He might have been the one who rescued her from Chicago, but he still gets on her last nerve - she has no time for or patience with big, bossy. She tries to avoid him as much as she can, and she knows that he does the same with her, but they keep running into each other

When friends set her up on a date with another guy, she finally has to admit that bickering with Dalton is more enjoyable than going out with anyone else.

During his career as a Navy SEAL and later his work in security and protection services, Dalton's seen and done more than most men ever will. He's faced down threats both foreign and domestic, but he's never had to face.....
