the King.

At this point, the King called his spokesman and

commanded him to tell the people the truth of how he became Xerxer II, the King Zer. The spokesman was frightened because such information was considered as the last secret of Zer, which could not be made known to the people. But the King called in the palace executors to be ready to execute the spokesman if he refused to say the truth.

The spokesman answered and said: "O king, long may you live". Then he went ahead to expose the secret of how Xerxer II became a King. He revealed that it was a secret tradition of the Kings of Zer, that if the wife of a King gives birth to twins, and if they were both

males,
the one that came out last would be killed, while the
first one would be crowned as king when the hour
comes.

He went further to say that in the case of Xerxer II,
when his mother gave birth to twin males, the few
who knew of it had great pity on her. Thus, they did
not kill the second male child. What they did was to
sell the first male child and later presented the second
child as the would be king, and that Xerxer II was that
second child. He also said that the whereabouts of the
first child was generally unknown, for no one knew

whom he was, neither could he himself know,
because he was not even sold as a son of the king.

Then the King thanked the elders, declaring that the
spokesman had said the truth. The King used the
opportunity to inform the people that his great-est
heart desire in life was to meet with his elder brother.
He told the people that the bona-fide seal of the
kingdom was missing since he became king, be-cause

he was not the rightful person to rule.

He also informed them of what two prophets of God
revealed to him, at different occasions, that his long
awaited elder brother was the only one that would
bring back the true seal of the kingdom at the fullness
of time. He then told the elders and the people that
since he heard this, he had been holding brief on the
throne for his elder brother. King Xerxer II then
officially announced:

> ***"Today, my greatest heart desire is fulfilled. My elder brother has returned with the true seal of this kingdom. He has come to take over his throne. I hereby handover the throne of the kingship of***

> ***the land of Zer to him".***

Having said these, Xerxer II invited his elder brother,
and this was no other person than Jabal. And, behold,
Jabal stood before the elders and the people, and
Sanju was there. At that very hour Jabal was
proclaimed the king of Zer, and he became Xerxer-clan
I. At the same time, Xerxer II submitted himself to the
rulership of Jabal King Xerxer-clan I. Jabal sat on the
throne, while Xerxer II greeted the people,

stepped
down and sat with the elders. Then the next matter
was called up.

The next matter was the land case, which Sanju brought against Jabal. Now, Jabal had become the
king and he was the one to judge his own case. Sanju
was bamboozled; he thought that he was in a dream
when he saw Jabal on the throne, ready to judge the
land matter as his first official duty. Then Sanju fell on
the ground and collapsed. Soldiers and police-men
took up arms to kill him, but Jabal stopped them. King
Xerxer-clan I announced, saying:

> ***"Today, there will be no bloodshed in this land, because before I thought I had***

> ***wealth, but now God has given me much more, and even a large kingdom. Today, no blood will be shed. No one will be killed. Let mercy reign. I will have mercy on Sanju for the mercy of my Lord is for all men. I have forgiven Sanju."***

Remember the Words of God: **"Blessed are the merciful: for they shall obtain mercy? (Math 5:7).**

However, when Sanju left the palace, the people he

cheated, lied to, indulged in adultery with their wives
and those from whom he also wrongfully claimed
their properties, all of them came and bounced on
him. They gave him serious beating, took away his
clothes and drove him into the bush. And it came to
pass that evil spirits possessed Sanju and he became
mad.

Thus, Sanju lived as a mad man in the bush all the days
of his life. But the Lord of Hosts prospered the
kingdom of Jabal, in fulfillment of His decree which
nothing can change.

CONCLUSION

I believe that you may have learnt one or two things
from this message. Surely, the Spirit of God will
minister to you beyond what is stated herein.
Nevertheless, the essence of this message is to uphold
the spiritual thought that:

> ***"There hath no temptation taken you but such as is common to man: but God is faithful, who will not suffer you to be tempted above that ye are able; but will with the temptation also make a way to escape, that ye may be able to bear it" (1***

Cor. 10:13).

"Blessed is the man that endureth temptation: for when he is tried, he shall receive the crown of life, which the Lord hath promised to them that love him" (James 1:12).

There are many lessons for us to learn in this message
from above. Remember that we are in a spiritual battle. Now, each victory you have in the Lord your
God, will increase your spiritual strength and place

you on a higher ground in the field of battle.

Verily, this message has revealed that the Power of the
Lord of Hosts is beyond the Prince of Darkness to
unspeakable and unimaginable degree. You can imagine a man whom Satan thought thus: "I have
finished him", but the same man was restored even
beyond the wildest imagination of the hosts of darkness.

Therefore, let it be emphasized that the Prince of Darkness and his agents can never understand how
the Lord works, when it comes to giving victory to
those who are faithful to Him.

Remember, God can never forsake his faithful servants. Tribulation and temptation could not

prevent Jabal from praying and giving thanks to God
four times in every twenty-four hours. Think about
yourself: what is your decision regarding your
commitment to the Lord? Do you allow anything to
shake you and remove you from that which God has
committed into your hands?

The forces of darkness are always fighting the people

of God, but our Lord can never allow them to overtake
anyone that is on the path of Light. Never. No matter
what your situation or condition is now, if you
patiently wait upon the Lord, surely, you will have
victory.

Verily, if you are on the path of perfection, the path of
Light in Christ, any problem that is sent to you by the
forces of darkness, shall become a source of greater
blessings in your life, through the Power of God.

A word is enough for the wise.

Once again, please be
informed that your inner spiritual

condition is what matters. It does not matter what people think you are. Your church title also does not matter. Whether you are called Archbishop, Bishop, Elder, Pastor, Deacon, Evangelist, Overseer, or whatever does not matters, what matters is your inner spiritual condition. What you think I am, or what I think you are, means nothing in the light of the truth before the Throne of God. It is only God who knows and protects the righteous.

CHAPTER

3

MYSTERIES OF DIVINE PROTECTION

TEXT: ISAIAH 54:15.
"Behold, they shall surely gather together, but not by me: whosoever shall gather together against thee shall fall for thy sake".

HIDDEN GAMES IN DIVINE PROTECTION

Now, I want to inform you in this treatise that the arch enemy of the human race -- the Prince of Darkness -- and his forces can create nothing. Hope you are already aware of this. Satan can create nothing; he can only combine what God has already created and use them to form evil. He uses what God created to the detriment of human beings.

Let me tell you how the forces of darkness do fail in their spiritual attacks against those on the path of Light. The situation is like this: If you are travelling by road in Nigeria from Warri to Lagos, for instance, and you are moving at a speed of 100km per hour, they will know. Furthermore, they will understand further that by virtue of this, you will reach the toll-gate at exactly 5.00pm. They have the power to discover and calculate this via diverse processes of witchcraft manipulations.

Consequently, these evil forces can set a time-bomb for you at the same toll-gate, which will explode and kill you there at exactly 5.00pm, as decreed by the Prince of Darkness. But the mysteries of the Divine Protection of the Lord is totally and completely

beyond the Prince of Darkness.

Therefore, if it is about 10 minutes for you to reach the time-bomb, the Lord can cause anything to happen to make you stop your movement. And there you may be delayed for about 30 minutes.

During this period of delay, the time-bomb will explode without you knowing that our Lord has saved you somewhere from the trap of the Prince of Darkness. This is happening always in the life of each and everyone that is on the path of Light.

That is why we should give thanks to God in all things. This is so because the very thing which God may use to bring about the delay, in order to save your life, may appear to be "bad" from the human understanding. But even in a so-called "bad situation", you still have to give thanks to God, because you can never fully be aware of how the Lord is working to save your life from the games of the forces of darkness. Let every believer learn how to give thanks to God always in every situation of life.

VICTORY THROUGH THANKSGIVING

In the land of Lehu, there was a great and wealthy man of God called Alesi. He was a man of God who dedicated himself in giving thanks to God in every situation of life, and people knew him for that.

In whatever that happens to Alesi, he would lift up his hands to God and say: "Thank you God, for if this did not happen, something more than this would have happened." He was on the path of perfection in Christ; he was firmly situated in the Light of the One Eternal Almighty God.

Now, it came to pass that the King of Lehu died; then people came and told Alesi. But Alesi as usual said: "Thank you God, for if this did not happen, something more than this would have happened."

The people of Lehu became very angry when they heard this. They said: **"What would have happened more than the death of our King?"** From that moment, the evil minded men and agents of darkness in that land, began to make secret plans against Alesi.

One day, the first daughter of Alesi that travelled

abroad returned home. Before then, the agents of
darkness heard of her coming and vowed to kill her at
the gate of the city. They wanted to commit this crime
and hear what her father would say, as he was always
in the habit of giving thanks to God In every-thing. On
the day of her arrival, the evil men took their swords
and guns and hid themselves by the city gate, waiting
to kill her there.

Meanwhile, Alesi sent his driver with a car to go and
bring his daughter from the airport, which was about
10km outside the main gate where the evil men were
hiding. The lady entered her father's car for home, but
about 2km from the airport, the car had a minor
accident resulting in the lady sustaining a little injury
on her leg. From there she was taken to the airport
clinic for treatment. Thus, she did not get to the
hideout of the evil men.

The driver left her in the clinic and went with a hired
bike to tell Alesi of the accident. When the evil men

saw the driver without the lady, they did not know
what took place, but they came out and, pretending to
be "friends", they went to Alesi's house. The driver
told Alesi of what happened to his daughter, in the

presence of the people around there to welcome her.
And Alesi, as usual, lifted up his hands before God and
said in the presence of the people:

> ***"Thank you Great God of the Universe; for if this did not happen, something more than it would have happened."***

As soon as the evil men heard this, they came out and
confessed, saying: **"O Alesi, today we bear witness
that you are a man of God. For of a truth, if this little
accident had not happened to your daughter, something more than that would have happened to
her; we would have killed her at the main gate of the
city today."** It is said:

> ***"When the enemy shall come in like a flood, the Spirit of the LORD shall lift up a standard against him" (Is. 59:19).***

Listen, dear reader, **"When the enemy shall come in**

like a flood": the flood of different temptations, woes,
problems or tribulations; the Lord **"Shall lift up a
standard against him".** When this standard is lifted up
against your enemy by the Lord of Hosts, a solution

will come to you in the name of Christ.

The Spirit of God has different ways of overcoming the
plans of the enemy for your ultimate spiritual victory,
if you are truly on the path of Light. To you, some of
these ways of victory may be regarded as "bad
situations". God knows that He can even use a bad
situation to save you from a bigger problem. That is
why we are expected to give thanks to God in every
situation of life.

Remember, the minor accident and the little injury
were used by God to save the life of the daughter of
Alesi from death, as planned by the agents of
darkness. Is it not good therefore to thank God for
allowing the accident to occur?

THE JOY OF THE LORD

Every believer is expected to come to the spiritual

point where the Spirit of God, not the material things
of this world, will become his only true source of joy.
This has to do with the state of your mind at any given
moment. Your mind can only be your best friend when
it is attached to the Lord. But if you attach your mind
solely on the things that shall pass away, verily your

mind will become your worst enemy.

Some people usually rejoice and give thanks to God
only when they have money, but when they have no
money they begin to think "O, I am finished". This
should not be so. Let the joy of the Lord be your strength:

> ***"For all that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but is of the world. And the world passeth away, and the lust thereof: but he that doeth the Will of God abideth forever" (1 John 2:16, 17).***

Now, there was a certain cobbler, a humble servant of
the Lord, who was making about three thousand naira
(N3,000.00) every week, yet he was happy, because

he was on the path of Light. Every day the cobbler
would sing to the Lord and rejoice in Him, while in his
little store. And there was a rich man who passed by
the store from time to time. The rich man said to himself one day: "How much does this cobbler make
in a day that makes him to be singing praises to God

and rejoicing always?"

And it came to pass that the rich man when to the
cobbler one morning and asked: "Please, tell me, how
much do you make in a day; because I have been
seeing you always rejoicing in the Lord?" the cobbler
answered: "I have never made up to five hundred naira in a day".

The rich man then told him: "Come to my house and
see me in the evening. I want to help you, I want to add
to your joy". The rich man reasoned that if he gives big
money to the poor cobbler, that would surely add to
his joy and praises to the Lord.

When the cobbler came in the evening, the rich man
gave him Eighty Thousand Naira (N80,000.00) and

said. **"Let this money add to your joy in the Lord"**. The cobbler thanked him, took the money and left. When he got to his little hut, he was bamboozled. He did not know where to keep the money. He dug the ground and hid the money beneath the Earth. But Satan sent a thought to him, saying:

"Remove the money from the ground,

someone must have seen when you kept it there. Remove it, otherwise they will come and steal it".

The cobbler brought out the money and carried it on his head. For about three days and three nights he did not know what to do with the money. He was confused, and he did not even eat nor sleep. And no one saw him rejoicing, neither were his songs of praises to the Lord heard again. Money didn't add to his joy in the Lord, rather it took away the joy of the Lord from him. Money can only give temporal happiness, but the joy of the Lord comes from the Holy Spirit. Joy from the Holy Spirit and human happiness are two different things.

When the rich man did not hear the voice of the cobbler again, he sent one of his servants to go

and
invite the cobbler. His plan was to give the cobbler
more money so as to make him rejoice as never before. He also wanted to see the cobbler to find out
what was wrong with him.

At last the cobbler came, but instead of coming to
collect more money from the rich man, he brought

back the money which he collected at first. He handed
back the money to the rich man and said: **"Please sir,
take back your money. Since you gave me this money, I have never had any peace of mind"**. The
cobbler returned to his house and began to praise the
Lord again.

This information is designed to make us recognize that
the Lord, and not material things, should be our constant source of joy. The joy of the Lord will enable
you to praise and worship your Lord in every situation
of life.

DIVINE MANIFESTATION

If you are faithful to the Lord on His path of Light, the
Spirit of God can even use an ugly situation, brought to

your life by the powers of darkness, as a channel of
greater spiritual and physical blessings upon you. This
is why the recognition of giving thanks and praises to
God always is necessary.

Now, there once lived in the land of Onuk, two disabled men. The one, Onya, was blind, while the
other, Chukwudi, was lame. The land of Onuk was
ruled by an agent of Satan known as King Kwachaka,

the Ugenyi III of Onuk. The two disabled men, Onya
and Chukwudi, were faithful servants of the King of
Kings and Lord of Lords. And it came to pass that King
Kwachaka made a decree which banned the worship
of the Almighty God in all the realms of his kingdom.

Nevertheless, Onya and Chukwudi continued to workship the Lord of Hosts. When Ugenyi III
discovered this, he was highly exasperated.
Consequently, he banished Chukwudi and Onya into a
bush and a decree was made that they should neither
buy from nor sell to anyone.

Nevertheless, the two continued in the true worship

of the Lord – the Light of the World. They believed that
the Lord of the Universe would never disappoint them
and that when the hour comes, according to the Will
of God, they would surely receive the crown of victory.

Having been banished into the bush, the two beggars
were no longer allowed to beg for money from the
people to sustain their existence in the physical world.
And as they could neither buy nor sell, their
predicament increased. Their parents rejected them
in obedience to the orders of the King. Even their

brothers and friends rejected them in this regard. But,
behold, their God was with them.

Blessed is the man who shall receive the support and
approval of the Lord of Hosts in his life; for even if all
men, elements and spirits are against such a person,
surely his victory shall come to pass from the Throne
of the Ancient of Days. But woe to the man who shall
have as his lot even the wrath of God, for all nations,
men and spirits can never save such a person.

Now, it came to pass that King Kwachaka, the Ugenyi III
of Onuk, who also was an agent of the Prince of Darkness, saw a pretty lady. And the King went to
commit adultery with her. The King took her to the
bush, and in the process of this act of illicit sex the
Ugenyi III lost the key of his kingdom.

Now, the key of the kingdom of Onuk was always with
the King. The law was that if this key was lost by the
King, then anyone who founds it becomes the king of
the land of Onuk, according to their primordial tradition. After gratifying his senses in adultery, however, the King went home without knowing that
he had lost the key of his kingdom in the bush.

That same day the two beggars who are servants of
the great Lord, Onya and Chukwudi, had no food to
eat. Thus, they began to fast and pray unto the Lord
their God. As they were praying, the blind man
received a revelation from God, on how the King and
the entire people of the land of Onuk came to them for
prayers and blessings, with food, clothes and many
gifts. Thereafter they prayed and committed the

revelation into the hands of God.

In the morning of the next day, Onya and Chukwudi decided to make a move in search of what to eat. The blind carried the lame on his shoulders, while the lame began to show the way to the blind. As they were thus moving, the lame saw one ripe mango fruit on the ground and with the assistance of the blind man on whose shoulders he was, he picked it up and began to eat it alone.

The blind man asked the lame man: "Brother, what are you eating?" At that moment, the lame saw a frog around him, he picked it up, gave to the blind and said: "This is what I am eating, take and eat". When the blind man ate a little of the frog, some water from the

frog splashed into his eyes, and his two eyes opened immediately. This was a great miracle which occurred via divine manifestation of the Power of the Almighty God.

Now, when the eyes of Onya opened, he was very

angry to see that his friend Chukwudi was eating a
mango fruit and not the frog which he (Chukwudi)
gave him (Onya) to eat. Consequently, Onya lifted up
his lame friend and threw him with force on the
mango tree: As he lifted him up, he said: "Today, I will
lay my hands upon you, and the Lord will forgive us".

And it came to pass that as soon as Chukwudi, the
lame, landed on the mango tree, the Power of the
Lord strengthened his legs and he stood up. He was
made whole and completely healed there and then.
When this happened, the two friends came together
again in love; they embraced each other and rejoiced
in the Supreme Power of the Father of Creation! Then
they prayed for the Lord to forgive them for their lies
and anger.

Furthermore, they decided to rest under the mango
tree, and it was at this place that Ugenyi III committed

adultery and lost the key of his kingdom. As they sat
under the mango tree, one said to the other:

"Look at
this golden key". They took the key and walked away,
without realizing that it was the key of the kingdom of
Onuk. They walked away rejoicing for the great
miracle of the Lord, and many heard of the miracle
whilst the fear of the Lord came upon them. Indeed
the entire kingdom of Onuk shook on account of this.

Meanwhile, the king never informed the people that
he went to commit adultery, in the process of which
he lost the key of the kingdom. However, two weeks
after Chukwudi and Onya experienced the great
healing Power of God, they brought the missing key of
the kingdom to the elders of Onuk. Then the elders
and the king of Onuk bowed before Onya and
Chukwudi. Thus, they were honoured.

King Kwachaka, the Ugenyi III of Onuk, came down
from his throne and said: "According to the law of this
great kingdom, let either Onya or Chukwudi come up
and be crowned the King, for I am out". Onya
answered and said: "O king, let your earthly kingdom
be for you, but let the kingdom of God be for us."

Chukwudi also said:

> ***"However, we have one thing to ask from the King: that a decree should be made that only the Almighty God should be worshipped in this kingdom, and that every other god, secret society or cult should be abolished".***

Finally, this decree was made according to the Will of
God. And it came to pass that a living gospel church
was built in the palace of the king. And the glory of
God prevailed as a great change came by the Spirit of
God into the land of Onuk, for many joined Chukwudi
and Onya, including the elders and the King, to
worship God in spirit and in truth all the days of their
lives and all was well. Praise the Lord.

DELIVERANCE AT LAST

Now, it came to pass in the ancient land of Gezia, during the reign of King Nabodus VI, that a great
deliverance from the Lord came to the wife of the
King, a faithful servant of the Lord. Queen Seami, the
wife of Nabudus VI, was a great servant of the Lord,
who worshipped day and night before the Father, the
Son and the Holy Spirit, and she was a pretty women.

According to the laws of Gezia, which can not change,
if the wife of a king commits adultery, she must be
hanged to death before the people. And there were
four elders of the kingdom of Gezia whom the spirits
of lust possessed. The greatest heart desire of these
elders, therefore, was to commit adultery with Queen
Seami.

The four elders conspired and met with the Queen.
They pleaded with her to accept to be their carnal
lover, so that each of them would be free to have sex
with her from time to time. The spirit of lust seeks
always to be sexually gratified. Those under the
influence of this animal propensity of sexual
gratification, are in serious bondage in this journey of
life. The iniquity of rape operates on this platform.

Now, when the Queen heard this, she cursed the
elders in the name of God and vowed to report them
to the King. Consequently, the four elders fought the
Queen there and then, and they stripped her naked.
Then they conspired and went to the king
immediately and told him a lie against the Queen.

The elders told the king that they caught the Queen committing adultery with a certain man, but that the man managed to escape. The king was very angry and disappointed, and at the end he sentenced his wife to death by hanging.

The Queen was to be hanged after seven days. But during this period, the Queen began to fast and pray and to seek the face of God for deliverance. Through fasting and prayer, the children of men on the path of Light can overcome any odd situation in life. Remember how, through fasting and prayer, King Ahasuerus ordered that Haman be hanged on the gallows that he made for Mordecai:

> ***"So they hanged Haman on the gallows that he had prepared for Mordecai. Then was the king's wrath pacified" (Est. 7:10).***

At last, it happened that after seven days, they brought Queen Seami out to be hanged. Then a wise prophet of God came to the king and sought his permission, in order for him to ask the four elders few questions before the death of the Queen. The king

obliged him to go ahead.

Then the prophet called the four elders one after the
other to speak before him, before the king and other
elders. He asked each of them, without the
knowledge of the rest of the evil elders, to mention
the specific location where the Queen was caught
committing adultery. The four elders spoke differently
and mentioned four different locations.

Following this wise approach to the issue by the
messenger of Light, the four elders were recognized to
have lied against the Queen. It was then that the
Queen was allowed to state exactly what took place;
for at first she was not allowed to speak. That was how
God delivered her. That same day, the four elders

were
hanged to death. Remember the Words of God:

> ***"Behold, they shall surely gather together, but not by me: whosoever shall gather together against thee shall fall for thy sake" (Isa. 54:15).***

A word is enough for the wise.

CHAPTER

4

SPIRITUAL RECOGNITION OF POWER AND POWERS

TEXT: 2 CORIN. 10:4
"For the weapons of our warfare are not

carnal, but mighty through God to the pulling down of strong holds".

STRONGHOLDS OF DARKNESS

Dear believer on the path of Light, remember the Words of our Lord in Matthew chapter 6 verse 21: **"For where your treasure is, there will your heart be also."**
And it is written: "For the weapons of our warfare are not carnal, but mightly through God to the pulling down of strong holds" (2 Cor. 10:4).

The Kingdoms of darkness have diverse strongholds in the world of man, through which they advance their spiritual battle against the children of men. For instance, in every nation in this Planet, there is an entity co-ordinating the strongholds of the powers of darkness. Such entities operate in the order of "Controlling Deities" in the hierarchy of the forces of darkness.

As believers on the path of Light, we are set apart, in the Holy Name of the Great Lord Jesus the Christ, to fight spiritually and pull down all the high places and strongholds of the Prince of Darkness and and

his
forces. The war is on. (Read Hidden Terrorists, by Iyke
Nathan Uzorma).

In Nigeria, for instance, there are diverse strongholds

of the powers of darkness. Ibadan in Nigeria is one of
the ten major zones of the kingdoms of darkness on
Earth. Lagos, Owerri, Benin City, Calabar, Lokoja and
Ijebu Ode are among the 1,270 regions of the hosts of
darkness in the entire world of man.

There are a total of 30,000,000 centres of highly concentrated vicious occult powers, or daily meeting
points of the forces of darkness, on the psychic spheres of the physical realms of Earth. These are
scattered in diverse trees, forests, hills, deserts, cult
temples and ashrams, headquarters of occult churches, road junctions and markets in different
nations on Earth. And out of these, 18,000 are in Nigeria.

Furthermore, there is a spirit being operating as the
"Controlling Deity of Nigeria", whose abode is located
at the meeting point of River Niger and River Benue.

This entity is advanced in the craft of political manipulations against the Federal Republic of Nigeria.
Above all, Nigeria is "presently" serving as the secret
custodian of 'Tuzas'otama', which is the supreme
symbol of all the entire hosts of darkness.

Spiritual Recognition Of Power And Powers

Now, following my former understanding in this
connection, I intensified a spiritual attack against
these strongholds of the powers of darkness. This is
what every believer should do, and not to be solely
engaged in the quest for mundane things, as well as
the warfare against flesh and blood. Many things are
taking place in the realm of spirits, and I want to tell
you just a few. That is where the main battle lies. I am
confident that in the great and daily conflicts of
spiritual powers, the saints of God have the banner of
victory, for they are the possessors of the Power
above powers.

For instance, in the course of a highly concentrated
spiritual attack against the entity operating as the
"Controlling Deity of Nigeria", who dwells between

River Niger and River Benue, I and three strong Christians observed prayer and fasting for two weeks.

It was immediately at the end of the prayer and fasting
that the Spirit of God took me to banish the
proclaimed controlling deity. And the experience was
revealed to me while I was praying alone between 12
mid night to 3.00am.

At that time, I was praying and the Spirit of God took
me out of the body. Do you believe that the Spirit of
God can take a Christian out of his body and lead him
into other realms of existence? Yes! the Spirit of God
can do this.

I am speaking from my own experience, and this is
also evident in the Holy Scriptures. Remember, how
Saint Paul was taken out of his body, and he found
himself in the Third Heaven. Consequently, Paul wrote:

or [□ □ □ (2 ***"I knew a man in Christ above***
Fourteen years ago (whether in the body, I cannot tell; whether out of the body, I cannot tell; God knoweth;) such a one was

caught up to the third Heaven…how that he was caught up into paradise, and heard unspeakable words, which it is not lawful for a man to utter" *Cor. 12:24).*

It is a spiritual fact that no man can go to the Third
Heaven with flesh and blood, or the body. Thus, it is
evident that the experience of Saint Paul did not take
place in the body, but out of it. Paul was taken out of

his body by the Spirit of God.

Remember also how Prophet Ezekiel saw the blessed
Cherubims (The Living Creatures) and he heard the
voice of the Almighty. This experience took place
beyond the elements of the body (See Ezk 1:1 28).
And out of his body, Prophet Daniel was led by the
Spirit of God to see the Ancient of Days, the Lord God
Almighty, whose throne is more powerful than fire.
(See Dan. 7:1-14). It was through the same process
that Saint John saw the Lord God on His throne like a
Jasper and a sardine stone. (See Rev. 4:1-11).

Therefore, as I was praying, the Spirit of God lifted me

beyond the world of man, and in spirit a proclamation
was made that the Father, the Son and the Holy Ghost
were ascending from three different points.
Consequently, many Saints gathered, and the Angels
came, and I was with them.

We all ran to a particular place to see the Father,
because we were told that the Father was there. But
when we reached there we saw nothing – it was said
that the Father had ascended. You see, it was in my
mind to see the Father, so when I could not see Him I

was some how disappointed.

Furthermore, we thought we could still see the Holy
Ghost, thus we all ran at the same time to see Him.
Even the Angels wanted to see the Holy Spirit or the
Holy Ghost, but when we reached there we saw
nothing. Again it was a disappointment.

Finally, I and other Saints with the Angels ran in one
accord to see the Son of God – our Lord Jesus the
Christ. And we saw Him. And there was great joy
among the Saints and the angels. The Lord of Hosts
was about to ascend, then we stood with Him

upon a
mountain. At that moment, the Lord ascended with
the Angels. But as He was about to ascend, the Lord of
Hosts gave me a scarlet mantle and said to me:

"Son of man, this is the mantle of the □ □ □ it □ Power of Jehovah Elohim. With this
mantle, greater Power is now given to you, that you may go and protect the faithful and deliver the faithless by the Spirit of God. Behold, I s given unto you to proclaim My Power, even the Power of your Lord, and in My Name, you will

advance and pull down the strongholds and the high places of the wicked ones on Earth."

When the Lord finally ascended with His Angels, the
first place the Spirit of God took me to was the stronghold of the spirit being operating as the "Controlling Deity" of Nigeria. And the Power of the
Spirit of God was highly intensified in my consciousness. I discovered that many believers were
living in fear. Some were not able to approach the river
– the abode of the evil spirit.

I told such believers that there was no more cause to
fear and that they should be free to use the water

from the river which our Lord had made. Then a believer entered the river and took some water. But when he came out of the river, the "Controlling Deity" appeared with a sword to slay the man of God. Then I was led by the Spirit of God to stand between the believer and the wicked spirit.

When the evil deity saw me, he asked: "Who are you?" I replied: "Have you heard of the Power of Jehovah Elohim?" He threw his sword at me; the

vibration of the Spirit of God pushed the sword aside and it fell. I took the sword and threw it back at him. The sword went and pierced his neck, but he pulled out the sword. It was a great conflict of spiritual powers – the Power of God with me on one side and the power of the Prince of Darkness with the en tity on the other side.

As believers gathered, they were singing and praising the Lord. Many of them said that victory was for the Saints, for they saw when the Lord of Hosts gave me the Power of Jehovah Elohim, or the Power of the Seven Spirits that are before the Throne. Some hypocrites in the midst of the Saints fled in fear

of the
wave of occultic powers of the Controlling Deity. But
the Spirit of God set a standard against the wave of the
entity, and victory came from the Lord of Hosts.

The Power of the Lord began to vibrate in me as never
before, and when I lifted up my right hand, the Power
of God went forth and subdued this vicious astral
entity. The same Divine Power then forced the deity to
come to me without any resistance. I felled the entity
on the ground and used his sword to cut-off his head.

As his head went off, he laughed and said: "What do
you think you can do? Don't you know I can change
myself into any form?" Having said this, his head fused
back to his body, and the entity stood again before me.

I felled him on the ground the second time, then I
heard a voice which said to me: **"Son of man, you have
the Power to condemn this spirit to the pit of hell,
even in the Name of your Lord."**

Thus, I placed my left foot upon the head of the deity
and said: **"By the Power of Jehovah Elohim, I condemn you to the pit of hell in the Name of Our**
Lord Jesus the Christ". Immediately, the ground opened in flames and swallowed up the controlling
deity of Nigeria – for the Lord my God is a consuming
fire!

This was victory for believers in Nigeria in many respects. The war is still on in diverse places. At this
point, prayers were offered by the Saints to the glory
of the Father, and of the Son, and of the Holy Spirit.
Finally, the Spirit of God brought me back to the realm
of my physical abode; then I returned and praised the
Lord God of Heaven.

SPIRITUAL REALIZATION
When I received the Power of Jehovah Elohim from
the Lord of Hosts, the intensity of the Spirit of God was
increased in my whole consciousness. Every believer
needs this Power! It is the blessed Power of the Godhead, that guides us firmly on the path of Light.

The Power of Jehovah Elohim, with which I banished

the evil entity operating as the "Controlling Deity of
Nigeria," is the Supreme and multidimensional Power
of the Seven Spirits of the Godhead. Behold, this is the
Holy Spirit. I am speaking on the strength of a spiritual
recognition, which the Eternal Lord of Light, the Great
Lord Jesus the Christ, brought to me.

□ □ □ ***"And out of the throne proceeded***
lightnings and thunderings and voices:
and there were Seven Lamps of Fire
burning before the Throne, which are the
Seven Spirits of God" (Rev. 4:5).

What I am saying now has nothing to do with the
material experience of the earthman acquired via a
Bible school or by mental analysis of the contents of

the Holy Scriptures. It is said that experience is the
best teacher, and many students of esoteric
metaphysics have concluded that experience is higher
than faith in spiritual recognition.

Yet, it is evident that the experience they speak of is
based and acquired via an imperfect mundane
process. Thus, experience to this end is not the best

teacher. One early morning, the Lord came to me and I asked Him a question on the relativity of experience and faith. He said to me:

> ***"Harbinger of the Last Covenant, know and understand that experience is not the best teacher, for in the Kingdom of Heaven, experience is a mere student."***

Then I learnt from the Lord that hearing is the best teacher – hearing from the Lord. **"Faith cometh by hearing".** Hearing directly from the Lord of the Universe, is the consummation of the greatest spiritual experience on the path of Light.

For instance, if there is fire burning here which you are not aware of, and someone tells you, "please, there is

fire here, don't put your hand into it," what would you do? If you follow the process of "hearing", which is the genesis of spiritual recognition, you will not put your hand in the fire. And by so doing, "hearing" has served as your best teacher.

Remember: **"Faith cometh by hearing,"** and not by experience. Thus, if you doubt what you heard concerning the fire and went ahead to follow

the
process of experience, you will learn at the end that
such experience will serve as your worst teacher.
Consequently, by doubting the warning given to you,
which you received through "hearing," you will put
your hand in the fire and experience something which
will be the worst and not the best for you – the fire will
burn you. In this case, experience has become a student.

Therefore, the process of "hearing" is better than the
process of "experience", as far as the first step to God
is concerned. "**So then faith cometh by hearing, and
hearing by the Word of God**" (Rom. 10:17). Again it is
written: "**But without faith, it is impossible to please
Him....**" (Heb. 11:6).

As such, when I stated that Jehovah Elohim is the
Seven Spirits of God, I am speaking strictly on the basis
of what I received from the Lord through hearing,
which is in accordance with the written Words of God
– the Holy scriptures.

Truly, the Lord even spoke to me and revealed that the
Seven Spirits of God is what we know as and call "Holy
Ghost" or Holy Spirit". This understanding is also
expressed in Revelation Chapter 1 verses 4 and 5.

> ***"Grace be unto you, and peace, from Him which is, and which was, and which is to come; and from the Seven Spirits which are before His Throne; and from Jesus Christ, who is the faithful witness, and the First Begotten of the dead."***

The spiritual understanding here, is that the Angel
pronounced Peace from three personalities of the
Godhead, while speaking to John. The first Supreme
Personality of the Godhead is the Father – "Him which
is and which was" – who has Seven Spirits before His
throne.

The second Personality mentioned in these verses is
the everlasting Holy Ghost, who manifested as Seven
Lamps of Fire – the Seven Spirits of God (ELO HIM).
And we found there that the Son of God, Our Great

Lord Jesus the Christ, was the third Personality of the
Godhead, from whom also came Peace.

In other words, these verses which could be summarized as "Peace from the Father, from the Seven Spirits, and from the Lord Jesus," is the same as
saying **"Peace from the Father, from the Holy Ghost,
and from the Son**, "or better expressed: **"Peace from
the Father, Son and the Holy Ghost."** In all aspects, it is
evident that the Seven Spirits is the Holy Ghost, who is
generally recognized by believers as the Third Personality of the Godhead.

Now listen: It is good to go to a Bible School, but it is
better to hear from the Lord. He is the Greatest Teacher. When I gave my life to Christ, following my
strange spiritual encounter with Him, (see Occult
Grand Master Now In Christ Vol. 1), there was a verse
of the Holy Scriptures that greatly bamboozled my
thought. It is verse 11 of Matthew Chapter 11, which
has it that:

> ***"Verily I say unto you, among them that are born of women there hath not risen a greater than John the Baptist:***

notwithstanding he that is least in the kingdom of heaven is greater than he."

At first, I could not understand the true meaning of
that verse. In essence, the verse indicates that
amongst all the earthmen, who came via the womb of
women and lived in the world of man, none is greater
than John the Baptist. It added, however, that the
least entity in the kingdom of Heaven is greater than
the same John.

Consequently, I went forth and asked several Pastors
and Bible school masters concerning this, but they
gave contradicting explanations that were bereft of
the necessary spiritual recognition. I sought after the
explanation of this verse soon after my conversion.

Sincerely, my lack of true understanding of the
spiritual recognition inherent in that thought (the
verse), expressed by the Lord, became a source of
emptiness in the course of my search for bona-fide

reality of the mysteries of the Kingdom of Heaven, as
proclaimed by the Son of Man and the Son of God

Himself -- the Great Lord Jesus the Christ.

One day, an Angel of God came to me as I was praying. He led me out by the Spirit of God. On the path he was leading me through, there came a strange car. The vibration from the speed of this car shook the Earth and the sky. When the car stopped, the Son of Man, Our Great Lord Jesus the Christ, came out from it in a glorious Light. The Angel led me to Him. Then my Lord spoke to me, and before He left He answered all the questions, which He granted me the grace to ask.

One of the questions I asked the Lord was on John the Baptist, who was proclaimed by Him as the greatest among all those born of women, but who is still below the least in the Kingdom of Heaven. I asked the Lord:

"Dear Lord of Creation, who is the least Being in Heaven that is greater than John the Baptist? The least in the Kingdom of Heaven, my Father, did he not live on Earth? If yes, Lord,

then is he not among those born of women, that ought to be below the

spiritual degree of John the Baptist?"

However, the Lord smiled and answered all my questions. At this point, I want to state the answer that the Lord gave to me. While doing this, I am also aware that it is not everything that one receives spiritually from the Lord that should be published to the people.

This is a fact. And I do keep certain things to myself, however. Even Paul wrote that he heard unspeakable words in the realm of God, and that it is unlawful to published such words. (See 2 Cor. 12:2-4). Now, I want to reveal the answer that I received from the Lord to my questions. They are not "unspeakable words", however.

The Lord started by telling me that everything in Heaven were symbolised and revealed directly or indirectly in the Book of Revelation; that the immediate vicinity of the manifested aspects of the Godhead – Father, Son and Holy Spirit – was revealed in chapters 4 and 5.

There, we found how the Living God Jehovah

appeared on His Glorious Throne of Everlasting Power.
The 24 Elders round about His Throne manifested with
crowns of gold on their heads. The Four Living Creatures were there also, with their eyes before and
behind. Innumerable Angels were as well revealed.

The Seven Spirits of God were burning as Lamps of Fire
before the Throne, while Jesus the Christ appeared as
a Lamb with seven eyes and seven horns. Once again,
please take note of the form in which the Son of God
was revealed – the form of a Lamb:

> ☐ ☐ *it* ☐ ☐ ***"And I beheld, and, lo, in the midst of the Throne and of the four beasts, and in the midst of the elders, stood a Lamb as had been slain, having seven horns and seven eyes, which are the Seven Spirits of God sent forth into all the Earth"*** *(Rev. 5:6).*

The King of Kings and Lord of Lords did not appear
there as an elephant, nor as a lion, nor as any of one of
the strong beasts. In the Realm of God, the Son of God
appeared as the least, as a Lamb that was slain. He

appeared as the least, but the least is the great-

est.

> *"Verily I say unto you, among them that are born of women there hath not risen a greater than John the Baptist: Notwithstanding he that is least in the Kingdom of Heaven is greater than he."*

It is evident that the Lamb that was slain appeared as
the least entity in the realm of God, yet the same Lamb
was worshipped as the greatest. The little Lamb received glory and honour from every realm of existence, which the greatest among those born of
women can never dream of:

> **"And every creature which is in Heaven,**
> **and on the Earth, and under the Earth, and such as are in the sea, and all that are in them, heard I saying, Blessing and honour and glory, and power, be unto him that sitteth upon the Throne, and unto the Lamb for ever and ever"**
> (Rev. 5:13).

Therefore, the least, the Lamb, in the Kingdom of

Heaven, who is greater than John the Baptist, is the
Great Lord Jesus the Christ Himself. I learnt from the
Lord in the Spirit, that He was speaking about Himself,

when He said those things.

This was what I learnt from the Lord Himself. And this
is made to make us understand that the Lord is still
directly teaching his chosen ones on Earth today. The
Holy Spirit is here, whilst one of His greatest
assignment is to teach us all things, as well as to bring
the teachings of Christ to our remembrance to the
glory of the Father. Therefore, He is teaching His
people in many ways.

THE GREATEST WEALTH

Another important point is on what we should seek
from the Lord our God. In this connection, I have
always said to people, and I speak to myself, and the
Spirit of God speaks to me, and the Lord had also
proclaimed it: that the greatest wealth is the Power of
the Holy Spirit.

> ***"And I say unto you, Ask, and it shall be given you: Seek, and ye shall find: Knock, and it shall be opened onto you.***

□ *it* □ □ □ □ ***For everyone that asketh receiveth: and***

> ***he that seeketh findeth: and to him that knocketh shall be opened....If ye then, being evil, know how to give good gifts unto your children: how much more shall***

your heavenly Father give the Holy Spirit to them that ask Him" *(Luke 11:9, 10, 13).*

Let it be emphasized that the greatest source of true wealth in the Universe is the Blessed Power of the Holy Spirit. I am talking of having the Holy Spirit in your life. That is the greatest wealth to all those who are on the path of Light.

Any other wealth outside the Omniscient consciousness of the Holy Spirit, has one earthly problem or the other attached to it. The greatest and the most important thing that a believer needs, is the Holy Spirit. This is the most bona-fide spiritual Power from the Highest Throne.

It is the Power of the Holy Spirit that will make you to be strong in the Lord. And if you are strong in the Lord, you can never lack what to eat. If you are strong in the Lord and give Him thanks in all things, surely you will

never completely lack the necessary material things of life.

The Holy Spirit will attract such things, at diverse

degrees, to come to you, even without your making
much effort to get them. Surely this is the path of
perfection in the Light of Christ. Here lies the essence
of the Words of the Lord:

> ***"But seek ye first the kingdom of God, and***
> ***His righteousness; and all these things***
> ***shall be added unto you"*** *(Math. 6:33).*

Now, if one who is strong in the Lord wants a wife, for
instance, three or more women will answer when he
calls one. I am not saying that you should go and marry
many wives, that is against the Will of God, which
holds that a man should "cleave unto his wife" – one
wife – not his wives. So please take note.

If you have the Spirit of God in your life, this Supreme
Power will attract a good wife, children, husband,
money, health, old age, and much more, to come to
you without much physical efforts. And when they are
thus attracted by the Spirit of God, the Holy Spirit, to

come to you, none of them will ever be a source of

problem to you. But if you receive any of these without the Power of the Holy Spirit, surely they will come with different earthly problems.

For instance, consider the lives of the earthmen who have wives without first possessing the Holy Spirit: Do they ever have peace of mind in the home? Don't deceive yourself, you can never have true peace of mind without the Holy Spirit in your life. I have heard some men say: "O, my wife is the major problem in my life."

Yes, whatever you receive without first seeking for the Divine Power, is a source of problem in this material world of man. Even some women are also lamenting that their husbands are the source of their predicaments. Think about this.

What about the parents who are now complaining that their children have become the source of trouble and lack of peace to them? Do you think that such children are from the Holy Spirit? Now, many barren women are being mocked today in our world. And because of this, some women are seeking for children

outside the path of Light.

If God wants to give you a child, nothing can prevent
you from having it, for as long as you remain faithful,
true and worthy to the Lord of Light. If you have no
child while being faithful to your Lord, don't lament.
Don't allow the mockery of the earthmen to disturb
your mind, for such men are in the mode of ignorance.
They don't have the accurate knowledge of the Word
of God. They may quote some verses of the Bible to
promote the falsehood of their vain mockery.

Now, such earthmen are not aware that we are living
in the end-time, the last generation, in which that
which is a source of mockery in the world of man shall,
by the Will of God, becomes a source of blessings.

For instance, a barren woman is mocked by foolish
people from time to time; but what did the Lord say
concerning the barren who are faithful to Him at the
fullness of time? Did he pronounce woe or blessings
upon them? Listen to the Great Lord Jesus the Christ,
in Luke Chapter 23 verses 28 and 29:

"Daughters of Jerusalem, weep not for

Me, but weep for yourselves, and for your children.

For, behold, the days are coming, in the which they shall say, Blessed are the barren, and the wombs that never bare, and paps which never suck."

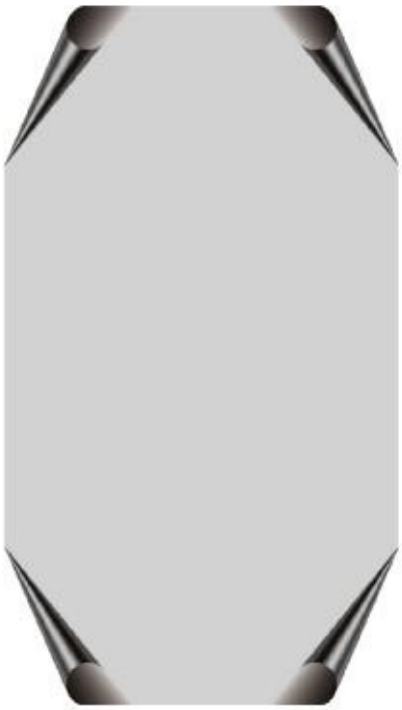

These are the Words of the Lord, and it must come to pass. Remember: **"Heaven and Earth shall pass away, but My Words shall not pass away,"** says the Lord of Creation. Therefore, dear good ones on the path of Light, be steadfast and seek solution only from the Lord your God. He is the Supreme Source of the greatest wealth.

Further example, can also be found in the secret lives of those that have so much money outside the Spirit of God. They are always living in fear, no peace of mind. That is why most of them join secret societies, the path of Satan and of destruction. What about those who have received old age outside the Holy Spirit? The so-called old age is now a source of problem to them.

Have you seen such old people? Some of them can no

longer walk or eat as usual. Is that a problem or a
blessing? Think about this. **"But seek ye first the kingdom of God, and His righteousness; and all these
things shall be added unto you."**

A word is enough for the wise.

Test Of Faith In Christ

Remember: "Faith cometh by hearing," and not by experience. Thus, if you doubt what you heard concerning the fire and went ahead to follow the process

of experience, you will learn at the end that such experience will serve as your worst teacher. Consequently, by doubting the warning given to you, which you received through "hearing," you will put your hand in the fire and experience something which will be the worst and not the best for you – the fire will burn you. In this case, experience has become a student.

HAVE ABSOLUTE FAITH IN GOD

CHAPTER

5

TEST OF FAITH IN CHRIST

TEXT: MATH. 10:38,39; ESV.
"And whoever does not take his cross and follow Me is not worthy of Me. Whoever finds his life will lose it, and whoever loses his life for My sake will find it".

HAVE ABSOLUTE FAITH IN GOD

Children of men, and my lovely saints on the path of
Light all over the world of man, this chapter is designed to make us firm on the path of Light in Christ.
In a nutshell, this has to do with the subject matter of
total faith in the Holy Name of the Most Holy, the Most
High God -- The Universal Great Lord Jesus the Christ.

Remember, in those days, how David stood before the
mighty one, even Goliath, who rose with multitudes
of human strength against the people of Israel

and
spoke against the name of the Almighty LORD Jehovah.

And it came to pass that David stood in battle against
Goliath, not on his strength, for he was a little one, but
on the strength of his faith in the Name of the Almighty God. Thus, in the Holy Scripture David spoke
to Goliath, saying:

> ***"Thou comest to me with a sword, and with a spear, and with a shield: but I come to thee in the Name of the LORD of hosts, the God of the armies of Israel, whom thou hast defiled"*** *(1 Sam.17:45).*

The victory of David over the great Goliath was a clear
manifestation of his absolute faith in the Holy Name of
God. Whosoever is proved to have absolute faith in
the Holy Name of the Almighty God, must have victory
in the battles of the great life.

Absolute faith in God has to do with unquestionable
confidence, unshakeable stand, on the reality and
Power of the Great Lord Jesus the Christ. Absolute
faith in Jehovah God and His Christ is the sure path of
recognition of the One Eternal Spirit, for each

and
everyone on the path of Light.

This faith entails even being ready to die for the course
of the Lord, if need be. And until one comes to this
degree of total reliance and confidence in his Maker,
Heaven considers him an unbeliever.

The limitless Power of the Lord of Creation cannot be
pleased, cannot be set in motion for divine
manifestation, within the framework of faithlessness
and doubt. Here the evidence of the material senses
must disappear and fade away. For the Scripture says:

- ***"But without faith it is impossible to***

  please Him, for he that cometh to God must believe that He is, and that He is a rewarder of them that diligently seek him" *(Heb. 11:6).*

- ***"And Jesus answering saith unto them, have faith in God"*** *(Mark 11:22).*

Without this faith, absolute faith in the Great Lord
Jesus the Christ, no one in the church system can walk
firmly on the path of Light; no one can excel in the
realm of the Holy Spirit. Those who have ears to

hear,
let them hear.

GREAT ONES ON THE PATH OF LIGHT

Now, it came to pass that I was caught up in the Spirit into the realm of the King of kings and Lord of lords. I stood before the Most Holy who died on the cross to save mankind, but who now lives in glory.

I stood before the Greatest Lord with three great Beings, whose faithfulness before the Lord, while they lived in the world of man, became the perfection of faith, for all generations of the children of Light to emulate.

These were Shadrach, Meshach and Abednego; the mighty ones, mighty in absolute faith in the Lord God Jehovah – the Almighty. While in the presence of the Lord, He said to me:

- ***"Harbinger of the Last covenant, behold Shadrach, Meshach and Abednego. They are true representatives and Universal symbols of the faith, which one must have in Me.***

- ***"Verily, these were ready in their time on***

Earth to be burnt alive, as a seal of their conviction and faith in Me, their Lord.

- ***"Harbinger of the Last Covenant, behold, by means of test, many that claim their trust and faith in Me, amongst the present generation of men, will surely have their portion in the domain of the faithless.***

- ***"Therefore, O Harbinger of the Last Covenant, proclaim and warn that, also***

- ***by means of this, even by means of tests, shall the Lord your God separate the sheep from the goat".***

When He said this, following other things, the Spirit of the Lord brought me back to the consciousness of my physical abode. Then I began to meditate on what I saw and heard from the Lord.

Now, O ye faithful of the Lord, remember and consider more, the faithfulness of Shadrach, Meshach and Abednego in the days of Nebuchadnezzar, King of ancient Babylon.

By their faith in the Living God Jehovah, they set at naught the decree of Nebuchadnezzar made for all to

worship a mighty idol, an image of gold, prepared by
the king and set up in the plain of Dura.

And it came to pass in those days that they were cast
into the midst of great fire, because of their faith in the
Almighty Jehovah God. In their confessions of faith,
before they were cast into the fire (Dan. 3:116 18),
they stood against the great image, prepared to die
and said to the king:

- ***"O Nebuchadnezzar, we are n ot careful to answer thee in this matter. If it be so, our God whom we serve is able to deliver us from the burning fiery furnace, and He will deliver us out of thine hand, O king.***

- ***"But if not, be it known unto thee, O king, that we will not serve thy gods, nor worship the golden image which thou hast set up".***

Upon saying this, the three faithful ones of the Lord
were cast into the fire of Nebuchadnezzar. Then came
the Spirit of the Lord, who took the form of a Son of
man, and delivered the chosen ones from the midst of

fire.

MOMENT OF GREAT TEST

As I was meditating on this, I remembered an incident that took place in our time, which represents a test of faith in the Great Lord Jesus the Christ, to a group of proclaimed believers.

It came to pass that a group of believers in the Lord,

thirty-nine in number, were returning from a crusade programme in their church bus. Whilst in the bus they, the people of God, were seriously busy singing and chanting the praises of the Father, the Son and the Holy Ghost.

The host pastor of the crusade was in the bus, also with his guest minister (speaker). The host and his guest were reported to have ministered the anointed Word of God and performed miracles, under great anointing of the Holy Spirit.

It is said that many looked up to them, (the host and his guest), as great "generals" of God's army, in the

vineyard of God on Earth, who lead the way for others
on the path of true faith in the Lord God Almighty. That
was the opinion of the people concerning them.

Now, it came to pass that, while on their way back
from the crusade programme, in the hour of the night,
the people of God came face to face with men of the
under-world. They were stopped by twenty-six armed
robbers, who blocked the road, robbing and maiming
their victims.

The robbers were very angry when they stopped the
bus and discovered that the occupants were church
people. This happened in the South East of Nigeria.
The dare-devil-men commanded all the people of God
to alight from the bus. Then the gang leader shouted
on them, saying:

] *so* [*"So you are among those that always*
pray against us, telling God that we are
bad men that must be destroyed. We've
caught you today; and we will kill all of
you here, that when you get to Heaven
you will tell Jesus Christ more about our

operation".

Then the hour for a test of faith in the Lord came,
when the gang leader spoke further that he was not
going to kill everyone, but will surely kill those who
will dare uphold before him their faith in Our Great
Lord Jesus the Christ. The armed robbers gathered the
crusaders on one side, whilst their leader said:

"If you know that you are truly a believer in Jesus Christ, come out now, and you will surely die for Him this night".

The agents of darkness waited for a while and no one
came out. It appeared as if in a moment of time,
believers had become unbelievers. The gang leader
then told them:

"Now you can enter your bus to continue your journey, for we now know that you are like us, and that you are not Christians the first place. But from now on, any day we see you again singing and preaching Jesus Christ, we will make sure you are killed.

We are about to leave here, therefore you are free to continue your journey as

soon as we depart".

As the people of God were entering back into their
church bus, a woman amongst them, holding her Holy
Bible firmly to her chest, came out prepared to die for
her Lord. She openly declared: **"I am ready to die now
for my Lord Jesus Christ".** Another believer, a young
pastor in their midst, also came out, willing to die for
the course of the Gospel of Christ.

Overall, about eleven faithful brethren came out,
willing to die for the mission of the Lord that very
moment. However, the host pastor and his guest
minister were amongst those who denied the Lord
that very hour. Remember, these two were God's
"Generals" there and then in human terms of the
church system.

Now, the gang leader of the armed robbers asked the
eleven faithful brethren once more, whether they
were truly ready to die for the sake of the Great Lord
Jesus the Christ. In one accord they all accepted to die,
rather than deny the Lord of everlasting life. Then the

gang leader finally told them thus:

to "Of a truth we now know that you are true Christians. Please, no harm will befall you here. We will not kill you and you are free to go home. But you see those who have refused to die for Jesus, while claiming be His followers, we will kill all of them here".

After these and other things said by the leader of the armed robbers, he and his gang finally murdered all

those that sought to save their lives, including the host pastor and his guest minister. Then the eleven faithful brethren drove of, after the robbers had left. The brethren also took away the corpses of the dead ones.

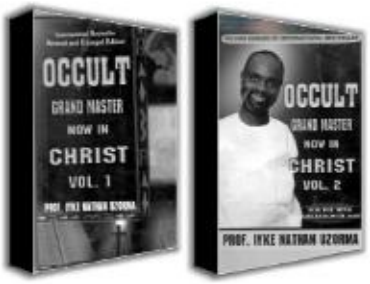

A word is enough for the wise.
